(c) **Explanation of Appropriation**

The funding above is a grant award from the U. S. Department of Homeland Security, with no local match, for the Fiscal Year 2023 Regional Catastrophic Preparedness Grant Program ("RCPGP") to fund a comprehensive risk analysis to assess the escalating impacts of climate extremes on critical infrastructure and identify mitigation solutions. Funding will provide education, tools, and training to increase the resilience of disadvantaged communities. The assistance arrangement for this program is on a Cost Reimbursement basis.

Section 2. Purpose. The purpose of the RCPGP is to build state and local capacity to manage catastrophic incidents by improving and expanding collaboration for catastrophic incident preparedness. The Fiscal Year 2023 RCPGP requires grant recipients to develop innovative regional solutions to issues related to catastrophic incidents. The City submitted a proposal providing that the core component of the City's project will be a multi-faceted, comprehensive risk analysis study to evaluate the qualitative and quantitative impacts of extreme temperatures on critical infrastructure and promote mitigation solutions (the "Project"). The Project will, among other things, identify failure points of hard infrastructure from extreme temperature and all cascading impacts, assess information flow between hospitals and the energy sector, examine the correlation between extreme heat and crime, including physiological effects and scarcity of services such as law enforcement and public safety impacts, civil unrest, mass migration, and identify and evaluate potential mitigation efforts, such as undergrounding power lines for hard infrastructure and developing public outreach strategies to support social infrastructure. In addition, the Project will map

1 stakeholders across critical infrastructure sectors. The purpose of
2 the appropriation in Section 1 is to provide funding for the Project.
3 The grant period is from October 1, 2023, through September 30, 2026.

4 **Section 3. Approval and authorization.** There is hereby
5 approved, and the Mayor, or her designee, and Corporation Secretary
