**Bill Type and Number:** Ordinance 2023-304

**Introducer/Sponsor(s):** Council President at the request of the Mayor

**Date of Introduction:** May 9, 2023

**Committee(s) of Reference:** F, TEU

**Date of Analysis:** May 11, 2023

**Type of Action:** Reappropriation; CIP amendment

**Bill Summary:** The bill reappropriates \$1,066,334 from the 5<sup>th</sup> Street Bridge Replacement project to the Jork Road Bridge project to supplement previously appropriated funds and complete the project. It amends the 2023-27 Capital Improvement Program (CIP) to reflect the reallocation of funds between the projects and their revised costs.

**Background Information:** Construction of the 5<sup>th</sup> Street Bridge project between Ellis Road and Edgewood Avenue North has been accepted by the Florida Department of Transportation's Local Agency Program and therefore will not require as much City funding as previously allocated. The funds freed up by the FDOT's participation in that project will be shifted to the Jork Road Bridge project to provide additional funding needed to complete the project, which is located near Atlantic Boulevard and Degrove Road in the Empire Point area.

**Policy Impact Area:** Bridge replacements

**Fiscal Impact:** The bill shifts \$1,066,334 of previously appropriated funds from one project to another.

**Analyst:** Clements
