(The account information is attached hereto as **Exhibit 1** and incorporated herein by this reference)

(a) Appropriated from:

\$500,000

(b) Appropriated to:

See Exhibit 1

\$500,000

(c) Explanation of Appropriation:

The funding above is an appropriation of \$500,000 from a Designated Special Council Contingency to the General Fund Operating, Miscellaneous Grants and Aids account, to provide a grant to The Boselli Foundation, Inc. ("Boselli") to support the Teacher Fellowship and Mentoring Programs (the "Program(s)") as described herein.

Section 2. Purpose. The purpose of the appropriation in Section 1 is to provide grant funds from the City of Jacksonville to Boselli for the Fellowship Program and Mentoring Program as described in Exhibit 2, attached hereto and incorporated herein by this reference. The Teacher Fellowship Program provides teachers in kindergarten through 12<sup>th</sup> grade classrooms with professional learning opportunities to cultivate skills in the areas of student-centered teaching and effective instructional practices. The Fellowship

Program is a year-long program for those with a minimum of two years of teaching experience that is designed to help develop educational leaders to serve students in Jacksonville's highest areas of need. The Mentoring Program is designed to encourage young men to become functional leaders through empowerment, story work and mentorship. This Program fosters leadership development by promoting self-worth, communication skills and the ability to lead oneself and others through increased self-awareness. The City funds will support various administrative costs for Boselli to operate the Programs including a portion of the salary and benefits for an Executive Director, Director of Operations and Administrative Assistant, occupancy expenses, various office expenses, and travel. A portion of the funds will also be used for client education through the Programs.

Section 3. Invoking the Exemption in Section 126.108(g), Ordinance Code. The City is hereby authorized to directly procure the professional services of The Boselli Foundation, Inc. for the Programs as described herein. Pursuant to Section 126.108(g) (Exemptions from competitive solicitation), Part 1 (General Regulations; Ethics and Transparency in Public Contracting), Chapter 126 (Procurement Code), Ordinance Code, such procurement is exempted from competitive solicitation because the supplies or services are to be provided by those specifically prescribed within authorizing legislation. With the exception of the foregoing, all other provisions of Chapter 126, Ordinance Code, shall remain in full force and effect.

Section 4. Waiver of Section 118.107, Ordinance Code. The provisions of Section 118.107 (Nonprofits to receive funding through a competitive evaluated award process), Part 1 (General Provisions), Chapter 118 (City Grants), Ordinance Code, are hereby waived to allow for a direct contract with Boselli. This waiver is justified because Boselli offers these Programs to meet the needs of youth and educators in the City's most underserved communities. The City funds will allow

Boselli to continue this work and to expand the Programs to reach a greater number of youth and teachers who can benefit from the personal and professional development these Programs provide.

Section 5. Waiver of Section 110.112, Ordinance Code. Section 110.112 (Advance of City funds; prohibition against), Part 1 (The City Treasury), Chapter 110 (City Treasury), Ordinance Code, is hereby waived to allow for advance payment of up to \$125,000 (25% of the total grant award amount) to Boselli for the Programs as described herein.

Section 6. Approval and Authorization to Execute. There is hereby approved, and the Mayor, or her designee, and the Corporation Secretary are hereby authorized to execute and deliver on behalf of the City a grant agreement with The Boselli Foundation, Inc. in an amount not-to-exceed \$500,000, subject to the Term Sheet and Budget more particularly described in Exhibit 2, for a term commencing on October 1, 2024 through September 30, 2025, and all other contracts and documents, including extensions, renewals and amendments to the agreement, and to otherwise take all action necessary to effectuate the intent of this Ordinance, subject to appropriate legal review and approval by the General Counsel, or his or her designee, and the City's Risk Management Division for appropriate insurance and indemnification requirements in accordance with Section 128.601, Ordinance Code.

Section 7. Oversight Department. The Grants and Contract Compliance Division of the Finance Department shall oversee the project described herein.

Section 8. Effective Date. This Ordinance shall become effective upon signature by the Mayor or upon becoming effective without the Mayor's signature.
