This bill allows for civil service exemption for the newly established position of crime scene technicians. JSO intends to hire highly skilled civilians with experience and education within the science field to enhance evidence collection at crime scenes. The creation of this position is expected to provide departmental savings and efficiencies by allowing police crime scene detectives currently doing evidence collection to return to law enforcement duties. The position should be exempt from civil service due to its unique skill level and requisite education. As such, the exemption of this position from civil service pursuant to section 17.06(ee), Charter of the City of Jacksonville, must be by a vote of majority plus one of the City Council.
