22 preservation of natural resources by saving a tree or trees;

23 (3) The proposed deviation will not substantially diminish
24 property values in, nor alter the essential character of, the area

26 injure the rights of others whose property would be affected by the
27 deviation;

28 (4) The proposed deviation will not be detrimental to the public
29 health, safety or welfare, result in additional public expense, the
30 creation of nuisances, or conflict with any other applicable law;

31 (5) The proposed deviation has been recommended by a City

1 landscape architect, if the deviation is to reduce required
2 landscaping; and

3 (6) The effect of the proposed deviation is in harmony with the
