Commencement of leasehold improvements and purchase of tangible personal property (machinery and equipment) shall be no later than December 31, 2021.

By the execution hereof, and subject to the terms of this Agreement, the Company hereby agrees to undertake and complete the construction and development of the Project in accordance with this Agreement and the Performance Schedule, and to comply with all of the Company's obligations set forth herein.

3.2 Approval of Agreement.

By the execution hereof, the parties certify as follows:

- (b) The City certifies that the execution and delivery hereof is binding upon the City to the extent provided herein and enforceable against it in accordance with its terms.

Article 4.
REV GRANT

4.1 Recapture Enhanced Value Program; Amount.

The City shall make a Recapture Enhanced Value grant ("REV Grant") to the Company, in a total amount not to exceed \$820,000, partially payable beginning in the first year following the construction of the leasehold improvements and the purchase and installation of the tangible personal property (machinery and equipment) at the Project Parcel and its inclusion on the City tax rolls at full assessed value (the "Initial Year") and ending 10 years thereafter, but not later than 2033 (the "Final Year"), payable in fiscal year 2034, all as more fully described below in this Article 4. For purposes of clarity, any subsequent construction or purchases of tangible personal property on the Project Parcel by Company after completion of the initial Improvements shall not be included by the City in determining the annual installment of the REV Grant as set forth in Section 4.3 below.

4.2 Payments of REV Grant.

The REV Grant shall be paid by the City to the Company by check, in annual installments determined in accordance with Section 4.3, due and payable on or before May 15 of each calendar year, commencing May 15 of the Initial Year and ending May 15 of the Final Year, or when the maximum amount of the REV Grant shall have been paid to the Company, whichever occurs first. The City shall have no liability for any REV Grant in excess of the amount stated in Section 4.1 or after payment of the final installment due May 15 of the Final Year, and, except as expressly provided in this Agreement, the REV Grant payments as determined pursuant to Section 4.3 shall not be subject to reduction or repayment.

4.3 Determination of Annual Installments of REV Grant.

The amount of each annual installment of the REV Grant shall be the sum which is equal to 75% of the "Annual Project Revenues" (as defined and determined in this Section 4.3) received by the City during the twelve (12) month period ended April 1 preceding the due date of such annual installment. For the purposes of this Agreement, "Annual Project Revenues" means the amount of all municipal and county ad valorem taxes, exclusive of any amount from any debt service millage or Business Improvement District ("BID") millage, actually paid by any taxpayer for that tax year (net of any discount pursuant to Section 197.162, Florida Statutes, or any successor provision, actually taken by the taxpayer) during such period with respect to all real property and tangible personal property comprising the Project, less the amount of all municipal and county ad valorem taxes that would have been levied or imposed on the Project using the assessed value for the Base Year, which for the purpose of this Agreement shall be \$992,300 (subject to adjustment based on final certified value) exclusive of any debt service millage. The foregoing references to ad valorem taxes shall be deemed to include any other municipal or county taxes, or other municipal or county fees or charges in the nature of or in lieu of taxes, that may hereafter be levied or imposed on the Company with respect to real property or tangible personal property comprising the Project, in lieu of or in substitution for the aforesaid taxes and which are levied or imposed for general municipal or county purposes or shall be available for the City's general fund, but not including stormwater or garbage fees or assessments.

By April 1 of each calendar year, commencing April 1, Initial Year and ending April 1, Final Year, Company shall give written notice to the City of the amount of county ad valorem taxes paid during the preceding twelve (12) month period ending April 1, quantified by real property and tangible personal property amounts. If, by April 1 of any year, the Company has failed to give notice of taxes paid during the preceding twelve (12) month period, the Company shall not be eligible for a REV Grant payment for that year. Provided, however, that if the Company provides timely notice in future years, the Company shall be eligible for a REV Grant payment based on the Annual Projected Revenues in such future year's notice.

Except as provided below, within thirty (30) days of receipt of said notice, City shall provide Company with a calculation as to the annual REV Grant. If the Company does not give written notice to the City of its objection to the City's calculation within thirty (30) days after its receipt thereof, the City's calculation shall be considered acceptable. Except as provided below, the City shall make payment of the REV Grant by the later of May 15th of each calendar year or thirty (30) days after City's receipt of notification by the Company that it is in agreement with the City's annual calculation. In the event of a disagreement as to the calculation, the City shall make payment of the amount not in dispute and the parties shall negotiate in good faith any disputed amount.

The foregoing dates for the City to provide the REV Grant calculation and make the REV Grant payment shall be extended if on either of such dates the Company has a pending proceeding before the City Value Adjustment Board, Circuit Court, or otherwise that could change the amount of the Annual Project Revenues that Company was obligated to pay for that tax year and upon which the REV Grant payment would be based. In that event, the date that the City is required to provide the REV Grant calculation to Company shall be extended until 30 days after the date that Company notifies the City that any such proceeding has been finally resolved (including any appeals) and any adjustment to the Annual Project Revenues for that tax year has been made and paid. Such notice shall include (i) a copy of any final order or final judgment or other evidence of the resolution of such proceeding that sets forth any change to the assessed value of the Property upon which the Annual Project Revenues are based for that tax year, and (ii) the amount of the adjusted Annual Project Revenues paid by the Company.

4.4 **Further disclaimer.**

The REV Grant shall not be deemed to constitute a debt, liability, or obligation of the City or of the State of Florida or any political subdivision thereof within the meaning of any constitutional or statutory limitation, or a pledge of the faith and credit or taxing power of the City or of the State of Florida or any political subdivision thereof, but shall be payable solely from the funds provided therefor in this Article 4. The City shall not be obligated to pay the REV Grant or any installment thereof except from the non-ad valorem revenues or other legally available funds provided for that purpose, and neither the faith and credit nor the taxing power of the City or of the State of Florida or any political subdivision thereof is pledged to the payment of the REV Grant or any installment thereof. The Company, or any person, firm or entity claiming by, through or under the Company, or any other person whomsoever, shall never have any right, directly or indirectly, to compel the exercise of the ad valorem taxing power of the City or of the State of Florida or any political subdivision thereof for the payment of the REV Grant or any installment of either.

Article 5.
THE DEVELOPMENT

5.1 Scope of Development.

- (a) The Company shall purchase and install additional tangible personal property (machinery and equipment) or cause to be purchased and installed, in substantial compliance with the times set forth in the Performance Schedule, all Improvements which the Company is obligated to purchase and install under the Performance Schedule and this Agreement.

5.3 Approval by Other Governmental Agencies.

All of the parties' respective rights and obligations under this Agreement are subject to and conditioned upon approval of the Project and all Project Documents by such other governmental agencies, whether state, local or federal, as have jurisdiction and may be required or entitled to approve them. Notwithstanding any provision of this Agreement to the contrary, the City does not guarantee approval of this Agreement or any aspect of the Project by any government authorities and agencies that are independent of the City.

5.4 Authority of OED to Monitor Compliance.

During all periods of purchase and installation of the tangible personal property, the Economic Development Officer of the OED and the City's Director of Planning and Development shall have the authority to monitor compliance by the Company with the provisions of this Agreement and the Project Documents. Insofar as practicable, the OED shall coordinate such monitoring and supervising activity with those undertaken by the City so as to minimize duplicate activity. To that end, during the period of installation and with prior notice to the Company, representatives of the City shall have the right of access to the Project Parcel and to every structure on the Project Parcel during normal business hours.

5.5 Timing of Completion.

The purchase and installation of the tangible personal property (machinery and equipment) shall be completed substantially in accordance with the terms of this Agreement and the Performance Schedule.

5.6 Construction and Operation Management.

Except as otherwise expressly provided herein, the Company shall have discretion and control, free from interference, interruption or disturbance, in all matters relating to the management, development, redevelopment, construction and operation of the Project, provided that the same shall, in any event, conform to and comply with the terms and conditions of this Agreement, and all applicable

state and local laws, ordinances and regulations (including without limitation, applicable zoning, subdivision, building and fire codes). The Company's discretion, control and authority with respect thereto shall include, without limitation, the following matters:

- (b) the selection, approval, hiring and discharge of engineers, architects, contractors, subcontractors, professionals and other third parties (collectively the "Vendors") on such terms and conditions as the Company deems appropriate; provided however, that to the extent that the City furnishes to the Company the names and identities of Jacksonville-based Vendors, including without limitation Jacksonville-based minority Vendors, and to the extent that Company has the need to enter into contracts with Vendors outside of persons employed by Company or companies affiliated with or controlled by Company or its principals, then Company agrees to include all such Jacksonville-based Vendors in the process established by Company for obtaining bids for any of the Improvements;
- (c) the negotiation and execution of contracts, agreements, easements and other documents with third parties, in form and substance satisfactory to Company; and
- (d) the preparation of such budgets, cost estimates, financial projections, statements, information, and reports as the Company deems appropriate.

**Article 6.

The Company, in further recognition of and consideration for the public funds provided to assist the Company pursuant to this Agreement, hereby acknowledges the importance of affording to small and emerging vendors and contractors the full and reasonable opportunity to provide materials and services ("Opportunity"). Therefore, the Company hereby agrees as follows:

- (a) The Company shall obtain from the City's Procurement Division the list of certified Jacksonville Small and Emerging Businesses ("JSEB"), and shall exercise good faith, in accordance with Municipal Ordinance Code Sections 126.608 et seq., to enter into contracts with City certified JSEBs to provide materials or services in an aggregate amount of not less than \$164,000 which amount represents 20% of the City's maximum contribution to the Project with respect to the development activities or operations of the Project over the term of this Agreement.
- (b) The Company shall submit JSEB report(s) regarding the Company's actual use of City certified JSEBs on the Project the earlier of (i) on the date of any request for City funds which are payable prior to the Completion of Construction, or (ii) upon Completion of Construction. Article 8.
DEFAULTS AND REMEDIES

8.1 General.

A default shall consist of the breach of any covenant, agreement, representation, provision, or warranty contained in (i) this Agreement (including, but not limited to, any failure to meet the reporting requirements described herein), (ii) the documents executed in connection with the Agreement and any other agreement between the City and the Company related to the Project, or (iii) any document provided to the City relating to the Project (collectively, the "**Documents**"). A default shall also exist if any event occurs or information becomes known which, in the reasonable judgment of the City, makes untrue, incorrect or misleading in any material respect any statement or information contained in any of the documents described in clauses (i) – (iii) above or causes such document to contain an untrue, incorrect or misleading statement of material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

If any such default or breach occurs under this Agreement, the City may refuse to pay any portion of the REV Grant and additionally, may at any time or from time to time proceed to protect and enforce all rights available to the City under this Agreement by suit in equity, action at law or by any other appropriate proceeding whether for specific performance of any covenant or agreement contained

in this Agreement, or damages, or other relief, or proceed to take any action authorized or permitted under applicable laws or regulations, including, but not limited to, terminating this Agreement. The City shall not act upon a default until it has given the Company written notice of the default and fifteen (15) business days within which to cure the default; provided, however, that the City may withhold any portion of the REV Grant immediately upon the occurrence of a default and throughout any notice or cure period. However, if any default cannot reasonably be cured within the initial fifteen (15) business days, Company shall have a total of forty-five (45) days in which to cure such default, so long as Company has commenced and is diligently proceeding to cure such default within the initial fifteen (15) day period. Notwithstanding the foregoing, Company shall immediately and automatically be in default, and the City shall not be required to give Company any notice or opportunity to cure such default (and thus the City shall immediately be entitled to act upon such default), upon the occurrence of any of the following:

- (a) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Company or any guarantor (“Guarantor”) of Company’s obligations hereunder or under the Documents, a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or Guarantor under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Company or Guarantor or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; and
- (b) The institution by Company or Guarantor of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Company or Guarantor or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

8.2 Specific Defaults.

Additionally, for any of the specific events of default described in this Section 8.2 below, the parties agree that the City’s damages recoverable from the Company shall include, but not be limited to, the following:

- (a) in the event reporting requirements are not met in the time period specified in Article 7 of this Agreement, the City will be entitled to withhold the annual installment of the REV Grant for any year during which any reporting requirements are not met.
- (b) if, by December 31, 2023, the Company fails to invest at least \$14,545,000 of private funding in the Project, the REV Grant will be proportionately reduced. If, by December 31, 2023, the Company fails to invest or cause the investment of at least \$11,000,000 of private funding in the Project, the REV Grant calculation per Section 4.3 hereof shall be reduced from 75% of Annual Project Revenues to 50% of Annual Project Revenues. If,

by December 31, 2023, the Company fails to invest or cause the investment of at least \$9,000,000 of private funding in the Project, the REV Grant will be terminated and the Company will repay the City the entire amount of the REV Grant that has been previously paid to the Company, if any.

The maximum combined repayment due under this Section 8.2 shall not exceed the total amount of the REV Grant actually paid to the Company under this Agreement.

Article 9.
GENERAL PROVISIONS

9.1 Non-liability of City Officials.

No member, official or employee of the City shall be personally liable to the Company or to any Person with whom the Company shall have entered into any contract, or to any other Person, in the event of any default or breach by the City, or for any amount which may become due to the Company or any other Person under the terms of this Agreement.

9.3 Offset.

City shall have the right to offset any amount owed by Company under or in connection with this Agreement against any payments owed by City under this Agreement. Such offsets shall be in addition to any other rights or remedies available under this Agreement and applicable law.

9.4 Notices.

All notices to be given hereunder shall be in writing and personally delivered or sent by registered or certified mail, return receipt requested, or delivered by an air courier service utilizing return receipts to the parties at the following addresses (or to such other or further addresses as the parties may designate by like notice similarly sent) and such notices shall be deemed given and received for all purposes under this Agreement three (3) business days after the date same are deposited in the United States mail if sent by registered or certified mail, or the date actually received if sent by personal delivery or air courier service, except that notice of a change in address shall be effective only upon receipt.

9.5 Time.

Time is of the essence in the performance by any party of its obligations hereunder.

9.6 Entire Agreement.

This Agreement constitutes the entire understanding and agreement between the parties and supersedes all prior negotiations and agreements between them with respect to all or any of the matters contained herein.

9.7 Amendment.

This Agreement may be amended by the parties hereto only upon the execution of a written amendment or modification signed by the parties. Notwithstanding the foregoing, the Economic Development Officer of the OED is authorized on behalf of the City to approve, in his or her sole discretion, any "technical" changes to this Agreement. Such "technical" changes include without limitation non-material modifications to legal descriptions and surveys, ingress and egress, easements and rights of way, performance schedules (provided that no performance schedule may be extended for more than one year without City Council approval), and design standards, as long as such modifications do not involve any increased financial obligation or liability to the City.

9.8 Waivers.

Except as otherwise provided herein, all waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by any party in insisting upon strict performance of the provisions hereof or asserting any of its rights and remedies as to any

default shall not constitute a waiver of any other default or of any such rights or remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by any other party.

9.9 Indemnification.

Company shall indemnify, hold harmless and defend the City from and against, without limitation, any loss, claim, suit, action, damage, injury, liability, fine, penalty, cost, and expense of whatsoever kind or nature (including without limitation court, investigation and defense costs and reasonable expert and attorneys' fees and costs) related to any suits and actions of any kind brought against the City or other damages or losses incurred or sustained, or claimed to have been incurred or sustained, by any person or persons arising out of or in connection with: (i) any breach of any representation or warranty of Company contained or provided in connection with this Agreement; (ii) any breach or violation of any covenant or other obligation or duty of Company under this Agreement or under applicable law; (iii) any negligent act, error or omission, recklessness or intentionally wrongful conduct on the part of Company or those under its control that causes injury (whether mental or corporeal) to persons (including death) or damage to property, whether arising out of or incidental to Company's performance under this Agreement or relating to the Project, except to the extent cause by the sole negligence of the City. Nothing contained in this paragraph shall be construed as a waiver, expansion or alteration of the City's sovereign immunity beyond the limitations stated in Section 768.28, Florida Statutes.

This indemnification shall survive the expiration or termination (for any reason) of this Agreement and remain in full force and effect. The scope and terms of the indemnity obligations herein described are separate and apart from, and shall not be limited by any insurance provided pursuant to this Agreement or otherwise. The term "City" as used in this Section 9.9 shall include all City's members, officers, officials, employees and agents.

9.10 Severability.

The invalidity, illegality or unenforceability of any one or more of the provisions of this Agreement shall not affect any other provisions of this Agreement, but this Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

9.11 Compliance with State and Other Laws.

In the performance of this Agreement, the Company must comply with any and all applicable federal, state and local laws, rules and regulations, as the same exist and may be amended from time to time.
