22 **BE IT ORDAINED** by the Council of the City of Jacksonville:

23 **Section 1. Appropriation.** For the 2019-2020 fiscal year,
24 within the City's budget, there are hereby appropriated the
25 indicated sum(s) from the account(s) listed in subsection (a) to
26 the account(s) listed in subsection (b):

27 (B.T. 19-126, attached hereto as **Exhibit 1** and incorporated herein
28 by this reference)

29 (a) Appropriated from:

30 See B.T. 19-126 \$255,207.00

31 (b) Appropriated to:

See B.T. 19-126 \$255,207.00

(c) Explanation of Appropriation

The funding above is a transfer of funds from Sidewalks/Bikelanes - Countywide and from Sidewalk Construction - New to Ellis Road Sidewalk Improvement to complete the construction of new sidewalks along the west side of Ellis Road from Lenox Avenue to Normandy Boulevard. Once the project is completed, any unspent dollars shall revert to the funding source listed in B.T. 19-126.

Section 2. Purpose. The purpose of the appropriation in Section 1 is to provide funding to complete the construction of new sidewalks along the west side of Ellis Avenue. The work will include, but is not limited to, site preparation, filling in an existing drainage ditch, installation of drainage piping and inlets, utility adjustments, and sidewalk construction.

Section 3. CIP Amendment. Ordinance 2019-505-E, being the 2020-2024 Five-Year Capital Improvement Program for the City and certain of its independent agencies, is hereby amended to reduce funding for the projects entitled "Sidewalks/Bikelanes - Countywide" and "Sidewalk Construction - New" and to provide funding for the project entitled "Ellis Road Sidewalk Improvements." The projects are more fully described in the Project Information Sheets, attached hereto as **Exhibit 2** and incorporated herein by this reference. The Council finds that the deferral of this amendment of the CIP until the next annual budget and CIP review will be detrimental to the best interests of the community because such deferral will result in unnecessary delay in the replacement of sidewalk infrastructure. Pursuant to Section 122.605(c), *Ordinance Code*, enactment of this ordinance requires the affirmative vote of two-thirds of the Council members present

1 at the meeting because of the CIP amendment set forth in this
2 section. This ordinance shall constitute an amendment to Ordinance
3 2019-505-E. In all other respects, the Five-Year Capital
4 Improvement Program approved by Ordinance 2019-505-E shall continue
5 in full force and effect.

6 **Section 4. Effective Date.** This ordinance shall become
7 effective upon signature by the Mayor or upon becoming effective
8 without the Mayor's signature.
