24 (b) Appropriated to:

25 See B.T. 22-088 \$100,000.00

26 (c) Explanation of Appropriation:

27 The funding above is an appropriation of funds originally
28 appropriated by Ordinance 2021-149-E to the Florida
29 Department of Health in Duval County for payment of
30 expenses incurred due to ongoing COVID-19 response efforts.

1 **Section 2. Purpose.** The purpose of the appropriation in
2 Section 1 is to provide funding for COVID-19 response efforts
3 administered by the Florida Department of Health in Duval County
4 ("DOH"). These funds were originally appropriated by Ordinance 2021-
5 149-E but were recaptured to the general fund at the beginning of
6 fiscal year 2021-2022 due to a lack of carryover language in the
7 initial appropriation. This appropriation is necessary to pay the
8 DOH for COVID-19 related expenses and ongoing services rendered since
9 enactment of the original appropriation. As stated in 2021-149-E,
10 response efforts for which these funds may be expended include, but
11 are not limited to, interviewing, evaluating and monitoring clients
12 on matters related to COVID-19, providing education and guidance on
13 COVID-19 related issues, and counseling on isolation/quarantine
14 parameters. These funds may also be used to support ongoing COVID-
15 19 vaccination planning and distribution efforts and other health-
16 related needs. The DOH is required to submit a detailed summary of
17 expenditure of the funds appropriated hereby, to include invoices,
18 to the Director of the Finance and Administration Department on a
19 quarterly basis. A final detailed report shall also be due after all
20 funds have been expended.

21 **Section 3. Carryover.** The funds appropriated in this
22 Ordinance shall not lapse but shall carryover to fiscal year 2022-
23 2023.

24 **Section 4. Effective Date.** This Ordinance shall become
25 effective upon signature by the Mayor or upon becoming effective
26 without the Mayor's signature.
