FUTURE LAND USE ELEMENT

4.4.35

Pursuant to the authority granted by Sec. 163.3187(1)(b), Florida Statutes, Ordinance 2022-531 for a small scale amendment is approved subject to the following:

To implement Policy 1.1.25 of the 2030 Comprehensive Plan Future Land Use Element, the following shall apply to this small scale land use map amendment:

- Single use residential development shall be permitted on 100% of the site.
- Single use residential development shall not exceed 110 dwelling units and shall be exempt from mixed use requirements.

The amendment allows for the option of single use residential development. The amendment provides an additional location for residential uses, providing sufficient land for future uses that allow for the operation of real estate markets to provide adequate choices for permanent and seasonal residents and businesses. The site is located in close proximity to public transportation and connects to full urban services.
