

Low Income Pool Letter of Agreement

THIS LETTER OF AGREEMENT (LOA) made and entered into in duplicate as of the ___ day of _____ 2024, by and between City of Jacksonville (the "City") on behalf of UF Health Jacksonville, and the State of Florida, Agency for Health Care Administration (the "Agency"), and is entered into for good and valuable consideration the receipt and sufficiency of which is acknowledged.

DEFINITIONS

"Charity care" or "uncompensated charity care" means that portion of hospital charges reported to the Agency for which there is no compensation, other than restricted or unrestricted revenues provided to a hospital by local governments or tax districts regardless of the method of payment. Uncompensated care includes charity care for the uninsured but does not include uncompensated care for insured individuals, bad debt, or Medicaid and CHIP shortfall. The state and providers that are participating in LIP will provide assurance that LIP claims include only costs associated with uncompensated care that is furnished through a charity care program that adheres to the principals of the HFMA operated by the provider.

"Intergovernmental Transfers (IGTs)" mean transfers of funds from a non-Medicaid governmental entity (e.g., counties, hospital taxing districts, providers operated by state or local government) to the Medicaid agency. IGTs must be considered a bona fide donation pursuant to 42 CFR § 433.54.

"Low Income Pool (LIP)" means providing government support for safety-net providers for the costs of uncompensated charity care for low-income individuals who are uninsured. Uncompensated care includes charity care for the uninsured but does not include uncompensated care for insured individuals, "bad debt," or Medicaid and CHIP shortfall.

"Medicaid" means the medical assistance program authorized by Title XIX of the Social Security Act, 42 U.S.C. §§ 1396 et seq., and regulations thereunder, as administered in Florida by the Agency.
