Bill Type and Number: Resolution 2021-191

Introducer/Sponsor(s): Council Member DeFoor

Date of Introduction: March 23, 2021

Committee(s) of Reference: R

Date of Analysis: March 25, 2021

Type of Action: Report acceptance

Bill Summary: The bill formally accepts the report of the Special Committee on Resiliency and thanks the dozens of citizen subject matter experts and the Northeast Florida Regional Council for their assistance in the project.

Background Information: The Special Committee was appointed in November 2019 by then-Council President Scott Wilson and continued by Council President Hazouri after his election. The committee met regularly over the course of a year, broke into 3 subcommittees, and heard presentations from dozens of guest speakers. The committee made 43 major recommendations and dozens more subsidiary recommendations and observations in its final report.

Policy Impact Area: Resiliency preparedness

Fiscal Impact: None directly; implementation of the recommendations entails substantial costs.
