RE: Wicker Road to Alexis Road - Road Renaming

DATE: November 25, 2024

Consistent with Chapter 745 of the Jacksonville Ordinance Code on addressing and street naming regulations, requests to rename streets require a review and recommendation from the Jacksonville Historic Preservation Commission. In making a report and recommendation, the Commission shall address the following criteria:

1. The origin of the street name
2. Any historical significance of the existing street name
3. Whether there are any historical structures or landmarks on the subject street
4. Whether the existing name is part of a common theme of street names throughout the community where such street is located
5. The age of the street name
6. Whether the street name is a duplicate street name

Current Street Name: Wicker Road

Proposed Street Name: Alexis Road

Reason for Change:

The name change seeks to remedy a previous renaming error in accordance with the correct legal status of the subject street.

Analysis:

The subject street was originally platted at 6th Street in 1914 as part of the Duval City Subdivision Plat (Plat Book 6; Page 9).

The request for the name change applies to the entire portion of Wicker Road, between Montcalm Avenue and Castleberry Road, as depicted in the location map below.

No historic structures or landmarks have been identified along this portion of the subject street, and the existing road name is not part of a common theme of street names in the area, nor is it a duplicate street name.

Recommendation:

Based on the best evidence available, the Planning and Development Department has no objection to the proposed street name change from Wicker Road to Alexis Road.
