21 **BE IT ORDAINED** by the Council of the City of Jacksonville:

22 **Section 1. Adoption of Findings and Conclusions.** The

9 (1) There are practical or economic difficulties in carrying out
10 the strict letter of the regulation;

11 (2) The request is not based exclusively upon a desire to reduce
12 the cost of developing the site, but would accomplish some result
13 that is in the public interest, such as, for example, furthering the
14 preservation of natural resources by saving a tree or trees;

15 (3) The proposed deviation will not substantially diminish
16 property values in, nor alter the essential character of, the area
17 surrounding the site and will not substantially interfere with or
18 injure the rights of others whose property would be affected by the
19 deviation;

20 (4) The proposed deviation will not be detrimental to the public
21 health, safety or welfare, result in additional public expense, the
22 creation of nuisances, or conflict with any other applicable law;

23 (5) The proposed deviation has been recommended by a City
24 landscape architect, if the deviation is to reduce required
25 landscaping; and

26 (6) The effect of the proposed deviation is in harmony with the
27 spirit and intent of the Zoning Code.

28 Therefore, administrative deviation Application AD-24-10 is
