Grant Recipient: North Riverside Community Development Corporation (“NRCDC” or “Recipient”)

Program Name: Community Outreach/Resource Center (the “Program”)

City Funding Request: \$10,000.00

Any substantial change to this FY 2024-2025 City Grant Proposal Term Sheet (the “Term Sheet”) or a budget change not within 10% of the attached Program budget line-items will require City Council approval.

PROGRAM OVERVIEW:

North Riverside community is a disadvantaged area in Jacksonville, Florida that consist of the Mixon Town and Lackawanna neighborhoods. Children and families often go without proper food, shelter, and essential medical care every day due to a variety of factors including low wages, job loss, injuries, illness, age, domestic violence, and divorce. Statistics suggest this community experiences higher crime than other parts of the city. Normally, high crime rates run parallel to poor education and unemployment. This holds true for North Riverside. This is why we feel a community resource center will make an impact on the community.

Our plan is to establish the North Riverside Community Resource Center. The center will encourage and support the identified barriers that prevent community members from participating in changing the issues that affect their lives. In this community the people need to feel valued and have the opportunity to fully participate in the development and life of the community. Our desire is to deliver social and economic services, such as: Food and Clothing Services, Educational Services, Housing & Homelessness Services, Employment Services, Disability & Community Health Care Services, Multicultural Services, Women’s Services and other services. We believe these services will help reduce crime, increase safety, instill pride within the community.

PROGRAM SCOPE OF WORK AND DELIVERABLES:

Many residents do not have transportation to take advantage of various services offered through the City of Jacksonville, so the center will be a place for people to come to get their needs met. The Community Resource Center physical address will be 2955 Edison Avenue. Funding will be used to purchase furniture, computers, office supplies, and to pay occupancy expenses.

PROGRAM COSTS/PAYMENTS TERMS:

City funds shall be expensed in accordance with the approved budget with fifty percent (50%) of the award amount being advanced to the Recipient upon execution of a City grant agreement. Prior to disbursement of additional funds, Recipient shall be required to submit supporting documents substantiating that all advanced funds have been expensed on the Program. The remaining award amount shall be paid on a reimbursement basis upon the City’s receipt and approval of required documentation including but not limited to paid invoices, cleared checks and bank statements.

At completion of the grant period, we will provide the City with a report detailing the different services provided to citizens and overall impact and effectiveness of the Program.

ADDITIONAL GRANT REQUIREMENTS AND CONDITIONS:
