RE: Notification of 911 Emergency Addressing Advisory Committee Meeting

Property Owner,

The City of Jacksonville Planning and Development Department Addressing Section has determined that the property located at 14264 WICKER RD, Real Estate Number (RE#) 107882 0030, may have been addressed in a manner that is incorrect. The current road name in our data for the road your residence/property abuts is named 'Wicker Road' and therefore has a 'Wicker Road' address number. However, we have determined that the name of this road used to be 'Alexis Road' and was changed to 'Wicker Road' in error. Therefore, it is necessary that we bring the issue concerning this name change error to the 911 Emergency Addressing Advisory Committee to determine if a street name change is needed to correct the identified problem. A street name change would change the street associated with any addresses currently addressed from Wicker Road, but the house number would remain the same.

Accordingly, the 911 Emergency Addressing Advisory Committee will review and discuss the issue concerning the above referenced address during their next 911 Committee meeting scheduled to be held at 11:00 a.m. on November 6, 2024. You are invited to attend this meeting and present relevant information during this time for public comment.
