8 desire to reduce the cost of developing the site or to circumvent the  
9 requirements of Chapter 654 (Code of Subdivision Regulations); (3)  
10 the proposed waiver will not substantially diminish property values  
11 in, nor alter the essential character of, the area surrounding the  
12 site and will not substantially interfere with or injure the rights  
13 of others whose property would be affected by the waiver; (4) there  
14 is a valid and effective easement for adequate vehicular access  
15 connected to a public street which is maintained by the City or an

18 additional expense, the creation of nuisances or conflict with any  
19 other applicable law; now therefore
