

PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (this "Agreement") is made on _____, 202__, between CYNTHIA M. YOUNG whose address is 3450 Chrysler Drive Jacksonville, FL 32257 ("Seller"), and CITY OF JACKSONVILLE, a consolidated political subdivision and municipal corporation existing under the laws of the State of Florida, whose address is 117 West Duval Street, Jacksonville, Florida 32202 ("Buyer").

IN CONSIDERATION of the mutual covenants of the parties in this Agreement and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties agree as follows:

1. AGREEMENT TO SELL AND CONVEY

Seller agrees to sell and convey to Buyer and Buyer agrees to purchase from Seller, subject to the terms and conditions of this Agreement the real property described on Exhibit "A", together with all hereditaments pertaining to the property, including all subsurface rights, all development rights, any right, title, and interest of Seller to adjacent streets, roads, alleys, or rights-of-way, and any easements, express or implied, benefitting the property, all referred to in this Agreement as the "Property". Notwithstanding the foregoing, Seller and Buyer agree that the Seller may retain ownership of the kitchen appliances, washing machine and dryer, the HVAC system, and the bathroom vanities and sinks ("Retained Property"). Seller shall remove the Retained Property prior to closing, or forfeit its right thereto.

2. PURCHASE PRICE; ESCROW AGENT

- a. The purchase price to be paid by Buyer to Seller for the Property is THREE HUNDRED THIRTY THOUSAND AND NO/100 DOLLARS (\$330,000.00) in immediately available United States funds (the "Purchase Price"), paid to an "Escrow Agent" acceptable to Buyer and Seller, at Closing by wire transfer or City warrant to Escrow Agent. Subject to the terms of this Agreement, Seller shall deliver the property free and clear of any mortgage liens, and free of hazardous or environmental conditions.
- b. The payment of the Purchase Price to the Escrow Agent at Closing shall be subject to the following provisions:
 - (i) The payment of the Purchase Price to Escrow Agent is for the accommodation of the parties. The duties of the Escrow Agent shall be determined solely by the express provisions of this Agreement. The parties authorize Escrow Agent, without creating any obligation on the part of Escrow Agent in the event this Agreement or the Purchase Price becomes involved in litigation, to deposit the Purchase Price with the clerk of the court in which the litigation is pending and thereupon Escrow Agent shall be fully relieved and discharged of any further responsibility under this Agreement. The undersigned also authorizes Escrow Agent, if it is threatened with litigation, to interplead all interested parties in any court of competent jurisdiction and to deposit the Purchase Price with the clerk of the court and thereupon Escrow Agent shall be fully relieved and discharged of any further responsibility hereunder.
 - (ii) Escrow Agent shall not be liable for any mistake of fact or error of judgment or any acts or omissions of any kind unless caused by its willful misconduct or gross negligence. Escrow Agent shall be entitled to rely on any instrument or signature believed by it to be

genuine and may assume that any person purporting to give any writing, notice or instruction in connection with this Agreement is duly authorized to do so by the party on whose behalf such writing, notice or instruction is given.

(iii) Escrow Agent shall not be liable to any party except for claims resulting from the negligence or willful misconduct of Escrow Agent. If the escrow is the subject of any controversy or litigation, the parties to the Agreement shall be responsible for any and all loss, cost, damage, liability or expense, including costs of reasonable attorneys' fees to which Escrow Agent may be put or which Escrow Agent may incur by reason of or in connection with such controversy or litigation for which they are legally responsible.

(iv) The provisions of this paragraph apply to Escrow Agent only in his or her capacity as Escrow Agent. They do not apply to Escrow Agent in any other capacity, such as closing agent, title agent, or attorney.

3. APPROVAL OF THE JACKSONVILLE CITY COUNCIL

This Agreement is not effective until the date the Jacksonville City Council approves it and it is duly executed by the Mayor ("Effective Date"). If the Jacksonville City Council does not approve this Agreement, this Agreement shall be void and of no force and effect, and the parties shall owe no obligations to each other under the provisions of this Agreement.

4. DUE DILIGENCE PERIOD AND CONTINGENCIES

a. Delivery of Title, Survey and Other Property Information.

Within 5 days after the Effective Date, the Seller shall deliver to Buyer the following (the "Due Diligence Materials"):

- (i) Copy of any existing boundary survey of the Property.
- (ii) Copy of any existing environmental site assessment(s) of the Property, including but not limited to, a Phase I Environmental Site Assessment, Phase II Environmental Site Assessment, and/or soil and groundwater testing and analyses reports. To the extent that such reports were prepared for the Seller, the Seller shall obtain a reliance letter from the author of the environmental report(s) listing the Buyer as a user of the report(s). If the site assessment identifies any environmental concerns the provisions of paragraph 5.c. shall apply.
- (iii) Copy of any existing correspondence, survey or report related to the presence or absence of threatened or endangered species located on the Property, including but not limited to bald eagles nests and gopher tortoises. If a permit exists for development within proximity to an eagle's nests or over gopher tortoise areas and the terms of the permit(s) are acceptable to Buyer, in Buyer's sole discretion, then Seller shall take all action necessary to transfer the permit(s) to Buyer at Closing.
- (iv) Copy of any existing correspondence, survey or report related to the presence or absence of wetlands located on the Property.

- (v) Copy of any existing correspondence, survey or report related to the presence of mold, asbestos, lead-based paint or radon associated with any structures located on the Property.
- (vi) Copy of any correspondence, survey or report related to geotechnical testing or subsurface investigation.
- (vii) Copy of any existing appraisal for the Property.
- (viii) Copies of any contracts, leases, or other written documents applicable to the Property, and summaries of any oral agreements, such as rights of first refusal or first offer, relating to the Property. All contracts, leases, or other agreements encumbering the Property shall be cancelled by Seller at or prior to Closing unless otherwise agreed to in writing by Seller and Buyer.
- (ix) Copy of the most recent title commitment or title insurance policy on the Property in possession of Seller.

For each day that the Seller fails to deliver to Buyer the Due Diligence materials after the expiration of the delivery date, the Due Diligence Period, as defined herein, shall automatically be extended by one (1) day. If Seller or its agents are not in possession of any of the Due Diligence Materials, or such items do not exist, Seller shall so notify Buyer as to each such item.

- b. **Due Diligence Period.** Buyer shall have One Hundred Twenty (120) days after the Effective Date within which to inspect the Property (the "Due Diligence Period"). Buyer shall have the option to extend the Due Diligence Period for an additional 30 days by providing written notice to Seller of such extension. Buyer shall have the right, at reasonable times during the Due Diligence Period, to enter the Property and undertake all investigations that Buyer deems necessary to fully evaluate the Property including, specifically, the right to:
 - (i) Obtain environmental audits of the Property and to contact or have its environmental consultants contact the Florida Department of Environmental Protection, the United States Environmental Protection Agency, and any other similar governmental authority to determine whether the files and records of those agencies include records indicating that the Property is or has been contaminated;
 - (ii) Inspect the Property for evidence of hazardous or other toxic waste contamination or contamination by fuels, oils, or other similar substances;
 - (iii) Inspect the Property and potentially collect samples related to the presence or absence of wetlands, threatened or endangered species, mold, radon, lead-based paint and/or asbestos-containing materials;
 - (iv) Obtain soil and groundwater samples for physical or laboratory analysis;
 - (v) Review title to the Property, including a survey; and,
 - (vi) Undertake such other inspections of the Property as it deems necessary.

Seller shall fully cooperate with Buyer in connection with Buyer's inspection of the Property.

- c. **Buyer's Due Diligence Responsibilities and Obligations.** In conducting any inspections, investigations, or tests on the Property, Buyer, its agents and representatives shall repair any damages to the Property as a result of the inspection or tests by returning the Property to at least the same physical conditions as it was prior to the Buyer's activities. Buyer shall be responsible for any damages, liabilities or claims for property damage or personal injury and mechanics or construction liens caused or created by Buyer and its agents and contractors in the conduct of such inspections and investigations, other than pre-existing conditions merely discovered by Buyer or its agents or contractors. Buyer's obligations contained in this section shall survive the termination of this Agreement.
- d. **Post Due Diligence Period.** After the expiration of the Due Diligence Period, including if extended as set forth in Paragraph 4(b) above, and so long as Buyer has not terminated this Agreement, Buyer shall continue to have the right to conduct its inspections and evaluations.
- e. **Termination by Buyer.** Buyer has the right at any time during the Due Diligence Period to terminate this Agreement if Buyer determines that the Property is not acceptable to Buyer in Buyer's sole discretion or for no reason at all. If Buyer elects to terminate this Agreement during the Due Diligence Period, Buyer shall provide written notice to Seller on or before the expiration of the Due Diligence Period, including if extended, and this Agreement shall stand terminated and the parties shall have no further rights or obligations under the provisions of this Agreement except for those that expressly survive termination.

5. TITLE AND SURVEY

a. Title.

- (i) Twenty (20) days after the Effective Date, Buyer shall obtain at its cost a commitment for an owner's title insurance policy from a title agent and title insurance underwriter acceptable to Buyer (the "**Title Company**"), agreeing to issue to Buyer upon the recording of the Deed provided for in this Agreement, an ALTA fee policy of title insurance Form B with Florida revisions in the amount of the Purchase Price insuring Buyer's title to the Property (the "**Title Commitment**").
- (ii) No more than fifteen (15) days after receipt of the last of the Title Commitment and Survey, Buyer shall notify Seller in writing of any conditions, defects, encroachments or other objections to title or Survey not acceptable to Buyer. Seller shall have a period of ten (10) days after receipt of Buyer's title objection letter in which to elect in writing whether to cure the title and survey objections; provided, however, that Seller is not obligated to cure or institute any litigation to cure the objections, other than liens arising through Seller and removable by the payment of money, which Seller shall be obligated to pay from its proceeds at closing. If Seller elects to cure the title objections, Seller shall use good faith efforts to cure such objections to title or survey within thirty (30) days after its election. If Seller elects not to cure such title objections, within thirty (30) days after Seller's response, Buyer may (i) refuse to purchase the Property and terminate this Agreement; (ii) waive the objections and close the purchase of the Property subject to the objections, with a mutually agreeable reduction of the Purchase Price; (iii) waive the

objections and close the purchase of the Property subject to the objections without a reduction of Purchase Price. If Seller is unable to cure the title objections after using good faith efforts, then in addition to the elections above, Buyer may allow Seller additional time to cure the objections, after which Buyer shall continue to have all of its elections provided in this paragraph.

Seller's inability or failure to cure the Title Objections is not a breach of this Agreement.

(iii) If applicable, within thirty (30) days after receipt of a Title Commitment reflecting that the Property is encumbered by a covenant to pay assessments, Seller shall obtain at its expense an estoppel certificate addressed to Buyer that all assessments are current, and stating the current amount of assessments on the Property. The certificate shall be updated for closing at Seller's expense as may be required by the Title Company to delete the exception for assessments from the Title Commitment. The estoppel certificate is subject to the objection and cure provisions of this Section in the same manner as though it were a title defect.

b. **Survey.** Thirty (30) days after the Effective Date, Buyer shall obtain at its cost a new survey of the Property (the "Survey"). The Survey shall be certified to Seller, Seller's attorney, the Title Company, the Title Agent, and Buyer, shall meet or exceed Standards of Practice for Surveying in the State of Florida as set forth by Chapter No. 5J-17 (.050-.052) of the Florida Administrative Code (FAC), and will show and describe the exterior boundaries and corner markers or monuments of the Property, the size and location of all improvements and structures upon the Property, any encroachments, easements, rights-of-way or other conditions to which the Property is subject, and the legal description and the area of the Property.

c. **Environmental Assessments.**

If an environmental site assessment obtained by Buyer during the Due Diligence Period confirms the presence of hazardous substances or petroleum products on the Property, Buyer, at its sole option, may elect to terminate this Agreement and neither party shall have any further obligations under this Agreement. Should Buyer elect not to terminate this Agreement, Seller shall, at Seller's sole cost and expense and prior to closing, promptly commence and diligently pursue any assessment, clean up and monitoring of the Property necessary to bring the Property into full compliance with Environmental Law to Buyer's satisfaction in its sole discretion provided that if the cost of the remediation efforts exceeds ten percent (10%) of the Purchase Price, Seller shall have the right, but not the obligation, to undertake such efforts. Should Seller not agree to undertake such remediation efforts, Buyer shall have the option to purchase the property at a discounted purchase price equal to the amount of the Purchase Price less the estimated cost of remediation efforts required to bring the Property into full compliance with Environmental Law. "Environmental Law" shall mean all federal, state and local laws, including statutes, regulations, ordinances, codes, rules, judgments, orders, decrees, permits, concessions, grants, franchises, licenses, agreements and other governmental restrictions relating to the protection of the environment or human health, welfare or safety, or to the emission, discharge, seepage, release or threatened release of any contaminant, solid waste, hazardous waste, pollutant, irritant, petroleum product, waste product, radioactive material, flammable or corrosive substance, carcinogen, explosive, polychlorinated biphenyl, asbestos, hazardous or toxic substance, material or waste of any kind into the environment, including, without limitation, ambient air, surface water, ground water, or land including, but not limited to, the Federal Solid Waste Disposal Act, the Federal Clean Air Act, the Federal Clean Water Act, the Federal Resource and Conservation and Recovery Act of 1976, the

Hazardous and Solid Waste Amendments of 1984, the Federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, the Federal Superfund Amendments and Reauthorization Act of 1986, Chapters 161, 253, 373, 376 and 403, Florida Statutes, Rules of the U.S. Environmental Protection Agency, Rules of the Florida Department of Environmental Protection, and the rules of the Florida water management districts now or at any time hereafter in effect.
