IV. STATEMENTS

A. How does the proposed PUD differ from the usual application of the Zoning Code?

The PUD allows for appropriate infill uses of existing structures not allowed by application of the current zoning district.

Single Family dwellings, Schools (including vocational, trade and business schools), Colleges and universities, Fraternity and Sorority houses, Adult congregate Living Facilities, Radio and Television Broadcasting studios, Cosmetology uses, Bed and Breakfast establishments, Community residential homes, and Hospice facilities.

This allows for the PUD to tailor the foreseeable uses to the site to the existing buildings for infill use.

All areas will be maintained by the owner. .
