

Receipts description:

Receipt from Lowe's dated January 7, 2019 and receipt from Home Depot dated February 22, 2019 are for materials the members of Christ The Living Cornerstone purchased for 2111 Phoenix. Originally we planned to do the soffit work ourselves, unfortunately, the skilled labor and equipment (cherry picker lift) needed for this project was a bit more than we we're qualified for.

After meeting Mr. Terrell (Boom Enterprises), he suggested we could do the second floor soffit work with reclaimed wood (tongue and groove) that we could recycle from the house then he would search/purchase more tongue and groove to complete the second floor roof soffit.

The materials we purchased earlier that year from Lowe's and Home Depot, Mr. Terrell used these materials to complete the 1st floor roof soffit project.

These amounts had to be paid to bring building in compliance.
