Hello,

This will follow up our first correspondence to you dated March 14, 2024 wherein we informed you of a request for a street name change on Confederate Street in which you have CTSC Small Cell equipment located. While not technically a property owner, a street name change at the request of a citizen or citizens group requires the agreement of 75% of the owners of property whose property has an assigned address from the street name that is proposed to be changed. According to our data, you have CTSC Small Cell equipment addressed from Confederate Street. The proposed street name change seeks to rename Confederate Street, which extends from Hubbard Street to Market Street North then extending from Market Street North to Liberty Street North, to **Frazier Place**. To date, the Addressing Section staff has not received a response from you regarding this street name change. Please respond to this email by **June 21, 2024** with your consent or objection to this proposed street name change. ***Please be advised that a failure to respond to this email on or before the required deadline will be deemed as your consent in favor of the proposed street name change.*** If you have any questions or if you are in need of any additional information, please contact our department by phone at 904-255-8340 or by e-mail at address@coj.net.

Best wishes,
