Greetings:

This correspondence is in reference to project 2024-0409. The North CPAC objects to this conventional rezoning because it does not allow community input. The North CPAC, representing the unified voice of the community, strongly recommends a PUD to allow the surrounding community an opportunity to voice their input and/or concerns. We reiterate the community's strong desire to have a say when a new development is proposed next to their long-existing community.

Respectfully submitted,

*Jamie Lacy*
