Greetings:

This correspondence is in reference to project 2024-0862. The North CPAC objects to this conventional rezoning for several reasons. The North CPAC recommends a PUD instead of conventional rezoning. We also do not want to allow anything less than 60 feet for the single-family lots. We believe that the quality of homes and property is being sacrificed to allow for more profit for the developer. These small parcels do not allow enough space for comfortable living, or experiencing the American Dream of the size lots that the children can play in without being concerned about being in the neighbor's yard

Respectfully submitted,

Jamie Lacy
