Bill Summary: This bill appropriates \$326,162.22 from the Countywide Intersection Imp, Brge—Bridges project to the Art Museum Drive Bridge project, as initiated by BT 25-082. The bill amends the 2025-2029 Capital Improvement Plan to reflect this appropriation and designates the Department of Public Works, Engineering and Construction Management Division, as the oversight agency.

Background Information: This appropriation transfers \$326,162.22 from Countywide Intersection Imp, Brge—Bridges project to the Art Museum Drive Bridge project. This will allow an award to the lowest bidder to upgrade the guardrail to current FDOT standards, raise the approach slabs to the original design profile, and repair the damaged sidewalks in the vicinity of the bridge. This bill also amends the 2025-2029 Capital Improvement Plan and finds that deferral of the amendment until the next annual budget and CIP review will be detrimental to the best interests of the community.

Policy Impact Area: Infrastructure, CIP
