4.2 **Disbursement Procedures.** The BIG Grant shall be paid in one sole lump sum disbursement upon written application of the Company pursuant to a disbursement request in the form set forth on **Exhibit D** (“**Disbursement Request**”), which shall only be submitted by the Company after the Improvements have been substantially completed. The Disbursement Request shall constitute a representation and warranty by the Grantee to the City that (a) the work performed, satisfied all permitting requirements and the materials supplied as of the date thereof are in accordance with the relevant permits and this Agreement, (b) the work and materials for which payment is requested have been physically incorporated into the Improvements, (c) the value is as stated, (d) the work and materials conform with all applicable rules and regulations of the public authorities having jurisdiction, (e) payment for the items described in such Disbursement Request has been made by the Company, (f) such Disbursement Request is consistent with this Agreement, and (g) no Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing.

The City shall not be obligated to disburse any portion of the BIG Grant funds to Company if, in the opinion of the City, any such disbursement or the Project or Project Parcel would be subject to a mechanic's or materialmen's lien or any other lien or encumbrance other than inchoate construction liens. The City shall not be obligated to pay the BIG Grant or any installment thereof except from the non-ad valorem revenues or other legally available funds provided for that purpose, and neither the faith and credit nor the taxing power of the City or of the State of Florida or any political subdivision thereof is pledged to the payment of the BIG Grant or any installment thereof. The Company, and any person, firm or entity claiming by, through or under the Company, or any other person whomsoever, shall never have any right, directly or indirectly, to compel the exercise of the ad valorem taxing power of the City or of the State of Florida or any political subdivision thereof for the payment of the BIG Grant or any installment thereof.

Article 5. JOB RETENTION/CREATION

5.1 Job Creation or Retention Activities.

The Project will result in the retention of the Retained Jobs and creation of a minimum of thirty (30) New Jobs at the Project Parcel in accordance with the Performance Schedule. Creation of the New Jobs will be calculated by the City pursuant to this Agreement. New Jobs for which the employee filling such New Job does not reside within the Metropolitan Statistical Area, and is not required to work at the Project Parcel shall not count toward the 30 New Jobs minimum requirement.

An "employee" of Company means any person employed by Company, by any subtenant of Company who is leasing property at the Project Parcel and performing work on behalf of the Company that the Company would otherwise perform itself (the "Tenants"), or by any employee leasing company (or other similar third-party employer) to fill a Permanent Job position made available by Company at the Project Parcel or, with respect to any Eligible Remote Employee, based at the Project Parcel. It is acknowledged and agreed that any of the New Jobs may be filled, in Company's discretion, by persons employed by Company, the Tenants, or by persons employed by any employee leasing company selected by Company or the Tenants. The parties acknowledge and agree that it may be necessary for Company

or the Tenants, or any such third-party employer to commence the recruitment, interviewing, consideration, selection and training of prospective employees to fill such New Jobs, or to hire employees, in sufficient time to commence its operations as soon as possible after completion of the Project. In the event that notwithstanding the City's best efforts, the Company or its Tenants, or any such third-party employer found or finds it necessary to recruit, interview, consider, select or train any persons, or fill any New Jobs to be created in the City as a result of this Agreement, before execution of this Agreement or the State Agreement, such New Jobs shall not be considered or deemed to lose their status as New Jobs created in the City as a result of the Project and such persons shall not be considered or deemed to lose their status as persons, or, in applicable cases, low and moderate income persons, to which such New Jobs have been made available or who hold such New Jobs.

Notwithstanding any provision in this Agreement to the contrary, the re-hiring of any person by the Company who was previously employed by the Company in Duval County, Florida, during any part of the twelve (12) month period immediately preceding the execution of this Agreement, shall not fulfill the conditions of or qualify as a Full-Time Equivalent Job, New Job, or Permanent Job. For the purposes of this section, the term "Company" shall include any parent, holding or subsidiary company of the Company, or any other business related by virtue of a merger, purchase, or acquisition by the Company.

The Company shall provide to the OED prior to March 1 of each year this Agreement is in effect the annual reporting forms in the format of, and containing at a minimum the information on, **Exhibit G** attached hereto.

Except as otherwise set forth in this Agreement, the Company shall pay the cost of constructing and developing the Improvements at no cost to the City.

All of the parties' respective rights and obligations under this Agreement are subject to and conditioned upon approval of the Project and all Project Documents by such other governmental agencies, whether state, local or federal, as have jurisdiction and may be required or entitled to approve them. Notwithstanding any provision of this Agreement to the contrary, the City does not guarantee approval of this Agreement or any aspect of the Project by any government authorities and agencies that are independent of the City.

6.4 Authority of OED to Monitor Compliance.

During all periods of design and construction, the Economic Development Officer of the OED and the City's Director of Planning and Development shall have the authority to monitor compliance by the Company with the provisions of this Agreement and the Project Documents. Insofar as practicable, the OED shall coordinate such monitoring and supervising activity with those undertaken by the City so as to minimize duplicate activity. To that end, during the period of construction and with prior notice to the Company, representatives of the City shall have the right of access to the Project Parcel and to every structure on the Project Parcel during normal construction hours.

6.5 Timing of Completion.

The Project Improvements shall be completed substantially in accordance with the terms of this Agreement and the Performance Schedule.

6.6 Construction and Operation Management.

Except as otherwise expressly provided herein, the Company shall have discretion and control, free from interference, interruption or disturbance, in all matters relating to the management, development, redevelopment, construction and operation of the Project, provided that the same shall, in any event, conform to and comply with the terms and conditions of this Agreement, and all applicable state and local laws, ordinances and regulations (including without limitation, applicable zoning, subdivision, building and fire codes). The Company's discretion, control and authority with respect thereto shall include, without limitation, the following matters:

- (a) the construction and design of the Project, subject to the express terms and conditions of this Agreement;
- (b) the selection, approval, hiring and discharge of engineers, architects, contractors, subcontractors, professionals and other third parties (collectively the "Vendors") on such terms and conditions as the Company deems appropriate; provided however, that to the extent that the City furnishes to the Company the names and identities of Jacksonville-based Vendors, including without limitation Jacksonville-based minority Vendors, and to the extent that Company has the need to enter into contracts with Vendors outside of persons employed by Company or companies affiliated with or controlled by Company or its principals, then Company agrees to include all such Jacksonville-based Vendors in the process established by Company for obtaining bids for any of the Improvements;
- (c) the negotiation and execution of contracts, agreements, easements and other documents with third parties, in form and substance satisfactory to Company; and
- (d) the preparation of such budgets, cost estimates, financial projections, statements, information, and reports as the Company deems appropriate.

6.7 Ineligible Business Activities.

Until the expiration or earlier termination of this Agreement, Company agrees to prohibit the use of the Project Parcel for the uses set forth on **Exhibit C** attached hereto.

Article 7. JSEB PROGRAM

7.1 Jacksonville Small and Emerging Businesses (JSEB) Program.

The Company, in further recognition of and consideration for the public funds provided to assist the Company pursuant to this Agreement, hereby acknowledges the importance of affording to small and emerging vendors and contractors the full and reasonable opportunity to provide materials and services. Therefore, the Company hereby agrees as follows:

(a) The Company shall obtain from the City's Procurement Division the list of certified Jacksonville Small and Emerging Businesses ("JSEB"), and shall exercise good faith, in accordance with Municipal Ordinance Code Sections 126.608 et seq., to enter into contracts with City certified JSEBs to provide materials or services in an aggregate amount of not less than \$35,000 for the Project, which amount represents 20% of the City's maximum contribution to the Project with respect to the development activities or operations of the Project over the term of this Agreement.

(b) The Company shall submit a JSEB report regarding the Company's actual use of City certified JSEBs upon completion of the Project. The form of the report to be used for the purposes of this section is attached hereto as **Exhibit E** (the "JSEB REPORTING FORM").

Article 8. REPORTING; SITE VISITS

On an annual basis, and prior to March 1 each year this Agreement is in effect, the Company shall submit reports to the OED regarding the number of Retained Jobs and New Jobs that have been created by Company at the Project Parcel, and all other activities affecting the implementation of this Agreement, including a narrative summary of progress on the Project. Samples of the general forms of these reports are attached hereto as **Exhibit F** (the "Annual Survey") and **Exhibit G** (the "Job Report"); however the City reserves the right to request specific data that may vary from the forms attached.

The Company's obligation to submit such reports shall continue until the Company has complied with all of the terms of this Agreement concerning the Project and the BIG Grant.

Within thirty (30) days following the request of the City, the Company shall provide the City with additional information requested by the City.

8.2 Site Visits.

For so long as City has any payment obligations to Company pursuant to this Agreement, Company shall permit representatives from the City's OED and other designated City personnel, to monitor compliance by Company with the provisions of this Agreement. With no less than five (5) business days' prior written notice to Company (which may be via email), representatives of City shall have the right to tour the Project and access Company's Project records and employees related to the Project and this Agreement, during normal business hours, provided, however, that: (a) Company shall

have the right to have a representative of Company present during any such inspection; (b) City shall not have the right to access any proprietary or confidential information of the Company or the Project (provided however, Company agrees that verification of employment status and employment data is not considered proprietary or confidential information); (c) City shall have the right to duplicate or make copies of such Project records provided that Company may redact any proprietary or confidential information; and (d) City and Company shall reasonably cooperate to schedule such access on days and times so as to reasonably minimize the interference of the City with the Project.

Article 9. DEFAULTS AND REMEDIES

9.1 General.

A default shall consist of the breach of any covenant, agreement, representation, provision, or warranty contained in (i) this Agreement (including, but not limited to, any failure to meet the reporting requirements described herein), (ii) the documents executed in connection with the Agreement and any other agreement between the City and the Company related to the Project, or (iii) any document provided to the City relating to the Project (collectively, the “Documents”). A default shall also exist if any event occurs or information becomes known which, in the reasonable judgment of the City, makes untrue, incorrect or misleading in any material respect any statement or information contained in any of the documents described in clauses (i) – (iii) above or causes such document to contain an untrue, incorrect or misleading statement of material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

If any such default or breach occurs under this Agreement, the City may refuse to pay any portion of the BIG Grant and, additionally, may at any time or from time to time proceed to protect and enforce all rights available to the City under this Agreement by suit in equity, action at law or by any other appropriate proceeding whether for specific performance of any covenant or agreement contained in this Agreement, or damages, or other relief, or proceed to take any action authorized or permitted under applicable laws or regulations, including, but not limited to, terminating this Agreement. The City shall not act upon a default until it has given the Company written notice of the default and fifteen (15) business days after Company’s receipt of such notice within which to cure the default; provided, however, that the City may withhold any portion of the BIG Grant immediately upon the occurrence of a default and throughout any notice or cure period. However, if any default cannot reasonably be cured within the initial fifteen (15) business days, Company shall have a total of sixty (60) days after Company’s receipt of such notice within which to cure such default, so long as Company has commenced and is diligently proceeding to cure such default within the initial fifteen (15) day period. Notwithstanding the foregoing, Company shall immediately and automatically be in default, and the City shall not be required to give Company any notice or opportunity to cure such default (and thus the City shall immediately be entitled to act upon such default), upon the occurrence of any of the following:

(a) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Company or any guarantor (“Guarantor”) of Company’s obligations hereunder or under the Documents, a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or Guarantor under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Company or Guarantor or of any

substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; and

(b) The institution by Company or Guarantor of proceedings to be adjudicated as bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Company or Guarantor or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

9.2 **Specific Defaults.**

Additionally, for any of the specific events of default described in this Section 9.2 below, the parties agree that the City's damages recoverable from the Company shall include, but not be limited to, the following:

(a) in the event reporting requirements are not met in the time period specified in Article 8 of this Agreement, the City will be entitled to withhold disbursement of the BIG Grant;

(b) in the event the Company ceases operations as contemplated by this Agreement at the Project Parcel (the "Cessation of Operations") during the first five years after the disbursement of the BIG Grant, the following shall be due and payable upon Cessation of Operations;

(i) \$175,000, if the Cessation of Operations occurs within 12 months after disbursement of the BIG Grant;

(ii) \$140,000, if the Cessation of Operations occurs after 12 months but within 24 months of disbursement of the BIG Grant;

(iii) \$105,000, if the Cessation of Operations occurs after 24 months but within 36 months of disbursement of the BIG Grant;

(iv) \$70,000, if the Cessation of Operations occurs after 36 months but within 48 months of disbursement of the BIG Grant; or

(v) \$35,000, if the Cessation of Operations occurs after 48 months but within 60 months of disbursement of the BIG Grant.

(c) in the event the Company fails to invest at least \$900,000 of private funding in the Project by no later than December 31, 2026, the BIG Grant will be proportionately reduced.

(d) in the event the Company fails to retain the Retained Jobs and create thirty (30) New Jobs by no later than December 31, 2027, the Company shall repay the full, amount of the BIG Grant to the City upon written request from the City.

(e) in the event the Company or any lessee or assignee of the Company at any time during the term of this Agreement uses the Project or the Project Parcel for any use set forth on **Exhibit C** attached hereto, the Company shall repay the full amount of the BIG Grant to the City.

The maximum combined repayment due under this Section 9.2 shall not exceed the total amount of the BIG Grant actually paid to the Company under this Agreement.

Article 10.

ANTI-SPECULATION AND ASSIGNMENT PROVISIONS

10.1 Purpose.

The Company represents and agrees that its undertakings pursuant to this Agreement are for the purpose of developing the Project Parcel pursuant to this Agreement, and not for speculation in land holding. The Company further recognizes, in view of the importance of the development of the Project Parcel to the general health and welfare of the City and that the qualifications, financial strength and identity of the principal shareholders and executive officers of the Company are of particular concern to the City.

10.2 Assignment; Limitation on Conveyance.

11.5 **Time.**

Time is of the essence in the performance by any party of its obligations hereunder.

11.6 **Entire Agreement.**

This Agreement constitutes the entire understanding and agreement between the parties and supersedes all prior negotiations and agreements between them with respect to all or any of the matters contained herein.

11.7 **Amendment.**

This Agreement may be amended by the parties hereto only upon the execution of a written amendment or modification signed by the parties. Notwithstanding the foregoing, the Economic Development Officer of the OED is authorized on behalf of the City to approve, in his or her sole discretion, any “technical” changes to this Agreement. Such “technical” changes include without limitation non-material modifications to legal descriptions and surveys, ingress and egress, easements and rights of way, performance schedules (provided that no performance schedule may be extended for more than one year without Council approval), and design standards, as long as such modifications do not involve any increased financial obligation or liability to the City.

11.8 **Waivers.**

Except as otherwise provided herein, all waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by any party in insisting upon strict performance of the provisions hereof or asserting any of its rights and remedies as to any default shall not constitute a waiver of any other default or of any such rights or remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by any other party.

11.9 **Indemnification.**

Company shall indemnify, hold harmless and defend the City from and against, without limitation, any loss, claim, suit, action, damage, injury, liability, fine, penalty, cost, and expense of whatsoever kind or nature (including without limitation court, investigation and defense costs and reasonable expert and attorneys’ fees and costs) related to any suits and actions of any kind brought against the City or other damages or losses incurred or sustained, or claimed to have been incurred or sustained, by any person or persons arising out of or in connection with: (i) any breach of any representation or warranty of Company contained or provided in connection with this Agreement; (ii) any breach or violation of any covenant or other obligation or duty of Company under this Agreement or under applicable law; (iii) any negligent act, error or omission, recklessness or intentionally wrongful conduct on the part of Company or those under its control that causes injury (whether mental or corporeal) to persons (including death) or damage to property, whether arising out of or incidental to Company’s performance under this Agreement or relating to the Project, except to the extent caused by the sole negligence of the City. Nothing contained in this paragraph shall be construed as a waiver, expansion or alteration of the City’s sovereign immunity beyond the limitations stated in Section 768.28, Florida Statutes.

This indemnification shall survive the expiration or termination (for any reason) of this Agreement and remain in full force and effect. The scope and terms of the indemnity obligations herein described are separate and apart from, and shall not be limited by any insurance provided pursuant to this Agreement or otherwise. The term “City” as used in this Section 11.9 shall include all City’s members, officers, officials, employees and agents.

11.10 Severability.

The invalidity, illegality or unenforceability of any one or more of the provisions of this Agreement shall not affect any other provisions of this Agreement, but this Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

11.11 Compliance with State and Other Laws.

In the performance of this Agreement, the Company must comply with any and all applicable federal, state and local laws, rules and regulations, as the same exist and may be amended from time to time. Such laws, rules and regulations include, but are not limited to, Chapter 119, Florida Statutes (the Public Records Act) and Section 286.011, Florida Statutes, (the Florida Sunshine Law). If any of the obligations of this Agreement are to be performed by a subcontractor, the provisions of this Section shall be incorporated into and become a part of the subcontract.

11.12 Non-Discrimination Provisions.

In conformity with the requirements of Section 126.404, *Ordinance Code*, the Company represents that it has adopted and will maintain a policy of non-discrimination against employees or applicants for employment on account of race, religion, sex, color, national origin, age or handicap, in all areas of employment relations, throughout the term of this Agreement. The Company agrees that, on written request, it will permit reasonable access to its records of employment, employment advertisement, application forms and other pertinent data and records, by the Executive Director of the Human Rights Commission, or successor agency or commission, for the purpose of investigation to ascertain compliance with the nondiscrimination provisions of this Chapter 126, Part 4 of the *Ordinance Code*, *provided however*, that the Company shall not be required to produce for inspection records covering periods of time more than one (1) year prior to the day and year first above written. The Company agrees that, if any of its obligations to be provided pursuant to this Agreement are to be performed by a subcontractor, the provisions of this Section 11.12 shall be incorporated into and become a part of the subcontract.

11.13 Contingent Fees Prohibited.

In conformity with Section 126.306, *Ordinance Code*, the Company warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Company, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Company, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For the breach or violation of these provisions, the City shall have the right to terminate this Agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

The Company represents that it has reviewed the provisions of the Jacksonville Ethics Code, as codified in Chapter 602, *Ordinance Code*, and the provisions of the Jacksonville Purchasing Code, as codified in Chapter 126, *Ordinance Code*.

11.15 **Conflict of Interest.**

The parties will follow the provisions of Section 126.110, *Ordinance Code* with respect to required disclosures by public officials who have or acquire a financial interest in a bid or contract with the City, to the extent the parties are aware of the same.

11.16 **Public Entity Crimes Notice.**

In conformity with the requirements of Section 126.104, *Ordinance Code* and Section 287.133, Florida Statutes, the Parties agree as follows:

The parties are aware and understand that a person or affiliate who has been placed on the State of Florida Convicted Vendor List, following a conviction for a public entity crime, may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity, in excess of \$35,000.00, for a period of thirty-six (36) months from the date of being placed on the Convicted Vendor List.

11.17 **Survival.**

Any obligations and duties that by their nature extend beyond the expiration or termination of this Agreement shall survive the expiration or termination of this Agreement and remain in effect. Without limiting the foregoing, all obligations for the payment of fees or other sums accruing up to the expiration or termination of this Agreement and all provisions relating to the City's right to conduct an audit shall survive the expiration or termination of this Agreement.

11.18 **Incorporation by Reference.**

All exhibits and other attachments to this Agreement that are referenced in this Agreement are by this reference made a part hereof and are incorporated herein.

11.19 **Order of Precedence.**

In the event of any conflict between or among the provisions of this Agreement and those of any exhibit attached hereto or of any amendment, the priority, in decreasing order of precedence shall be: 1) any fully executed amendment; 2) provisions in this Agreement; and 3) exhibits to this Agreement.

11.20 **Counterparts.**

This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of such counterparts together shall constitute one and the same instrument. Delivery of an executed counterpart by electronic means (such as pdf) shall be valid for all purposes.

11.21 Independent Contractor.

In the performance of this Agreement, the Company will be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer or association of the City. The Company and its employees or agents shall be solely responsible for the means, method, technique, sequences and procedures utilized by the Company in the performance of this Agreement.

11.22 Retention of Records/Audit

The Company agrees:

(a) To establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by the City under this Agreement.

(b) To retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of six (6) years after completion of the date of final payment by the City under this Agreement, including auditable records pertaining to jobs filled by third-party employers. If an audit has been initiated and audit findings have not been resolved at the end of six (6) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this Agreement, at no additional cost to the City.

(c) Upon demand, at no additional cost to the City, to facilitate the duplication and transfer of any records or documents in its possession or control which pertain to the Agreement and the Project (collectively, "Project Records") during the required retention period.

(d) To assure that these Project Records shall be subject at all reasonable times, upon reasonable notice, to inspection, review, copying, or audit by personnel duly authorized by the City, including but not limited to the City Council auditors. All such inspections are to be performed so as not to unreasonably disrupt or interfere with the normal business operations of the Company.

(e) Upon the City's written request, to ensure that all related party transactions with respect to the Project are disclosed to the City.

(f) To include the aforementioned audit, inspections, investigations and record keeping requirements in all subcontracts and assignments of this Agreement.

(g) Upon reasonable notice, to permit persons duly authorized by the City, including but not limited to the City Council auditors, to inspect and copy any Project Records, facilities, goods and services of the Company which are relevant to this Agreement, and to interview any employees and subcontractor employees of the Company to assure the City of the satisfactory performance of the terms and conditions of this Agreement; provided, that such inspections and interviews shall be performed so as to not unreasonably disrupt or interfere with the normal business operations of the Company. Following such review, the City will deliver to the Company a written report of its findings and request for development by the Company of a corrective action plan where appropriate. The Company hereby agrees to timely correct all deficiencies identified in the corrective action plan.

(h) If the result of any audit by the City establishes that the number of New Jobs or amount of private capital investment has been overstated by five percent (5%) or more, the entire expense of the audit shall be borne by the Company.

(i) Additional monies due as a result of any audit or annual reconciliation shall be paid within thirty (30) days of date of the City's invoice.

(j) Should the annual reconciliation or any audit reveal that the Company has overstated the number of New Jobs or amount of private Capital Investment, and the Company does not make restitution within thirty (30) days from the date of receipt of written notice from the City, then, in addition to any other remedies available to the City, the City may terminate this Agreement, solely at its option, by written notice to the Company.

11.23 Non-merger.

None of the terms, covenants, agreements or conditions set forth in this Agreement shall be deemed to be merged with any deed conveying title to the Project Parcel.

11.24 Exemption of City.

Neither this Agreement nor the obligations imposed upon the City hereunder shall be or constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provisions requiring the City to levy ad valorem taxes nor a lien upon any properties of the City. Payment or disbursement by the City of any grant amount hereunder is subject to the availability of lawfully appropriated funds. If funds are not available pursuant to a lawful appropriation thereof by the City Council, this Agreement shall be void and the City shall have no further obligations hereunder.

11.25 Parties to Agreement; Successors and Assigns.
