PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

This legislation is necessary for the Real Estate Division to request legislation necessary for City Council to approve the closure and abandonment of an opened and improved portion of the May Street right-of-way as described in Exhibit A.

The Downtown Investment Authority (DIA) has submitted this request to facilitate the development of the abutting properties to the southeast of the right-of-way to be closed. The City acquired those abutting properties on the southeast via a road transfer map from the Department of Transportation in 2010. The abutting property owner on the northwest has approved of the closure request. There will be an all-utilities easement reserved in favor of JEA over the closed right-of-way to provide continued access to service infrastructure. No City, State or other agencies object to this closure request. The applicant (DIA) is exempt from having to pay Closure Application Fees.

If additional information is required, please call me at 255-8234 or R. J. Morris at 255-8705.
