RE: Office of General Counsel Final Report
On the Petition to Amend the Boundary of the Acree Community Development District

Dear Mr. Haber:

The Office of General Counsel (“Counsel”), pursuant to Section 92.07, *Ordinance Code*, has completed its review of the Petition to Amend the Boundary of the Acree Creek Community Development District (the “Petition”), submitted on October 17, 2023. Based on your response to Counsel’s Initial Response to the Petition, Counsel has determined that the Petition is now sufficient and complete to permit the fair and informed consideration of the matter by the City Council.

This Final Report will be forwarded to the Planning and Development Department for their use in drafting a Department report and recommendation. All the statements contained in the Petition not intended to be disposed of by the Department report and recommendation are true and correct, and the Petition is not contrary to any provision of applicable general or special law or the City Charter.

We anticipate that the legislation to move this Petition forward will be introduced at the City Council meeting on January 9, 2024. The City Council public hearing date on this matter will be January 23, 2024. The notice regarding the Petition and its public hearing will be published on January 11, 2024, which is no less than ten days prior to the Council public hearing. The various Committees of Council to which it will be assigned are not yet known, but the week of February 5, 2024 will be when the Committee(s) will take up this bill. These Committee public meetings are not required in the notice. After reviewing and approving your form of notice, I can insert the ordinance number and provide the draft to the Legislative Services

Division for publication pursuant to section 92.11, *Ordinance Code*. They will contact you regarding payment of the publication expense. Finally, it is your responsibility to provide that office with proof of publication, as well as complying with section 92.08, *Ordinance Code*, regarding supplemental information (if any) and provision of copies.

Sincerely,

JASON R. TEAL

Senior Assistant General Counsel
