Article 5.

PURCHASE AND SALE OF HOTEL PARCEL AND GROUND LEASE OF OFFICE BUILDING PARCEL BY DEVELOPER

5.1 Property Conveyed.

Subject to the terms and conditions of this Agreement and the Permitted Exceptions (as hereafter defined), the City hereby agrees to sell and convey to Developer or its designated Affiliate, and Developer or its designated Affiliate hereby agrees to (i) purchase from the City, the Hotel Parcel for the sum of ONE HUNDRED AND NO/100 DOLLARS (\$100.00) (the "Purchase Price") and (ii) ground lease from the City, the Office Building Parcel, pursuant to the terms and conditions of this Article 5. The Developer's obligations herein to construct the Hotel Improvements and Office Building Improvements also constitute consideration for the purchase of the Hotel Parcel by Developer or its designated Affiliate.

5.2 Conditions to Closing.

(a) Title Commitment and Survey. Within (ten) 10 days after the Effective Date, Developer shall at its own expense obtain separate surveys of the Hotel Parcel and Office Building Parcel (collectively, the "Survey") and commitments for title insurance (collectively, the "Title Commitment") for an (i) owner's policy of title insurance for the Hotel Parcel (the "Owner's Policy") and (ii) a leasehold policy of title insurance for the Office Building Parcel (the "Leasehold Policy"), both from a nationally recognized title insurance company acceptable to Developer (the "Title Company") and provide copies of each to the City. The Developer shall have fifteen (15) days thereafter (the "Approval Period") within which to review the Title Commitment and Survey and to object to any exception to title shown on the Title Commitment or any matter shown on the Survey. If Developer fails to object to any such title exception or Survey matter by written notice to City within the Approval Period, Developer shall be deemed to have approved the Title Commitment and the Survey. If Developer objects to any such exception or Survey matter by written notice to City during the Approval Period, City shall have the right to cure or attempt to cure Developer's objection to such exception or Survey matter within fifteen (15) days after Developer's notice of objection, or, if sooner, by the Closing Date, as hereinafter defined; provided however that the City shall not have any obligation to cure any such objected to exception or objection to title or Survey or to bring suit to cure any or all title or Survey exceptions or defects; further provided that the City will use reasonable efforts to do so without incurring any out of pocket costs. In the

event City is unable to or elects not to cure any one or more of Developer's objections, City shall notify Developer in writing of such election (the "Election Notice"), and Developer may at its option terminate this Agreement by notifying City in writing no later than thirty (30) days after the date of the Election Notice, in which event the parties shall have no further liability to one another hereunder, except as specifically set forth herein. If Developer fails to terminate the Agreement as set forth in this section, Developer shall be deemed to have waived such objection and the sale of the Hotel Parcel shall proceed to Closing, subject to the terms of this Agreement. The term "Permitted Exceptions", as used herein, shall mean the title exceptions listed in Schedule B, Section 2 (and Section 1 if Section 1 requires the cure or release of items typically inserted on Section 2) of the Title Commitment that Developer approves or is deemed to approve pursuant to this Section 5.2. Notwithstanding the foregoing, however, City shall use reasonable efforts to cure, at or prior to Closing, all title exceptions (other than Permitted Exceptions) encumbering the Hotel Parcel and Office Building Parcel and created by City on or after the date of this Agreement without the prior written consent of Developer and Monetary Liens (collectively, the "Required Clearance Items"). "Monetary Liens" means any mortgages, mechanic's liens or materialman's liens, and monetary liens encumbering the Hotel Parcel created by or through City. Developer shall provide written notice to the City of any such Required Clearance Items promptly upon discovery of the same. In the event the City is unwilling or unable to cure the Required Clearance Items in the City's sole discretion, Developer may as its sole remedy elect to either proceed to Closing with the Required Clearance Items accepted as Permitted Exceptions, or terminate this Agreement without liability among the parties. Notwithstanding anything in this Agreement to the contrary, Developer acknowledges and agrees City shall have exclusive use of the Project Parcel in connection with the following events for the dates listed: (i) the World of Nations event, February 25-27, 2022; (ii) a BBQ Festival, April 7 – 9, 2022, and the Jacksonville Boat Show, April 15, 2022.

(b) Condition of Hotel Parcel. The Hotel Parcel shall be conveyed to Developer in its "as-is", "where is" condition, with all faults. It shall be the sole responsibility of the Developer, at Developer's expense, to investigate and determine the soil conditions of the Hotel Parcel and their suitability for the improvements to be constructed by the Developer. If the condition of the Hotel Parcel is not, in the opinion of the Developer, suitable for such improvements, then it is the sole responsibility of Developer to take all actions and do all things required to render such Hotel Parcel suitable, or to terminate the Agreement prior to Developer's Acceptance Date (herein defined). Developer may, at Developer's sole risk and expense, undertake a complete physical investigation and examination of the Hotel Parcel as Developer deems appropriate, including but not limited to soil tests and environmental audits (collectively, "Inspections"); provided, however, that any such Inspections do not cause any permanent damage to the Hotel Parcel; provided, further, that discovering existing contamination or unsuitable soils shall not constitute permanent damage, provided the Hotel Parcel is restored to its condition as of the Effective Date, reasonable wear and tear excepted, in accordance with all applicable laws. In addition, Developer shall have the right to review, and DIA shall make available to Developer all reports, studies, projections, or

other materials relating to the ownership, use, operation, management, maintenance, or physical and environmental condition of the Hotel Parcel to the extent in DIA's or City's possession or control. Developer's right to conduct the Inspections of the Hotel Parcel shall include the right to conduct such investigations, tests, surveys, interviews, and other analyses as Developer determines is necessary, including, without limitation, entry into or upon every portion of the Hotel Parcel. All such Inspections shall be undertaken at Developer's sole cost and expense. Developer will coordinate all on-site Inspections with the DIA so that the DIA shall have the option of having one of DIA's representatives present at any and all such on-site Inspections. After completing any such Inspections, Developer shall restore and repair any damage caused by Developer's Inspections to substantially the same condition that existed immediately prior to such Inspection, and Developer hereby agrees to indemnify and hold DIA and City harmless from any and all claims made or causes of action brought against DIA, City, the Hotel Parcel or Office Building Parcel resulting from the activities of Developer or any of Developer's agents or servants in conducting any of such Inspections on the Hotel Parcel or Office Building Parcel. Notwithstanding the foregoing, Developer's indemnity shall not cover any loss, claim, or damage to the Hotel Parcel or Office Building Parcel or to any person directly related (i) to any conditions or environmental issues which existed prior to Developer's Inspection or to the existence of any hazardous materials or substances which is discovered during Developer's Inspection or (ii) resulting from City's or DIA's negligent acts or omissions. The terms of this Section shall survive the Closing or the termination of this Agreement, as applicable, for a period of three (3) years. Furthermore, Developer agrees to maintain and cause all of its contractors and other representatives conducting any Inspections to maintain and have in effect workers' compensation insurance, with statutory limits of coverage, and comprehensive general liability insurance with (i) waiver of subrogation and (ii) limits of not less than Two Million Dollars (\$2,000,000), combined single limit, for personal injury, including bodily injury and death, and property damage. Developer also agrees to cause all of its contractors and other representatives conducting any Inspections to maintain pollution liability insurance with limits of not less than _____. Such insurance shall name City and DIA and affiliates identified by City and DIA as additional insured parties and shall be in form reasonably acceptable to City and DIA, and shall not be modified or terminated without thirty (30) days' prior written notice to City and DIA. Developer shall deliver to City and DIA, prior to entry upon the Hotel Parcel, evidence reasonably satisfactory to City and DIA that the insurance required hereunder is in full force and effect.

(c) Termination. In addition to the specific termination rights contained herein, Developer may terminate this Agreement at any time prior to sixty (60) days from the Effective Date, at which time Developer shall accept or reject the physical and environmental condition of the Hotel Parcel and Office Building Parcel. Upon accepting the condition of the Hotel Parcel and Office Building Parcel, Developer shall give written notice to DIA. The date of such notice shall be the "Acceptance Date". If this Agreement is terminated pursuant to this Article 5, the parties shall have no further rights or obligations under this Agreement except as otherwise specified herein.

Developer shall, within ten (10) days of such termination, deliver to City and DIA, without representation or warranty of any kind, copies of all documents received from City or DIA, including without limitation all feasibility studies, engineering reports, surveys and all other information obtained or generated by Developer in connection with the Hotel Parcel and Office Building Parcel.

(d) FRDAP Grant. The DIA shall diligently pursue removal of the FRDAP Grant encumbrance from the Project Parcel by either the relocation of the FRDAP Grant to a replacement park as approved by the Florida Department of Environmental Protection (“FDEP”), or by payoff of the FRDAP Grant as negotiated with the Florida Department of Environmental Protection (“FDEP”). In the event a replacement park or satisfactory payoff amount is not obtained by October 1, 2021, Developer shall have the right to negotiate with FDEP regarding the amount required to pay off the encumbrance. In the event FDEP approval for a replacement park is not obtained by the Closing date, Developer shall have the option to terminate this Agreement or pay the balance due on the FRDAP Grant to the State of Florida to remove the encumbrance from the Project Parcel. In the event of a termination pursuant to this subsection, neither party shall have any liability to the other in connection with this Agreement.

Developer shall have the right to terminate the RDA if at any time prior to Closing (herein defined), Developer in its sole discretion, determines that environmental issues render the Project Parcel, or any portion thereof, unsuitable for development as intended by this Agreement. All environmental studies and test results related to the Project Parcel obtained by Developer shall be delivered to the City upon termination of this Agreement.

(e) No Representations or Warranties by City or DIA; Acceptance of Hotel Parcel “As Is”.

The Developer shall comply with all requirements of the Environmental Laws in connection with the Hotel Parcel. The City and DIA make no representation or warranty as to whether the Developer’s intended use of the Hotel Parcel as set forth herein violate or comply with any of the Environmental Laws. All financial and other obligations applicable to the real property owner under the Environmental Laws in the foregoing documents, as between the City and DIA on one hand, and the Developer on the other hand, shall be the obligation of the Developer.

(h) Indemnity. Developer hereby expressly acknowledges that from and after the Closing, Developer shall be responsible for the proper maintenance and handling of any and all Hazardous Materials, if any, located in or on the Hotel Parcel in accordance with all Environmental Requirements, including but not limited to the regulations at 40 C.F.R. Article 6.
**CONSTRUCTION OF HOTEL IMPROVEMENTS AND OFFICE
BUILDING IMPROVEMENTS BY DEVELOPER**

6.1 Hotel Improvements; Office Building Improvements

Developer or its designated Affiliate shall construct the Hotel Improvements and Office Building Improvements in accordance with the terms and conditions of this Agreement, and in accordance with Exhibit H and Exhibit P attached hereto, respectively, inclusive of the applicable Minimum Requirements as set forth herein, and shall include, as to the Hotel Improvements, open plaza and pool space fronting, and open to the Riverwalk, which as to the pool space may be fenced and gated to provide controlled entry from the Riverwalk to the Hotel Improvements, provided, however, that entry from the Riverwalk by members of the general public shall not be prohibited. The Office Building Improvements shall be constructed so that a minimum of fifty percent (50%) of the facades fronting Gator Bowl Boulevard and the Marina Support Building Parcel are used as activated space and are open to the public. A majority of such space shall be "Retail Space," defined as follows. "Retail Space" shall include businesses that sell products on a transactional basis to end consumers, food and beverage establishments, or providers of services targeted towards the general public (other than healthcare, advising, or counseling services; provided, such healthcare exclusion shall not prohibit a gym, spa or other retail amenity that is also available to the general public). Locations for the Retail Space should be ground floor, street or Marina facing, and designed to attract the general public onto the site. Businesses operating primarily or exclusively on a membership basis conducting business with customers under term arrangements, or providing goods and services targeted principally to other businesses shall not generally meet this definition, unless approved on a case-by-case basis by the CEO of the DIA.

Upon the written request of the Developer, the DIA Board shall have the discretion to permit a downward deviation from the Minimum Requirements as to each of the Hotel Improvements and Office Building Improvements in an amount not to exceed ten percent (10%) as to each component of such requirements, provided such reduction does not result in any reduction in the Minimum Required Capital Investment nor a per unit or per square foot cost that exceeds the reasonable value limits used in the underwriting evaluation of the Project by the DIA. The Hotel Improvements and Office Building Improvements shall, in the aggregate, have a minimum, private Capital Investment (exclusive of any City or DIA contribution to the Project) in the amount of \$301,057,548 (the "Minimum Required Capital Investment").

6.2 **Compliance with DDRB.**

The design of the Hotel Improvements and Office Building Improvements shall be substantially similar with renderings as set forth on **Exhibit H** and **Exhibit P** attached hereto. The Hotel Improvements, Office Building Improvements, and all other improvements constructed on the Hotel Parcel and Office Building Parcel shall comply with the Downtown Zoning Overlay and be subject to DDRB approval. Easements 1, 2 and 3, as described in Article 14 hereof (collectively for the purposes of this Article 6, the “Easements”), shall be deemed to be River View and Access Corridors as defined in Chapter 656, Part 3, Subpart H of the Jacksonville Ordinance Code. Due to the width of the Easements and adjacent Metropolitan Park, DIA will support a deviation from the required View and Access corridors as to the Hotel Parcel without impacting the REV Grant and Project Completion Grant authorized by this Agreement, provided both view and access are preserved on Easement 1 or otherwise relocated or modified by DIA pursuant to Section 13.1 herein.

6.3 **Room Surcharge**

The Parties agree that, to the extent permitted by law, the Developer or its designated Affiliate will enter into, or cause the operator of the Hotel Improvements to enter into, an agreement in form and substance reasonably acceptable to the City (the “Operator Agreement”), with the applicable parties which will bind the initial owner and all subsequent owners of the Hotel Improvements (collectively, the “Operator”) to levy, collect and remit to the City, on a monthly basis, a two percent (2%) surcharge on the nightly room rental rate actually charged and collected for each sleeping room in the Hotel Improvements (excluding any condominium units located therein) for a term of thirty (30) years (the “Room Surcharge”). The Operator Agreement shall, among other things, require that the Operator shall (a) charge the Room Surcharge to the overnight guests of the Hotel Improvements upon the commencement of the operation of the Hotel Improvements, and remit and pay the amount of the Room Surcharge to the City on a monthly basis in arrears, by the fifteenth (15th) day of the following month; and (b) charge, collect remit the Room Surcharge to the City shall continue for a term of the earlier of thirty (30) years from the commencement of operation of the Hotel Improvements or for so long as a hotel is in operation on the Hotel Parcel, but in no event less than twenty (20) years. The Operator Agreement shall also require that if the Developer or its designated Affiliate sells or assigns its rights in and to the Hotel Improvements, the Developer shall cause any such purchaser or assignee to assume and be responsible for the obligations of the Developer and Operator pursuant to the terms of the Operator Agreement and that the City shall be a direct, intended third party beneficiary of all the terms and provisions of the Operator Agreement related to the Room Surcharge. This Section 6.3 shall survive the expiration or earlier termination of this Agreement. The parties acknowledge and agree that the Developer’s obligation will be to enter into, or cause the Operator to enter into, and deliver to the City the Operator Agreement executed by all requisite parties, but each Operator will be responsible for

charging the Room Surcharge and remitting the same to the City and Developer shall have no liability for such failure to collect or remit such Room Surcharge. Notwithstanding the foregoing, in the event a hotel is not in operation on the Hotel Parcel for at least twenty (20) years in accordance with this Agreement subject to Force Majeure Events and temporary closing for rebranding or refurbishment not to exceed six (6) months, the REV Grant will immediately terminate and the Developer shall make a lump sum payment of the Room Surcharge for such shortfall, calculated based on the average of the last three (3) years of Room Surcharge payments multiplied by the remaining years in such twenty (20) year period (the “Remainder Period”) and subject to the applicable discount rate applied by the City auditors (the “Room Surcharge Lump Sum Payment”). The Room Surcharge Lump Sum Payment shall be reduced on a dollar-for-dollar basis by the DIA’s calculation, using the DIA’s standard calculation methods, of the increase in ad valorem revenues that would be received by the City or DIA during the Remainder Period as a result of the change in use of the Hotel Parcel, including, without limitation, any increase in ad valorem revenues resulting from a termination of the REV Grant. The Room Surcharge shall be deposited by the City into a capital fund to be owned by the City and budgeted on an annual basis as mutually agreed by the Developer and the City, with such funds to be used by the City exclusively for capital maintenance and capital repairs to Metropolitan Park, the Riverwalk, the Marina, and the Marina Support Building, with such budget subject to the review and approval of City Council as a component of its annual budget for the City.

6.4 **Park Partnership Agreement.**

On or before Substantial Completion of the Hotel Improvements, Developer shall enter into a Park Partnership Agreement with the City regarding Metropolitan Park pursuant to the City’s Park Partnership Program as set forth in Chapter 664, Part 7, of the City’s *Ordinance Code*, pursuant to which Developer shall donate to the City a minimum of \$200,000 annually for a term of twenty (20) years to be used for the maintenance and programming of Metropolitan Park.

Article 7.

FUTURE DEVELOPMENT PARCEL; RIGHT OF FIRST OFFER

7.1 **Future Development Parcel; Right of First Offer.**

The City hereby provides the Developer a right of first offer to ground lease or purchase in fee simple the Future Development Parcel on the terms and conditions as set forth in this Article 7. As of the Effective Date of this Agreement, the Future Development Parcel is subject to a temporary right of first use in favor of the contractor performing the ongoing Hart Bridge Expressway and Talleyrand Connector construction project, which right expires on August 31, 2022 (the “Temporary Use Expiration Date”). City and DIA agree they will not entertain or initiate any disposition, lease, or further encumbrance of the Future Development Parcel (except as may be required in connection with the environmental condition of the Future Development Parcel), except from

Developer, prior to the Temporary Use Expiration Date. As consideration for the ROFO, Developer shall make an annual \$50,000 ROFO fee payment to the City commencing on the Effective Date and continuing on each anniversary of the Effective Date thereafter (subject to the last payment being pro-rated on annual basis) until the exercise, expiration or earlier termination of the ROFO.

7.2 **Terms of ROFO.**

Upon payment of the annual \$50,000 ROFO fee on or about the Effective Date, the Developer shall have the right of first offer to lease or purchase the Future Development Parcel upon the following terms and conditions, for a term extending from the Effective Date through December 31, 2024 or the earlier expiration or termination of the ROFO. DIA agrees that prior to entering into negotiations with any other party or initiating a notice of disposition pursuant to Chapter 163, Florida Statutes, the DIA will first notify Developer of its desire to dispose of the Future Development Parcel and Developer shall have an exclusive period of ninety (90) days following the date of such notice to present DIA with a proposal for ground lease or fee simple purchase of the Future Development Parcel. Failure to respond or present an offer within such ninety (90) day period days shall result in the immediate termination of the ROFO without further action.

The Developer may initiate the negotiated disposition process with DIA at any time prior to expiration or termination of the ROFO. Any offer on the Future Development Parcel shall comply with the goals as set forth in the DIA BID and CRA Plan and describe in detail the proposed uses, square footage of each, minimum private capital investment and projection of tax revenues generated. Only offers that generate property taxes from the development on the Future Development Parcel will be entertained. Developer is encouraged to focus density along Gator Bowl Boulevard that activates toward the street and leaves as much open space as possible adjacent to the Riverwalk and connecting to the Marina Support Building Parcel and Events Lawn. Any economic or other incentives requested of the City and/or DIA shall be identified in the offer for negotiated disposition.

Any improvements to be constructed on the Future Development Parcel shall comply with the Downtown Zoning Overlay requirements without deviation, except as set forth in the following sentence, and be subject to DDRB approval. No deviation from the Downtown Zoning Overlay requirements shall be authorized unless requested at the time of consideration of the disposition requested by the Developer.

The Future Development Parcel excludes an out-parcel for a future permanent fire station office building and associated parking. In the event Developer designs an office building or parking facility that provides adequate ground floor office space for Jacksonville Fire and Rescue Division (“JFRD”) and parking for JFRD personnel acceptable to JFRD, the outparcel may be incorporated into Future Development Parcel and Developer will be credited with the budgeted cost for construction of the new

permanent fire station when calculating the return on investment of any development proposal.

The Future Development Parcel is subject to a Brownfield Site Rehabilitation Agreement (“BSRA”). If the Future Development Parcel is to be acquired in fee simple, the disposition would be conditioned upon separation of the BSRA (or joining the BSRA if a separate BSRA is not authorized by the FDEP) based on applicable property boundaries, with Developer or its designated Affiliate becoming party to the BSRA solely as to the Future Development Parcel while the City remains responsible for the remainder of the property subject to the BSRA, all subject to FDEP approval. If the Future Development Parcel is to be acquired via a ground lease, the Developer shall maintain the option of becoming party to the BSRA, subject to FDEP approval, and the disposition will require the Developer to comply with the BSRA terms and conditions, inclusive of developing a Remedial Action Plan (“RAP”) or RAP Addendum/Modification and obtain approval therefor, and ultimately obtaining no further action approval from FDEP as to the Future Development Parcel, based upon implementation of the Remedial Action Plan and other applicable requirements of the FDEP.

The Developer or its designated Affiliate shall have the right to acquire riparian rights along the southerly border of the Future Development Parcel if Developer or its designated Affiliate is the successful bidder for the Future Development Parcel. Such riparian rights shall be conveyed by the City at the time of closing or ground lease of the Future Development Parcel to Developer or its designated Affiliate. The Developer or its designated Affiliate may obtain a submerged lands lease over such state-owned lands, subject to regulatory approval, and may elect to construct a private or public marina on such submerged lands fronting the Future Development Parcel.

The Future Development Parcel is bisected by an existing thirty-five foot (35’) wide Easement reserved in Official Records Book 1687, Page 483, of the public records of Duval County. Developer may choose to make an offer only on that portion of the Future Development Parcel east of Easement 4 if Developer so elects.

A thirty (30) day notice disposition regarding the Future Development Parcel will be published at the time an offer is received from Developer and the terms thereof are approved by the DIA Board, which approval may be withheld in its sole discretion. Any disposition of the Future Development Parcel is contingent upon approval thereof by the DIA Board and City Council. Notwithstanding anything to the contrary in this Article 7, neither the City nor the DIA are obligated to accept any offer from the Developer and or approve any disposition to Developer, and notice to the Developer of the rejection of its offer by the DIA Board shall result in the immediate termination of the ROFO without further action.

7.3 **Stadium Parking Contingency.**

The Developer's right to exercise the ROFO for the Future Development Parcel is contingent upon the Jacksonville Jaguars LLC ("Jaguars") releasing the City from any obligation to provide parking for the Stadium on Lot H as depicted on the ASM Global parking map attached hereto as **Exhibit Y.** Attendant thereto, the Jaguars will need to coordinate with the City to amend the lease dated September 7, 1993, as subsequently amended, between the City and the Jaguars prior to the Developer exercising the ROFO. If the City ultimately is required to provide replacement parking, the cost of the replacement land and any surface or structured parking will be calculated as part of the analysis of any potential disposition of the Future Development Parcel.

8.1 **Developer Construction of Marina Improvements.**

Developer shall use commercially reasonable efforts to maintain continuous operation of the Marina docks, or such portions thereof as possible, and use thereof for transient rentals throughout construction of the Marina Improvements. Notwithstanding any other provision herein to the contrary, in the event the Developer Substantially Completes the Marina Improvements for less than the full amount of the Marina Improvements Costs consistent with the approved Marina Plans (defined below), such cost savings may first be applied to any cost overruns attendant to the construction of the Marina Support Building Improvements. Thereafter, any cost savings shall insure to the benefit of the City. No closure of the Marina may occur prior to the date the Marina Plans are approved by the City and all permits for such

work have been obtained by the Developer. The temporary construction easement may be amended to include the Future Development Parcel at such time as the existing use rights granted thereto to the contractor of the Hart Bridge Expressway and Talleyrand Connector construction project expire as of August 31, 2022. The City agrees to not extend the rights of contractor to use the Future Development Parcel beyond August 31, 2022 without the consent of Developer. Developer shall pay any recording fees and documentary stamp taxes as may be due in connection with the easements granted hereby.

8.4 **No Warranty by City or DIA**

Nothing contained in this Agreement or any other document attached hereto or contemplated hereby shall constitute or create any duty on or warranty by the City or the DIA regarding: (a) the accuracy or reasonableness of the Marina Improvements or Riverwalk Improvements budget; (b) the feasibility or quality of the construction documents for the Marina Improvements; (c) the quality or condition of the work; or (d) the competence or qualifications of any third party furnishing services, labor or materials in connection with the construction of the Marina Improvements. The Developer acknowledges that it has not relied and will not rely upon any experience, awareness or

expertise of the City or the DIA, or any City or DIA inspector, regarding the aforesaid matters.

The Riverwalk Improvements will be reimbursed by the City upon Substantial Completion of the Riverwalk Improvements in the up to, maximum amount of \$3,900,000 (with all cost overruns funded by the Developer) pursuant to the Riverwalk Improvements Costs Disbursement Agreement, to be executed between the City and Developer no later than six (6) months after Closing on the Hotel Parcel. If the Developer elects to construct the Marina Support Building Improvements, Developer shall complete or cause to be completed the Marina Support Building Improvements in accordance with the Performance Schedule set forth in Section 4.1 of this Agreement, subject to Force Majeure Events and extensions that may be granted by the CEO of the DIA pursuant to Article 4 herein. Notwithstanding any other provision herein to the contrary, in the event the Developer Substantially Completes the Marina Support Building Improvements for less than the full amount of the Marina Support Building Improvements Costs consistent with the approved Marina Support Building Plans, such cost savings may first be applied to any cost overruns attendant to the construction of the Marina Improvements. Thereafter, any cost savings shall inure to the benefit of the City.

10.2 Marina Support Building Improvements Design and Construction Approval.

Prior to the construction of the Marina Support Building Improvements, the City shall have received and approved the plans, specifications, and budget (the “Marina Support Building Plans”) prepared by the Developer’s design team for the Marina Support Building Improvements. The Plans shall be complete working drawings and specifications for construction of the Marina Support Building Improvements, and in connection with the development thereof, the Developer shall follow the applicable permitting, review and approval process as set forth in the Jacksonville Ordinance Code. In addition, the Marina Support Building Plans shall be subject to the review and approval of the CEO of the DIA and the Director of the City’s Department of Parks, Recreation and Community Services in their reasonable discretion. Developer shall pay any recording fees and documentary stamp taxes as may be due in connection with the easements granted hereby.

10.4 No Warranty by City or DIA

Nothing contained in this Agreement or any other document attached hereto or contemplated hereby shall constitute or create any duty on or warranty by the City or the

DIA regarding: (a) the accuracy or reasonableness of the Marina Support Building Improvements or Marina Support Building Improvements budget; (b) the feasibility or quality of the construction documents for the Marina Support Building Improvements; (c) the quality or condition of the work; or (d) the competence or qualifications of any third party furnishing services, labor or materials in connection with the construction of the Marina Support Building Improvements. The Developer acknowledges that it has not relied and will not rely upon any experience, awareness or expertise of the City or the DIA, or any City or DIA inspector, regarding the aforesaid matters.

10.5 **As Built Surveys**

If undertaken by Developer, the Developer shall deliver to the DIA an as-built survey for the Marina Improvements, Marina Support Building Improvements (inclusive of the Event Lawn) and Riverwalk Improvements within thirty (30) days after the completion thereof, and as to any other improvements that are to be owned by the City or are constructed on City-owned property.

Article 11. REV GRANT

11.1 **Recapture Enhanced Value Program; Amount.**

The DIA shall make a Recapture Enhanced Value grant (“REV Grant”) to the Developer, in a total amount not to exceed \$47,683,955, partially payable beginning in the first year following the Substantial Completion of the Hotel Improvements and Office Building Improvements, collectively, and its inclusion on the City tax rolls at full assessed value (the “Initial Year”) and ending on the earlier of: (i) 20 years thereafter, but not later than 2045 payable in 2046, or (ii) upon the expiration or earlier termination of the Northbank East CRA TIF (as applicable, the “Final Year”), all as more fully described below in this Article 11, unless the City agrees to assume the obligation to pay the REV Grant in accordance with this Agreement after expiration or termination of the Northbank East CRA TIF.

11.2 **Payments of REV Grant.**

The REV Grant shall be paid by the DIA to the Developer by check, in annual installments determined in accordance with Section 11.3, due and payable on or before May 15 of each calendar year, commencing May 15 of the Initial Year and ending May 15 of the Final Year, or when the maximum amount of the REV Grant shall have been paid to the Developer, whichever occurs first. The DIA shall have no liability for any REV Grant in excess of the amount stated in Section 7.1 or after payment of the final installment due May 15 of the Final Year, and, except as expressly provided in this Agreement, the REV Grant payments as determined pursuant to Section 11.3 shall not be subject to reduction or repayment.

11.3 **Determination of Annual Installments of REV Grant.**

The amount of each annual installment of the REV Grant shall be the sum which is equal to 75% of the “Annual Project Revenues” (as defined and determined in this Section 11.3) actually received by the DIA during the twelve (12) month period ended April 1 preceding the due date of such annual installment. For the purposes of this Agreement, “Annual Project Revenues” means the amount of all municipal and county ad valorem taxes, exclusive of any amount from any debt service millage or Business Improvement District (“BID”) millage, actually paid by any taxpayer for that tax year (net of any discount pursuant to Section 197.162, Florida Statutes, or any successor provision, actually taken by the taxpayer) during such period with respect to all real property and tangible personal property comprising the Hotel Improvements and the Hotel Parcel, and all real property and tangible personal property comprising the Office Building Improvements, less the amount of all municipal and county ad valorem taxes that would have been levied or imposed on the Hotel Parcel using the assessed value for the Base Year, which for the purpose of this Agreement shall be \$3,116,718 exclusive of any debt service millage. The foregoing references to ad valorem taxes shall be deemed to include any other municipal or county taxes, or other municipal or county fees or charges in the nature of or in lieu of taxes, that may hereafter be levied or imposed on the Developer with respect to real property or tangible personal property comprising the Hotel Improvements, in lieu of or in substitution for the aforesaid taxes and which are levied or imposed for general municipal or county purposes or shall be available for the City’s general fund, but not including stormwater or garbage fees or assessments.

By April 1 of each calendar year, commencing April 1, Initial Year and ending April 1, Final Year, Developer shall give written notice to the DIA of the amount of county ad valorem taxes paid during the preceding twelve (12) month period ending April 1, quantified by real property and tangible personal property amounts. If, by April 1 of any year, the Developer has failed to give notice of taxes paid during the preceding twelve (12) month period, the Developer shall not be eligible for a REV Grant payment for that year. Provided, however, that if the Developer provides timely notice in future years, the Developer shall be eligible for a REV Grant payment based on the Annual Projected Revenues in such future year’s notice.

Except as provided below, within thirty (30) days of receipt of said notice, DIA shall provide Developer with a calculation as to the annual REV Grant. If the Developer does not give written notice to the DIA of its objection to the DIA’s calculation within thirty (30) days after its receipt thereof, the DIA’s calculation shall be considered acceptable. Except as provided below, the DIA shall make payment of the REV Grant by the later of May 15th of each calendar year or thirty (30) days after DIA’s receipt of notification by the Developer that it is in agreement with the DIA’s annual calculation. In the event of a disagreement as to the calculation, the DIA shall make payment of the amount not in dispute and the parties shall negotiate in good faith any disputed amount.

The foregoing dates for the DIA to provide the REV Grant calculation and make the REV Grant payment shall be extended if on either of such dates the Developer has a

pending proceeding before the City Value Adjustment Board, Circuit Court, or otherwise that could change the amount of the Annual Project Revenues that Developer was obligated to pay for that tax year and upon which the REV Grant payment would be based. In that event, the date that the DIA is required to provide the REV Grant calculation to Developer shall be extended until 30 days after the date that Developer notifies the DIA that any such proceeding has been finally resolved (including any appeals) and any adjustment to the Annual Project Revenues for that tax year has been made and paid. Such notice shall include (i) a copy of any final order or final judgment or other evidence of the resolution of such proceeding that sets forth any change to the assessed value of the Property upon which the Annual Project Revenues are based for that tax year, and (ii) the amount of the adjusted Annual Project Revenues paid by the Developer.

11.4 **Further disclaimer.**

The REV Grant shall not be deemed to constitute a debt, liability, or obligation of the City, DIA or of the State of Florida or any political subdivision thereof within the meaning of any constitutional or statutory limitation, or a pledge of the faith and credit or taxing power of the City, DIA or of the State of Florida or any political subdivision thereof, but shall be payable solely from the funds provided therefor in this Article 11. The City and DIA shall not be obligated to pay the REV Grant or any installment thereof except from the non-ad valorem revenues or other legally available funds provided for that purpose, and neither the faith and credit nor the taxing power of the City, DIA or of the State of Florida or any political subdivision thereof is pledged to the payment of the REV Grant or any installment thereof. The Developer, or any person, firm or entity claiming by, through or under the Developer, or any other person whomsoever, shall never have any right, directly or indirectly, to compel the exercise of the ad valorem taxing power of the City, DIA or of the State of Florida or any political subdivision thereof for the payment of the REV Grant or any installment thereof.

Article 12.
PROJECT COMPLETION GRANT

12.1 **Project Completion Grant; Amount.**

The Developer shall be eligible for a Project Completion Grant (“Project Completion Grant”) in the up to, maximum amount equal to \$25,834,887, payable upon Substantial Completion of the Hotel Improvements and Office Building Improvements in accordance with this Agreement. The City’s obligation to make the Project Completion Grant is subject to the terms and conditions of this Agreement.

12.2 **Disbursement of Project Completion Grant.**

Upon Substantial Completion of the Hotel Improvements and Office Building Improvements in accordance with the terms and conditions of this Agreement, the Developer is eligible for a \$25,834,887 Project Completion Grant, subject to the terms

and conditions to disbursement below and the other terms of this Agreement.

The Developer shall furnish to the DIA a temporary certificate of occupancy for the Improvements, or such other permits and/or certificates (including a certificate of substantial completion from the architect or engineer of record) as shall be required to establish to the DIA's satisfaction that the Hotel Improvements and Office Building Improvements have been Substantially Completed and are not subject to any material violations or uncorrected conditions noted or filed in any City department.

(b) The Developer shall have entered into a fully executed license agreement to operate the Hotel Improvements as a luxury Four Seasons hotel and residential property for a term of not less than ten years.

(c) All property taxes on the Project Parcel must be current, and the Hotel Improvements must be open to the general public and operating in accordance with the uses described in this Agreement.

(d) No Event of Default with respect to Developer's obligations under this Agreement with respect to the Hotel Improvements or Office Building Improvements, or an event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default with respect to Developer's obligations under this Agreement with respect to the Hotel Improvements or Office Building Improvements, has occurred and is continuing. Notwithstanding the foregoing, nothing set forth herein shall abridge Developer's right to cure any notice of default within any applicable notice and cure period.

(e) The Developer shall submit to the DIA a proper contractor's final affidavit and pay applications supporting the Minimum Required Capital Investment to DIA's reasonable satisfaction;

(f) The disbursement request shall be made after Substantial Completion of the Hotel Improvements and Office Building Improvements and satisfaction of all conditions under this Agreement upon written application of Developer pursuant to a Disbursement Request in the form of attached **Exhibit CC**. The Disbursement Request shall be accompanied by the following supporting data: (i) processed pay applications for the Hotel Improvements and Office Improvements as of the date of the Disbursement Request, and (ii) AIA Forms G702 and G703 certified by the General Contractor and Design Professional for the completed Improvements. value is as stated; that the work and materials conform with all applicable rules and regulations of the public authorities having jurisdiction; and that no Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing under this Agreement with respect to the Hotel Improvements or Office Building Improvements.

(g) Developer shall take all action necessary to have any mechanic's and materialmen's liens, judgment liens or other liens or encumbrances filed against the Hotel Parcel or Office Building Parcel (other than any consensual mortgage) released or transferred to bond within twenty (20) days of the date Developer receives notice of the filing of such liens or encumbrances. If any such lien or encumbrance is filed, the City shall not be required to make any disbursement of the Project Completion Grant until such lien or encumbrance is bonded over or removed and the City receives a copy of the recorded release. The City shall not be obligated to disburse any of the Project Completion Grant to Developer if, in the reasonable opinion of the City, any such disbursement or the Hotel Parcel or Office Building Parcel would be subject to a mechanic's or materialmen's lien or any other lien or encumbrance other than inchoate construction liens. Developer shall be fully and solely responsible for compliance in all respects whatsoever with the applicable mechanic's and materialmen's lien laws.

(h) The Developer shall deliver to the DIA an as-built survey of the Hotel Improvements, and Office Building Improvements within sixty (60) days after the completion thereof.

(i) The Developer shall have provided to the DIA, in form and substance reasonably satisfactory to the DIA, any such other document, instrument, information, agreement or certificate the DIA may reasonably require related to the construction or completion of the Hotel Improvements and Office Building Improvements.

12.3 **No Warranty by City or DIA**

Nothing contained in this Agreement or any other document attached hereto or contemplated hereby shall constitute or create any duty on or warranty by City or the DIA regarding: (a) the accuracy or reasonableness of the Project budgets; (b) the feasibility or quality of the construction documents for the Project; (c) the proper application by the Developer of the Project Completion Grant funds; (d) the quality or condition of the work; or (e) the competence or qualifications of any third party furnishing services, labor or materials in connection with the construction of the Project. Developer acknowledges that it has not relied and will not rely upon any experience, awareness or expertise of the City or DIA, or any City or DIA inspector, regarding the aforesaid matters.

12.4 **Further Disclaimer.**

The Project Completion Grant shall not be deemed to constitute a debt, liability, or obligation of the City, DIA or of the State of Florida or any political subdivision thereof within the meaning of any constitutional or statutory limitation, or a pledge of the faith and credit or taxing power of the City, DIA or of the State of Florida or any political subdivision thereof, but shall be payable solely from the funds provided therefor in this Article 8. The City and DIA shall not be obligated to pay the Project Completion Grant or any installment thereof except from the non-ad valorem revenues or other legally available funds provided for that purpose, and neither the faith and credit nor the taxing power of the City, DIA or of the State of Florida or any political subdivision thereof is pledged to the payment of the Project Completion Grant or any installment thereof. The Developer, and any person, firm or entity claiming by, through or under the Developer, or any other person whomsoever, shall never have any right, directly or indirectly, to compel the exercise of the ad valorem taxing power of the City, DIA or of the State of Florida or any political subdivision thereof for the payment of the Project Completion Grant or any installment thereof.

Any improvements, including landscaping and fill material, installed on Easements 1 or 2 shall not obstruct the view of the St. Johns River from Gator Bowl Boulevard for the width of such easements except for such improvements as may be authorized by the City in its regulatory capacity.

Article 14. THE DEVELOPMENT

14.1 Scope of Development.

The Developer shall construct and develop, or cause to be constructed and developed, the Improvements (including the Marina Improvements, Marina Services Building Improvements and/or Riverwalk Improvements if elected by Developer), which the Developer is obligated to construct and develop in accordance with the Performance Schedule (subject in all cases to Force Majeure Events and authorized extensions of the applicable Performance Schedules contemplated by this Agreement) and this Agreement.

14.2 **Cost of Development.**

Except as otherwise set forth in this Agreement, the Developer shall pay all costs of constructing and developing the Hotel Improvements and Office Building Improvements incurred by Developer at no cost to the DIA or the City. For purposes of clarity, the City's and DIA's only financial obligations in connection with this Agreement are to disburse the REV Grant and Project Completion Grant, and to provide funding in accordance with the applicable Disbursement Agreements if entered into by the Developer and City in accordance with this Agreement.

14.3 **Approval by Other Governmental Agencies.**

All of the parties' respective rights and obligations under this Agreement are subject to and conditioned upon approval of the Project and all project documents by such other governmental agencies, whether state, local or federal, as have jurisdiction and may be required or entitled to approve them. Notwithstanding any provision of this Agreement to the contrary, neither the City nor the DIA guarantee approval of this Agreement or any aspect of the Project by any government authorities and agencies that are independent of the City; provided, however, to the extent necessary or requested by Developer, City and DIA agree to use commercially reasonable efforts, at no cost to City and DIA, to reasonably assist Developer in obtaining any such approvals or permits from third party governmental authorities or agencies.

14.4 **Authority of DIA to Monitor Compliance.**

During all periods of design and construction, the CEO of the DIA and the City's Director of Public Works, or their respective designees, shall have the authority to monitor compliance by the Developer with the provisions of this Agreement. Insofar as practicable, the DIA shall coordinate such monitoring and supervising activity with those undertaken by the City so as to minimize duplicate activity. To that end, during the period of construction and with prior notice to the Developer, representatives of the DIA and the City shall have the right of reasonable access to the Project Parcel and to every structure on the Project Parcel during normal construction hours upon at least one (1) business day's prior written notice to Developer to allow the coordination of safety issues.

14.5 **Construction and Operation Management.**

Except as otherwise expressly provided herein (and excluding the Marina Improvements), the Developer shall have discretion and control, free from interference, interruption or disturbance, in all matters relating to the management, development, redevelopment, construction and operation of the Project (as their respective obligations are set forth in this Agreement), provided that the same shall, in any event, conform to and comply with the terms and conditions of this Agreement, and all applicable state and local laws, ordinances and regulations (including, without limitation, applicable zoning,

- (d) the preparation of such budgets, cost estimates, financial projections, statements, information, and reports as the Developer deems appropriate.

**Article 15.
JSEB PROGRAM**

15.1 Jacksonville Small and Emerging Businesses (JSEB) Program.

The Developer, in further recognition of and consideration for the public funds provided to assist the Developer pursuant to this Agreement, hereby acknowledge the importance of affording to small and emerging vendors and contractors the full and reasonable opportunity to provide materials and services. Therefore, the Developer hereby agree as follows:

The Developer shall obtain from the City's Procurement Division the list of certified Jacksonville Small and Emerging Businesses ("JSEB"), and shall exercise good faith, in accordance with Municipal Ordinance Code Sections 126.608 et seq., to enter into contracts, or cause its contractors to enter into contracts, with City certified JSEBs to provide materials or services in an aggregate amount of not less than \$14,703,768.40, which amount represents 20% of the City's and DIA's maximum contribution to the Project with respect to the development activities or operation of the Project over the term of this Agreement.

The Developer shall submit JSEB report(s) regarding their respective actual use of City certified JSEBs on the Project, (i) on the date of any request for City/DIA funds which are payable prior to the Substantial Completion of the Improvements, (ii) upon Substantial Completion of the Project and Improvements. The form of the report to be used for the purposes of this section is attached hereto as **Exhibit II** (the "JSEB REPORTING FORM").

Article 16.
REPORTING

16.1 **Reporting.**

On an annual basis, the Developer shall submit reports to the DIA regarding the status of construction of the Hotel Improvements and Office Building Improvements and all other activities affecting the implementation of this Agreement, including a narrative summary of progress on the Project. Samples of the general forms of these reports are attached hereto as **Exhibit JJ** (the “Annual Survey”); however, the specific data requested may vary from the forms attached. In addition, the Developer shall submit monthly construction reports in form and content reasonably acceptable to the DIA regarding the status of construction of the Hotel Improvements and Office Building Improvements.

The Developer’s obligation to submit such reports shall continue until Developer has complied with all of the terms of this Agreement concerning the Project, the Improvements, REV Grant and Project Completion Grant and end upon Substantial Completion of the Hotel Improvements and Office Building Improvements, except that the Developer shall continue its reporting requirements as required for the REV Grant for the remaining term of the REV Grant.

Within thirty (30) days following a request of the DIA or the City, the Developer (as applicable) shall provide the DIA or the City with additional documentation and information relating to this Agreement as reasonably requested by the DIA or the City.

Article 17.
DEFAULTS AND REMEDIES

17.1 **General.**

An “Event of Default” under this Agreement with respect to the development and construction of the Hotel Improvements and Office Building Improvements shall consist of the breach of any covenant, agreement, representation, provision, or warranty (that has not been cured prior to the expiration of any applicable grace period or notice and cure period contained in this Agreement or such other documents, as applicable) contained in: (i) this Agreement; (ii) the documents executed in connection with the Agreement related to the development of the Hotel Parcel or Office Building Parcel; or (iii) any default beyond the applicable cure periods under any and all financing agreements between or among either of the Developer relating to the Hotel Improvements or Office Building Improvements that entitles such lender to accelerate or foreclose on the loan and exercise its remedies under the applicable loan documents (collectively, the “Project Documents”), and the failure to cure any such breach within the cure periods set forth below.

If any such Event of Default occurs under this Agreement with respect to the Hotel Parcel or Office Building Parcel, the City may refuse to pay any portion of the REV Grant and Project Completion Grant and additionally may at any time or from time to time proceed to protect and enforce all rights available to the City and DIA under this Agreement with respect to the Project by suit in equity, action at law or by any other appropriate proceeding whether for specific performance of any covenant or agreement contained in this Agreement, or damages, or other relief, or proceed to take any action authorized or permitted under applicable laws or regulations; provided, however, that in no event shall the Developer or its designated Affiliates be liable to City or the DIA for any punitive, speculative, or consequential damages of any kind. With the exception of defaults in connection with the Performance Schedule as such schedule may be extended by Force Majeure Events or otherwise pursuant to this Agreement, for which no notice is required and the more specific cure period is required as set forth below, no occurrence shall constitute an Event of Default until the City has given the Developer, and any lender of Developer or its designated Affiliates who has provided written notice to the City and DIA pursuant to this Agreement and in advance of written notice of such default, written notice of the default and thirty (30) calendar days within which to cure the default; provided, however, that the City/DIA may withhold any portion the REV Grant and Project Completion Grant immediately upon the occurrence of a default and throughout any notice or cure period until such default is cured. If any default cannot reasonably be cured within the initial thirty (30) calendar days after receipt of written notice, no Event of Default shall be deemed to occur so long as the defaulting party, or its lender, has commenced a cure within such thirty (30) day period and thereafter diligently pursues such cure to a conclusion. With respect to a default in connection with the Performance Schedule as such schedule may be extended by Force Majeure Events or otherwise pursuant to this Agreement, Developer shall have the right to cure such default provided that Developer provides written evidence to the City that it is using diligent and continuous efforts to cure such default for a period of up to sixty (60) days; provided however, Developer shall have the right to cure a default of the Completion Date for up to one hundred eighty (180) days. Notwithstanding the foregoing, the Developer shall immediately and automatically be in default with respect to this Agreement, and the City shall not be required to give the Developer any notice or opportunity to cure such default (and thus the City/DIA shall immediately be entitled to act upon such default), upon the occurrence of any of the following:

Should the Developer make any assignment for the benefit of creditors; or should a receiver, liquidator, or trustee of the Developer of any of the Developer's property be appointed; or should any petition for the adjudication of bankruptcy, reorganization, composition, arrangement or similar relief as to the Developer, pursuant to the Federal Bankruptcy Act or any other law relating to insolvency or relief for debtors, be filed by Developer; or should the Developer be adjudicated as bankrupt or insolvent; or should the Developer be liquidated or dissolved; or should an involuntary petition seeking to adjudicate the Developer as a bankrupt or to reorganize the Developer be filed against the Developer and remain undismissed for a period of ninety (90) days after the filing date thereof.

17.2 **Breach by City.**

No occurrence shall constitute an Event of Default until the Developer has given the City written notice of the default and thirty (30) calendar days within which to cure the default. If any default cannot reasonably be cured within the initial thirty (30) calendar days, no Event of Default shall be deemed to occur so long as City has commenced a cure within such thirty (30) day period and thereafter diligently pursues such cure to a conclusion. If the City commits an Event of Default under this Agreement, Developer shall have, in addition to the remedies expressly provided herein, all remedies allowed by law or equity; provided, however, that in no event shall the City be liable to Developer for any punitive, speculative, or consequential damages of any kind, and notwithstanding anything herein, in no event shall the City be liable for any costs or damages exceeding the maximum indebtedness amount described in Section 1.6 for any and all City and DIA obligations at issue.

17.3 **Specific Defaults.**

Additionally, for any of the specific Events of Default described in this Section 18.3 below, the parties agree that the City's and DIA's damages recoverable from the Developer shall include, but not be limited to, the following:

- (a) in the event reporting requirements are not met in the time period specified in Article 15 of this Agreement and such default is not cured within the time period provided in Section 16.1 after written notice from the City and DIA will be entitled to withhold any undisbursed amount of the REV Grant and Project Completion Grant until such reporting information is provided; provided, however, if the reporting information is not provided within the same City fiscal year such payment is due, the City shall have no obligation to make the REV Grant payment for such year.
- (b) if the Developer fails to invest or cause private Capital Investment of at least \$301,057,548 in the Hotel Improvements and Office Building Improvements at the earlier of Substantial Completion or December 31, 2025 (as such date may be extended by Force Majeure or by the terms and conditions of this Agreement), the REV Grant will be proportionately reduced. If, upon the earlier to occur of Substantial Completion of the Hotel Improvements and Office Building Improvements or December 31, 2025 (as such date may be extended by Force Majeure or by the terms and conditions of this Agreement), the private Capital Investment in the Hotel Improvements and Office Building Improvements is less than \$270,951,793 but greater than \$255,898,915, then upon written application of the Developer, the DIA Board in its sole discretion may approve a pro rata reduction in the maximum amount of the REV Grant. If the Developer fails to invest at least \$255,898,915 of private Capital Investment in the Hotel Improvements and Office Building Improvements, the REV Grant will be terminated.

- (c) During the term of the REV Grant, a Four Seasons Hotel shall be operated on the Hotel Parcel. In the event the owner of the Hotel Parcel elects to change the flag of the hotel from the Four Seasons to another brand, the change in the flag will be subject to approval of DIA to ensure that the hotel continues to be operated as a luxury brand (four or five-star facility as determined by Forbes Travel Guide, or other respected source in the hospitality industry). In the event, DIA fails to approve the change of flag on the hotel, the owner of the Hotel Parcel may nevertheless change the flag but in such instance the REV Grant shall immediately terminate and the DIA and City shall have no further obligation in connection with the REV Grant.
- (d) In the event the Developer fails to invest or cause a Capital Investment of at least \$301,057,548 in the Hotel Improvements and Office Building Improvements, the Project Completion Grant shall be reduced on a dollar-for-dollar basis.

In the event that the Developer fails to Commence Construction of the Hotel Improvements and Office Building Improvements in accordance with the terms of this Agreement and the Performance Schedule, as such date may be extended by Force Majeure Events or as set forth in this Agreement, and such failure continues for more than thirty (30) days after the Developer's receipt of written notice of its failure to do so, the City may exercise the repurchase right for the Hotel Parcel. Developer shall cooperate and execute all documents reasonably necessary to demonstrate that its interest in the Hotel Parcel has ceased and that the Hotel Parcel has been reconveyed to the City. The instruments of conveyance shall be substantially the same as those executed and delivered upon conveyance of the Hotel Parcel to the Developer, except that the conveyance shall be made by special warranty deed. If the Developer has encumbered all or any portion of the Project Parcel with a mortgage, security agreement or the Project Parcel has other liens placed on it, the Developer shall secure a full release of the same and the cost of paying or discharging the same in full shall be at the Developer's sole expense. Developer shall incur all costs incurred in reconveying the Project Parcel to the City, other than attorneys' fees and costs and other expenses incurred directly by the City. Ad valorem taxes will be prorated between the Developer and the City as of the date of reconveyance of title to the Hotel Parcel.

17.4 **Hotel Parcel Reverter Process.**

Notwithstanding the fact that the Reverter (as set forth in the Deed) shall be immediately effective upon the recording of the Notice (as defined in the Deed), Developer shall, at its sole cost and expense and within thirty (30) days of the recording of the Notice, deliver a Special Warranty Deed conveying the Project Parcel to the City and cause to be issued in the City's favor an owner's policy of title insurance for the fair market value of the Project Parcel without exception for any matters arising during Developer's ownership of the Hotel Parcel (unless such exception was consented to by City) and execute and deliver all documents reasonably requested by DIA in connection

with the same. The Reverter shall be at no cost to the City or the DIA. Without limiting the foregoing and for avoidance of doubt, Developer expressly agrees to pay the premium for such owner's title policy, all related recording costs, any documentary stamps on the deed, the cost of surveys (or updated thereto), Developer's attorney's fees, and all other closing costs other than City or DIA's attorneys' fees and expenses or directly incurred costs.

Once the Developer has Commenced Construction of the Hotel Improvements in accordance with this Agreement, the City's reverter right to the Hotel Parcel shall terminate. Said termination of the repurchase right shall be evidenced by the recording of a notice of commencement by Developer with regard to the Hotel Improvements. If requested by the Developer, the City shall also execute and record at Developer's expense a notice of termination of reverter rights at the time of recording of the notice of commencement in form and substance acceptable to the City and Developer in their reasonable discretion.

17.5 **Liens, Security Interests.**

The DIA and City and agree and acknowledge that this Agreement does not create any security interest in the Project.

Article 18.

ANTI-SPECULATION AND ASSIGNMENT PROVISIONS

18.1 **Purpose.**

The Developer represents and agrees that its acquisition of the Hotel Parcel, ground lease of the Office Building Parcel, and undertakings pursuant to this Agreement are for the purpose of developing such parcels pursuant to this Agreement and not for speculation in land holding. The Developer further recognizes, in view of the importance of the development of the Project Parcel to the general health and welfare of the City, that the qualifications, financial strength and identity of the principal shareholders or members and executive officers of the Developer are of particular concern to the City and the DIA.

18.2 **Assignment; Limitation on Conveyance.**

Developer agrees that, with respect to the Project, until the Substantial Completion of the Hotel Improvements and Office Building Improvements, it shall not, without the prior written consent of the DIA (which consent shall not be unreasonably withheld), assign, transfer or convey (i) the Hotel Parcel or the Office Building Parcel or any portion thereof until such portion of the Improvements are Substantially Completed, (ii) the Office Building Ground Lease; or (iii) this Agreement or any provision hereof as it relates to the Project, (iv) a controlling interest in the Developer; or (v) a controlling interest in the Managing Member of the Developer. If any such prohibited assignment, transfer or conveyance is made, the obligation of the City to pay any further amounts of

the REV Grant or the Project Completion Grant to the Developer shall immediately terminate. Notwithstanding the foregoing, Developer may assign, transfer or convey items (i)-(iii) above to an Affiliate of Developer without the prior written consent of the City and DIA; provided, however, that no such assignment, transfer or conveyance shall release Developer from any liability or obligation hereunder, and provided any assignee of such assignment enters into an assignment and assumption agreement in form and content as acceptable to the DIA in its reasonable discretion. In addition, Developer may collaterally assign its rights and obligations pursuant to this Agreement to any lender providing financing for either of the Hotel Improvements and/or the Office Building Improvements and any foreclosure or similar action and subsequent assignment by such lender or its assignees shall constitute a permitted assignment pursuant to this Agreement. In connection with any such collateral assignment and transfers by the lender contemplated herein, DIA and City agree to execute a consent reasonably acceptable to such lender, and such lender or assignee shall enter into an assignment and assumption agreement in form and content as reasonably acceptable to City and DIA.

If any default under the terms of the Agreement shall occur, then and in any such event, the City shall, give written notice of such default(s) (“Notice of Default”) to all lenders of any component of the Project at its address as noticed to City pursuant to Section 19.4 hereof, specifying the event of default and the methods of cure, or declaring that an event of default is incurable. During the period of one hundred twenty (120) days commencing upon the date the Notice of Default was given to Lender, Lender may cure any event of default; provided, however, if any default cannot reasonably be cured within the initial one hundred twenty (120) calendar days, no Event of Default shall be deemed to occur so long as such lender has commenced a cure within such one hundred twenty (120) day period and thereafter diligently pursues such cure to a conclusion within one hundred eighty (180) days of the date of written notice thereof.

Article 19. GENERAL PROVISIONS

19.1 Non-liability of DIA and City Officials.

No member, official, officer, employee or agent of the DIA or the City shall be personally liable to the Developer or to any person or entity with whom the Developer shall have entered into any contract, or to any other person or entity, in the event of any default or breach by the DIA or the City, or for any amount which may become due to the Developer or any other person or entity under the terms of this Agreement. No member, officer, manager, shareholder, employee or agent of the Developer or its designated Affiliates shall be personally liable under this Agreement to the City or DIA or to any person or entity with whom the City or DIA shall have entered into any contract, or to any other person or entity, in the event of any default or breach by the Developer or its designated Affiliate, or for any amount which may become due to the City or DIA or any other person or entity under the terms of this Agreement.

19.2 **Force Majeure.**

No party to this Agreement shall be deemed in default hereunder where such a default is based on a delay in performance as a result of war, insurrection, civil disturbance, strikes, lockouts, riots, floods, earthquakes, fires, named tropical storms or hurricanes, casualty, acts of God, acts of public enemy, acts of terrorism, epidemic, pandemic, quarantine restrictions, freight embargo, shortage of or inability to obtain labor or materials, interruption of utilities service, lack of transportation, permitting delays, severe weather, restraint by court or public authority, delays in settling insurance claims, moratoriums or other delays relating to applicable laws, any act, neglect or failure to perform of or by one party that caused the other party to be delayed in the performance of any of its obligations hereunder, delays in obtaining applicable governmental approvals, licenses, permits, and inspections beyond the normal and customary time frames for obtaining the same in the City, not caused by the Developer and which are outside the Developer's control, which are required for construction of the Improvements and other acts or failures beyond the control or without the control of any party (collectively, a "Force Majeure Event"); provided, however, that the extension of time granted for any delay caused by any of the foregoing shall not exceed the actual period of such delay and shall be proximately caused by such Force Majeure Event.

In the event of any delay or nonperformance resulting from such causes, the party affected shall notify the other in writing within fifteen (15) calendar days of the force majeure event. Such written notice shall describe the nature, cause, date of commencement, and the anticipated impact of such delay or nonperformance, shall indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be thereby affected, and shall describe the actions reasonably taken to minimize the impact thereof.

19.3 **Notices.**

All notices to be given hereunder shall be in writing and personally delivered or sent by registered or certified mail, return receipt requested, or delivered by an air courier service utilizing return receipts to the parties at the following addresses (or to such other or further addresses, including any lender of any component of the Project (provided Developer has previously provided in writing to DIA and the City at the addresses listed below a notice address for any such lender), as the parties may designate by like notice similarly sent), and such notices shall be deemed given and received for all purposes under this Agreement three (3) business days after the date same are deposited in the United States mail, if sent by registered or certified mail, or the date actually received if sent by personal delivery or air courier service, except that notice of a change in address shall be effective only upon receipt.

19.4 **Time.**

Time is of the essence in the performance by any party of its obligations hereunder.

19.5 **Entire Agreement.**

This Agreement constitutes the entire understanding and agreement between the parties and supersedes all prior negotiations and agreements between them with respect to all or any of the matters contained herein.

19.6 **Amendment.**

This Agreement may be amended by the parties hereto only upon the execution of a written amendment or modification signed by the parties. Notwithstanding the foregoing, the CEO of the DIA is authorized on behalf of the DIA and the City to approve, in his or her sole discretion, any “technical” changes to this Agreement. Such “technical” changes include, without limitation, non-material modifications to legal descriptions and surveys, ingress and egress, easements and rights of way, Performance

Schedule (for up to six months) and design standards, as long as such modifications do not involve any increased financial obligation or liability to the City or the DIA.

19.7 **Waivers.**

Except as otherwise provided herein, all waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by any party in insisting upon strict performance of the provisions hereof or asserting any of its rights and remedies as to any default shall not constitute a waiver of any other default or of any such rights or remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by any other party.

19.8 **Indemnification.**

Developer shall indemnify, hold harmless and defend the City of Jacksonville, DIA and their respective members, officials, officers, employees and agents from and against, without limitation, any loss, claim, suit, action, damage, injury, liability, fine, penalty, cost, and expense of whatsoever kind or nature (including without limitation court, investigation and defense costs and reasonable expert and attorneys' fees and costs) related to any suits and actions of any kind brought against the City, DIA and their respective members, officials, officers, employees and agents or other damages or losses incurred or sustained, or claimed to have been incurred or sustained, by any person or persons arising out of or in connection with: (i) any breach of any representation or warranty of Developer, contained or provided in connection with this Agreement; (ii) any breach or violation of any covenant or other obligation or duty of Developer under this Agreement or under applicable law; (iii) any negligent act, error or omission, or intentionally wrongful conduct on the part of Developer or those under its control that causes injury to persons (including death) or damage to property, whether arising out of or incidental to Developer's performance under this Agreement or relating to the Project, except to the extent caused by the negligence of the City or DIA. Nothing contained in this paragraph shall be construed as a waiver, expansion, or alteration of the City's sovereign immunity beyond the limitations stated in Section 768.28, Florida Statutes.

This indemnification shall survive the expiration or termination (for any reason) of this Agreement and remain in full force and effect for six (6) years. The scope and terms of the indemnity obligations herein described are separate and apart from, and shall not be limited by, any insurance provided pursuant to this Agreement or otherwise. The terms "City" and "DIA" as used in this Section 18.9 shall include all officers, board members, City Council members, employees, representatives, agents, successors and assigns of the City and the DIA, as applicable.

19.9 **Severability.**

The invalidity, illegality, or unenforceability of any one or more of the provisions of this Agreement shall not affect any other provisions of this Agreement, but this Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

19.10 **Compliance with State and Other Laws.**

In the performance of this Agreement, the Developer must comply with any and all applicable federal, state, and local laws, rules, and regulations, as the same exist and may be amended from time to time. Such laws, rules and regulations include, but are not limited to, Chapter 119, Florida Statutes, (the Public Records Act) and Section 286.011, Florida Statutes, (the Florida Sunshine Law). If any of the obligations of this Agreement are to be performed by a subcontractor, the provisions of this Section shall be incorporated into and become a part of the subcontract.

19.11 **Non-Discrimination Provisions.**

In conformity with the requirements of Section 126.404, *Ordinance Code*, the Developer represents that it has adopted and will maintain a policy of non-discrimination against employees or applicants for employment on account of race, religion, sex, color, national origin, age, or handicap, in all areas of employment relations, throughout the term of this Agreement. The Developer agrees that, on written request, it will permit reasonable access to its records of employment, employment advertisement, application forms and other pertinent data and records, by the Executive Director of the Human Rights Commission, or successor agency or commission, for the purpose of investigation to ascertain compliance with the non-discrimination provisions of this Agreement; *provided however*, that the Developer shall not be required to produce for inspection records covering periods of time more than one (1) year prior to the day and year first above written. The Developer agree that, if any of its obligations to be provided pursuant to this Agreement are to be performed by a subcontractor, the provisions of this Section 19.12 shall be incorporated into and become a part of the subcontract.

19.12 **Contingent Fees Prohibited.**

In conformity with Section 126.306, *Ordinance Code*, Developer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Developer, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Developer, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For the breach or violation of these provisions, the City and DIA shall have the right to terminate this Agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

19.13 **Ethics.**

The Developer represents that it has reviewed the provisions of the Jacksonville Ethics Code, as codified in Chapter 602, *Ordinance Code*, and the provisions of the Jacksonville Purchasing Code, as codified in Chapter 126, *Ordinance Code*.

19.14 **Conflict of Interest.**

The parties will follow the provisions of Section 126.110, *Ordinance Code*, with respect to required disclosures by public officials who have or acquire a financial interest in a bid or contract with the City, to the extent the parties are aware of the same.

19.15 **Public Entity Crimes Notice.**

19.16 **Survival.**

Any obligations and duties that by their nature extend beyond the expiration or termination of this Agreement shall survive the expiration or termination of this Agreement and remain in effect. Without limiting the foregoing, all obligations for the payment of fees or other sums accruing up to the expiration or termination of this Agreement and all provisions relating to the City's right to conduct an audit shall survive the expiration or termination of this Agreement.

19.17 **Incorporation by Reference.**

All exhibits and other attachments to this Agreement that are referenced in this Agreement are by this reference made a part hereof and are incorporated herein by this reference.

19.18 **Order of Precedence.**

In the event of any conflict between or among the provisions of this Agreement and those of any exhibit attached hereto or of any amendment, the priority, in decreasing order of precedence shall be: 1) any fully executed amendment; 2) provisions in this Agreement; and 3) exhibits to this Agreement.

19.19 **Counterparts.**

This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of such counterparts together shall constitute one and the same instrument. Delivery of a counterpart by electronic means shall be valid for all purposes.

19.20 **Independent Contractor.**

In the performance of this Agreement, the Developer will be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer or association of the City or the DIA. The Developer and their respective employees or agents shall be solely responsible for the means, method, technique, sequences, and procedures utilized by the Developer in the performance of this Agreement.

19.21 **Retention of Records/Audit**

The Developer agrees:

(a) To establish and maintain books, records, and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by the City under this Agreement.

(b) To retain, with respect to each Project, all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of six (6) years after completion of the date of final payment by the City under this Agreement with respect to such Project. If an audit has been initiated and audit findings have not been resolved at the end of six (6) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this Agreement, at no additional cost to the City.

(c) Upon demand, at no additional cost to the City, to facilitate the duplication and transfer of any records or documents during the required retention period.

(d) To assure that these records shall be subject at all reasonable times to inspection, review, copying, or audit by personnel duly authorized by the City, including but not limited to the City Council Auditors.

(e) At all reasonable times for as long as records are maintained, to allow persons duly authorized by the City, including but not limited to the City Council Auditors, full access to and the right to examine any of the Developer's contracts and related records and documents, regardless of the form in which kept.

(f) To ensure that all related party transactions are disclosed to the City.

(g) To include the aforementioned audit, inspections, investigations, and record keeping requirements in all subcontracts and assignments of this Agreement.

(h) To permit persons duly authorized by the City, including but not limited to the City Council Auditors, to inspect and copy any records, papers, documents, facilities, goods, and services of the Developer which are relevant to this Agreement, and to interview any employees and subcontractor employees of the Developer to assure the City of the satisfactory performance of the terms and conditions of this Agreement. Following such review, the City will deliver to the Developer a written report of its findings and request for development by the Developer of a corrective action plan where appropriate. The Developer hereby agrees to timely correct all deficiencies identified in the corrective action plan.

(i) Additional monies due as a result of any audit or annual reconciliation shall be paid within thirty (30) days of date of the City's invoice.

(j) Should the annual reconciliation or any audit reveal that the Developer owes the City or DIA additional monies, and the Developer does not make restitution within thirty (30) days from the date of receipt of written notice from the City, then the City may pursue all available remedies under this Agreement and applicable law.

19.22 **Non-merger.**

None of the terms, covenants, agreements, or conditions set forth in this Agreement shall be deemed to be merged with any deed conveying title to the Hotel Parcel.

19.23 **Exemption of City and DIA.**

Neither this Agreement nor the obligations imposed upon the City or DIA hereunder shall be or constitute an indebtedness of the City or DIA within the meaning of any constitutional, statutory or charter provisions requiring the City to levy ad valorem taxes, or a lien upon any properties of the City or DIA. Payment or disbursement by the City or DIA of grant amount hereunder is subject to the availability of lawfully appropriated funds. If funds are not available pursuant to a lawful appropriation thereof by the City Council or DIA Board, this Agreement shall be void and the parties shall have no further obligations hereunder.

19.24 **Parties to Agreement; Successors and Assigns.**

This is an agreement solely between the DIA, the City and Developer. The execution and delivery hereof shall not be deemed to confer any rights or privileges on

any person not a party hereto other than permitted successors and assigns. Subject to the limitations contained in Section 18.2, this Agreement shall be binding upon and benefit Developer, and Developer' successors and assigns, and shall be binding upon and benefit of the City and DIA, and their successors and assigns. However, Developer, except as contemplated in Section 18.2, shall not assign, transfer, or encumber its rights or obligations hereunder or under any document executed in connection herewith without the prior written consent of the City and the DIA, which consent shall not be unreasonably withheld.

Completion Guaranty – Hotel Improvements

GUARANTY OF COMPLETION

This **GUARANTY OF COMPLETION** (as amended, modified or supplemented from time to time, this "Guaranty") is made as of _____, 2021, by **K2TR FAMILY HOLDINGS 2, CORP.**, a South Dakota corporation (the "Guarantor"), to and for the benefit of the **CITY OF JACKSONVILLE**, a municipal corporation under the laws of the State of Florida (the "City"), and the **DOWNTOWN INVESTMENT AUTHORITY**, a community redevelopment agency on behalf of the City (the "DIA").

RECITALS:

A. All capitalized terms in this Guaranty not otherwise defined herein shall have the meanings set forth in the Agreement (as defined in Recital C below), as applicable.

B. The DIA was created by the City Council of the City of Jacksonville pursuant to Ordinance 2012-364-E. Pursuant to Chapter 163, Florida Statutes, and Section 55.104, Ordinance Code, the DIA is the sole development and community redevelopment agency for Downtown, as defined by Section 55.105, Ordinance Code and has also been designated as the public economic development agency as defined in Section 288.075, Florida Statutes, to promote the general business interests in Downtown.

C. IGUANA INVESTMENTS FLORIDA, LLC, the City and the DIA have entered into that certain Redevelopment Agreement dated _____, 2021 (the "Agreement") pursuant to which the City has agreed to sell the Hotel Parcel to Developer, which is a portion of the real property generally known as the Kids Kampus in downtown Jacksonville and located within the Consolidated Northbank Community Redevelopment Area, as further described on **Exhibit A** attached hereto (the "Project Parcel") and to construct thereon certain Hotel Improvements and related improvements (the "Project").

D. To induce the City to authorize redevelopment for the Project and to convey the Hotel Parcel to Developer, the Guarantor has agreed to execute and deliver this Guaranty simultaneously with, and as a condition to, such conveyance, to become effective upon the earlier of (i) Commencement of Construction of the vertical components to the Hotel Improvements, or (ii) termination of the Reverter.

E. The Guarantor acknowledges and agrees that it is an affiliate of Developer (by reason of common control or ownership) and financially interested in the Developer and that it will materially benefit both directly and indirectly from the development of the Project and the conveyance of the Hotel Parcel to Developer.

NOW, THEREFORE, for and in consideration of the premises and as part of the consideration for the sale of the Hotel Parcel by the City to the Developer and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Guarantor hereby covenant and agree with the City and the DIA, as follows:

1. Obligation of Guarantor.

(a) Subject to the further provisions of this Guaranty, the Guarantor, as primary obligor and not merely as a surety, hereby unconditionally, absolutely and irrevocably guarantees to the City and the DIA, upon Developer's failure to do so (i) the performance by the Developer of its obligation to achieve Substantial Completion of the Hotel Improvements on or before the Construction Completion Date as set forth in the Agreement, as the same may be extended in accordance with the Agreement, free

of any mechanic's and materialmen's liens, judgment liens or other liens or encumbrances related to the Hotel Improvements, and (ii) the performance by Developer of its obligations to comply with all of the terms, covenants and conditions of the Agreement with respect to the Substantial Completion of the Improvements in accordance with the terms of the Agreement, including, without limitation, the payment of any and all cost overruns and the full and timely payment of all contractors, subcontractors, materialmen, engineers, architects, and other parties who have rendered or furnished services or materials that are or become a part of the initial construction of the Hotel Improvements in all events subject to the terms and conditions contained in the Agreement (collectively, the "Obligations.") The term "Obligations" shall also include all reasonable costs of collection of the foregoing or enforcement of this Guaranty, including reasonable, actual, documented, out-of-pocket third party legal fees. In the event the City or DIA must repay any part of the Obligations paid by the Developer or any other person because of any bankruptcy, liquidation, dissolution, receivership, insolvency, assignment for the benefit of creditors, reorganization, arrangement, composition or other similar proceedings relating to creditors' rights, then the amount so paid or repaid shall again become part of the Obligations, the repayment of which is guaranteed hereby. This is a guaranty of payment (to the extent that any part of the Obligations are payment obligations) and performance, and not of collection.

(b) If Developer fails to Substantially Complete the Hotel Improvements in accordance with the Agreement, neither the City nor the DIA, shall have any obligation to exercise, pursue, exhaust or enforce any right or remedy it has or may have or to institute suit against the Developer, any co-guarantor (whether hereunder or under a separate instrument) or any other person or to realize or attempt to realize on any collateral securing payment of the Obligations in order to enforce this Guaranty.

(c) In the event the Developer defaults (after the expiration of all applicable notice, grace or cure periods contained in the Agreement) in the payment or performance of any of its obligations under the Agreement which constitute the Obligations when such payment or performance becomes due, or if the Hotel Parcel and/or the Hotel Improvements are not free of all liens, claims and demands upon the Substantial Completion thereof, which have not been bonded in accordance with applicable law or insured over within the time period referenced in the Agreement, then the Guarantor shall (1) fully indemnify and hold harmless the City and the DIA from all documented out-of-pocket costs and damages that the City or DIA actually incurs by reason thereof, (2) reimburse the City and the DIA for all sums paid and all reasonable, actual, documented, out-of-pocket costs and expenses actually incurred by it in connection therewith and (3) subject to the further provisions of this Guaranty, satisfy such Obligations (or any part thereof) at Guarantor's sole cost and expense, and pay or perform any such Obligations then due, including, but not limited to, if requested by the City or the DIA in writing, complete or cause the completion of the construction and equipping of the Hotel Improvements in accordance with the Agreement.

(d) Guarantor hereby covenants that this Guaranty and Guarantor's obligations hereunder shall not be discharged or released until such time as the Hotel Improvements are Substantially Complete in accordance with the terms of the Agreement and all other Obligations have been fully satisfied and the period of time has expired during which any payment received by the beneficiaries hereunder or any act performed by the Guarantor may be determined to be a preferential or fraudulent transfer under the United States Bankruptcy Code or other applicable law, at which time this Guaranty shall be automatically and without further action be discharged and released. Thereafter, at the expense of the Developer, the City and the DIA will confirm such discharge and release to the Guarantor and this Guaranty shall be marked canceled and returned to the Developer upon written request of the Developer.

(e) Notwithstanding the foregoing or anything to the contrary contained in this Guaranty: (i) Guarantor shall have no liability under this Guaranty for any increased costs or expenses (in the aggregate) incurred by the City or DIA in completing the Hotel Improvements that result directly or indirectly from the City's or DIA's changes to the plans and specifications which are not Authorized

Changes (as hereinafter defined) or for any increased costs or expenses to the extent the same arise directly from the gross negligence or willful misconduct of the City, DIA or any of their respective agents; and (ii) Obligations and other amounts for which Guarantor is liable under this Guaranty shall specifically exclude (1) consequential, special or punitive damages, and (2) costs that are incurred as a direct result of the fraud, illegal acts, gross negligence or willful misconduct of the City or DIA or their respective agents. As used herein, "Authorized Changes" means the following changes to the plans and specifications for the Hotel Improvements made by the City or DIA: (1) changes in order to comply with any laws applicable to the Hotel Improvements; (2) changes as a result of the effects of Force Majeure, (3) changes as a result of any delay in achieving Substantial Completion of the Hotel Improvements caused by an Event of Default by Developer under the Agreement, (4) changes as a result of any delay in achieving Substantial Completion of the Hotel Improvements caused by Guarantor's failure to perform under the terms and conditions contained in this Guaranty, (5) changes in order to comply with a judgment or order entered by a court of competent jurisdiction, (6) changes otherwise authorized by Guarantor or Developer, and (7) changes to one or more of the line items in the approved budget for the Hotel Improvements provided such line item changes, in the aggregate, do not result in increased costs or expenses.

(f) Notwithstanding the foregoing or any other provision in this Guaranty, if Developer elects not to develop, construct or complete the Project (as may be permitted under the terms and conditions of the Agreement), at such time as Developer re-conveys to the City the Hotel Parcel free from any liens, and in substantially similar condition as when the City conveyed to Developer the Hotel Parcel, any and all liability of Guarantor hereunder, including, without limitation, the Obligations, shall automatically terminate, and, without further action, this Guaranty shall be of no further force or effect. Thereafter, at the expense of the Developer, the City and the DIA will confirm such discharge and release to the Guarantor and this Guaranty shall be marked canceled and returned to the Developer upon written request of the Developer.

2. Liability of Guarantor Not Affected. Guarantor's liability under this Guaranty shall not be released, diminished, impaired, reduced, or affected by any one or more of the following events, all of which may be done without notice to the Guarantor which notice is expressly waived: (a) rearrange, postpone, extend, renew, accelerate or demand payment or performance of the obligations under the Agreement in whole or in part and as often as the City and DIA may wish (as permitted under the Agreement); (b) waive, fail to enforce, surrender, impair, modify or exchange any of its rights under the Agreement or any other instruments evidencing, relating to, securing or guaranteeing any of the Indebtedness; (c) settle, release (by operation of law or otherwise), compound, compromise, collect or liquidate, in any manner, any of the Indebtedness; (d) release the Developer, any co-guarantor (whether hereunder or under a separate instrument) or any other person from liability on any Indebtedness; (e) release, exchange, add to or substitute all or any part of the collateral securing payment of any Indebtedness; or (f) alter, extend, modify, release or cancel the conditions for advances, if any, and any other terms, covenants and provisions contained in the Agreement. Guarantor hereby expressly waives and surrenders any defenses to its liability hereunder based upon any of the foregoing acts, omissions, things or agreements or waivers of the City or the DIA; it being the purpose and intent of the parties hereto that the Obligations of the Guarantor hereunder are absolute and unconditional under any and all circumstances.

3. Waivers by Guarantor. The Guarantor waives, to the fullest extent permitted by law, all: (a) notice of acceptance of this Guaranty and the creation or existence of any obligation of the Developer guaranteed hereby; (b) presentment, demand for payment and/or performance, notice of dishonor, protest, notice of nonpayment or protest and any other requirement of notice, proof or demand whatsoever other than as specifically required under the Agreement or hereunder; (c) rights to assert a counterclaim (other than a compulsory counterclaim) which the Guarantor may at any time have to any claim of the City or the DIA against the Guarantor; (d) valuation and appraisal of any collateral and diligence in collection; (e) notice of execution and delivery of the Agreement; (f) suretyship defenses; and (g) any rights that Guarantor

may have against Developer by reason of any one or more payments or acts in compliance with the obligations of Guarantor hereunder.

4. **Persons Bound.** This Guaranty is binding upon the Guarantor and the Guarantor's successors and assigns. This Guaranty is not assignable or transferable by the City or DIA without the express written consent of the Guarantor. Guarantor may not assign or transfer its rights or obligations hereunder without the express prior written consent of the City and the DIA. Any attempted assignment or transfer in violation of this Section 4 shall be null and void.

5. **Applicable Law.** The laws of the State of Florida shall control the construction, interpretation and enforcement of this Guaranty and all matters related to this Guaranty notwithstanding its place of execution and delivery.

6. **Subrogation; Contribution.** Nothing herein contained is intended or shall be construed to give to the Guarantor any right of subrogation in or under the Agreement evidencing in any way or relating to any obligation of the Developer hereunder which is or may be covered by this Guaranty, or any right of contribution, reimbursement or indemnification from the Developer, any co-guarantor (whether hereunder or under a separate instrument) or any other person for liability on any Obligations, or any right to participate (as a third party beneficiary or otherwise) in any way in the Agreement. Notwithstanding any payments made by the Guarantor under this Guaranty, all such rights of subrogation, contribution, reimbursement, indemnification and participation are hereby expressly waived until the Obligations are fully satisfied. If Guarantor nevertheless receives payment of any amount on account of any such subrogation, contribution, indemnity or reimbursement rights or otherwise in respect of any payment or performance by Guarantor of the Obligations prior to payment and performance in full of all Obligations, such amount shall be held in trust for the benefit of City and DIA and immediately paid to City and DIA for application to the Obligations in such order and manner as City and DIA may determine.

7. **Subordination.** In the event that for any reason whatsoever the Developer is now or hereafter becomes indebted to Guarantor, Guarantor agrees that the amount of such indebtedness and all interest thereon shall at all times be subordinate as to lien, time of payment and in all other respects to the Obligations guaranteed hereby, and that, so long as a default exists under this Guaranty or the Agreement, the Guarantor shall not be entitled to enforce or receive payment thereof until the Obligations shall have been fully satisfied; provided that so long as the Guarantor is not in default hereunder or and there is no default under the Agreement, the Guarantor may be entitled to receive and retain payments made to the Guarantor.

8. **Representations and Warranties.** The Guarantor represents and warrants that:

(a) At the time of the execution and delivery of this Guaranty, nothing exists to impair the effectiveness of the liability of the Guarantor to the City or the DIA hereunder, or the immediate taking effect of this Guaranty;

(b) Guarantor has been duly organized and validly exists as a corporation under the laws of the State of its organization, as set forth in the recitals hereto, and is currently in good standing in such State.

(c) This Guaranty has been duly authorized by all necessary corporate action on Guarantor's part and has been duly executed and delivered by a duly authorized agent of the Guarantor, and is, upon execution and delivery by any Guarantor, the valid and binding agreement of such Guarantor enforceable in accordance with its terms, and there are no conditions precedent to the effectiveness of this Guaranty;

(d) Guarantor will receive a direct or indirect material benefit from development of the Project and the conveyance of the Hotel Parcel to the Developer;

(e) Neither the execution and delivery hereof nor the consummation of the transactions contemplated hereby nor the compliance with the terms hereof (i) contravenes the formation documents or any other requirement of law applicable to or binding on Guarantor, (ii) contravenes or results in any breach or constitutes any default under any agreement or instrument to which Guarantor is a party (iii) does or will require the consent or approval of any Person which has not previously been obtained, (iv) will violate Guarantor's organizational documents or result in the breach of, or conflict with, or result in the acceleration of, any obligation under any guaranty, indenture, credit facility or other instrument to which Guarantor or any of its assets may be subject or (v) will violate any order, judgment or decree to which Guarantor or any of its assets is subject; and

(f) no action, suit, proceeding or investigation, judicial, administrative or otherwise (including without limitation any reorganization, bankruptcy, insolvency or similar proceeding), currently is pending or, to the best of Guarantor's knowledge, threatened against Guarantor which, either in any one instance or in the aggregate, may have a material adverse effect on Guarantor's ability to perform its obligations under this Guaranty.

9. **Financial Covenants.** At all times until the Obligations have been fully satisfied or this Guaranty has otherwise been terminated by the City, Guarantor will maintain the covenants set forth herein:

(a) Guarantor shall maintain a domestic tangible net worth of not less than Three Hundred Fifty Million and 00/100 Dollars (\$350,000,000). For purposes of this Guaranty, "tangible net worth" means, as of a given date, Guarantor's equity calculated in conformance with generally accepted accounting principles by subtracting total liabilities from total tangible assets.

(b) Within ninety (90) days following the end of each quarter, and at such other times as the City or DIA may reasonably request in writing, but at any time upon written request by the City or DIA after the occurrence and during the existence of an Event of Default under the Agreement, Guarantor shall provide to the City and DIA quarterly certifications of domestic tangible net worth, certifying to the City and the DIA that Guarantor maintains a tangible net worth of not less than Three Hundred Fifty Million and 00/100 Dollars (\$350,000,000).

10. **Remedies.**

(a) The Guarantor acknowledges and agrees that it may be impossible to accurately measure the damages to the City or the DIA resulting from a breach of their covenant to complete or to cause the completion of the construction and equipping of the Improvements and the Project and that such a breach will cause irreparable injury to the City or the DIA and that the City or the DIA may not have an adequate remedy at law in respect of such breach and, as a consequence, agrees that such covenant shall be specifically enforceable against the Guarantor and hereby waives and agrees not to assert any defense against an action for specific performance of such covenant. In addition, the City and the DIA may, subject to the terms and conditions contained in the Standstill Agreement (as hereinafter defined), before, during, or after any foreclosure of any leasehold mortgage, commence a lawsuit to recover and hold the Guarantor liable for all losses and damages sustained and expenses incurred by reason of the Developer or the Guarantor failing to construct and equip the Hotel Improvements, subject to, and in accordance with the Agreement, including without limitation, the cost of such completion and the payment of outstanding real estate taxes, with interest thereon at a rate equal to the lesser of (i) the maximum rate permitted under applicable law or (ii) eighteen percent (18%) from the date of such expenditures. The Guarantor expressly

acknowledges and agrees that, subject to the terms of the Agreement and this Guaranty, the measure of the completion damages amount will be based on the cost of achieving lien-free completion of the Hotel Improvements in accordance with the plans and specifications for the Hotel Improvements excluding any excess costs that are not Authorized Changes, not the extent to which completing the constructing and equipping of the Hotel Improvements would increase the value of the Hotel Parcel. The foregoing will not limit any other damages or remedy arising from a breach of this Guaranty. Guarantor further agrees that the extent to which completing the Hotel Improvements would increase the value of the Hotel Parcel would be difficult and uncertain to determine and that the completion damages amount is a reasonable estimate thereof as of the date of this Guaranty.

(b) Guarantor acknowledges and agrees that the City has agreed to convey the approximately 4.77 acre Hotel Parcel to Developer pursuant to the terms and conditions of the Agreement for the nominal sum of One Hundred and No/100 Dollars (\$100.00), such conveyance is consideration for Developer's obligations to construct the Project and Improvements, and such conveyance will benefit the Guarantor both directly and indirectly. As such, in the event that (1) (i) there is a default under any note or other loan document which would permit the Development Lender (as hereinafter defined) to exercise its rights under a collateral assignment of the Agreement, or (ii) the Agreement is terminated as a result of an Event of Default attributable to Developer, and (2) Guarantor defaults in its Obligations under this Guaranty and is unable to cause Developer to re-convey to the City the Hotel Parcel in the manner set forth in Section 1(f) of this Guaranty, Guarantor agrees, as a direct obligation and independent of the guarantee of the Obligations, to pay to the City the amount of Twelve Million Four Hundred Fifty Thousand and No/100 Dollars (\$12,450,000), which the Guarantor agrees is an amount equal to the fair market value of the Hotel Parcel, and such payment shall be paid to the City within ninety (90) days after written notice from the City demanding such payment.

(c) Nothing in this Section 9 shall prejudice the City's or the DIA's rights to assert any and all claims for damages incurred or pursue all remedies available under this Guaranty, at law or in equity, and all such remedies shall be cumulative, as further described in Section 12 below.

Notwithstanding any provision to the contrary contained in this Guaranty, the City and the DIA acknowledge and agree by acceptance of this Guaranty, that any and all rights and remedies of the City and the DIA hereunder are and shall remain subordinate to, the rights and remedies of any third party lender that is not an affiliate of either Developer or Guarantor, making a loan to Developer for the construction of the Hotel Improvements (the "Development Lender"). The City and the DIA agree to execute and deliver to the Development Lender, and the Guarantor agrees to and cause Developer and such Development Lender to execute and deliver to the City and the DIA, a standstill and subordination agreement in form and content reasonably acceptable to the City, the DIA, Developer and such Development Lender (the "Standstill Agreement").

11. Judgment Interest. In the event the City or the DIA obtains a final judgment against any Guarantor upon this Guaranty, the judgment shall bear interest at the judgment rate.

12. **Legal Fees.** Guarantor agrees to pay all reasonable costs and expenses, including reasonable, actual, documented, out-of-pocket third party legal fees and costs, which are actually incurred by the City or the DIA in any effort to collect or enforce any obligations of the Guarantor hereunder, whether or not any lawsuit is filed, including, without limitation, all costs and reasonable legal fees incurred by the City or the DIA in any bankruptcy proceeding (including, without limitation, any action for relief from the automatic stay of any bankruptcy proceeding) and in any judicial or nonjudicial foreclosure action; provided, however, Guarantor shall not be required to pay any such costs of collection or enforcement if a court of competent jurisdiction determines that Guarantor has no liability under this Guaranty.

13. **Consent to Jurisdiction.** Venue for any litigation concerning this Guaranty shall be in the federal or state courts situated in Jacksonville, Duval County, Florida. Guarantor hereby submits and irrevocably consents to the personal jurisdiction of such venue in connection with any action or proceeding at law or in equity arising under or out of this Guaranty.

14. **Cumulative Remedies.** All rights, remedies or recourses of the City and the DIA under this Guaranty, the Agreement, the Uniform Commercial Code or other law, in equity or otherwise, are cumulative, exercisable concurrently, may be pursued singularly, successively or together and may be exercised as often as occasion therefor shall arise. No act of commission or omission by the City or the DIA, including, but not limited to, any failure to exercise, or any delay, forbearance or indulgence in the exercise of, any right, remedy or recourse hereunder or the Agreement shall be deemed a waiver, release or modification of that or any other right, remedy or recourse, and no single or partial exercise of any right, remedy or recourse shall preclude the City or the DIA from any other or future exercise of the right, remedy or recourse or the exercise of any other right, remedy or recourse. A waiver, release or modification with reference to any one event shall not be construed as continuing or constituting a course of dealing, nor shall it be construed as a bar to, or as a waiver, release or modification of, any subsequent right, remedy or recourse as to a subsequent event.

15. **Miscellaneous Provisions.** Whenever the context so requires, the neuter gender includes the feminine and/or masculine, as the case may be, and the singular number includes the plural, and the plural number includes the singular. Each provision of this Guaranty shall be deemed separate from each other provision and the invalidity or unenforceability, for any reason or to any extent, of any such provision of this Guaranty shall not affect the enforceability of the remaining provisions of this Guaranty or the application of such provision to other, dissimilar facts and circumstances.

16. **Amendments.** This Guaranty can be modified only by a written instrument manually signed by the party to be charged therewith, and no verbal or written agreement, understanding or custom affects the terms hereof.

17. **Counterparts.** This Guaranty may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which shall be deemed to be the same instrument. In the event that not all the Guarantor execute this Guaranty, this Guaranty shall nevertheless be valid and binding upon those Guarantor who execute it.

18. **Receipt of the Agreement.** The Guarantor acknowledges that it has received and reviewed a copy of the Agreement.

19. **Notices.** All notices and other communications to be made or permitted to be made hereunder shall be in writing and shall be delivered to the addresses shown below or to such other addresses that the parties may provide to one another in accordance herewith. Such notices and other communications shall be given by any of the following means: (a) personal service, or (b) national express courier, provided such courier maintains written verification of actual delivery. Any notice or other communication given

by the means described in subsection (a) or (b) above shall be deemed effective upon the date of receipt or the date of refusal to accept delivery by the party to whom such notice or other communication has been sent.

20. Complete Agreement. This instrument sets forth the entire agreement between the City, DIA and the Guarantor with respect to the subject matter hereof and no verbal or written agreement, understanding or custom affects the terms hereof.

21. Personal Liability. The Guarantor hereby acknowledges and agrees that notwithstanding any other provision of this Guaranty or the Agreement to the contrary, the obligations of the Guarantor under this Guaranty shall be the unconditional obligations of the Guarantor, and the City and DIA would not enter into the Agreement except on the condition that the Guarantor be liable for its undertakings under this Guaranty. This Guaranty shall not be construed to make the Guarantor liable for payments under the Agreement or any obligation other than Obligations. No partner, member, representative, agent, officer, director, shareholder or employee of the Guarantor shall have any personal liability for the performance or discharge of any covenants, obligations or undertakings of Guarantor under this Guaranty.

23. Waiver of Jury Trial. THE CITY, DIA AND THE GUARANTOR HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT EITHER MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS GUARANTY AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF EITHER PARTY. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE DIA ENTERING INTO THE AGREEMENT AND ACCEPTING THIS GUARANTY.

24. Limitation of Liability. Any payments with respect to the Improvements, including but not limited to payments under any performance bond or payment bond or other security related to the Project, will be credited against Guarantor' obligations hereunder subject to acknowledgment of such payments by the City and DIA.

25. **Severability**. The invalidity, illegality, or unenforceability of any one or more of the provisions of this Agreement shall not affect any other provisions of this Agreement, but this Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

26. **Inducement; Effective Date**. It is the specific intent of Guarantor to induce the City and DIA to permit the Project and convey the Hotel Parcel pursuant to the Agreement by executing and delivering this Guaranty, and the City and DIA are each specifically relying upon Guarantor's ability and willingness to pay and perform the Obligations upon the terms set forth herein. Notwithstanding the timing of delivery of this Guaranty, Guarantor shall not be liable for any of the Obligations until the earlier of (i) Commencement of Construction of the vertical components to the Hotel Improvements, or (ii) termination of the Reverter.

27. **Time of the Essence**. Time is of the essence in the performance of this Guaranty.

Completion Guaranty – Office Building Improvements

GUARANTY OF COMPLETION

This **GUARANTY OF COMPLETION** (as amended, modified or supplemented from time to time, this "Guaranty") is made as of _____, 2021, by **K2TR FAMILY HOLDINGS 2, CORP.**, a South Dakota corporation (the "Guarantor"), to and for the benefit of the **CITY OF JACKSONVILLE**, a municipal corporation under the laws of the State of Florida (the "City"), and the **DOWNTOWN INVESTMENT AUTHORITY**, a community redevelopment agency on behalf of the City (the "DIA").

RECITALS:

A. All capitalized terms in this Guaranty not otherwise defined herein shall have the meanings set forth in the Agreement (as defined in Recital C below), as applicable.

B. The DIA was created by the City Council of the City of Jacksonville pursuant to Ordinance 2012-364-E. Pursuant to Chapter 163, Florida Statutes, and Section 55.104, Ordinance Code, the DIA is the sole development and community redevelopment agency for Downtown, as defined by Section 55.105, Ordinance Code and has also been designated as the public economic development agency as defined in Section 288.075, Florida Statutes, to promote the general business interests in Downtown.

C. IGUANA INVESTMENTS FLORIDA, LLC, the City and the DIA have entered into that certain Redevelopment Agreement dated _____, 2021 (the "Agreement") pursuant to which the City has agreed to lease to the Developer the Office Building Parcel, which is a portion of the real property generally known as the Kids Kampus in downtown Jacksonville and located within the Consolidated Northbank Community Redevelopment Area, as further described on **Exhibit A** attached hereto (the "Project Parcel") and to construct thereon certain Office Building Improvements and related improvements (the "Project").

D. To induce the City to authorize redevelopment for the Project and to lease the Office Building Parcel to Developer, the Guarantor has agreed to execute and deliver this Guaranty simultaneously with, and as a condition to, such lease, to become effective upon the Commencement of Construction of the vertical components to the Office Building Improvements.

E. The Guarantor acknowledges and agrees that it is an affiliate of Developer (by reason of common control or ownership) and financially interested in the Developer and that it will materially benefit both directly and indirectly from the development of the Project and the lease of the Office Building Parcel to Developer.

NOW, THEREFORE, for and in consideration of the premises and as part of the consideration for the lease of the Office Building Parcel by the City to the Developer and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Guarantor hereby covenant and agree with the City and the DIA, as follows:

1. Obligation of Guarantor.

(a) Subject to the further provisions of this Guaranty, the Guarantor, as primary obligor and not merely as a surety, hereby unconditionally, absolutely and irrevocably guarantees to the City and the DIA, upon Developer's failure to do so (i) the performance by the Developer of its obligation to achieve Substantial Completion of the Office Building Improvements on or before the Construction

Completion Date as set forth in the Agreement, as the same may be extended in accordance with the Agreement, free of any mechanic's and materialmen's liens, judgment liens or other liens or encumbrances related to the Office Building Improvements, and (ii) the performance by Developer of its obligations to comply with all of the terms, covenants and conditions of the Agreement with respect to the Substantial Completion of the Office Building Improvements in accordance with the terms of the Agreement, including, without limitation, the payment of any and all cost overruns and the full and timely payment of all contractors, subcontractors, materialmen, engineers, architects, and other parties who have rendered or furnished services or materials that are or become a part of the initial construction of the Office Building Improvements in all events subject to the terms and conditions contained in the Agreement (collectively, the "Obligations.") The term "Obligations" shall also include all reasonable costs of collection of the foregoing or enforcement of this Guaranty, including reasonable, actual, documented, out-of-pocket third party legal fees. In the event the City or DIA must repay any part of the Obligations paid by the Developer or any other person because of any bankruptcy, liquidation, dissolution, receivership, insolvency, assignment for the benefit of creditors, reorganization, arrangement, composition or other similar proceedings relating to creditors' rights, then the amount so paid or repaid shall again become part of the Obligations, the repayment of which is guaranteed hereby. This is a guaranty of payment (to the extent that any part of the Obligations are payment obligations) and performance, and not of collection.

(b) If Developer fails to Substantially Complete the Office Building Improvements in accordance with the Agreement, neither the City nor the DIA, shall have any obligation to exercise, pursue, exhaust or enforce any right or remedy it has or may have or to institute suit against the Developer, any co-guarantor (whether hereunder or under a separate instrument) or any other person or to realize or attempt to realize on any collateral securing payment of the Obligations in order to enforce this Guaranty.

(c) In the event the Developer defaults (after the expiration of all applicable notice, grace or cure periods contained in the Agreement) in the payment or performance of any of its obligations under the Agreement which constitute the Obligations when such payment or performance becomes due, or if the Office Building Parcel and/or the Office Building Improvements are not free of all liens, claims and demands upon the Substantial Completion thereof, which have not been bonded in accordance with applicable law or insured over within the time period referenced in the Agreement, then the Guarantor shall (1) fully indemnify and hold harmless the City and the DIA from all documented out-of-pocket costs and damages that the City or DIA actually incurs by reason thereof, (2) reimburse the City and the DIA for all sums paid and all reasonable, actual, documented, out-of-pocket costs and expenses actually incurred by it in connection therewith and (3) subject to the further provisions of this Guaranty, satisfy such Obligations (or any part thereof) at Guarantor's sole cost and expense, and pay or perform any such Obligations then due, including, but not limited to, if requested by the City or the DIA in writing, complete or cause the completion of the construction and equipping of the Office Building Improvements in accordance with the Agreement.

(d) Guarantor hereby covenants that this Guaranty and Guarantor's obligations hereunder shall not be discharged or released until such time as the Office Building Improvements are Substantially Complete in accordance with the terms of the Agreement and all other Obligations have been fully satisfied and the period of time has expired during which any payment received by the beneficiaries hereunder or any act performed by the Guarantor may be determined to be a preferential or fraudulent transfer under the United States Bankruptcy Code or other applicable law, at which time this Guaranty shall be automatically and without further action be discharged and released. Thereafter, at the expense of the Developer, the City and the DIA will confirm such discharge and release to the Guarantor and this Guaranty shall be marked canceled and returned to the Developer upon written request of the Developer.

(e) Notwithstanding the foregoing or anything to the contrary contained in this Guaranty: (i) Guarantor shall have no liability under this Guaranty for any increased costs or expenses (in

the aggregate) incurred by the City or DIA in completing the Office Building Improvements that result directly or indirectly from the City's or DIA's changes to the plans and specifications which are not Authorized Changes (as hereinafter defined) or for any increased costs or expenses to the extent the same arise directly from the gross negligence or willful misconduct of the City, DIA or any of their respective agents; and (ii) Obligations and other amounts for which Guarantor is liable under this Guaranty shall specifically exclude (1) consequential, special or punitive damages, and (2) costs that are incurred as a direct result of the fraud, illegal acts, gross negligence or willful misconduct of the City or DIA or their respective agents. As used herein, "Authorized Changes" means the following changes to the plans and specifications for the Office Building Improvements made by the City or DIA: (1) changes in order to comply with any laws applicable to the Office Building Improvements; (2) changes as a result of the effects of Force Majeure, (3) changes as a result of any delay in achieving Substantial Completion of the Office Building Improvements caused by an Event of Default by Developer under the Agreement, (4) changes as a result of any delay in achieving Substantial Completion of the Office Building Improvements caused by Guarantor's failure to perform under the terms and conditions contained in this Guaranty, (5) changes in order to comply with a judgment or order entered by a court of competent jurisdiction, (6) changes otherwise authorized by Guarantor or Developer, and (7) changes to one or more of the line items in the approved budget for the Office Building Improvements provided such line item changes, in the aggregate, do not result in increased costs or expenses.

(f) Notwithstanding the foregoing or any other provision in this Guaranty, if Developer elects not to develop, construct or complete the Project (as may be permitted under the terms and conditions of the Agreement), at such time as Developer delivers to the City possession of the Office Building Parcel free from any liens, and in substantially similar condition as when the City leased to Developer the Office Building Parcel, any and all liability of Guarantor hereunder, including, without limitation, the Obligations, shall automatically terminate, and, without further action, this Guaranty shall be of no further force or effect. Thereafter, at the expense of the Developer, the City and the DIA will confirm such discharge and release to the Guarantor and this Guaranty shall be marked canceled and returned to the Developer upon written request of the Developer.

2. Liability of Guarantor Not Affected. Guarantor's liability under this Guaranty shall not be released, diminished, impaired, reduced, or affected by any one or more of the following events, all of which may be done without notice to the Guarantor which notice is expressly waived: (a) rearrange, postpone, extend, renew, accelerate or demand payment or performance of the obligations under the Agreement in whole or in part and as often as the City and DIA may wish (as permitted under the Agreement); (b) waive, fail to enforce, surrender, impair, modify or exchange any of its rights under the Agreement or any other instruments evidencing, relating to, securing or guaranteeing any of the Indebtedness; (c) settle, release (by operation of law or otherwise), compound, compromise, collect or liquidate, in any manner, any of the Indebtedness; (d) release the Developer, any co-guarantor (whether hereunder or under a separate instrument) or any other person from liability on any Indebtedness; (e) release, exchange, add to or substitute all or any part of the collateral securing payment of any Indebtedness; or (f) alter, extend, modify, release or cancel the conditions for advances, if any, and any other terms, covenants and provisions contained in the Agreement. Guarantor hereby expressly waives and surrenders any defenses to its liability hereunder based upon any of the foregoing acts, omissions, things or agreements or waivers of the City or the DIA; it being the purpose and intent of the parties hereto that the Obligations of the Guarantor hereunder are absolute and unconditional under any and all circumstances.

3. Waivers by Guarantor. The Guarantor waives, to the fullest extent permitted by law, all: (a) notice of acceptance of this Guaranty and the creation or existence of any obligation of the Developer guaranteed hereby; (b) presentment, demand for payment and/or performance, notice of dishonor, protest, notice of nonpayment or protest and any other requirement of notice, proof or demand whatsoever other than as specifically required under the Agreement or hereunder; (c) rights to assert a counterclaim (other

than a compulsory counterclaim) which the Guarantor may at any time have to any claim of the City or the DIA against the Guarantor; (d) valuation and appraisal of any collateral and diligence in collection; (e) notice of execution and delivery of the Agreement; (f) suretyship defenses; and (g) any rights that Guarantor may have against Developer by reason of any one or more payments or acts in compliance with the obligations of Guarantor hereunder.

4. **Persons Bound.** This Guaranty is binding upon the Guarantor and the Guarantor's successors and assigns. This Guaranty is not assignable or transferable by the City or DIA without the express written consent of the Guarantor. Guarantor may not assign or transfer its rights or obligations hereunder without the express prior written consent of the City and the DIA. Any attempted assignment or transfer in violation of this Section 4 shall be null and void.

5. **Applicable Law.** The laws of the State of Florida shall control the construction, interpretation and enforcement of this Guaranty and all matters related to this Guaranty notwithstanding its place of execution and delivery.

6. **Subrogation; Contribution.** Nothing herein contained is intended or shall be construed to give to the Guarantor any right of subrogation in or under the Agreement evidencing in any way or relating to any obligation of the Developer hereunder which is or may be covered by this Guaranty, or any right of contribution, reimbursement or indemnification from the Developer, any co-guarantor (whether hereunder or under a separate instrument) or any other person for liability on any Obligations, or any right to participate (as a third party beneficiary or otherwise) in any way in the Agreement. Notwithstanding any payments made by the Guarantor under this Guaranty, all such rights of subrogation, contribution, reimbursement, indemnification and participation are hereby expressly waived until the Obligations are fully satisfied. If Guarantor nevertheless receives payment of any amount on account of any such subrogation, contribution, indemnity or reimbursement rights or otherwise in respect of any payment or performance by Guarantor of the Obligations prior to payment and performance in full of all Obligations, such amount shall be held in trust for the benefit of City and DIA and immediately paid to City and DIA for application to the Obligations in such order and manner as City and DIA may determine.

7. **Subordination.** In the event that for any reason whatsoever the Developer is now or hereafter becomes indebted to Guarantor, Guarantor agrees that the amount of such indebtedness and all interest thereon shall at all times be subordinate as to lien, time of payment and in all other respects to the Obligations guaranteed hereby, and that, so long as a default exists under this Guaranty or the Agreement, the Guarantor shall not be entitled to enforce or receive payment thereof until the Obligations shall have been fully satisfied; provided that so long as the Guarantor is not in default hereunder or and there is no default under the Agreement, the Guarantor may be entitled to receive and retain payments made to the Guarantor.

8. **Representations and Warranties.** The Guarantor represents and warrants that:

(a) At the time of the execution and delivery of this Guaranty, nothing exists to impair the effectiveness of the liability of the Guarantor to the City or the DIA hereunder, or the immediate taking effect of this Guaranty;

(b) Guarantor has been duly organized and validly exists as a corporation under the laws of the State of its organization, as set forth in the recitals hereto, and is currently in good standing in such State.

(c) This Guaranty has been duly authorized by all necessary corporate action on Guarantor's part and has been duly executed and delivered by a duly authorized agent of the Guarantor,

and is, upon execution and delivery by any Guarantor, the valid and binding agreement of such Guarantor enforceable in accordance with its terms, and there are no conditions precedent to the effectiveness of this Guaranty;

(d) Guarantor will receive a direct or indirect material benefit from development of the Project and the lease of the Office Building Parcel to the Developer;

(e) Neither the execution and delivery hereof nor the consummation of the transactions contemplated hereby nor the compliance with the terms hereof (i) contravenes the formation documents or any other requirement of law applicable to or binding on Guarantor, (ii) contravenes or results in any breach or constitutes any default under any agreement or instrument to which Guarantor is a party (iii) does or will require the consent or approval of any Person which has not previously been obtained, (iv) will violate Guarantor's organizational documents or result in the breach of, or conflict with, or result in the acceleration of, any obligation under any guaranty, indenture, credit facility or other instrument to which Guarantor or any of its assets may be subject or (v) will violate any order, judgment or decree to which Guarantor or any of its assets is subject; and

(f) no action, suit, proceeding or investigation, judicial, administrative or otherwise (including without limitation any reorganization, bankruptcy, insolvency or similar proceeding), currently is pending or, to the best of Guarantor's knowledge, threatened against Guarantor which, either in any one instance or in the aggregate, may have a material adverse effect on Guarantor's ability to perform its obligations under this Guaranty.

9. **Financial Covenants.** At all times until the Obligations have been fully satisfied or this Guaranty has otherwise been terminated by the City, Guarantor will maintain the covenants set forth herein:

(a) Guarantor shall maintain a domestic tangible net worth of not less than Three Hundred Fifty Million and 00/100 Dollars (\$350,000,000). For purposes of this Guaranty, "tangible net worth" means, as of a given date, Guarantor's equity calculated in conformance with generally accepted accounting principles by subtracting total liabilities from total tangible assets.

(b) Within ninety (90) days following the end of each quarter, and at such other times as the City or DIA may reasonably request in writing, but at any time upon written request by the City or DIA after the occurrence and during the existence of an Event of Default under the Agreement, Guarantor shall provide to the City and DIA quarterly certifications of domestic tangible net worth, certifying to the City and the DIA that Guarantor maintains a tangible net worth of not less than Three Hundred Fifty Million and 00/100 Dollars (\$350,000,000).

10. Remedies.

(a) The Guarantor acknowledges and agrees that it may be impossible to accurately measure the damages to the City or the DIA resulting from a breach of their covenant to complete or to cause the completion of the construction and equipping of the Improvements and the Project and that such a breach will cause irreparable injury to the City or the DIA and that the City or the DIA may not have an adequate remedy at law in respect of such breach and, as a consequence, agrees that such covenant shall be specifically enforceable against the Guarantor and hereby waives and agrees not to assert any defense against an action for specific performance of such covenant. In addition, the City and the DIA may, subject to the terms and conditions contained in the Standstill Agreement (as hereinafter defined), before, during, or after any foreclosure of any leasehold mortgage, commence a lawsuit to recover and hold the Guarantor liable for all losses and damages sustained and expenses incurred by reason of the Developer or the Guarantor failing to construct and equip the Office Building Improvements, subject to, and in accordance

with the Agreement, including without limitation, the cost of such completion and the payment of outstanding real estate taxes, with interest thereon at a rate equal to the lesser of (i) the maximum rate permitted under applicable law or (ii) eighteen percent (18%) from the date of such expenditures. The Guarantor expressly acknowledges and agrees that, subject to the terms of the Agreement and this Guaranty, the measure of the completion damages amount will be based on the cost of achieving lien-free completion of the Office Building Improvements in accordance with the plans and specifications for the Office Building Improvements excluding any excess costs that are not Authorized Changes, not the extent to which completing the constructing and equipping of the Office Building Improvements would increase the value of the Office Building Parcel. The foregoing will not limit any other damages or remedy arising from a breach of this Guaranty. Guarantor further agrees that the extent to which completing the Office Building Improvements would increase the value of the Office Building Parcel would be difficult and uncertain to determine and that the completion damages amount is a reasonable estimate thereof as of the date of this Guaranty.

(b) Reserved.

(c) Nothing in this Section 9 shall prejudice the City's or the DIA's rights to assert any and all claims for damages incurred or pursue all remedies available under this Guaranty, at law or in equity, and all such remedies shall be cumulative, as further described in Section 14 below.

Notwithstanding any provision to the contrary contained in this Guaranty, the City and the DIA acknowledge and agree by acceptance of this Guaranty, that any and all rights and remedies of the City and the DIA hereunder are and shall remain subordinate to, the rights and remedies of any third party lender that is not an affiliate of either Developer or Guarantor, making a loan to Developer for the construction of the Office Building Improvements (the "Development Lender"). The City and the DIA agree to execute and deliver to the Development Lender, and the Guarantor agrees to and cause Developer and such Development Lender to execute and deliver to the City and the DIA, a standstill and subordination agreement in form and content reasonably acceptable to the City, the DIA, Developer and such Development Lender (the "Standstill Agreement").

Capitalized terms used herein and not otherwise defined shall having the meaning as set forth in the RDA, defined below.

ARTICLE 1
PRELIMINARY STATEMENTS

1.1 Background; the Improvements.

1.1.1 City and Developer have previously entered into that certain Redevelopment Agreement dated _____, 2021 (the “RDA”), pursuant to which City will provide funding for Developer to construct on behalf of the City, among other things, certain Marina Improvements (as defined in the RDA) as more specifically set forth on **Exhibit A** attached hereto (the “Improvements”) located generally on the Northbank of the St. Johns River in Jacksonville, Florida near Metropolitan Park, as more particularly described in the RDA. A description of the City-owned real property on which the Improvements will be constructed is described in **Exhibit B** attached hereto (the “Marina Parcel”).

1.1.2 The City has determined that the design, engineering, permitting, construction and inspection of the Improvements can most efficiently and cost effectively be completed by Developer simultaneously with the Project (as defined in the RDA). Developer is willing to design, engineer, permit, construct and inspect the Improvements in accordance with applicable Florida law for public projects, including but not limited to pursuant to procedures consistent with Sections 287.055 and 255.20, Florida Statutes and otherwise generally consistent with Chapter 126 of the City’s Ordinance Code (the “Code”) provided the City contributes to the cost of such Improvements as provided herein.

1.1.3 The City has requested, and Developer has agreed, that Developer will design, engineer, permit, construct and inspect the Improvements as specifically described and depicted on **Exhibit A** attached hereto and incorporated herein by this reference. The Plans and Specifications for the Improvements shall be incorporated into **Exhibit A** as set forth below. Prior to the construction of the Improvements, the City shall have received and approved (such approval not to be unreasonably withheld) the Plans and Specifications, and Budget (as defined herein) prepared by the Developer’s design team for the Improvements. The Plans shall be complete working drawings and specifications for construction of the Improvements, and in connection with the development thereof, the Developer shall follow the applicable permitting, review and approval process as set forth in the Code. In addition, the Plans shall be subject to the review and

approval of the CEO of the Downtown Investment Authority and the Director of the City's Department of Public Works in their reasonable discretion.

1.1.4 The City has agreed to fund the design, engineering, permitting, construction and inspection of the Improvements in a maximum amount equal to the lesser of: (i) the actual Verified Direct Costs for the construction of the Improvements; or (ii) SEVEN MILLION ONE HUNDRED EIGHTY THOUSAND ONE HUNDRED THIRTY-THREE AND NO/100 DOLLARS (\$7,180,133.00), with any costs in excess thereof, if any, being funded by Developer, subject to Developer's right to apply any cost savings realized from the Marina Support Building Improvements to reduce its liability for cost overruns hereunder. Upon Completion, the Improvements shall be owned by the City.

1.1.5 Pursuant to the RDA, the City will grant Developer a temporary construction easement over that portion of City land to be included within the Improvements or immediately adjacent thereto, for the purposes of the construction of the Improvements.

1.2 Design, Construction Budget. The total estimated design and construction costs of the Improvements are estimated to be up to SEVEN MILLION ONE HUNDRED EIGHTY THOUSAND ONE HUNDRED THIRTY-THREE AND NO/100 DOLLARS (\$7,180,133.00). A final budget setting forth the costs of the Improvements shall be submitted to the City for its administrative review and approval prior to Developer entering into any contracts for such work, and the final, approved budget for the Improvements shall be attached hereto as **Exhibit D**. The City will provide such approvals within ten (10) business days of receiving the final budget.

1.3 Jacksonville Small and Emerging Businesses. It is important to the economic health of the community that whenever a person/entity receives incentives for construction, that the person/entity and its contractors use good faith efforts to provide contracting opportunities to small and emerging business enterprises in Duval County, pursuant to Section 7.22 hereof.

1.4 Maximum Indebtedness. The total maximum indebtedness of City for the Improvements is SEVEN MILLION ONE HUNDRED EIGHTY THOUSAND ONE HUNDRED THIRTY-THREE AND NO/100 DOLLARS (\$7,180,133.00). Upon completion of the Improvements, any cost savings realized by the Developer pursuant to this Agreement below the Maximum Indebtedness may be applied to any cost overruns associated with Developer's concurrent redevelopment of the Marina Support Building Improvements. Otherwise, any savings under this Agreement shall inure to the benefit of City. Likewise, if upon Substantial Completion, as defined herein, the Verified Direct Costs of the Improvements exceed the Maximum Indebtedness amount hereof, with written notice to the City and DIA, the Developer may apply any cost savings realized from the Marina Support Building Improvements to reduce its liability for cost overruns in the approved Budget hereunder, and the parties shall enter into an amendment to this Agreement to increase the Maximum Improvements Disbursement Amount hereof accordingly.

1.5 Availability of Funds. Notwithstanding anything to the contrary herein, the City's financial obligations under this Agreement are subject to and contingent upon the availability of lawfully appropriated funds for the Improvements and this Agreement. City agrees to file legislation seeking City Council authorization (in its sole and absolute discretion) and appropriation of funds as necessary for this Agreement. Developer shall not be obligated to Commence Construction (and the Commencement Date shall be equitably extended) until such time as the City has included the Improvements in its Capital Improvement Plan scheduled to be funded during the year of the projected Completion Date, subject to City Council approval.

NOW, THEREFORE, in consideration of the mutual undertakings and agreements herein of City and Developer, and for Ten Dollars (\$10.00) and other valuable consideration, the receipt and sufficiency of which are acknowledged, City and Developer agree that the above preliminary statements are true and correct, and the parties represent, warrant, covenant, and agree as follows:

Developer shall notify the City in writing of any requested changed condition/change order, which shall describe the changed scope of work, all related costs, and any necessary delay in the Completion Date ("Developer Change Order Request"). Within five (5) business days after receipt of a Developer Change Order Request, the City will determine if the Developer Change Order Request is justified and will respond to Developer in writing as to whether or not the City approves the Developer Change Order Request and whether the City is willing to authorize any associated delay in the Completion Date set forth therein. If the City does not approve the Developer Change Order Request, the City will have an additional ten (10) business days to evaluate and respond to Developer in writing. The parties acknowledge that the Work that is the subject of a Developer Change Order Request will not proceed during the City change order response period, but other Work that will not affect or be affected by the Work that is the subject of a Developer Change Order Request will not be stopped during the City change order response period. Notwithstanding anything herein, any increased costs in excess of the Maximum Improvements Disbursement Amount resulting from any and all Approved Change Orders during the construction of the Improvements shall be the responsibility of Developer, except to the extent that the Developer may offset this amount by applying cost savings realized from the Marina Support Building Improvements, if any. Notwithstanding the foregoing, at the time the final budget, plans and specifications are approved, the City will identify specific line items and/or design features in the budget that shall be deemed material and may not be amended without the City's approval in its reasonable discretion. Exterior, visible components of the Improvements (inclusive of landscaping) are deemed material.

If requested by City, Developer shall deliver to City a fully executed copy of each of the agreements between Developer and such contractors and between the General Contractor and its subcontractors, each of which shall be in form and

Except for Damages (as hereinafter defined) arising out of the gross negligence or willful misconduct of any of the Indemnified Parties (as hereinafter defined), Developer shall indemnify the City, and its respective employees, agents, representatives, successors, assigns, contractors and subcontractors (collectively "Indemnified Parties") against and from all liabilities, damages, losses, costs, and expenses of whatsoever kind or nature, including, but not limited to, reasonable attorney's fees, reasonable expert witness fees and court costs (all of which are collectively referred to as "Damages"), arising out of or in connection with any negligent act or omission or willful misconduct of Developer, the General Contractor or any of their respective employees, contractors, agents or representatives (collectively, the "Developer Parties") in connection with the Developer Parties' construction of the Improvements, which Damages are not paid or reimbursed by or through the Payment and Performance Bond or Insurance as required under this Agreement. This indemnification shall survive the expiration or termination of this Agreement for a period of four (4) years. The term "Indemnified Parties" as used in this Section shall include the City, and all officers, board members, City Board members, City Council members, employees, representatives, agents, successors and assigns of the City. This Section 7.17 shall survive the expiration, earlier termination or completion of this Agreement for a period of four (4) years.

7.19 Materials and Workmanship. All workmanship, equipment, materials and articles incorporated in the Work are to be new and in accordance with City's Standards, Specification and Details to be provided by City. Developer shall furnish Construction Inspector certified copies of test results made of the materials or articles which are to be incorporated in the Work for approval. When so requested, samples of materials shall be submitted for approval. Machinery, equipment, materials and articles installed or used without such approval shall be at the risk of subsequent rejection, removal and replacement at Developer' expense. If not otherwise provided, material or Work called for in this Agreement shall be furnished and performed in

accordance with the manufacturer's instructions and established practice and standards recognized by architects, engineers and the trade.

7.20 Warranty and Guarantee of Work.

7.20.1 For a period of one year after the Completion Date, Developer warrants to the City that all Work will be of good quality, and substantially in compliance with this Agreement and in accordance with the provisions of Section 7.19. All Work not in conformance to the requirements of this Agreement, including substitutions not properly approved and authorized, may be considered defective during such one-year period. If required by City, Developer shall provide satisfactory evidence as to the quality, type and kind of equipment and materials furnished. This warranty is not limited by, nor limits any other warranty-related provision in this Agreement.

7.20.2 If, within one year of acceptance of the Improvements by City, or within such longer period of time prescribed by law or by the terms of any special warranty provision of this Agreement, any of the Work is found to be defective or not in conformance with this Agreement, Developer shall cause the General Contractor to correct it promptly after notice of such defect or nonconformance. Corrective Work during the warranty period shall also be warranted for a period of one year, with each corrective effort in turn being warranted for a period of one year of satisfactory performance. This obligation shall survive termination, expiration or completion of the Agreement. City shall give notice to Developer promptly after discovery of the condition.

7.20.3 During the one year warranty period, including any additional warranty period for corrective work, Developer shall bear the cost of correcting or removing all defective or nonconforming Work, including the cost for correcting any damage caused to equipment, materials or other Work by such defect or the correcting thereof.

7.20.4 During the one year warranty period, including any additional warranty period for corrective work, Developer shall correct any defective or nonconforming Work to the reasonable satisfaction of City, and any of the Work, equipment or materials damaged as a result of such condition or the correcting of such condition, within thirty (30) calendar days of notice of such condition. Should Developer fail to timely correct defective or non-conforming Work under warranty, City, or a third-party contractor on behalf of City, may correct such Work itself and Developer shall reimburse City for the costs of such corrective Work promptly and no later than thirty (30) days after receipt of an invoice from City pertaining to such corrective Work undertaken by City. If Developer fails to correct the nonconforming or defective Work, Developer will be in default hereunder.

7.20.5 Nothing contained herein shall be construed to establish a period of limitation with respect to any other obligation which Developer may have under this Agreement. The establishment of the time period of one year after the date of Substantial Completion, or such longer period of time as may be prescribed by law or by the items of any warranty required by this Agreement, relates only to the specific obligation of Developer to correct the Work and has no relationship to the time within which its obligation to comply with this Agreement may be sought

to be enforced, nor the time within which proceedings may be commenced to establish Developer's liability with respect to its obligations other than specifically to correct the Work.

7.20.6 Upon Substantial Completion and payment to Developer of the Disbursement, Developer may assign to the City all of Developer's right, title and interest in and to any and all warranties and guaranties related to the Work provided by any General Contractor or supplier of materials, provided such warranties and guaranties are consistent with Sections 7.20.1 through 7.20.05 above, and thereafter Developer shall have no obligations under this Section. Except as specifically set forth in this Section, Developer hereby disclaims any implied warranty or representation concerning the Improvements.

7.21 Payment and Performance Bonds.

7.21.1 Prior to commencing any work on the Improvements, Developer shall cause all primary contractors to furnish Performance and Payment Bonds for the Improvements in compliance with Section 255.05, Florida Statutes, as security for its faithful performance under this Agreement. The Bonds shall be in an amount at least equal to the amount of the Direct Costs for the construction of the Improvements. The Bonds shall be in a form in compliance with applicable law and reasonably acceptable to the City, and with a surety that is reasonably acceptable to the City's Division of Insurance and Risk Management. The cost thereof shall be included in the applicable Budget for the Improvements and reimbursed by the City as part of the Disbursement. The Payment and Performance Bonds for the Improvements shall be recorded in connection with the recording of the notice of commencement for the Improvements and delivered to the CEO of the Downtown Investment Authority prior to Commencement of Construction.

7.21.2 The Performance and Payment Bonds for the Improvements shall accompany the Budget and Plans and Specifications submitted to the City for approval and shall be compliant with the requirements of Section 255.05, Florida Statutes, with such approval as to the payment and performance bonds not to be unreasonably withheld, conditioned or delayed. The duly executed, recorded Performance and Payment Bonds shall be delivered prior to Commencement of Construction.

7.21.3 If any surety upon any bond furnished in connection with this Agreement becomes unacceptable to the City in the City's reasonable, good faith determination, or if any such surety fails to furnish reports as to its financial condition from time to time as reasonably requested by the City, Developer shall, at its own expense, promptly provide a substitute surety or promptly furnish such additional security as may be reasonably required from time to time to protect the interests of the City and of persons supplying labor or materials in the prosecution of the Work contemplated by this Agreement and as permitted in the Budget.

7.22 Jacksonville Small and Emerging Businesses (JSEB) Program.

Developer, in further recognition of and consideration for the public funds provided to assist Developer pursuant to this Agreement, hereby acknowledges the importance of affording to small and emerging vendors and contractors the full and reasonable opportunity to provide materials and services ("Opportunity"). 7.22.2 Developer shall submit a JSEB report regarding Developer's actual use of City certified JSEBs for design, engineering, permitting, and construction of the Improvements. A JSEB report shall be submitted on a quarterly basis until Substantial Completion of Construction of the Improvements. The form of the report to be used for the purposes of this Section is attached hereto as **Exhibit H** (the "JSEB Reporting Form").

7.23 Indemnification by Contractors.

Developer agrees to include the indemnification provisions substantially in the form set forth in **Exhibit I**, attached hereto and incorporated herein, in all contracts with contractors, subcontractors, consultants, and subconsultants who perform work in connection with this Agreement.

**ARTICLE 8

Developer agrees that it shall not, without the prior written consent of City in its sole discretion (except for assignment to affiliates of Developer of which Developer has a managing interest) assign, transfer or convey this Agreement or the Improvements Documents or any provision hereof or thereof. The provisions of this section shall not apply to any assignment, transfer or conveyance as collateral or to the sale or conveyance to the holder of any mortgage encumbering all or any portion of Developer's property. Any such sale, assignment or conveyance in violation of this section shall constitute a default hereunder, and City may continue to look to Developer to enforce all of the terms and conditions of this Agreement as if such purported sale, assignment or conveyance had not occurred. Any authorized assignment hereunder shall be pursuant to an assignment and assumption agreement in form and content acceptable to the City in its reasonable discretion.

**ARTICLE 9

9.1 Event of Default. The following shall constitute an event of default (each, an "Event of Default") hereunder:

9.1.1 A breach by any party of any term, covenant, condition, obligation or agreement under this Agreement, and the continuance of such breach for a period of thirty (30) days after written notice thereof shall have been given to such party, provided, however, that if such breach is not reasonably susceptible to cure within thirty (30) days, then the time to cure such

breach shall be extended to one hundred twenty (120) days so long as the defaulting party is diligently and in good faith pursuing such cure;

9.1.2 Any representation or warranty made by any party to this Agreement shall prove to be false, incorrect or misleading in any material respect as of the Effective Date, which is not cured as provided in Section 9.1.1;

9.1.3 A continuing default by Developer after the expiration of all applicable notice and cure periods under the Improvements Documents;

9.1.4 The termination of, or default under (after the expiration of all applicable notice and/or cure periods contained therein), the Construction Contract by Developer, provided, however, that in the event the Construction Contract is terminated, Developer shall have up to ninety (90) days in which to enter into a replacement Construction Contract, on such terms and with such other General Contractor as shall be reasonably acceptable to City;

9.1.5 Failure of Developer to complete the Improvements in accordance with the Plans and Specifications which, in the reasonable judgment of the City Director of Public Works, results in Improvements which will not adequately serve the City;

9.1.6 Failure of Developer to Complete Construction of the Improvements, or abandonment of or cessation of Work on any portion of the Improvements at any time prior to completion for a period of more than thirty (30) consecutive business days, except on account of Force Majeure, in which case such period shall be the actual period of delay;

9.1.7 The entry of a decree or order by a court having jurisdiction in the premises adjudging any party to this Agreement bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the such party under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of such party or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuation of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days; or

9.1.8 The institution by any party to this Agreement of proceedings to be adjudicated bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it to the institution of bankruptcy or insolvency proceedings against it, or the filing of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of such party of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

9.2 Disbursements. Upon or at any time after the occurrence of an Event of Default attributable to Developer, subject to the notice and cure requirements set forth in Section 9.1.1, the City may refuse to make the Disbursement and terminate City's commitment to make any

portion of the Disbursement hereunder, except for Verified Direct Costs for Work actually performed prior to the date giving rise to the Event of Default.

9.2.1 In the event Developer's action giving rise to an Event of Default pertains to any failure by Developer to Commence Construction or achieve Substantial Completion of the Improvements within the time periods required herein, subject to Force Majeure, the other terms and conditions contained herein and any extensions granted pursuant to Section 4.1 of the RDA, the City shall be entitled (but not obligated) to (i) complete the Improvements, and/or (ii) terminate the City's obligation to pay for any other Improvements Costs hereunder, subject to the following sentence. In the event the City elects to complete the Improvements, the City shall pay Developer for Verified Direct Costs for Work actually performed prior to the occurrence of the date of termination after the Event of Default, but only to the extent funding is available as calculated by the Maximum Improvements Disbursement Amount, less the actual costs to the City in substantially completing the Improvements.

(a) Provided however, if the Event of Default and failure of Developer to cure described above is caused by unforeseen events, Force Majeure (as set forth in Section 11.2) or third-party actions which are outside the reasonable control of Developer, then in such event the City shall meet with Developer to consider alternative resolutions and shall use reasonable efforts and reasonably cooperate with Developer to reach a mutually acceptable amendment to this Agreement.

(b) In the event that the Event of Default and failure of Developer to cure is caused by Developer's acts or omissions, then upon termination the City may use an alternative general contractor or development manager selected in its sole discretion provided however such general contractor or development manager shall complete the Improvements in accordance with the terms and conditions of this Agreement and all Exhibits hereto.

9.2.2 Notwithstanding anything herein, upon any breach by the City hereunder, Developer's maximum damages hereunder (including prejudgment interest) shall be limited to the undisbursed Direct Costs, up to the Maximum Improvements Disbursement Amount, required for the completion of the construction of the Improvements previously Commenced and then under construction in accordance with this Agreement. Any such damages amount will be used by Developer only for the construction of the Improvements then under construction in accordance with the costs in the Budget and pursuant to the Plans and Specifications, and shall be disbursed lump sum upon Substantial Completion of the Improvements in accordance with this Agreement and the terms of the RDA. In the event the City fails to timely pay to Developer the Disbursement subject to and in accordance with the terms and conditions of this Agreement, or upon any other Event of Default attributable to the City beyond the applicable notice and cure periods, Developer shall have the remedies as set forth in this Agreement. Any amounts due to Developer under this Agreement and unpaid after thirty (30) days when due shall bear interest at the rate of ten percent (10%) per annum.

Neither party to this Agreement shall be liable to the other for any punitive, speculative, or consequential damages of any kind.

ARTICLE 10 ENVIRONMENTAL MATTERS

10.1 Environmental Laws. “Environmental Laws” or “Environmental Law” shall mean any federal, state or local statute, regulation or ordinance or any judicial or administrative decree or decision, whether now existing or hereinafter enacted, promulgated or issued, with respect to any Hazardous Materials, drinking water, groundwater, wetlands, landfills, open dumps, storage tanks, underground storage tanks, solid waste, wastewater, storm water runoff, retention ponds, storm water systems, waste emissions or wells. Without limiting the generality of the foregoing, the term shall encompass each of the following statutes, regulations, orders, decrees, permits, licenses and deed restrictions (including but not limited to the Gefen Park deed restriction) now or hereafter promulgated thereunder, and amendments and successors to such statutes and regulations as may be enacted and promulgated from time to time: (i) the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. Section 9601 et seq.) (“CERCLA”); (ii) the Resource Conservation and Recovery Act (42 U.S.C. Section 6901 et seq.) (“RCRA”); (iii) the Hazardous Materials Transportation Act (49 U.S.C. Section 5101 et seq.); (iv) the Toxic Substances Control Act (15 U.S.C. Section 2061 et seq.); (v) the Clean Water Act (33 U.S.C. Section 1251 et seq.); (vi) the Clean Air Act (42 U.S.C. Section 4321 et seq.); (ix) the Superfund Amendments and Reauthorization Act of 1986 (codified in scattered sections of 10 U.S.C., 29 U.S.C., 33 U.S.C. and 42 U.S.C.); (x) Title III of the Superfund Amendments and Reauthorization Act (42 U.S.C. Section 11001 et seq.); (xi) the Uranium Mill Tailings Radiation Control Act (42 U.S.C. Section 7901 et seq.); (xii) the Occupational Safety and Health Act (29 U.S.C. Section 651 et seq.); (xiii) the Federal Insecticide, Fungicide and Rodenticide Act (7 U.S.C. Section 136 et seq.); (xiv) the Noise Control Act (42 U.S.C. Section 4901 et seq.); (xv) Chapter 62-780, Florida Administrative Code (FAC) Contaminated Site Cleanup Criteria; and (xvi) the Emergency Planning and Community Right to Know Act (42 U.S.C. 10.2 Hazardous Materials. “Hazardous Materials” means each and every element, compound, chemical mixture, contaminant, pollutant, material, waste or other substance which is defined, determined or identified as hazardous or toxic under any Environmental Law. Without limiting the generality of the foregoing, the term shall mean and include: (a) “Hazardous Substance(s)” as defined in CERCLA, the Superfund Amendments and Reauthorization Act of 1986, or Title III of the Superfund Amendments and Reauthorization Act, each as amended, and regulations promulgated thereunder including, but not limited to, asbestos or any substance containing asbestos, polychlorinated biphenyls, any explosives, radioactive materials, chemicals known or suspected to cause cancer or reproductive toxicity, pollutants, effluents, contaminants, emissions, infectious wastes; (b) any petroleum or petroleum-derived waste or product or related materials, and any items defined as hazardous, special or toxic materials, substances or waste; (c) “Hazardous Waste” as defined in the Resource Conservation and Recovery Act of 1976, as amended, and regulations promulgated thereunder; (d) “Materials” as defined as “Hazardous Materials” in the Hazardous Materials Transportation Act, as amended, and regulations promulgated thereunder; (e) “Chemical Substance” or “Mixture” as defined in the Toxic Substances Control Act, as amended, and regulations promulgated thereunder; and (f) mold, microbial growth, moisture impacted building material, lead-based paint or lead-containing

coatings, components, materials, or debris, and self-illuminated tritium containing structures, including but not limited to tritium containing exit signs.

10.3 Release of Liability. In the event that Hazardous Materials are discovered within the Marina Parcel that affect the construction of the Improvements, any increased cost for such shall be the responsibility of the Developer. In the event the Florida Department of Environmental Protection or other governmental entity having jurisdiction regarding Hazardous Materials compels remediation work to be undertaken within the Marina Parcel as a result of the construction of the Improvements, as between Developer and the City, such will be the responsibility of the Developer except as described in Section 10.4 of this Agreement. In the event Developer, its contractors, subcontractors, and agents handles Hazardous Materials attendant to construction of the Improvements, it shall do so in compliance with all applicable Environmental Laws and shall be responsible for the health and safety of its workers in handling these materials.

10.4 Developer Release of Hazardous Materials. Developer shall be responsible for any new release of Hazardous Materials within the Marina Parcel determined by a court of competent jurisdiction to have been directly caused by the actions of Developer occurring after the Effective Date (“New Release”). For purposes of clarity, any migration of Hazardous Materials within, into or out of the Marina Parcel shall not constitute a New Release caused by Developer, provided, however, the Developer shall be responsible to the extent of any increased liability or financial costs incurred by the City for the spreading, worsening, or exacerbation of a release if directly caused by the negligence, recklessness or intentional wrongful conduct of Developer. Developer shall indemnify and hold the City and its members, officials, officers, employees, and agents harmless from and against any and all claims, costs, damages, or other liability, incurred by the City in connection with New Releases or the spreading, worsening, or exacerbation of a release determined by a court of competent jurisdiction to have been directly caused by the Developer to the extent of and due to Developer 's negligence, recklessness, or intentional wrongful misconduct. Notwithstanding the foregoing, Developer shall not have any liability for any New Release caused by a third-party not acting by or through the Developer.

ARTICLE 11 GENERAL PROVISIONS

11.1 Non-Liability. No member, official or employee of City shall be personally liable to Developer or to any person with whom Developer shall have entered into any contract, or to any other person in the event of any default or breach of City or for any amount which may become due to Developer or any other person under the terms of this Agreement.

11.2 Force Majeure. No party to this Agreement shall be deemed in default hereunder where such a default is based on a delay in performance as a result of war, insurrection, strikes, lockouts, riots, floods, named tropical storms or hurricanes, earthquakes, fires, casualty, declared

state of emergency, acts of God, acts of public enemy, acts of terrorism, epidemic, pandemic, quarantine restrictions, freight embargo, shortage of or inability to obtain labor or materials, interruption of utilities service, lack of transportation, delays attributable to the City or any of its agencies in connection with the issuance of any Governmental Approvals, severe weather and other acts or failures beyond the control or without the control of any party (collectively, a “Force Majeure Event”); provided, however, that the extension of time granted for any delay caused by any of the foregoing shall not exceed the actual period of such delay. 11.4 Time is of the Essence. Time is of the essence in the performance by any party of its obligations hereunder.

11.5 Entire Agreement. This Agreement constitutes the entire understanding and agreement between the parties and supersedes all prior negotiations and agreements between them with respect to all or any of the matters contained herein.

11.6 Amendment. No amendment or modification of this Agreement shall be effective or binding upon any party hereto unless such amendment or modification is in writing, signed by an authorized officer of the party claimed to be bound and delivered to the other party.

11.7 Waivers. All waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by either party in asserting any of its rights and remedies as to any default shall not constitute a waiver of any other default or of any such rights or remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, or any other rights or remedies for the same default or any other default by the other party.

11.8 Severability. The invalidity, illegality or inability to enforce any one or more of the provisions of this Agreement shall not affect any other provisions of this Agreement, but this Agreement will be construed as if such invalid illegal or unenforceable provision had never been contained herein.

11.9 Independent Contractor. In the performance of this Agreement, Developer will be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venture or association of City. Developer and its employees or agents or contractors shall be solely responsible for the means, method, technique, sequences and procedures utilized by Developer in performance of this Agreement.

11.10 Exemption of City. Neither this Agreement nor the obligations imposed upon City hereunder shall be or constitute an indebtedness of City within the meaning of any constitutional, statutory or charter provisions requiring City to levy ad valorem taxes nor a lien upon any properties of City.

11.11 Parties to Agreement. This is an agreement solely between City and Developer. The execution and delivery hereof shall not be deemed to confer any rights or privileges on any person not a party hereto other than and the permitted successors or assigns of City and Developer. This Agreement shall be binding upon Developer, and Developer' successors and assigns, and shall inure to the benefit of City, and its successors and assigns; provided, however, Developer shall not assign, transfer or encumber its rights or obligations hereunder or under any document executed in connection herewith, except in accordance with the terms and conditions of Section 8.1 above.

11.12 Venue: Applicable Law; Attorneys' Fees. Venue for the purposes of any and all legal actions arising out of or related to this Agreement shall lie solely and exclusively in the Circuit Court of Duval County, Florida, or in the U.S. District Court for the Middle District of Florida, Jacksonville Division. The laws of the State of Florida shall govern the interpretation

and enforcement of this Agreement. Each party shall be responsible for its own attorneys' fees and costs related to this Agreement and the Improvements Documents.

11.13 Contract Administration. The City's Director of Public Works, or his respective designees, shall act as the designated representatives of the City to coordinate communications between the City and Developer regarding the administration of this Agreement and to otherwise coordinate and facilitate the performance of the obligations of the City under this Agreement.

11.14 Further Authorizations. The Mayor, or his designee, and the Corporation Secretary, are authorized to execute any and all contracts and documents and otherwise take all necessary or appropriate actions in connection with this Agreement, and to negotiate and execute all necessary and appropriate changes and amendments and supplements to this Agreement and other contracts and documents in furtherance of the Improvements, without further City Council action, provided any such changes and amendments are limited to "technical amendments" and do not change the total financial commitments or the performance schedule, and further provided that all such amendments and changes shall be subject to legal review by the Office of General Counsel and by all other appropriate official action required by law. The term "technical amendments" as used herein includes, without limitation, changes in legal descriptions and surveys, description of infrastructure improvements and/or Improvements, ingress and egress and utility easements and rights of way, design standards, vehicle access and site plans, to the extent the same have no material financial impact, and to the extent that the Office of General Counsel concurs that no further City Council action would be required to effect such technical amendment.

11.15 Civil Rights. Developer agrees to comply with all of the terms and requirements of the Civil Rights Act of 1964, as amended, and the Civil Rights Act of 1968, as amended, and the antidiscrimination provisions of Chapter 126, Part 4, of the Code, and further agrees that in its operation under this Agreement it will not discriminate against anyone on the basis of race, color, age, disability, sex or national origin.

11.16 Further Assurances. Developer will, upon the City's request: (a) promptly correct any defect, error or omission in this Agreement or any of the Improvements Documents; (b) execute, acknowledge, deliver, procure, record or file such further instruments and do such further acts deemed necessary, desirable or proper by the City to carry out the purposes of such Improvements Documents and to identify (subject to the liens of the Improvements Documents) any property intended to be covered thereby, including any renewals, additions, substitutions, replacements, or appurtenances to the subject property; (c) execute, acknowledge, deliver, procure, file or record any documents or instruments deemed necessary, desirable or proper by City to protect the liens or the security interest under the Improvements Documents against the right or interests of third persons; and (d) provide such certificates, documents, reports, information, affidavits or other instruments and do such further acts deemed necessary, desirable or proper by City to carry out the purposes of the Improvements Documents.

11.17 Exhibits. In the event of a conflict between any provisions of this Agreement and any exhibit attached to or referenced in this Agreement, the provisions of this Agreement shall govern.

11.18 Construction. All parties acknowledge that they have had meaningful input into the terms and conditions contained in this Agreement. Developer further acknowledges that it has had ample time to review this Agreement and related documents with counsel of choice. Any doubtful or ambiguous provisions contained herein shall not be construed against the party who drafted this Agreement. Captions and headings in this Agreement are for convenience of reference only and shall not affect the construction of this Agreement.

11.19 Counterparts. This Agreement may be executed in counterparts, which when later combined shall constitute one and the same document as if originally executed together. Scanned or faxed signatures shall suffice as original signatures, and the parties may exchange executed counterparts by fax or email, which shall be binding for all purposes.

11.20 Limitations on Governmental Liability. Nothing in this Agreement shall be deemed as a waiver of the City's sovereign immunity or the limits of liability as set forth in Section 768.28, Florida Statutes or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under such limitations of liability or by operation of law.

IN WITNESS WHEREOF, the parties have executed and delivered this Agreement, to be effective on the Effective Date.

- (c) This Agreement is subject to and subordinate in all respects to the Submerged Land Lease and FRDAP Grant. Manager represents that (i) it has read and is familiar with the provisions of the Submerged Land Lease and FRDAP Grant and (ii) it agrees to be bound by all terms and conditions of the Submerged Land Lease and FRDAP Grant.
- (d) City, in its sole discretion, shall be responsible for the cost of any capital maintenance and capital repairs expenditures as necessary to comply with the Submerged Land Lease and FRDAP Grant, excepting such capital expenditures or other costs incurred as a result of the actions or omission of Manager, Marina Operator or their designees.
- (e) During the term of this Agreement, City shall use diligent efforts to apply for and diligently pursue renewal of the Submerged Land Lease prior to the end of the then current term thereof.

“Release” and “Released” mean the presence of or any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, seeping, migrating, dumping or disposing of any Hazardous Substances (including the abandonment or discarding of barrels, drums, and tanks containing any Hazardous Substances) into the indoor or outdoor environment.

- (b) Violation of Environmental Requirements. Manager will not cause or permit any Hazardous Substances to be Released on, under or about the Marina Parcel by

Manager or its agents, employees, contractors, and subcontractors in quantities or concentrations that violate any Environmental Requirement.

- (c) Reporting. If, at any time, Manager becomes aware, or has reasonable cause to believe, that any Release or threatened Release of any Hazardous Substances has occurred or will occur at the Marina Parcel, or Manager identifies or otherwise becomes aware of any noncompliance or alleged non-compliance with any Environmental Requirement by Manager at the Marina Parcel, any threatened or pending claim related to the Marina Parcel or any event or condition which could result in a claim under Environmental Law, Manager shall notify City immediately in writing of such circumstance and shall promptly thereafter provide a written report to City of such circumstance, including a full description of all relevant information. Manager shall, upon receipt, promptly deliver to City a copy of any report, audit, summary or investigation, whether prepared by or on behalf of Manager, Marina Operator or by or on behalf of any governmental authority or potential claimant, related to environmental conditions at the Marina Parcel or the compliance status of the Marina Parcel with respect to any Environmental Requirement.
 - (d) Contamination of Marina Parcel. Manager shall, in compliance with all Environmental Requirements, promptly undertake and complete any and all investigations, testing, or abatement, clean up, remediation, response or other corrective action necessary to remove, remediate, clean up or abate any Release or threatened Release of any Hazardous Substances, which Release or threatened Release occurs during the Term of this Agreement and results from the acts or omissions of Manager or its agents, employees, contractors and subcontractors, at or from the Marina Parcel in violation of this Section. Manager shall not be allowed to use institutional or engineering controls as part of such action without the prior written consent of City. Notwithstanding anything in this Agreement to the contrary, City shall remain liable for the Release of any Hazardous Substances which occurred prior to the Effective Date or following expiration or termination of this Agreement.
 - (e) Remediation Plan. Manager will submit to City a written plan for completing any Environmental Remediation required under this Section, which will be performed by City, if at all, in its sole discretion, except as set forth above. In the course of performing any Environmental Remediation required of Manager under this Section, Manager shall also comply with any and all Environmental Requirements pertaining to such work on the Marina Parcel.
19. Indemnity. The indemnification obligations of Manager under this Agreement are as set forth on Exhibit E attached hereto and incorporated herein by this reference.
20. Insurance. Manager shall maintain, at Manager's sole cost and expense, the insurance coverages set forth on Exhibit F attached hereto and incorporated herein by reference in its entirety in full force and effect at all times throughout the term of this Agreement. In the event that Manager assigns this Agreement consistent with and as approved by City pursuant to Section 36(g) hereof, the assignee, not Manager, shall maintain such insurance

coverages as set forth herein, and any assignee or subcontractor of any of the obligations of Manager hereunder shall sign a joinder and consent to this Agreement substantially in the form attached hereto as **Exhibit G**.

21. **Risk of Loss**. Manager expressly assumes all risk of damage or loss to any Personal Marina Property for any cause whatsoever, including, without limitation, any damage or loss that may occur to its merchandise, goods, or equipment by fire, theft, rain, water, hurricane or any act of God, or any act of negligence of any Patron or any person whomsoever.
22. **Hours of Operation**. The Marina property will be required to operate seven (7) days a week, three hundred sixty-five (365) days per year, including holidays, during those hours established by the City in its reasonable discretion and consistent with the requirements of the Submerged Land Lease and FRDAP Grant. The fuel dock shall be open during the same hours as the retail store located at the Marina Support Building (as defined in the Redevelopment Agreement) selling sundries, ice and other necessities for Patrons, which at a minimum shall be daily from 8:00 a.m. to 6:00 p.m. The Parks Department and the Manager may agree to change the hours of operation if such a change is desirable for providing the best service to the public and is otherwise consistent with the requirements of the Submerged Land Lease and the FRDAP Grant. If it becomes necessary in Manager's reasonable opinion to temporarily cease operation of the Marina in order to protect the Marina and/or the health, safety and welfare of the Patrons and/or employees of the Marina for reasons of force majeure including, but not limited to, acts of war, insurrection, civil strife and commotion, labor unrest or acts of God, then Manager may close and cease operation of all or part of the Marina, reopening and commencing operation when Manager, in its reasonable discretion, deems that such operation may be done without jeopardy to the Marina, its Patrons and its employees. Manager shall use best efforts to consult with the City prior to any closure and, in any event, shall provide timely written notice to the City of any closure of the Marina.

Portions of the Marina may also be temporarily closed, or certain portions of the Marina may be inaccessible, in connection with scheduled maintenance of the Marina, provided that (i) such closure schedule shall minimize the time for such temporary closure and/or inaccessibility, and (ii) unless temporary closure is required due to an emergency as reasonably determined by the Parks Department in its sole discretion, such schedule shall be subject to the prior written approval of City in its sole discretion.

23. **Termination of this Agreement**.
 - (a) In addition to the other termination rights of City set forth herein, this Agreement may be terminated by City immediately in the event of a default in the performance of this Agreement by Manager, including but not limited to noncompliance with the Submerged Land Lease or FRDAP Grant, which default shall remain uncured for thirty (30) days after delivery of written notice of such default, provided, however, that if such default is of a non-monetary nature and cannot reasonably be remedied within such thirty (30) day period, then such thirty (30) day period shall be deemed to be extended for such additional period(s) as may reasonably be required to remedy the same, not to exceed one-hundred and twenty (120) days, if

Manager shall promptly commence to remedy such default upon receipt of written notice of default, and shall thereafter continue with due diligence until completion. In the event of a termination of this Agreement or upon the expiration of the Term, Manager agrees to take any and all actions reasonably requested by City in order to facilitate an orderly transition of the management of the Marina to a successor operator. Within ten (10) days after the termination of this Agreement, or earlier if determined by City, Manager shall remove all of its Personal Marina Property. Any Personal Marina Property not removed within ten (10) days following the termination of this Agreement shall be deemed abandoned and may be removed and disposed of by City in such manner as City shall determine, at the cost of Manager, without any obligation on the part of City to account to Manager for any proceeds therefrom, all of which shall become the property of City. City shall not be liable to Manager for safekeeping for Manager's Personal Marina Property during or after termination of this Agreement. Any default under the Marina Support Building Lease (as defined in the Redevelopment Agreement) shall constitute a default under this Agreement.

- (b) Notwithstanding anything in this Agreement to the contrary, the Term of this Agreement shall automatically expire or terminate upon the expiration or termination for any reason of the Marina Support Building Lease (as defined in the Redevelopment Agreement).

24. **Limiting Legislative or Judicial Action.**

In the event that any municipal, county, state or federal body of competent jurisdiction other than City passes any law, ordinance or regulation in any way materially restricting or prohibiting the use of the Marina for purposes of this Agreement, this Agreement may be terminated by either Party upon thirty (30) days written notice to the other Party. In the event that any court or legislative body of competent jurisdiction issues an injunction substantially restricting or prohibiting the use of the Marina for the purposes of this Agreement and such injunction is not lifted within ninety (90) days after such issuance, this Agreement may be terminated by either Party upon thirty (30) days written notice to the other Party.

25. **Public Records.**

To the extent that the Manager is acting on behalf of the City, Manager will comply with the requirements pursuant to Florida Statutes Section 119.0701, which include the following:

- (a) The Manager will keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service provided herein.
- (b) The Manager will provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Ch. 119, Florida Statutes, or as otherwise provided by law.

(c) The Manager will ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) The Manager will meet all requirements for retaining public records and transfer, at no cost, to the City all public records in possession of Manager upon termination of this Agreement for any reason, and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. When such records are stored electronically, Manager will provide the City all records stored electronically in a format that is compatible with the City's information technology systems.

26. **Retention of Records/Audit.**

The Manager agrees:

(a) To establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by the City under this Agreement.

(b) To retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of six (6) years after completion of the date of final payment under this Agreement. If an audit has been initiated and audit findings have not been resolved at the end of such six (6) year period, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this Agreement, at no additional cost to the City.

(c) Upon demand, at no additional cost to the City, to facilitate the duplication and transfer of any records or documents during the required retention period.

(d) To assure that all records required to be maintained hereunder shall be subject at all reasonable times to inspection, review, copying, or audit by personnel duly authorized by the City, including but not limited to the City Council Auditors.

(e) At all reasonable times for as long as records are maintained hereunder, to allow persons duly authorized by the City, including but not limited to the City Council Auditors, full access to and the right to examine any of the Manager's third-party agreements and records and documents related to the Marina operations of this Agreement, regardless of the form in which kept.

(f) To ensure that all related party transactions by Manager or Marina Operator are disclosed to the City.

(g) To include the aforementioned audit, inspections, investigations and record keeping requirements in all subcontracts and assignments of this Agreement.

(h) To permit persons duly authorized by the City, including but not limited to the City Council Auditors, to inspect and copy any records, papers, documents, facilities, goods and services of the Manager which are relevant to this Agreement, and to interview

any employees and subcontractor employees of the Manager to assure the City of the satisfactory performance of the terms and conditions of this Agreement. Following such review, the City will deliver to the Manager a written report of its findings and request for development by the Manager of a corrective action plan where appropriate. The Manager hereby agrees to timely correct all deficiencies identified in the corrective action plan.

(i) Additional monies due as a result of any audit or annual reconciliation shall be paid within thirty (30) days of date of the City's invoice.

(j) Should the annual reconciliation or any audit reveal that the Manager owes the City or DIA additional monies hereunder or under the Redevelopment Agreement, and the Manager does not make restitution within thirty (30) days from the date of receipt of written notice from the City, then, in addition to any other remedies available to the City, the City may terminate this Agreement, solely at its option, by written notice to the Manager, without waiving any other remedy available at law or in equity.

27. **Storm Preparedness.** Manager shall at all times follow City's then current emergency evacuation and storm plan and protocols, as such protocols may be modified by City from time to time.
28. **Rights Reserved to City.** All rights not specifically granted to Manager by this Agreement are reserved to City, and the designation of any particular remedy for City is without prejudice to any other relief available in law or equity, and all such relief is reserved to City.
29. **Compliance with City's Internal Control Processes.** Manager agrees to comply with all applicable laws regarding procurement policies and procedures, budget policies and other policies.
30. **Signage.** Manager shall abide by City's sign codes and ordinances. Any exterior signage must meet applicable City codes and ordinances. Manager shall install signage regarding method of communication with the dockmaster and availability of Transient Slips.
31. **Condemnation.**
 - (a) **Total Condemnation.** If during the Term or any extension or renewal thereof, all of the Marina is taken for any public or quasi-public use under any governmental law, ordinance, or regulation, or by right of eminent domain, or are sold to the condemning authority under threat of condemnation, this Agreement will terminate effective as of the date the condemning authority takes the Marina.
 - (b) **Partial Condemnation.** If less than all, but more than ten percent (10%) of the Marina is taken for any public or quasi-public use under any governmental law, ordinance, or regulation or by the right of eminent domain, or is sold to the condemning authority under threat of condemnation, either party may terminate this Agreement by giving written notice to the other party within sixty (60) days.

- (c) Condemnation Award. City will receive the entire award from any condemnation, and Manager will have no claim to that award or for the value of any unexpired term of this Agreement.
32. **Mechanic's Liens.** All work performed, materials furnished, or obligations incurred by or at the request of Manager shall be deemed authorized and ordered by Manager only, and Manager shall not permit any mechanic's liens or other liens to be filed against the Marina Parcel or the Marina Improvements. Upon completion of any such work, Manager shall deliver to City final lien waivers from all contractors, subcontractors and materialmen who performed such work. If such a lien is filed, then Manager shall within ten days either (1) pay the amount of the lien and cause the lien to be released of record, or (2) diligently contest such lien and deliver to City a bond or other security reasonably satisfactory to City. If Manager fails to timely take either such action, then City may pay the lien claim, and any amounts so paid, including expenses and interest, shall be paid by Manager to City within ten (10) days after City has invoiced Manager therefor. Nothing herein shall be deemed a consent by City to any liens being placed upon any portion of the Marina Parcel or City's interest therein due to any work performed by or for Manager. Manager shall defend, indemnify and hold harmless City and its agents and representatives from and against all claims, demands, causes of action, suits, judgments, damages and expenses (including attorneys' fees) in any way arising from or relating to the failure by any Manager to pay for any work performed, materials furnished, or obligations incurred by or at the request of Manager. This indemnity provision shall survive termination or expiration of this Agreement.
33. **Management. Independent Contractor Status.** Manager is and shall remain an independent contractor and is neither agent, employee, partner nor joint venturer of City. Manager shall not have or exercise any authority, express, implied or apparent, to act on behalf of or as an agent of City for any purpose and may not take any action which might tend to create an apparent agency, employer/employee, partnership or joint venture relationship between Manager and City.
34. **No City Liability for Expenses.** Except as expressly set forth herein, City shall bear no cost or expense with respect to the routine operation and maintenance of the Marina or use thereof, it being understood that all such costs and expenses shall be solely borne by Manager.
35. **Marina Operator.** The Parties acknowledge that Manager may elect to hire a qualified marina operator, subject to the terms of this Agreement and the approval of such marina operator by the City (including any successors, the "Marina Operator"), to fulfill Manager's obligations under this Agreement. Notwithstanding the foregoing, in the event Manager hires the Marina Operator rather than assign this Agreement, Manager shall remain bound to the City pursuant to this Agreement for any failure by the Marina Operator to comply with all obligations, duties and standards imposed on Manager hereunder.
36. **General Agreement Terms.**
- (a) **Entire Agreement.**

As to the operation and management of the Marina by Manager, the Parties agree that (i) this Agreement sets forth the entire agreement between the Parties and (ii) there are no promises or understandings other than those stated herein. None of the provisions, terms or conditions contained in this Agreement may be added to, modified, superseded or otherwise altered, except as may be specifically authorized herein or by written instrument executed by the Parties. This Agreement and the exhibits and attachments hereto and other documents and agreements specifically referred to herein constitute the entire fully integrated Agreement between the Parties with respect to the subject matter hereof and supersede all prior or contemporaneous verbal or written communication or agreements between the Parties excepting any past or contemporaneous written or verbal agreements expressly and clearly incorporated by reference within the four corners of this Agreement. This Agreement may only be amended by written documents, properly authorized, executed and delivered by both Parties hereto. This Agreement shall not be construed in favor of one party or the other. All matters involving this Agreement shall be governed by the laws of the State of Florida and the proper venue for any litigation arising hereunder will be a state or federal court located in Duval County, Florida. If City or Manager incurs any expense in enforcing the terms of this Agreement, whether suit is brought or not, each party shall bear its own costs and expenses including, but not limited to, court costs and reasonable attorneys' fees. The parties waive any rights each may have to a jury trial.

(b) **Headings.**

Headings of various paragraphs and sections of this Agreement and its table of contents are for convenience and use of reference only and shall not be construed to define, limit, augment or describe the scope, context or intent of this Agreement or any part or parts of this Agreement.

(c) **Severability.**

The terms and conditions of this Agreement shall be deemed to be severable; consequently, if any clause, term or condition hereof shall be held to be illegal or void, such determination shall not affect the validity or legality of the remaining terms and conditions and notwithstanding such determination, this Agreement shall continue in a full force and effect unless the particular clause, term or condition held to be illegal or void renders the balance of this Agreement to be impossible of performance.

(d) **No Waivers; Remedies Cumulative.**

Except as otherwise provided herein, all waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by any party in insisting upon strict performance of the provisions hereof, or asserting any of its rights and remedies as to any default shall not constitute a waiver of any other default or of any such rights or remedies. Each party shall have full remedies available at law and equity, under existing Laws and all state and federal courts of any jurisdiction. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by any other party.

(e) **Time is of the Essence.**

Parties expressly agree that time is of the essence in the performance by any party of its obligations under this Agreement.

(f) **Notices.**

All notices to be given hereunder shall be in writing and (a) personally delivered, (b) sent by registered or certified mail, return receipt requested, or (c) delivered by an air courier service utilizing return receipts, to the parties at the following addresses (or to such other or further addresses as the parties may designate by like notice similarly sent), and such notices shall be deemed given and received for all purposes under this Agreement three (3) business days after the date same are deposited in the United States mail, if sent by registered or certified mail, or the date actually received if sent by personal delivery or air courier service, except that notice of a change in address shall be effective only upon receipt.

Manager agrees that, on written request, it will permit reasonable access to its records of employment, employment advertisement, application forms and other pertinent data and records, by the Executive Director of the Human Rights Commission, or successor agency or commission, for the

It is the intent of the DEPARTMENT and PROJECT SPONSOR that none of the provisions of Section 163.01, Florida Statutes, shall have application to this Project Agreement.

4. The DEPARTMENT has found that public recreation is the primary purpose of said project and enters into this Project Agreement with the PROJECT SPONSOR for development of recreation facilities and improvements on real property, the project area of which is set forth in Exhibit "B", attached.

5. The PROJECT SPONSOR will develop, or cause the development of, certain facilities and improvements in accordance with the following:

Phase I construction of marina facilities. Engineering, design and permit expenses.

6. The DEPARTMENT shall pay, on a reimbursement basis, to the PROJECT SPONSOR, such funds, not to exceed \$1,500,000, which shall pay the DEPARTMENT'S share of the cost of the project. DEPARTMENT fund limits are based upon the following:

		<u>Matching Basis</u>
Grant Amount	\$1,500,000	(2/3)
PROJECT SPONSOR MATCH	\$ 750,000	(1/3)
Type of Match	Land Value	

The Contract Manager shall, within sixty (60) days after notification that project work, or a portion thereof, has been accomplished and all required payment documentation has been submitted, if found in order, approve the request for payment. The DEPARTMENT shall, as a part of the final payment, retain \$150,000 of the entire grant amount until project development is completed by the PROJECT SPONSOR, and the DEPARTMENT accepts all required final project documentation and performs an on-site inspection.

7. In accordance with Chapter 215.422, Florida Statutes, interest at a rate of one (1) percent per month, or portion thereof, shall be paid to the PROJECT SPONSOR if a warrant in payment of a payment request is not mailed by the DEPARTMENT within 45 days after

payment request, inspection and approval of the goods and/or services.

8. Eligible costs for developing said project are defined in the Grant Accountability Policy described in Exhibit "C", attached. Project expenses incurred by the PROJECT SPONSOR for said project shall be reported to the DEPARTMENT and summarized on certification forms provided in Exhibit "C". The PROJECT SPONSOR shall retain all records supporting these costs for three years after the fiscal year in which the final payment is released by the DEPARTMENT, except that such records shall be retained by the PROJECT SPONSOR until final resolution of matters resulting from any litigation, claim, or audit that started prior to the expiration of the three-year retention period.

9. The DEPARTMENT and the PROJECT SPONSOR fully understand and agree that there shall be no reimbursement of funds by the DEPARTMENT for any obligation or expenditure made prior to the execution of this Project Agreement, except those referenced in paragraph #2.

Dock Facilities

1. Identification - Slips are clearly and uniformly marked by a permanently installed number. Utility pedestals and dock boxes are numbered to match the slip. Mooring buoys are clearly and uniformly marked.
2. Cleats - Cleats are properly placed and secured to the dock for use at each slip. No loose or missing cleats are evident. A sufficient number of properly sized cleats to secure the vessel are available.
3. Dock Fenders/Rub Rails - Bumper materials are well-maintained. Cover materials are free of tears and properly secured to the dock. Rub rails are acceptable. Fastening bolts and screws are recessed and do not extend beyond the rails.
4. Flotation System - Systems provide adequate flotation and are well-maintained. Systems are sturdy and free of broken or uneven sections. Foam, if used, is fully encapsulated. All Flotation Systems maintain industry standard freeboard.
5. Dock System - Fixed or floating dock systems are well-maintained.
6. Dock/Decking - Decking is constructed with a slip-free surface and is to be clean, free of unnecessary obstructions and tripping hazards (e.g., pop-up screws, degraded wood), and well-maintained. Bull rail, if any, is well-maintained and sturdy enough to support visitor use.

ARTICLE 1
PRELIMINARY STATEMENTS

1.1 Background; the Improvements.

1.1.1 City and Developer have previously entered into that certain Redevelopment Agreement dated _____, 2021 (the “RDA”), pursuant to which City will provide funding for Developer to construct on behalf of the City, among other things, a Marina Support Building and a multipurpose Events Lawn (each as defined in the RDA) as more specifically set forth on **Exhibit A** attached hereto (the “Improvements”) located generally on the Northbank of the St. Johns River in Jacksonville, Florida near Metropolitan Park, as more particularly described in the RDA. A description of the City-owned real property on which the Improvements will be constructed is described in **Exhibit B** attached hereto (the “Marina Support Building Parcel”).

1.1.2 The City has determined that the design, engineering, permitting, construction and inspection of the Improvements can most efficiently and cost effectively be completed by Developer simultaneously with the Project (as defined in the RDA). Developer is willing to design, engineer, permit, construct and inspect the Improvements in accordance with applicable Florida law for public projects, including but not limited to pursuant to procedures consistent with Sections 287.055 and 255.20, Florida Statutes and otherwise generally consistent with Chapter 126 of the City’s Ordinance Code (the “Code”) provided the City contributes to the cost of such Improvements as provided herein.

1.1.3 The City has requested, and Developer has agreed, that Developer will design, engineer, permit, construct and inspect the Improvements as specifically described and depicted on **Exhibit A** attached hereto and incorporated herein by this reference. The Plans and Specifications for the Improvements shall be incorporated into **Exhibit A** as set forth below. Prior to the construction of the Improvements, the City shall have received and approved (such approval not to be unreasonably withheld) the Plans and Specifications, and Budget (as defined herein) prepared by the Developer’s design team for the Improvements. The Plans shall be complete working drawings and specifications for construction of the Improvements, and in connection with the development thereof, the Developer shall follow the applicable permitting, review and approval process as set forth in the Code. In addition, the Plans shall be subject to the review and

approval of the CEO of the Downtown Investment Authority and the Director of the City's Department of Public Works in their reasonable discretion.

Upon Completion, the Improvements shall be owned by the City.

1.1.5 Pursuant to the RDA, the City will grant Developer a temporary construction easement over that portion of City land to be included within the Improvements or immediately adjacent thereto, for the purposes of the construction of the Improvements.

1.2 Design, Construction Budget. A final budget setting forth the costs of the Improvements shall be submitted to the City for its administrative review and approval prior to Developer entering into any contracts for such work, and the final, approved budget for the Improvements shall be attached hereto as **Exhibit D**. The City will provide such approvals within ten (10) business days of receiving the final budget.

Upon completion of the Improvements, any cost savings realized by the Developer pursuant to this Agreement below the Maximum Indebtedness may be applied to any cost overruns associated with Developer's concurrent redevelopment of the Marina Improvements. Otherwise, any savings under this Agreement shall inure to the benefit of City. Likewise, if upon Substantial Completion, as defined herein, the Verified Direct Costs of the Improvements exceed the Maximum Indebtedness amount hereof, with written notice to the City and DIA, the Developer may apply any cost savings realized from the Marina Improvements to reduce its liability for cost overruns in the approved Budget hereunder, and the parties shall enter into an amendment to this Agreement to increase the Maximum Improvements Disbursement Amount hereof accordingly.

1.5 Availability of Funds. Notwithstanding anything to the contrary herein, the City's financial obligations under this Agreement are subject to and contingent upon the availability of

lawfully appropriated funds for the Improvements and this Agreement. City agrees to file legislation seeking City Council authorization (in its sole and absolute discretion) and appropriation of funds as necessary for this Agreement. Developer shall not be obligated to Commence Construction (and the Commencement Date shall be equitably extended) until such time as the City has included the Improvements in its Capital Improvement Plan scheduled to be funded during the year of the projected Completion Date, subject to City Council approval.

NOW, THEREFORE, in consideration of the mutual undertakings and agreements herein of City and Developer, and for Ten Dollars (\$10.00) and other valuable consideration, the receipt and sufficiency of which are acknowledged, City and Developer agree that the above preliminary statements are true and correct, and the parties represent, warrant, covenant, and agree as follows:

3.1 Terms of Disbursement. Subject to an appropriation of funds therefore, City agrees to reimburse Developer for the Verified Direct Costs incurred and paid for the design, engineering, permitting, construction and inspection of the Improvements on the terms and conditions hereinafter set forth. The disbursement amount shall be in the maximum amount of up to SIX MILLION ONE HUNDRED NINETY-TWO THOUSAND NINE HUNDRED AND SIXTY-SEVEN DOLLARS (\$6,192,967.00), as the same may be increased in accordance with this Agreement. Developer shall be responsible for all costs of the Improvements beyond such amount except to the extent that such amounts may be offset by cost savings realized by Developer in connection with the Marina Improvements, if undertaken by Developer. Likewise, should the total Verified Direct Costs incurred by Developer at Substantial Completion applicable to the Improvements amount to a sum less than the Maximum Improvements Disbursement Amount, Developer may apply such cost savings to any cost overruns incurred in connection with the authorized Budgets for each of the Marina Improvements. Thereafter any cost savings shall inure to the benefit of City.

3.2 Use of Proceeds. All funding authorized pursuant to this Agreement shall be expended solely for the purpose of reimbursing Developer for the Verified Direct Costs for the Improvements as authorized by this Agreement and for no other purpose.

3.3 Deficiency in Maximum Improvements Disbursement Amount; Developer Obligation for any Shortfall in the Improvements Budgeted Costs. If, prior to the Disbursement, the City reasonably determines that the actual cost to complete construction of the Improvements exceeds the Maximum Improvements Disbursement Amount, the City shall provide written notice of such to Developer. Developer, the City, the General Contractor and the Design Professionals shall meet and determine how to make adjustments to the Plans and Specifications for the Improvements, subject to approval thereof in the City's sole but reasonable discretion, and Developer shall be responsible for the payment of any amounts in excess of the Maximum Improvements Disbursement Amount but may apply cost savings realized from the Marina Improvements, if any, to offset such amount. In no event will the City be responsible for any shortfall in the amounts necessary to Complete Construction of the Improvements. If Developer fails to continue construction at its own cost, or fails to timely complete construction due to a shortfall or for any other reason, the City in its sole discretion may choose to terminate the City's additional obligations hereunder, and/or complete the remaining portion of the Improvements (on its own or through a third party contractor or Developer and in compliance with the Plans and Specifications). If the City completes any portion of the Improvements, Developer shall be liable to the City for the costs thereof in excess of the amount allocated for such portion of the Improvements as shown on **Exhibit D**, and such repayment obligation of Developer shall survive any termination or expiration of the City's obligations hereunder.

3.4 Project Management Fees/Construction Management Fees. No development fees or project management fees or other fees of Developer (collectively, the "Project Management Fees") shall be paid to Developer under this Agreement, and no such fees are owed to Developer as of the Effective Date. Any construction management fees to be paid to the General Contractor ("Construction Management Fees") shall be paid as part of the Disbursement. The Construction Management Fees must be included in the Disbursement Request as a separate line item, and the aggregate amount of such fees shall be set forth in the applicable Construction Contract, which is subject to the City's approval (such approval not to be unreasonably withheld).

3.5 Procedures for Payment. The Disbursement shall be made in one lump sum payment upon Substantial Completion of the Improvements upon written application of Developer pursuant to a Disbursement Request (as hereinafter defined), subject to Article 5 below and the other terms of this Agreement. The Disbursement Request shall constitute a representation by Developer that the Work done and the materials supplied for the Improvements are in accordance with the Plans and Specifications for the Improvements; that the Work and materials have been physically incorporated into the Improvements; that the Work and materials conform in all material respects with all applicable rules and regulations of the public authorities having jurisdiction; that such Disbursement Request is consistent with the then current Budget; and that, to Developer's knowledge, and subject to any extension of the Completion Date as a result of Force Majeure or any extensions granted pursuant to Section 4.1 of the RDA, no Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing.

The Construction Inspector shall be a construction engineering consultant approved by the City (such approval not to be unreasonably withheld) and engaged by Developer for standard inspections of the Improvements as provided herein. All fees for the Construction Inspector shall be included in the Budget be deemed a part of the Direct Costs. The Construction Inspector will inspect the construction of the Improvements as provided herein, review and advise Developer and the City jointly with respect to the Construction Documents, and other matters related to the construction, operation and use of the Improvements, monitor the progress of construction, and review and sign-off on the Disbursement Request and any change orders submitted hereunder. Developer shall make Developer' construction management facilities located on or around the project site available for the City and Construction Inspector for the inspection of the Improvements during normal business hours upon reasonable prior written notice, and Developer shall afford full and free access by City and Construction Inspector to all Construction Documents at the project site during normal business hours upon reasonable prior written notice. City shall be granted access to the project site during normal business hours upon reasonable prior notice to inspect the Work in progress and upon Substantial Completion.

Developer acknowledges that (a) Construction Inspector shall in no event have any power or authority to make any decision or to give any approval or consent or to do any other thing which is binding upon the City and any such purported decision, approval, consent or act by Construction Inspector on behalf of the City shall be void and of no force or effect, (b) the City reserves the right to make any and all decisions required to be made by the City under this Agreement, in its reasonable discretion, without in any instance being bound or limited in any manner whatsoever by any opinion expressed or not expressed by Construction Inspector to the City or any other person with respect thereto, and (c) the City reserves the right in its sole and absolute discretion to replace Construction Inspector with another inspector reasonably acceptable to Developer at any time and with reasonable prior written notice to Developer.

3.7 No Third Party Beneficiaries. The parties hereto do not intend for the benefits of this Agreement to inure to any third party. Notwithstanding anything contained herein or any conduct or course of conduct by any of the parties hereto, this Agreement shall not be construed as creating any rights, claims, or causes of action against City or any of their respective officers, agents, or employees, in favor of any contractor, subcontractor, supplier of labor, materials or services, or any of their respective creditors, or any other person or entity other than Developer.

3.8 Performance Schedule. Developer and City, reasonably and in good faith, shall jointly establish dates for the performance of Developer' obligations under this Agreement, which shall be set forth in **Exhibit E** attached hereto and incorporated herein by this reference (the "Performance Schedule").

During the period of construction of the Improvements, Developer shall provide to the City on a monthly basis (not later than fifteen (15) days after the close of each calendar month) progress reports of the status of construction of the Improvements, which shall include: (i) certification by Developer' engineer (or such other Design Professional reasonably acceptable to the City) of (a) the total dollars spent to date, and (b) the percentage of completion of the Improvements, as well as the estimates of the remaining cost to complete such

construction; and (ii) evidence of full payment of all invoices or draw requests, to include copies of checks for payment and invoice draw requests, submitted for payment as to such portion of the Improvements during such monthly reporting period. In addition, on a monthly basis Developer shall provide to the City copies of its internally generated monitoring reports and related documentation as to construction of the portion of the Improvements within fifteen (15) days after the close of the month.

3.10 Pre-Construction Meetings; Critical Path Diagram. The City and Developer shall meet no later than ten (10) days prior to the Commencement Date for construction of the Improvements. At such meeting, Developer shall provide to the City a logical network diagram describing all components of the construction of the Improvements to be constructed, in a critical path format (the “Critical Path Diagram”), in accordance with the Performance Schedule. Developer shall update the Critical Path Diagram monthly and submit the updated Critical Path Diagram to the City monthly. Additionally, at such meeting Developer shall submit a complete schedule of values for the construction of the Improvements (the “Schedule of Values”), which Developer shall also update monthly to show all items completed and provide the updated version to the City.

3.11 No Warranty by City. Nothing contained in this Agreement or any other Improvements Document shall constitute or create any duty on or warranty by City regarding (a) the accuracy or reasonableness of the Budget; (b) the feasibility or quality of the construction documents for the Improvements; (c) the quality or condition of the Work; or (d) the competence or qualifications of the General Contractor or Design Professional or any other party furnishing labor or materials in connection with the construction of the Improvements. Upon Substantial Completion of the Improvements Developer shall submit to the City, at least thirty (30) calendar days prior to the requested date of disbursement, a completed written disbursement request (“Disbursement Request”) in the form as set forth in **Exhibit F** attached hereto. The Disbursement Request shall certify in detail, reasonably acceptable to the City, (a) the unit price schedule of values, that includes the cost of the labor that has been performed and the materials that have been incorporated into the Improvements, and (b) the amount of the Disbursement that Developer is seeking in accordance with the amounts set forth in the Budget and subject to Section 1.4 above. The City shall pay to Developer the amount of the Disbursement Request submitted by Developer in accordance with the applicable requirements of this Agreement, within thirty (30) calendar days of the City’s receipt of such Disbursement Request, provided, however, that if the City reasonably and in good faith disputes any portion of the Disbursement Request, the City shall provide written notice to Developer of such dispute within ten (10) business days of the City’s receipt of such Disbursement Request. Any written notice shall state with specificity the basis of the dispute. Thereafter, the parties shall negotiate in good faith to resolve such dispute. Subject to the terms of this Agreement and to the Force Majeure provisions of Section 11.2, Developer shall Complete Construction of the Improvements by no later than the Completion Date. For purposes of this Agreement, completion of the Improvements shall be deemed to have occurred only when the following conditions (the "Improvements Completion Conditions") shall have been satisfied:

7.13.1 Upon Completion of the Improvements, Developer shall submit to City a proper contractor's final affidavit and releases of liens from each contractor, subcontractor and supplier, or other proof satisfactory to City, confirming that payment has been made for all materials supplied and labor furnished in connection with such Improvements through the date of Substantial Completion reflected in the Disbursement Request;

7.13.4 Developer shall cause the General Contractor to provide a one-year warranty on the Improvements, with said warranty commencing on Substantial Completion and acceptance by the City of the Improvements.

7.14 Change Orders. In connection with any portion of the Improvements, no material amendment shall be made to the Plans and Specifications, the Design Professional's Contract(s) or the Construction Contract, nor shall any change orders be made thereunder, without the prior written consent of the City in its reasonable discretion. Developer shall notify the City in writing of any requested changed condition/change order, which shall describe the changed scope of work, all related costs, and any necessary delay in the Completion Date ("Developer Change Order Request"). Within five (5) business days after receipt of a Developer Change Order Request, the City will determine if the Developer Change Order Request is justified and will respond to Developer in writing as to whether or not the City approves the Developer Change Order Request and whether the City is willing to authorize any associated delay in the Completion Date set forth therein. If the City does not approve the Developer Change Order Request, the City will have an additional ten (10) business days to evaluate and respond to Developer in writing. Once a Developer Change Order Request has been agreed upon by Developer and the City, a formal Change Order, describing the agreed scope of work, and applicable extension of the Completion Date, will be executed by both parties within ten (10) business days ("Approved Change Order"). The parties acknowledge that the Work that is the subject of a Developer Change Order Request will not proceed during the City change order response period, but other Work that will not affect or be affected by the Work that is the subject of a Developer Change Order Request will not be stopped during the City change order response period. Notwithstanding anything herein, any increased costs in excess of the Maximum Improvements Disbursement Amount resulting from any and all Approved Change Orders during the construction of the Improvements shall be the responsibility of Developer, except to the extent that the Developer may offset this amount by applying cost savings realized from the Marina Improvements, if any. For the purposes of this Section 7.14, "material" amendment to the Plans and Specifications, the Design Professional's Contract(s) or the Construction Contract and a "material" change order is defined as an amendment or change order with related costs in excess of \$50,000 as to any single amendment, \$100,000 to any cumulative changes to a single line item, or \$500,000 in the aggregate and/or that materially change the scope of the Improvements or are anticipated to cause associated delays in the Completion Date. Notwithstanding the foregoing, at the time the final budget, plans and specifications are approved, the City will identify specific line items and/or design features in the budget that shall be deemed material and may not be amended without the City's approval in its reasonable discretion. Exterior, visible components of the Improvements (inclusive of landscaping) are deemed material.

Developer agrees that it will not engage or permit the General Contractor to engage or continue to employ any contractor, subcontractor or materialman who may be reasonably objectionable to City. If requested by City, Developer shall deliver to City a fully executed copy of each of the agreements between Developer and such contractors and between the General Contractor and its subcontractors, each of which shall be in form and

substance reasonably satisfactory to City. City's approval of a construction contract is specifically conditioned upon the following: (a) the total contract price thereof does not exceed the fair and reasonable cost of the Work to be performed thereunder, (b) the contractor or subcontractor is of recognized standing in the trade, or is otherwise reasonably acceptable to City, and (c) approval of the City's Procurement Department based on its standard prequalification criteria for construction work on City property, provided such contractors or subcontractors are determined by Developer to be qualified and experienced in the design and construction of the Improvements.

Developer shall not discriminate against any person, or group of persons on account of race, color, creed, sex, age, religion, national origin, marital status, handicap, having children or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of all or any part of the Improvements nor shall Developer or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with the reference to the selection, location, number, use of occupancy of tenants, lessees, subtenants, sublessees or vendees thereof.

7.17 Indemnification.

Except for Damages (as hereinafter defined) arising out of the gross negligence or willful misconduct of any of the Indemnified Parties (as hereinafter defined), Developer shall indemnify the City, and its respective employees, agents, representatives, successors, assigns, contractors and subcontractors (collectively "Indemnified Parties") against and from all liabilities, damages, losses, costs, and expenses of whatsoever kind or nature, including, but not limited to, reasonable attorney's fees, reasonable expert witness fees and court costs (all of which are collectively referred to as "Damages"), arising out of or in connection with any negligent act or omission or willful misconduct of Developer, the General Contractor or any of their respective employees, contractors, agents or representatives (collectively, the "Developer Parties") in connection with the Developer Parties' construction of the Improvements, which Damages are not paid or reimbursed by or through the Payment and Performance Bond or Insurance as required under this Agreement. This indemnification shall survive the expiration or termination of this Agreement for a period of four (4) years. The term "Indemnified Parties" as used in this Section shall include the City, and all officers, board members, City Board members, City Council members, employees, representatives, agents, successors and assigns of the City. This Section 7.17 shall survive the expiration, earlier termination or completion of this Agreement for a period of four (4) years.

7.18 Insurance and Bond Requirements. See Exhibit G attached hereto and incorporated herein by this reference for the insurance and bond requirements of the General Contractor.

7.19 Materials and Workmanship. All workmanship, equipment, materials and articles incorporated in the Work are to be new and in accordance with City's Standards, Specification and Details to be provided by City. Developer shall furnish Construction Inspector certified copies of test results made of the materials or articles which are to be incorporated in the Work for approval. When so requested, samples of materials shall be submitted for approval. Machinery, equipment, materials and articles installed or used without such approval shall be at the risk of subsequent rejection, removal and replacement at Developer' expense. If not otherwise provided, material or Work called for in this Agreement shall be furnished and performed in

accordance with the manufacturer's instructions and established practice and standards recognized by architects, engineers and the trade.

7.20 Warranty and Guarantee of Work.

7.20.1 For a period of one year after the Completion Date, Developer warrants to the City that all Work will be of good quality, and substantially in compliance with this Agreement and in accordance with the provisions of Section 7.19. All Work not in conformance to the requirements of this Agreement, including substitutions not properly approved and authorized, may be considered defective during such one year period. If required by City, Developer shall provide satisfactory evidence as to the quality, type and kind of equipment and materials furnished. This warranty is not limited by, nor limits any other warranty-related provision in this Agreement.

7.20.2 If, within one year of acceptance of the Improvements by City, or within such longer period of time prescribed by law or by the terms of any special warranty provision of this Agreement, any of the Work is found to be defective or not in conformance with this Agreement, Developer shall cause the General Contractor to correct it promptly after notice of such defect or nonconformance. Corrective Work during the warranty period shall also be warranted for a period of one year, with each corrective effort in turn being warranted for a period of one year of satisfactory performance. This obligation shall survive termination, expiration or completion of the Agreement. City shall give notice to Developer promptly after discovery of the condition.

7.20.3 During the one year warranty period, including any additional warranty period for corrective work, Developer shall bear the cost of correcting or removing all defective or nonconforming Work, including the cost for correcting any damage caused to equipment, materials or other Work by such defect or the correcting thereof.

7.20.4 During the one year warranty period, including any additional warranty period for corrective work, Developer shall correct any defective or nonconforming Work to the reasonable satisfaction of City, and any of the Work, equipment or materials damaged as a result of such condition or the correcting of such condition, within thirty (30) calendar days of notice of such condition. Should Developer fail to timely correct defective or non-conforming Work under warranty, City, or a third-party contractor on behalf of City, may correct such Work itself and Developer shall reimburse City for the costs of such corrective Work promptly and no later than thirty (30) days after receipt of an invoice from City pertaining to such corrective Work undertaken by City. If Developer fails to correct the nonconforming or defective Work, Developer will be in default hereunder.

7.20.5 Nothing contained herein shall be construed to establish a period of limitation with respect to any other obligation which Developer may have under this Agreement. The establishment of the time period of one year after the date of Substantial Completion, or such longer period of time as may be prescribed by law or by the items of any warranty required by this Agreement, relates only to the specific obligation of Developer to correct the Work and has no relationship to the time within which its obligation to comply with this Agreement may be sought

to be enforced, nor the time within which proceedings may be commenced to establish Developer's liability with respect to its obligations other than specifically to correct the Work.

7.20.6 Upon Substantial Completion and payment to Developer of the Disbursement, Developer may assign to the City all of Developer's right, title and interest in and to any and all warranties and guaranties related to the Work provided by any General Contractor or supplier of materials, provided such warranties and guaranties are consistent with Sections 7.20.1 through 7.20.05 above, and thereafter Developer shall have no obligations under this Section. Except as specifically set forth in this Section, Developer hereby disclaims any implied warranty or representation concerning the Improvements.

7.21 Payment and Performance Bonds.

7.21.1 Prior to commencing any work on the Improvements, Developer shall cause all primary contractors to furnish Performance and Payment Bonds for the Improvements in compliance with Section 255.05, Florida Statutes, as security for its faithful performance under this Agreement. The Bonds shall be in an amount at least equal to the amount of the Direct Costs for the construction of the Improvements. The Bonds shall be in a form in compliance with applicable law and reasonably acceptable to the City, and with a surety that is reasonably acceptable to the City's Division of Insurance and Risk Management. The cost thereof shall be included in the applicable Budget for the Improvements and reimbursed by the City as part of the Disbursement. The Payment and Performance Bonds for the Improvements shall be recorded in connection with the recording of the notice of commencement for the Improvements and delivered to the CEO of the Downtown Investment Authority prior to Commencement of Construction.

7.21.2 The Performance and Payment Bonds for the Improvements shall accompany the Budget and Plans and Specifications submitted to the City for approval and shall be compliant with the requirements of Section 255.05, Florida Statutes, with such approval as to the payment and performance bonds not to be unreasonably withheld, conditioned or delayed. The duly executed, recorded Performance and Payment Bonds shall be delivered prior to Commencement of Construction.

7.21.3 If any surety upon any bond furnished in connection with this Agreement becomes unacceptable to the City in the City's reasonable, good faith determination, or if any such surety fails to furnish reports as to its financial condition from time to time as reasonably requested by the City, Developer shall, at its own expense, promptly provide a substitute surety or promptly furnish such additional security as may be reasonably required from time to time to protect the interests of the City and of persons supplying labor or materials in the prosecution of the Work contemplated by this Agreement and as permitted in the Budget.

7.22 Jacksonville Small and Emerging Businesses (JSEB) Program.

Developer, in further recognition of and consideration for the public funds provided to assist Developer pursuant to this Agreement, hereby acknowledges the importance of affording to small and emerging vendors and contractors the full and reasonable opportunity to provide materials and services ("Opportunity"). Therefore, Developer hereby agrees as follows:

7.22.1 Developer shall obtain from City's Procurement Division the list of certified Jacksonville Small and Emerging Businesses ("JSEB"), and shall, in accordance with Jacksonville Ordinance Code ("Code") Sections 126.601 et seq., and shall use good faith efforts to enter into contracts with City certified JSEBs to provide materials or services in an aggregate amount of twenty percent (20%) of the total Verified Direct Costs of the construction of the Improvements or the City's maximum contribution to the Improvements, whichever is less, provided such JSEBs are determined by Developer to be qualified and experienced in the design and construction of the Improvements.

7.22.2 Developer shall submit a JSEB report regarding Developer's actual use of City certified JSEBs for design, engineering, permitting, and construction of the Improvements. A JSEB report shall be submitted on a quarterly basis until Substantial Completion of Construction of the Improvements. The form of the report to be used for the purposes of this Section is attached hereto as **Exhibit H** (the "JSEB Reporting Form").

7.23 Indemnification by Contractors.

Developer agrees to include the indemnification provisions substantially in the form set forth in **Exhibit I**, attached hereto and incorporated herein, in all contracts with contractors, subcontractors, consultants, and subconsultants who perform work in connection with this Agreement.

**ARTICLE 8
NO ASSIGNMENT OR CONVEYANCE;
RESTRICTIONS ON ENCUMBRANCE**

8.1 Assignment; Limitation on Conveyance. Developer agrees that it shall not, without the prior written consent of City in its sole discretion (except for assignment to affiliates of Developer of which Developer has a managing interest) assign, transfer or convey this Agreement or the Improvements Documents or any provision hereof or thereof. The provisions of this section shall not apply to any assignment, transfer or conveyance as collateral or to the sale or conveyance to the holder of any mortgage encumbering all or any portion of Developer's property. Any such sale, assignment or conveyance in violation of this section shall constitute a default hereunder, and City may continue to look to Developer to enforce all of the terms and conditions of this Agreement as if such purported sale, assignment or conveyance had not occurred. Any authorized assignment hereunder shall be pursuant to an assignment and assumption agreement in form and content acceptable to the City in its reasonable discretion.

**ARTICLE 9
EVENTS OF DEFAULT AND REMEDIES**

9.1 Event of Default. The following shall constitute an event of default (each, an "Event of Default") hereunder:

9.1.1 A breach by any party of any term, covenant, condition, obligation or agreement under this Agreement, and the continuance of such breach for a period of thirty (30) days after written notice thereof shall have been given to such party, provided, however, that if such breach is not reasonably susceptible to cure within thirty (30) days, then the time to cure such

breach shall be extended to one hundred twenty (120) days so long as the defaulting party is diligently and in good faith pursuing such cure;

9.1.2 Any representation or warranty made by any party to this Agreement shall prove to be false, incorrect or misleading in any material respect as of the Effective Date, which is not cured as provided in Section 9.1.1;

9.1.3 A continuing default by Developer after the expiration of all applicable notice and cure periods under the Improvements Documents;

9.1.4 The termination of, or default under (after the expiration of all applicable notice and/or cure periods contained therein), the Construction Contract by Developer, provided, however, that in the event the Construction Contract is terminated, Developer shall have up to ninety (90) days in which to enter into a replacement Construction Contract, on such terms and with such other General Contractor as shall be reasonably acceptable to City;

9.1.5 Failure of Developer to complete the Improvements in accordance with the Plans and Specifications which, in the reasonable judgment of the City Director of Public Works, results in Improvements which will not adequately serve the City;

9.1.6 Failure of Developer to Complete Construction of the Improvements, or abandonment of or cessation of Work on any portion of the Improvements at any time prior to completion for a period of more than thirty (30) consecutive business days, except on account of Force Majeure, in which case such period shall be the actual period of delay;

9.1.7 The entry of a decree or order by a court having jurisdiction in the premises adjudging any party to this Agreement bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the such party under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of such party or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuation of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days; or

9.1.8 The institution by any party to this Agreement of proceedings to be adjudicated bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it to the institution of bankruptcy or insolvency proceedings against it, or the filing of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of such party of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

9.2 Disbursements. Upon or at any time after the occurrence of an Event of Default attributable to Developer, subject to the notice and cure requirements set forth in Section 9.1.1, the City may refuse to make the Disbursement and terminate City's commitment to make any

portion of the Disbursement hereunder, except for Verified Direct Costs for Work actually performed prior to the date giving rise to the Event of Default.

9.2.1 In the event Developer's action giving rise to an Event of Default pertains to any failure by Developer to Commence Construction or achieve Substantial Completion of the Improvements within the time periods required herein, subject to Force Majeure, the other terms and conditions contained herein and any extensions granted pursuant to Section 4.1 of the RDA, the City shall be entitled (but not obligated) to (i) complete the Improvements, and/or (ii) terminate the City's obligation to pay for any other Improvements Costs hereunder, subject to the following sentence. In the event the City elects to complete the Improvements, the City shall pay Developer for Verified Direct Costs for Work actually performed prior to the occurrence of the date of termination after the Event of Default, but only to the extent funding is available as calculated by the Maximum Improvements Disbursement Amount, less the actual costs to the City in substantially completing the Improvements.

(a) Provided however, if the Event of Default and failure of Developer to cure described above is caused by unforeseen events, Force Majeure (as set forth in Section 11.2) or third-party actions which are outside the reasonable control of Developer, then in such event the City shall meet with Developer to consider alternative resolutions and shall use reasonable efforts and reasonably cooperate with Developer to reach a mutually acceptable amendment to this Agreement.

(b) In the event that the Event of Default and failure of Developer to cure is caused by Developer's acts or omissions, then upon termination the City may use an alternative general contractor or development manager selected in its sole discretion provided however such general contractor or development manager shall complete the Improvements in accordance with the terms and conditions of this Agreement and all Exhibits hereto.

9.2.2 Notwithstanding anything herein, upon any breach by the City hereunder, Developer's maximum damages hereunder (including prejudgment interest) shall be limited to the undisbursed Direct Costs, up to the Maximum Improvements Disbursement Amount, required for the completion of the construction of the Improvements previously Commenced and then under construction in accordance with this Agreement. Any such damages amount will be used by Developer only for the construction of the Improvements then under construction in accordance with the costs in the Budget and pursuant to the Plans and Specifications, and shall be disbursed lump sum upon Substantial Completion of the Improvements in accordance with this Agreement and the terms of the RDA. In the event the City fails to timely pay to Developer the Disbursement subject to and in accordance with the terms and conditions of this Agreement, or upon any other Event of Default attributable to the City beyond the applicable notice and cure periods, Developer shall have the remedies as set forth in this Agreement. Any amounts due to Developer under this Agreement and unpaid after thirty (30) days when due shall bear interest at the rate of ten percent (10%) per annum.

Neither party to this Agreement shall be liable to the other for any punitive, speculative, or consequential damages of any kind.

ARTICLE 10 ENVIRONMENTAL MATTERS

10.1 Environmental Laws. “Environmental Laws” or “Environmental Law” shall mean any federal, state or local statute, regulation or ordinance or any judicial or administrative decree or decision, whether now existing or hereinafter enacted, promulgated or issued, with respect to any Hazardous Materials, drinking water, groundwater, wetlands, landfills, open dumps, storage tanks, underground storage tanks, solid waste, wastewater, storm water runoff, retention ponds, storm water systems, waste emissions or wells. Without limiting the generality of the foregoing, the term shall encompass each of the following statutes, regulations, orders, decrees, permits, licenses and deed restrictions (including but not limited to the Gefen Park deed restriction) now or hereafter promulgated thereunder, and amendments and successors to such statutes and regulations as may be enacted and promulgated from time to time: (i) the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. Section 9601 et seq.) (“CERCLA”); (ii) the Resource Conservation and Recovery Act (42 U.S.C. Section 6901 et seq.) (“RCRA”); (iii) the Hazardous Materials Transportation Act (49 U.S.C. Section 5101 et seq.); (iv) the Toxic Substances Control Act (15 U.S.C. Section 2061 et seq.); (v) the Clean Water Act (33 U.S.C. Section 1251 et seq.); (vi) the Clean Air Act (42 U.S.C. Section 7401 et seq.); (vii) the Safe Drinking Water Act (42 U.S.C. Section 300f et seq.); (viii) the National Environmental Policy Act (42 U.S.C. Section 4321 et seq.); (ix) the Superfund Amendments and Reauthorization Act of 1986 (codified in scattered sections of 10 U.S.C., 29 U.S.C., 33 U.S.C. and 42 U.S.C.); (x) Title III of the Superfund Amendments and Reauthorization Act (42 U.S.C. Section 11001 et seq.); (xi) the Uranium Mill Tailings Radiation Control Act (42 U.S.C. Section 7901 et seq.); (xii) the Occupational Safety and Health Act (29 U.S.C. Section 651 et seq.); (xiii) the Federal Insecticide, Fungicide and Rodenticide Act (7 U.S.C. Section 136 et seq.); (xiv) the Noise Control Act (42 U.S.C. Section 4901 et seq.); (xv) Chapter 62-780, Florida Administrative Code (FAC) Contaminated Site Cleanup Criteria; and (xvi) the Emergency Planning and Community Right to Know Act (42 U.S.C. Section 11001 et seq.).

10.2 Hazardous Materials. “Hazardous Materials” means each and every element, compound, chemical mixture, contaminant, pollutant, material, waste or other substance which is defined, determined or identified as hazardous or toxic under any Environmental Law. Without limiting the generality of the foregoing, the term shall mean and include: (a) “Hazardous Substance(s)” as defined in CERCLA, the Superfund Amendments and Reauthorization Act of 1986, or Title III of the Superfund Amendments and Reauthorization Act, each as amended, and regulations promulgated thereunder including, but not limited to, asbestos or any substance containing asbestos, polychlorinated biphenyls, any explosives, radioactive materials, chemicals known or suspected to cause cancer or reproductive toxicity, pollutants, effluents, contaminants, emissions, infectious wastes; (b) any petroleum or petroleum-derived waste or product or related materials, and any items defined as hazardous, special or toxic materials, substances or waste; (c) “Hazardous Waste” as defined in the Resource Conservation and Recovery Act of 1976, as amended, and regulations promulgated thereunder; (d) “Materials” as defined as “Hazardous Materials” in the Hazardous Materials Transportation Act, as amended, and regulations promulgated thereunder; (e) “Chemical Substance” or “Mixture” as defined in the Toxic Substances Control Act, as amended, and regulations promulgated thereunder; and (f) mold, microbial growth, moisture impacted building material, lead-based paint or lead-containing

coatings, components, materials, or debris, and self-illuminated tritium containing structures, including but not limited to tritium containing exit signs.

10.3 Release of Liability. In the event that Hazardous Materials are discovered within the Marina Support Building Parcel that affect the construction of the Improvements, any increased cost for such shall be the responsibility of the Developer. In the event the Florida Department of Environmental Protection or other governmental entity having jurisdiction regarding Hazardous Materials compels remediation work to be undertaken within the Marina Support Building Parcel as a result of the construction of the Improvements, as between Developer and the City, such will be the responsibility of the Developer except as described in Section 10.4 of this Agreement. In the event Developer, its contractors, subcontractors, and agents handles Hazardous Materials attendant to construction of the Improvements, it shall do so in compliance with all applicable Environmental Laws and shall be responsible for the health and safety of its workers in handling these materials.

10.4 Developer Release of Hazardous Materials. Developer shall be responsible for any new release of Hazardous Materials within the Marina Support Building Parcel determined by a court of competent jurisdiction to have been directly caused by the actions of Developer occurring after the Effective Date (“New Release”). For purposes of clarity, any migration of Hazardous Materials within, into or out of the Marina Support Building Parcel shall not constitute a New Release caused by Developer, provided, however, the Developer shall be responsible to the extent of any increased liability or financial costs incurred by the City for the spreading, worsening, or exacerbation of a release if directly caused by the negligence, recklessness or intentional wrongful conduct of Developer. Developer shall indemnify and hold the City and its members, officials, officers, employees, and agents harmless from and against any and all claims, costs, damages, or other liability, incurred by the City in connection with New Releases or the spreading, worsening, or exacerbation of a release determined by a court of competent jurisdiction to have been directly caused by the Developer to the extent of and due to Developer 's negligence, recklessness, or intentional wrongful misconduct. Notwithstanding the foregoing, Developer shall not have any liability for any New Release caused by a third-party not acting by or through the Developer.

ARTICLE 11 GENERAL PROVISIONS

11.1 Non-Liability. No member, official or employee of City shall be personally liable to Developer or to any person with whom Developer shall have entered into any contract, or to any other person in the event of any default or breach of City or for any amount which may become due to Developer or any other person under the terms of this Agreement.

No director, officer or employee of Developer shall be personally liable to City or to any person with whom City shall have entered into any contract, or to any other person in the event of any default or breach of Developer, or for any amount which may become due to City or any other person under the terms of this Agreement.

11.2 Force Majeure. No party to this Agreement shall be deemed in default hereunder where such a default is based on a delay in performance as a result of war, insurrection, strikes,

lockouts, riots, floods, named tropical storms or hurricanes, earthquakes, fires, casualty, declared state of emergency, acts of God, acts of public enemy, acts of terrorism, epidemic, pandemic, quarantine restrictions, freight embargo, shortage of or inability to obtain labor or materials, interruption of utilities service, lack of transportation, delays attributable to the City or any of its agencies in connection with the issuance of any Governmental Approvals, severe weather and other acts or failures beyond the control or without the control of any party (collectively, a “Force Majeure Event”); provided, however, that the extension of time granted for any delay caused by any of the foregoing shall not exceed the actual period of such delay. 11.4 Time is of the Essence. Time is of the essence in the performance by any party of its obligations hereunder.

11.5 Entire Agreement. This Agreement constitutes the entire understanding and agreement between the parties and supersedes all prior negotiations and agreements between them with respect to all or any of the matters contained herein.

11.6 Amendment. No amendment or modification of this Agreement shall be effective or binding upon any party hereto unless such amendment or modification is in writing, signed by an authorized officer of the party claimed to be bound and delivered to the other party.

11.7 Waivers. All waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by either party in asserting any of its rights and remedies as to any default shall not constitute a waiver of any other default or of any such rights or remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, or any other rights or remedies for the same default or any other default by the other party.

11.8 Severability. The invalidity, illegality or inability to enforce any one or more of the provisions of this Agreement shall not affect any other provisions of this Agreement, but this Agreement will be construed as if such invalid illegal or unenforceable provision had never been contained herein.

11.9 Independent Contractor. In the performance of this Agreement, Developer will be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venture or association of City. Developer and its employees or agents or contractors shall be solely responsible for the means, method, technique, sequences and procedures utilized by Developer in performance of this Agreement.

11.10 Exemption of City. Neither this Agreement nor the obligations imposed upon City hereunder shall be or constitute an indebtedness of City within the meaning of any constitutional, statutory or charter provisions requiring City to levy ad valorem taxes nor a lien upon any properties of City.

11.11 Parties to Agreement. This is an agreement solely between City and Developer. The execution and delivery hereof shall not be deemed to confer any rights or privileges on any person not a party hereto other than and the permitted successors or assigns of City and Developer. This Agreement shall be binding upon Developer, and Developer' successors and assigns, and shall inure to the benefit of City, and its successors and assigns; provided, however, Developer shall not assign, transfer or encumber its rights or obligations hereunder or under any document executed in connection herewith, except in accordance with the terms and conditions of Section 8.1 above.

11.12 Venue: Applicable Law; Attorneys' Fees. Venue for the purposes of any and all legal actions arising out of or related to this Agreement shall lie solely and exclusively in the Circuit Court of Duval County, Florida, or in the U.S. District Court for the Middle District of

11.13 Contract Administration. The City's Director of Public Works, or his respective designees, shall act as the designated representatives of the City to coordinate communications between the City and Developer regarding the administration of this Agreement and to otherwise coordinate and facilitate the performance of the obligations of the City under this Agreement.

11.14 Further Authorizations. The term "technical amendments" as used herein includes, without limitation, changes in legal descriptions and surveys, description of infrastructure improvements and/or Improvements, ingress and egress and utility easements and rights of way, design standards, vehicle access and site plans, to the extent the same have no material financial impact, and to the extent that the Office of General Counsel concurs that no further City Council action would be required to effect such technical amendment.

11.15 Civil Rights. Developer agrees to comply with all of the terms and requirements of the Civil Rights Act of 1964, as amended, and the Civil Rights Act of 1968, as amended, and the antidiscrimination provisions of Chapter 126, Part 4, of the Code, and further agrees that in its operation under this Agreement it will not discriminate against anyone on the basis of race, color, age, disability, sex or national origin.

11.16 Further Assurances. Developer will, upon the City's request: (a) promptly correct any defect, error or omission in this Agreement or any of the Improvements Documents; (b) execute, acknowledge, deliver, procure, record or file such further instruments and do such further acts deemed necessary, desirable or proper by the City to carry out the purposes of such Improvements Documents and to identify (subject to the liens of the Improvements Documents) any property intended to be covered thereby, including any renewals, additions, substitutions, replacements, or appurtenances to the subject property; (c) execute, acknowledge, deliver, procure, file or record any documents or instruments deemed necessary, desirable or proper by City to protect the liens or the security interest under the Improvements Documents against the right or interests of third persons; and (d) provide such certificates, documents, reports, information, affidavits or other instruments and do such further acts deemed necessary, desirable or proper by City to carry out the purposes of the Improvements Documents.

11.18 Construction. All parties acknowledge that they have had meaningful input into the terms and conditions contained in this Agreement. Developer further acknowledges that it has had ample time to review this Agreement and related documents with counsel of choice. Any doubtful or ambiguous provisions contained herein shall not be construed against the party who drafted this Agreement. Scanned or faxed signatures shall suffice as original signatures, and the parties may exchange executed counterparts by fax or email, which shall be binding for all purposes.

11.20 Limitations on Governmental Liability. Nothing in this Agreement shall be deemed as a waiver of the City's sovereign immunity or the limits of liability as set forth in Section 768.28, Florida Statutes or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under such limitations of liability or by operation of law.

IN WITNESS WHEREOF, the parties have executed and delivered this Agreement, to be effective on the Effective Date.

2. **Lease Grant.** Subject to the terms of this Lease, Landlord leases to Tenant, and Tenant leases from Landlord, the Premises for the Term. Notwithstanding anything in this Lease to the contrary, the Term shall automatically expire or terminate upon the expiration or termination for any reason of the Marina Management Agreement.

3. **Tender of Possession.** Landlord shall deliver possession of the Premises to Tenant on the Effective Date. Except as expressly set forth herein, Tenant shall be deemed to have accepted the Premises in its AS-IS, WHERE IS condition as of the date of such delivery. Except as expressly set forth herein, Landlord shall not be required to make any improvements, alterations or other modifications to the Premises or otherwise in connection with the commencement of this Lease. Tenant acknowledges that neither Landlord nor any member, officer, employee or agent of Landlord has made any representation or warranty with respect to the Premises or any portion thereof or with respect to the suitability of same for the Permitted Use.

4. **Rent**

Tenant shall timely pay Basic Rent to Landlord, without notice, demand, deduction or set off except as expressly set forth herein, by good and sufficient check drawn on a state chartered or national banking association at Landlord's address provided for in this Lease or as otherwise specified by Landlord and shall be accompanied by all applicable state and local sales or use taxes. The obligations of Tenant to pay Rent and the obligations of Landlord under this Lease are independent obligations. Basic Rent, adjusted as herein provided, shall be payable monthly in advance. The first monthly installment of Basic Rent shall be payable on the Commencement Date; thereafter, Basic Rent shall be payable on the first day of each month. The monthly Basic Rent for any partial month at the beginning of the Term shall equal the product of 1/365 of the annual Basic Rent in effect during the partial month and the number of days in the partial month and shall be due on the Commencement Date. Payments of Basic Rent for any fractional calendar month at the end of the Term shall be similarly prorated.

5. **Delinquent Payment; Handling Charges.** Landlord, in addition to all other rights and remedies available to it, may charge Tenant a fee equal to five percent (5%) of any delinquent payment to reimburse Landlord for its cost and inconvenience incurred as a consequence of Tenant's delinquency. In no event, however, shall the charges permitted under this Section 5 or elsewhere in this Lease, to the extent they are considered to be interest under applicable Law, exceed the maximum lawful rate of interest. Notwithstanding the foregoing, the late fee referenced above shall not be charged with respect to any payment made within ten (10) days of its due date.

6. **Operating Covenant.**

Subject to temporary closures caused by a Force Majeure Event, a casualty, condemnation or renovations (as permitted pursuant to Section 8 below), during the Term, as amended or extended, Tenant shall, and shall cause all of its subtenants to, continuously and uninterruptedly operate no less frequently than seven (7) days per week, three hundred sixty-five (365) days per year during those minimum hours established or approved by the Landlord and Tenant in their commercially reasonable discretion, for the Permitted Use in an efficient, professional and first-class manner and maintain a full staff of trained, experienced and qualified employees, in accordance with the terms of this Lease and all Laws. Notwithstanding anything in this Lease to the contrary, Tenant shall cause the retail store located on the Premises to sell sundries, ice and other necessities for Marina patrons daily from 8:00 a.m. to 6:00 p.m. (unless different hours are requested by Tenant and approved by the Parks Department of the City in writing from time to time) and Tenant agrees that such retail store may not be closed during those hours unless the Marina operation temporarily ceases pursuant to the terms of the Marina Management Agreement.

7. **Net Lease.**

Except as otherwise expressly provided in this Lease, this Lease is an absolutely net lease, and the Rent shall be paid to Landlord without notice, demand, counterclaim, set-off, deduction, or defense, and without abatement, suspension, deferment, diminution or reduction, free from any charges, assessments, impositions, expenses or deductions of any and every kind

or nature whatsoever except as expressly set forth herein. All costs, expenses and obligations of every kind and nature whatsoever, whether foreseen or unforeseen, in any way relating to the condition, maintenance, repair, operation, management, use and/or occupancy of the Premises that may arise or become due during the Term (as it may be extended) shall be paid by Tenant unless caused by Landlord's negligence or willful misconduct. Without limiting the foregoing, Tenant shall be responsible for the payment of all taxes, assessments whether general or special, license fees, insurance costs, operating costs, utility costs, management and administrative fees, maintenance and repair costs, operation costs, construction costs, and any other costs, expenses, sums, and charges which arise in connection with the management, condition, maintenance, repair, operation, use and/or occupancy of the Premises, including all structures, improvements and property located thereon unless caused by Landlord's negligence or willful misconduct. All of such costs, expenses, sums, and charges shall constitute Rent, and upon the failure of Tenant to pay any such costs, charges or expenses, Landlord shall have the same rights and remedies as otherwise provided in this Lease for the failure of Tenant to pay Rent.

8. **Improvements; Alterations; Repairs; Maintenance.**

(a) **Improvements; Alterations.** The Tenant accepts the subject Premises in its "as is" "where is" condition. No improvements, alterations or physical additions in or to the Premises may be made without Landlord's prior written consent, which consent shall be in Landlord's sole discretion but subject to the terms of the Redevelopment Agreement regarding use of the Room Surcharge (as defined in the Redevelopment Agreement) proceeds; provided that Landlord shall not unreasonably withhold its consent to any non-structural alterations which are not visible from the exterior of the Premises. Notwithstanding the foregoing sentence, Tenant shall be permitted to make interior, non-structural cosmetic improvements to the Premises such as repainting and recarpeting, costing in the aggregate of not more than \$25,000 per consecutive twelve (12) month period, without Landlord's prior written consent. Subject to potential funding under the Redevelopment Agreement, all alterations, additions, and improvements shall be diligently pursued and constructed, maintained, and used by Tenant, at its risk and expense, in accordance with all Laws. Landlord's consent to or approval of any alterations, additions or improvements (or the plans therefor) shall not constitute a representation or warranty by Landlord, nor Landlord's acceptance, that the same comply with sound architectural and/or engineering practices or with all applicable Laws, and Tenant shall be solely responsible for ensuring all such compliance.

(b) **Repairs; Maintenance.** Except as expressly set forth herein, Tenant shall maintain the Premises in first-class condition and repair, and in a clean, sanitary and safe condition. Tenant shall ensure that during the Term the Premises and the Systems are in good working order and in compliance with all Laws related to Tenant's specific use of the Premises for the Permitted Use. Tenant shall not permit or allow to remain any waste or damage to any portion of the Premises or Systems. Additionally, Tenant, at its sole expense, shall repair, replace and maintain in good condition and in accordance with all Laws and the equipment manufacturer's suggested service programs, all portions of Tenant's Off-Premises Equipment and all other areas, improvements and systems serving the Premises. Tenant shall repair or replace, subject to Landlord's direction and supervision, any damage to the Project caused by any Tenant Party and any damage to the Premises during the Term, unless caused by the negligence or willful misconduct of Landlord or any Landlord Party. If Tenant fails to make

such repairs or replacements within fifteen (15) business days after Tenant's receipt of written notice from Landlord of the occurrence of such damage, then Landlord may make the same at Tenant's cost. The actual and reasonable cost of all maintenance, repair or replacement work performed by Landlord under this Section 8 shall be paid by Tenant to Landlord within thirty (30) days after Landlord has invoiced Tenant as Rent plus a sum equal to five percent (5%) thereof representing Landlord's administrative expense. Landlord and Tenant acknowledge and agree that the collection and use of the revenue generated by the Room Surcharge shall occur in accordance with Section 6.3 of the Redevelopment Agreement. Tenant shall be permitted to make capital improvements or capital repairs to the Premises that it deems are reasonably necessary and which are approved by Landlord in writing in its sole discretion.

(c) **Performance of Work.** All work described in this Section 8 shall be performed only by contractors and subcontractors approved in writing by Landlord, with such approval not to be unreasonably withheld, conditioned, or delayed. Tenant shall cause all contractors and subcontractors to procure and maintain insurance coverage naming Landlord, and Landlord's property management company as "additional insureds" against such risks, in such commercially reasonable amounts, and with such companies as Landlord may reasonably require. Tenant shall provide Landlord with the identities and relevant contact information of all persons performing work or supplying materials prior to beginning such construction and Landlord may post on and about the Premises notices of non-responsibility pursuant to applicable Laws. All such work shall be performed in accordance with all Laws and in a good and workmanlike manner so as not to damage the Premises (including the Premises Structure and the Premises Systems). Except as expressly set forth herein, Tenant is not authorized to perform any such work which may affect the Premises Structure or the Premises Systems. Such work, at Landlord's election, must be performed by Landlord's usual contractor for such work.

(d) **Mechanic's Liens.** Tenant shall have no power to do any act or make any contract that may create or be the foundation of any lien, mortgage or other encumbrance upon the reversionary or other estate of Landlord, or any interest of Landlord in the Premises. NO CONSTRUCTION LIENS OR OTHER LIENS FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED TO THE PREMISES SHALL ATTACH TO OR AFFECT THE INTEREST OF LANDLORD IN AND TO THE PREMISES OR THE PROPERTY. All work performed, materials furnished, or obligations incurred by or at the request of a Tenant Party shall be deemed authorized and ordered by Tenant only, and Tenant shall keep the Premises and the Property free from any liens arising in connection therewith. Upon completion of any such work, Tenant shall deliver to Landlord final lien waivers from all contractors, subcontractors and materialmen who performed such work. If such a lien is filed, then Tenant shall, within twenty (20) days after Landlord has delivered notice of the filing thereof to Tenant (or such earlier time period as may be necessary to prevent the forfeiture of the Premises, the Property or any interest of Landlord therein or the imposition of a civil or criminal fine with respect thereto), either (1) pay the amount of the lien and cause the lien to be released of record, or (2) diligently contest such lien and deliver to Landlord a bond or other security reasonably satisfactory to Landlord. If Tenant fails to timely take either such action, then Landlord may discharge the lien. The actual amount paid by Landlord to discharge the lien (whether directly or by bond), plus all actual and reasonable administrative and legal costs incurred by Landlord, along with interest which shall accrue at the Default Rate, shall be paid by Tenant to Landlord as Additional Rent within thirty (30) days of written demand. Landlord and Tenant acknowledge and agree that their relationship

is and shall be solely that of “landlord-tenant” (thereby excluding a relationship of “owner-contractor,” “owner-agent” or other similar relationships). The parties hereto agree that in no event shall the interest of Landlord be subject to the liens for improvements made by Tenant, and this expressly prohibits such liability. Pursuant to Section 713.10, Florida Statutes, this provision specifically provides that no interest of Landlord shall be subject to liens for improvements made by the Tenant at or under Tenant’s direction. This provision shall serve as notice to all potential construction lienors that Landlord shall not be liable for and the Premises shall not be subject to liens for work performed or materials supplied at Tenant’s request or at the request of anyone claiming an interest by, through or under Tenant. Further, any contractor, vendor, supplier or other party providing work or services to and for the Premises that is entitled to a mechanic’s lien pursuant to Chapter 713, Florida Statutes, shall look solely to the leasehold interest of the Tenant in the Lease and may not encumber the fee title to the Premises owned by the Landlord. Tenant shall provide notice of this provision to all contractors, vendors, suppliers, and other parties providing work or materials at the Premises. The foregoing provision shall be included in any recorded notice under Section 713.10, Florida Statutes, or memorandum of this Lease. Tenant shall defend, indemnify and hold harmless Landlord and its agents and representatives from and against all third-party claims, demands, causes of action, suits, judgments, damages and expenses (including attorneys’ fees) in any way arising from or relating to the failure by any Tenant Party to pay for any work performed, materials furnished, or obligations incurred by or at the request of a Tenant Party. The remedies provided herein shall be in addition to all other remedies available to Landlord under this Lease or otherwise. This Section 8(d) shall survive the expiration or earlier termination of this Lease.

TENANT SHALL NOTIFY ANY CONTRACTOR PERFORMING ANY CONSTRUCTION WORK IN THE PREMISES ON BEHALF OF TENANT THAT THIS LEASE SPECIFICALLY PROVIDES THAT THE INTEREST OF LANDLORD IN THE PREMISES SHALL NOT BE SUBJECT TO LIENS FOR IMPROVEMENTS MADE BY TENANT, AND NO MECHANIC’S LIEN OR OTHER LIEN FOR ANY SUCH LABOR, SERVICES, MATERIALS, SUPPLIES, MACHINERY, FIXTURES OR EQUIPMENT SHALL ATTACH TO OR AFFECT THE STATE OR INTEREST OF LANDLORD IN AND TO THE PREMISES, THE PROPERTY, OR ANY PORTION THEREOF. IN ADDITION, LANDLORD SHALL HAVE THE RIGHT TO POST AND KEEP POSTED AT ALL REASONABLE TIMES ON THE PREMISES ANY NOTICES WHICH LANDLORD SHALL BE REQUIRED SO TO POST FOR THE PROTECTION OF LANDLORD AND THE PREMISES FROM ANY SUCH LIEN. TENANT AGREES TO PROMPTLY EXECUTE SUCH INSTRUMENTS IN RECORDABLE FORM IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF FLORIDA STATUTE SECTION 713.10.

9. **Use.** Tenant shall continuously occupy and use the Premises only for the Permitted Use, subject to temporary closures for Force Majeure Events and renovations (so long as such renovations are permitted under this Lease and are being diligently and continuously pursued), and shall comply at its sole cost and expense with all Laws relating to Tenant’s specific use, condition, access to, and occupancy of the Premises for the Permitted Use. Tenant will not commit waste, overload the Premises Structure or the Premises Systems or subject the Premises to use that would damage the Premises. The Premises shall not be used for any use which is disreputable, creates extraordinary fire hazards, or results in an increased rate of insurance on the Premises or its contents, or for the storage of any Hazardous Materials (other than typical

supplies for the Permitted Use) and then only in compliance with all Laws. If, because of a Tenant Party's acts or because Tenant vacates the Premises, the rate of insurance on the Premises or its contents increases, then such acts shall be an Event of Default subject to all applicable notice and cure periods, Tenant shall pay to Landlord the actual and reasonable amount of such increase within thirty (30) days after Tenant's receipt of written demand, and acceptance of such payment shall not waive any of Landlord's other rights. Tenant shall conduct its business and control each other Tenant Party so as not to create any nuisance, unreasonably interfere with other tenants, or use the Premises for any unlawful purpose. Tenant will be responsible for and obtain all licenses, permits, inspections and other approvals necessary for the operation of the Premises as contemplated by this Lease.

10. **Assignment and Subletting.**

(a) **Transfers.**

Tenant shall not (1) assign, transfer, or encumber this Lease or any estate or interest herein, whether directly or by operation of law, (2) permit any other entity to become Tenant hereunder by merger, consolidation, or other reorganization, (3) sublease any portion of the Premises, (4) grant any license, concession, or other right of occupancy of any portion of the Premises, (5) permit the transfer of an ownership interest in Tenant so as to result in a change of control of Tenant, (6) permit the use of the Premises by any parties other than Tenant (any of the events listed in Section 10(a)(1) through 10(a)(6) being a "**Transfer**"), without Landlord's prior written consent in its sole discretion.

Notwithstanding anything contained herein to the contrary, the following events are not considered a Transfer under this Section 10: (i) a change in ownership of Tenant as a result of a merger, consolidation, reorganization, or joint venture; or (ii) the Transfer of this Lease to any entity that controls, is controlled by, or is under common control with Tenant. Tenant is not required to obtain Landlord's consent and Landlord shall not delay, alter, or impede any of the foregoing transactions or combinations thereof, provided, however, that any Transfer to a transferee pursuant to subsection (ii) above shall be pursuant to an assignment and assumption agreement in form and content reasonably acceptable to the Landlord.

(b) **Consent Standards.** Landlord shall not unreasonably withhold its consent to any subletting of the Premises, provided that the proposed sublessee: (1) is creditworthy, (2) has a good reputation in the business community, (3) will use the Premises for the Permitted Use and will not use the Premises in any manner that would conflict with any agreement entered into by Landlord with respect to the Project, and (4) is not a governmental entity, or subdivision or agency thereof; otherwise, Landlord may withhold its consent in its sole discretion. Additionally, Landlord may withhold its consent in its sole discretion to any proposed Transfer if any uncured Event of Default by Tenant then exists. Without limiting the foregoing, Tenant agrees that it shall be reasonable for Landlord to withhold its consent to a proposed assignment or sublease of all or substantially all of the Premises if the proposed assignee or sublessee does not have sufficient prior marina operating experience in Landlord's reasonable discretion (and Tenant shall provide Landlord with evidence of such experience simultaneously with its request regarding such proposed assignment or sublease).

(c) **Request for Consent.**

If Tenant requests Landlord's consent to a Transfer, then, at least fifteen (15) business days prior to the effective date of the proposed Transfer, Tenant shall provide Landlord with a written description of all terms and conditions of the proposed Transfer, copies of the proposed documentation, and the following information about the proposed transferee: name and address; reasonably satisfactory information about its business and business history; its proposed use of the Premises; banking, financial, and other credit information; and general references sufficient to enable Landlord to determine the proposed transferee's creditworthiness and character. If Landlord fails to respond to Tenant's request for consent within 15 business days after Tenant provides such consent, such consent shall be deemed given by Landlord. Concurrently with Tenant's notice of any request for consent to a Transfer, Tenant shall pay to Landlord a fee of \$750.00 to defray Landlord's expenses in reviewing such request.

(d) **Conditions to Consent.**

If Landlord consents to a proposed Transfer to an assignee, then the proposed assignee shall deliver to Landlord a written agreement whereby it expressly assumes Tenant's obligations hereunder; however, any transferee of less than all of the space in the Premises shall be liable only for obligations under this Lease that are properly allocable to the space subject to the Transfer for the period of the Transfer. No Transfer shall release Tenant from its obligations under this Lease, but rather Tenant and its transferee shall be jointly and severally liable therefor. Landlord's consent to any Transfer shall not waive Landlord's rights as to any subsequent Transfers. If an uncured Event of Default occurs while the Premises or any part thereof are subject to a Transfer, then Landlord, in addition to its other remedies, may collect directly from such transferee all rents becoming due to Tenant and apply such rents against Rent. Tenant authorizes its transferees to make payments of rent directly to Landlord upon receipt of notice from Landlord to do so following the occurrence of an Event of Default hereunder. Tenant shall pay for the cost of any demising walls or other improvements necessitated by a proposed subletting or assignment.

(e) **Attornment by Subtenants.**

Each sublease by Tenant hereunder shall be subject and subordinate to this Lease and to the matters to which this Lease is or shall be subordinate, and each subtenant by entering into a sublease is deemed to have agreed that in the event of termination, re-entry or dispossession by Landlord under this Lease, Landlord may, at its option, take over all of the right, title and interest of Tenant, as sublandlord, under such sublease, and such subtenant shall, at Landlord's option, attorn to Landlord pursuant to the provisions of such sublease, except that Landlord shall not be (1) liable for any previous act or omission of Tenant under such sublease, (2) subject to any counterclaim, offset or defense that such subtenant might have against Tenant, (3) bound by any previous modification of such sublease not approved by Landlord in writing or by any rent or additional rent or advance rent which such subtenant might have paid for more than the current month to Tenant, and all such rent shall remain due and owing, notwithstanding such advance payment, (4) bound by any security or advance rental deposit made by such subtenant which is not delivered or paid over to Landlord and with respect to which such subtenant shall look solely to Tenant for refund or reimbursement, or (5) obligated to perform

any work in the subleased space or to prepare it for occupancy, and in connection with such attornment, the subtenant shall execute and deliver to Landlord any instruments Landlord may reasonably request to evidence and confirm such attornment. Each subtenant or licensee of Tenant shall be deemed, automatically upon and as a condition of its occupying or using the Premises or any part thereof, to have agreed to be bound by the terms and conditions set forth in this Section 10(e). The provisions of this Section 10(e) shall be self-operative, and no further instrument shall be required to give effect to this provision.

11. **Insurance and Indemnity.**

(a) **Insurance.** See **Exhibit E**, the terms of which are incorporated herein by reference.

(b) **Indemnity.** See **Exhibit F**, the terms of which are incorporated herein by reference.

12. **Condemnation.**

(a) **Total Taking.** If the entire Premises is taken by right of eminent domain or conveyed in lieu thereof (a "**Taking**"), this Lease shall terminate as of the date of the Taking.

(b) **Partial Taking - Tenant's Rights.** If any part of the Premises becomes subject to a Taking and such Taking will prevent Tenant from conducting on a permanent basis its business in the Premises in a manner reasonably comparable to that conducted immediately before such Taking, then Tenant may terminate this Lease as of the date of such Taking by giving written notice to Landlord within 30 days after the Taking, and Basic Rent shall be apportioned as of the date of such Taking. If Tenant does not terminate this Lease, then Rent shall be abated on a reasonable basis as to that portion of the Premises rendered untenable by the Taking.

(c) **Partial Taking - Landlord's Rights.** If any material portion, but less than all, of the Premises becomes subject to a Taking, then Landlord may terminate this Lease by delivering written notice thereof to Tenant within 30 days after such Taking, and Basic Rent shall be apportioned as of the date of such Taking. If Landlord does not so terminate this Lease, then this Lease will continue, but if any portion of the Premises has been taken, Rent shall abate as provided in the last sentence of Section 12(b).

(d) **Temporary Taking.** If all or any portion of the Premises becomes subject to a Taking for a limited period of time, this Lease shall remain in full force and effect and Tenant shall continue to perform all of the terms, conditions and covenants of this Lease, including the payment of Rent and all other amounts required hereunder. Landlord shall be entitled to the entire award for any such temporary condemnation or other taking. If any such temporary condemnation or other taking terminates prior to the expiration of the Term, Tenant, at Tenant's election, shall restore the Premises as nearly as possible to the condition prior to the condemnation or other taking, at Tenant's sole cost and expense; provided that, Tenant shall receive the portion of the award attributable to such restoration.

(e) **Award.** If any Taking occurs, then Landlord shall receive the entire award or other compensation for the Premises and other improvements taken; however, Tenant may separately pursue a claim (to the extent it will not reduce Landlord's award) against the condemnor for the value of Tenant's personal property which Tenant is entitled to remove under this Lease, moving costs, loss of business, and other claims it may have.

13. Fire or Other Casualty.

If, at any time during the Term, the Premises, or any portion thereof, should be materially damaged or destroyed by any fire or any other casualty, then Tenant shall promptly give written notice thereof to Landlord. All property insurance proceeds available to Tenant shall be used to repair and restore the Premises, provided that if the total amount of insurance proceeds for such claims ("**Insurance Proceeds**") exceeds \$50,000, the same shall be paid into an escrow account, with a single escrow agent which shall be appointed jointly by Landlord and Tenant, both parties agreeing to use reasonable efforts to agree on such appointment. Payments from such escrow account shall conform to the usual and reasonable disbursement requirements of Landlord. Subject to Tenant's receipt of insurance proceeds sufficient to restore, repair and/or rebuild the damaged or destroyed structures and other improvements, and Tenant's lender permits the use of such proceeds, Tenant shall, at its sole cost and expense, restore, repair and/or rebuild the damaged or destroyed structures and other improvements to the condition that such structures and improvements existed prior to such casualty, including all fixtures, systems and equipment. Such restorations, repairs, and rebuilding shall be commenced as soon as practicable following the occurrence of such damage or destruction and shall thereafter be prosecuted continuously to completion with diligence. Notwithstanding the foregoing, unless the destruction or damage was due to Tenant's gross negligence or willful misconduct, if the then-existing Term is equal to or less than ten (10) years or the cost of restoring the Premises shall exceed fifty percent (50%) of the replacement cost of the Premises, Tenant shall have the right to terminate this Lease by giving the City Representative written notice of Tenant's election to do so within one hundred twenty (120) days after the date on which such damage or destruction occurred, and upon such notice being given, the Lease Term shall automatically terminate and end effective as of the date of damage or destruction. If Tenant terminates this Lease pursuant to this Section 13, all Insurance Proceeds payable with respect to any casualty at the Premises shall be paid to and retained by Landlord. If Tenant fails to maintain the insurance required under this Lease, the amount of Insurance Proceeds shall be deemed to be the amount Tenant would have collected had Tenant maintained the insurance required with a reputable third-party insurer and Tenant shall pay such amount to Landlord.

14. Personal Property Taxes. Tenant shall be liable for all taxes levied or assessed against personal property, furniture, or fixtures placed by Tenant in the Premises or Project. If any taxes for which Tenant is liable are levied or assessed against Landlord or Landlord's property and Landlord elects to pay the same, or if the assessed value of Landlord's property is increased by inclusion of such personal property, furniture or fixtures and Landlord elects to pay the taxes based on such increase, then Tenant shall pay to Landlord, within 30 days following written request therefor, the part of such taxes for which Tenant is primarily liable hereunder; however, Landlord shall not pay such amount if Tenant notifies Landlord that it will contest the validity or amount of such taxes before Landlord makes such payment, and thereafter diligently proceeds with such contest in accordance with Law and if the non-payment thereof does not pose

a threat of loss or seizure of the Project or interest of Landlord therein or impose any fee or penalty against Landlord.

15. **Events of Default.** Each of the following occurrences shall be an “**Event of Default**”:

(a) **Payment Default.** Tenant’s failure to pay any Rent within ten (10) days after Tenant receives written notice from Landlord that such Rent is overdue; provided that, if Landlord has given such notice twice in any twelve (12) month period any subsequent failure by Tenant to pay any Rent as and when due shall constitute an immediate Event of Default;

(b) **Abandonment.** Except for temporary closures permitted in this Agreement, Tenant (1) abandons or vacates the Premises or any substantial portion thereof for a period of ten (10) consecutive days, (2) fails to continuously operate its business in the Premises and such failure continues for ten (10) days after Landlord’s written notice thereof to Tenant, provided that, if Landlord has given such notice once any subsequent failure by Tenant in the ensuing 365 days to continuously operate shall constitute an immediate Event of Default, or (3) fails to operate the Premises in connection with any special event days as authorized and defined under the Submerged Land Lease for the Marina;

(c) **Estoppel.** Tenant fails to provide any estoppel certificate after Landlord’s written request therefor pursuant to Section 21(e) and such failure shall continue ten (10) business days after Landlord’s second written notice to thereof to Tenant;

(d) **Insurance.** Tenant fails to procure, maintain and deliver to Landlord evidence of the insurance policies and coverages as required under Section 11(a) and such failure shall continue for five (5) business days after Landlord’s written notice thereof to Tenant;

(e) **Mechanic’s Liens.** Tenant fails to pay and release of record, or diligently contest and bond around, any mechanic’s lien filed against the Premises or the Property for any work performed, materials furnished, or obligation incurred by or at the request of Tenant, within the time and in the manner required by Section 8(d);

(f) **Other Defaults.** Tenant’s failure to perform, comply with, or observe any other agreement or obligation of Tenant under this Lease and the continuance of such failure for a period of more than 30 days after Landlord has delivered to Tenant written notice thereof (provided, that if the cure of such Tenant Default reasonably requires more than thirty (30) days to complete, then Tenant is not in default if Tenant promptly commences the cure of such Tenant Default and diligently pursues such cure to completion, but in no event longer than 120 days, as extended for Force Majeure Events; and

(g) **Insolvency.** The filing of a petition by or against Tenant (the term “Tenant” shall include, for the purpose of this Section 15(g), any guarantor of Tenant’s obligations hereunder) (1) in any bankruptcy or other insolvency proceeding; (2) seeking any relief under any state or federal debtor relief law; (3) for the appointment of a liquidator or receiver for all or substantially all of Tenant’s property or for Tenant’s interest in this Lease; (4) for the reorganization or modification of Tenant’s capital structure; or (5) in any assignment for the benefit of creditors proceeding; however, if such a petition is filed against Tenant, then such

filing shall not be an Event of Default unless Tenant fails to have the proceedings initiated by such petition dismissed within 90 days after the filing thereof.

(h) **Cross Default.**

Any monetary or material non-monetary default, continuing beyond any applicable notice and cure periods, under the Marina Management Agreement.

Any notice periods provided for under this Section 15 shall run concurrently with any statutory notice periods and any notice given hereunder may be given simultaneously with or incorporated into any such statutory notice.

16. **Remedies.** Upon any Event of Default, Landlord may, in addition to all other rights and remedies afforded Landlord hereunder or by law or equity, take any one or more of the following actions:

(a) **Termination of Lease.** Terminate this Lease by giving Tenant written notice thereof, in which event Tenant shall immediately surrender possession of the Premises to Landlord for Landlord's account, and pay to Landlord the sum of (1) all accrued Rent and other sums hereunder required to be paid through the date of termination, and (2) all amounts due under Section 17(a);

(b) **Termination of Possession.** Terminate Tenant's right to possess the Premises in accordance with applicable Law without terminating this Lease by giving written notice thereof to Tenant, in which event Tenant shall immediately surrender possession of the Premises to Landlord for Tenant's account and pay to Landlord (1) all Rent and other amounts accrued hereunder to the date of termination, (2) all amounts due from time to time under Section 17(a), and (3) all Rent and other net sums required hereunder to be paid by Tenant during the remainder of the Term, diminished by any net sums thereafter received by Landlord through reletting the Premises during such period, after deducting all costs incurred by Landlord in reletting the Premises. If Landlord elects to proceed under this Section 16(b), Landlord may remove all of Tenant's property from the Premises and store the same in a public warehouse or elsewhere at the cost of, and for the account of, Tenant, without becoming liable for any loss or damage which may be occasioned thereby. Landlord shall use good faith efforts to mitigate its damages in the event of an Event of Default by making commercially reasonable efforts to relet the Premises on such terms as Landlord in its sole discretion may determine (including a term different from the Term, rental concessions, and alterations to, and improvement of, the Premises); however, Landlord shall not be obligated to accept any prospective tenant proposed by Tenant unless such proposed tenant meets all of Landlord's commercially reasonable leasing criteria. Landlord shall not be liable for, nor shall Tenant's obligations hereunder be diminished because of, Landlord's failure to relet the Premises or to collect rent due for such reletting. Tenant shall not be entitled to the excess of any consideration obtained by reletting over the Rent due hereunder. Reentry by Landlord in the Premises shall not affect Tenant's obligations hereunder for the unexpired Term; rather, Landlord may, from time to time, bring an action against Tenant to collect amounts due by Tenant, without the necessity of Landlord's waiting until the expiration of the Term. Unless Landlord delivers written notice to Tenant expressly stating that it has elected to terminate this Lease, all actions taken by Landlord to dispossess or exclude Tenant from the Premises shall be

deemed to be taken under this Section 16(b). If Landlord elects to proceed under this Section 16(b), it may at any time elect to terminate this Lease under Section 16(a);

(c) **Perform Acts on Behalf of Tenant.** Perform any act Tenant is obligated to perform under the terms of this Lease and enter upon the Premises in connection therewith if necessary, without being liable for any claim for damages therefor unless caused by Landlord's gross negligence or willful misconduct. Except in the case of an emergency (as determined in the Landlord's sole judgment), Landlord shall notify Tenant in writing at least 48 hours prior to entering the Premises. In all events, Tenant shall reimburse Landlord on demand for any expenses which Landlord may incur in thus effecting compliance with Tenant's obligations under this Lease (including, but not limited to, collection costs and legal expenses), plus interest thereon at the interest rate of ten percent (10%) per annum (the "**Default Rate**"); or

17. Payment by Tenant; Non-Waiver; Cumulative Remedies.

(a) **Payment by Tenant.** Upon any Event of Default, Tenant shall pay to Landlord all actual and reasonable costs incurred by Landlord (including court costs and reasonable attorneys' fees and expenses) in (1) obtaining possession of the Premises, (2) removing and storing Tenant's or any other occupant's property, (3) repairing, restoring, altering, remodeling, or otherwise putting the Premises into condition acceptable to a new tenant, (4) if Tenant is dispossessed of the Premises and this Lease is not terminated, reletting all or any part of the Premises (including brokerage commissions, cost of tenant finish work, and other costs incidental to such reletting), (5) performing Tenant's obligations which Tenant failed to perform, and (6) enforcing, or advising Landlord of, its rights, remedies, and recourses arising out of the default. To the full extent permitted by law, Landlord and Tenant agree the state courts of the state in which the Premises are located shall have exclusive jurisdiction over any matter relating to or arising from this Lease and the parties' rights and obligations under this Lease.

(b) **No Waiver.** Landlord's acceptance of Rent following an Event of Default shall not waive Landlord's rights regarding such Event of Default. No waiver by Landlord of any violation or breach of any of the terms contained herein shall waive Landlord's rights regarding any future violation of such term. Landlord's acceptance of any partial payment of Rent shall not waive Landlord's rights with regard to the remaining portion of the Rent that is due, regardless of any endorsement or other statement on any instrument delivered in payment of Rent or any writing delivered in connection therewith; accordingly, Landlord's acceptance of a partial payment of Rent shall not constitute an accord and satisfaction of the full amount of the Rent that is due.

(c) **Cumulative Remedies.** Any and all remedies set forth in this Lease: (1) shall be in addition to any and all other remedies Landlord may have at law or in equity, (2) shall be cumulative, and (3) may be pursued successively or concurrently as Landlord may elect. The exercise of any remedy by Landlord shall not be deemed an election of remedies or preclude Landlord from exercising any other remedies in the future. Additionally, Tenant shall defend, indemnify and hold harmless Landlord, and its representatives and agents from and against all claims, demands, liabilities, causes of action, suits, judgments, damages and expenses

(including reasonable attorneys' fees) arising from Tenant's failure to perform its obligations under this Lease and as outlined in **Exhibit F**.

18. **Waiver of Landlord's Lien.** Landlord hereby waives all liens, statutory or otherwise, in all of Tenant's property situated in or upon, or used in connection with, the Premises, and all proceeds thereof (except merchandise sold in the ordinary course of business) (collectively, the "**Collateral**").

19. **Surrender of Premises.**

No act by Landlord shall be deemed an acceptance of a surrender of the Premises, and no agreement to accept a surrender of the Premises shall be valid unless it is in writing and signed by Landlord. At the expiration or earlier termination of this Lease, Tenant shall deliver to Landlord the Premises with all improvements located therein at least as good a condition as existed on the Commencement Date, with all of Tenant's obligations related to the condition of the Premises performed, broom-clean, reasonable wear and tear (and condemnation and Casualty damage not caused by Tenant, as to which Sections 13 and 14 shall control) excepted, and shall deliver to Landlord all keys to the Premises. Provided that Tenant has performed all of its obligations hereunder, Tenant may remove all unattached trade fixtures, furniture, and personal property placed in the Premises by Tenant (but Tenant may not remove any such item which was paid for, in whole or in part, by Landlord or any wiring or cabling unless Landlord requires such removal). Additionally, at Landlord's option, Tenant shall remove such alterations, additions, improvements, trade fixtures, personal property, equipment, wiring, conduits, cabling, and furniture (including Tenant's Off-Premises Equipment) as Landlord may request; however, Tenant shall not be required to remove any addition or improvement to the Premises or the Project if Landlord has specifically agreed in writing that the improvement or addition in question need not be removed. Tenant shall repair all damage caused by such removal. All items not so removed shall, at Landlord's option, be deemed to have been abandoned by Tenant and may be appropriated, sold, stored, destroyed, or otherwise disposed of by Landlord without notice to Tenant and without any obligation to account for such items; any such disposition shall not be considered a strict foreclosure or other exercise of Landlord's rights in respect of the security interest granted under Section 19. The provisions of this Section 20 shall survive the end of the Term.

20. **Holding Over.**

If Tenant fails to vacate the Premises at the end of the Term, then Tenant shall be a tenant at sufferance and, in addition to all other damages and remedies to which Landlord may be entitled for such holding over, (a) Tenant shall pay, in addition to the other Rent, Basic Rent equal to or (1) 150% of the fair market value for similar space utilized for a similar use as the Permitted Use, and (b) Tenant shall otherwise continue to be subject to all of Tenant's obligations under this Lease. The provisions of this Section 20 shall not be deemed to limit or constitute a waiver of any other rights or remedies of Landlord provided herein or at law. If Tenant fails to surrender the Premises upon the termination or expiration of this Lease, in addition to any other liabilities to Landlord accruing therefrom, Tenant shall protect, defend, indemnify and hold Landlord harmless from all loss, costs (including reasonable attorneys' fees) and liability resulting from such failure. Notwithstanding anything contained in this Lease to the

contrary, in no event shall Tenant be liable to Landlord or Landlord be liable to Tenant for any special, indirect, punitive, or consequential damages.

21. **Certain Rights Reserved by Landlord.** Provided that the exercise of such rights does not unreasonably interfere with Tenant's occupancy of the Premises, Landlord shall have the following rights:

(a) **Security.** To take such reasonable measures as Landlord deems reasonably advisable for the security of the Premises and its occupants; evacuating the Premises for cause, suspected cause, or for drill purposes;

(b) **Prospective Purchasers and Lenders.** Upon providing at least 48 hours prior written notice to Tenant, to enter the Premises at all reasonable hours to show the Premises to prospective purchasers or lenders;

(c) **Prospective Tenants.** At any time during the last six (6) months of the Term (or earlier if Tenant has notified Landlord in writing that it does not desire to renew the Term) or at any time following the occurrence of an uncured Event of Default, and upon providing at least 48 hours prior written notice to Tenant, to enter the Premises at all reasonable hours to show the Premises to prospective tenants.

22. **Miscellaneous.**

(a) **Landlord Transfer.** Landlord may transfer any portion of the Premises and/or Property and any of its rights under this Lease. If Landlord assigns its rights under this Lease, then Landlord shall thereby be released from any further obligations hereunder arising after the date of transfer, provided that the assignee assumes in writing Landlord's obligations hereunder arising from and after the transfer date.

(b) **Landlord's Liability.** The liability of Landlord to Tenant (or any person or entity claiming by, through or under Tenant) for any default by Landlord under the terms of this Lease or any matter relating to or arising out of the occupancy or use of the Premises and/or this Lease shall be limited to Tenant's actual direct, but not consequential, damages therefor and shall be subject to the limitations and provisions of Section 768.28, Florida Statutes (which provisions are not waived, altered or expanded).

(c) **Force Majeure.** Other than for Tenant's obligations under this Lease that can be performed by the payment of money (e.g., payment of Rent and maintenance of insurance), whenever a period of time is herein prescribed for action to be taken by either party hereto, such party shall not be liable or responsible for, and there shall be excluded from the computation of any such period of time, any delays due to strikes, riots, acts of God, shortages of labor or materials, war, terrorist acts or activities, pandemics, epidemics, quarantines, lockdowns, governmental laws, regulations, or restrictions, or any other causes of any kind whatsoever which are beyond the control of such party (collectively, a "Force Majeure Event"); provided, however, that the extension of time granted for any delay caused by any of the foregoing shall not exceed the actual period of such delay and shall be proximately caused by such Force Majeure Event.

In the event of any delay or nonperformance resulting from any of the foregoing events, the party affected shall notify the other in writing within ten (10) calendar days of the Force Majeure Event. Such written notice shall describe the nature, cause, date of commencement, and the anticipated impact of such delay or nonperformance, shall indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be thereby affected, and shall describe the actions reasonably taken to minimize the impact thereof.

(d) **Brokerage.** Each party hereto hereby represents and warrants to the other that in connection with this Lease, the party so representing and warranting has not dealt with any real estate broker, agent or finder, and, to its knowledge no broker initiated or participated in the negotiation of this Lease or is entitled to any commission in connection with this Lease. Each party hereto will indemnify the other against any inaccuracy in such party's representation. No commission is due for this Lease.

(e) **Estoppel Certificates.** From time to time, Tenant shall furnish to any party designated by Landlord, within twenty (20) days after Landlord has made a request therefor, a certificate signed by Tenant confirming and containing such factual certifications and representations as to this Lease as Landlord may reasonably request. Unless otherwise required by or a prospective purchaser of the Premises or Property, the initial form of estoppel certificate to be signed by Tenant is attached hereto as **Exhibit C**. If Tenant does not deliver to Landlord the certificate signed by Tenant within such required time period, Landlord, and any prospective purchaser, may conclusively presume and rely upon the following facts: (1) this Lease is in full force and effect, (2) the terms and provisions of this Lease have not been changed except as otherwise represented by Landlord, (3) not more than one monthly installment of Basic Rent and other charges have been paid in advance, (4) there are no claims against Landlord nor any defenses or rights of offset against collection of Rent or other charges, and (5) Landlord is not in default under this Lease. In such event, Tenant shall be estopped from denying the truth of the presumed facts.

From time to time, Landlord shall furnish to Tenant, within twenty (20) days after Tenant has made a request therefor, a certificate signed by Landlord confirming and containing such factual certifications and representations as to this Lease as Tenant may reasonably request.

(f) **Notices.** All notices and other communications given pursuant to this Lease shall be in writing and shall be (1) mailed by first class, United States Mail, postage prepaid, certified, with return receipt requested, and addressed to the parties hereto at the address specified in the Basic Lease Information, (2) hand delivered to the intended addressee, or (3) sent by a nationally recognized overnight courier service. All notices shall be effective upon delivery to the address of the addressee, except if a party fails or refuses to collect certified mail. In that instance, the notice shall be effective on the date the second delivery is attempted, whether or not the party collects the certified mail after the second delivery attempt. The parties hereto may change their addresses by giving notice thereof to the other in conformity with this provision. If the deadline or date of performance for any act under the provisions of this Lease falls on a Saturday, Sunday, or City legal holiday the date shall be extended to the next business day.

(g) **Severability.** If any clause or provision of this Lease is illegal, invalid, or unenforceable under present or future laws, then the remainder of this Lease shall not be affected

thereby and in lieu of such clause or provision, there shall be added as a part of this Lease a clause or provision as similar in terms to such illegal, invalid, or unenforceable clause or provision as may be possible and be legal, valid, and enforceable.

(h) **Amendments; Binding Effect.** This Lease may not be amended except by instrument in writing signed by Landlord and Tenant. If the indemnifying party fails to secure such a license for the Landlord Indemnified Parties, then the indemnifying party shall replace the Service or product with a non-infringing Service or product or modify such Service or product in a way satisfactory to the City, so that the Service or product is non-infringing.

If a Landlord Indemnified Party exercises any of its rights set forth in this Exhibit F, the Landlord Indemnified Party will (1) provide reasonable notice to Tenant of the applicable claim or liability, and (2) allow Tenant, at its own expense, to participate in the litigation of such claim or liability to protect its interests. The scope and terms of the indemnity obligations herein described are separate and apart from, and shall not be limited by, any insurance provided pursuant to the Lease or otherwise. Such terms of indemnity shall survive the expiration or termination of the Lease. Notwithstanding anything in this Agreement to the

contrary, if the Indemnifying Party or its insurer provides a defense to the Indemnified Party hereunder, the Indemnified Party shall allow counsel selected by the Indemnifying Party or its insurer to conduct the Indemnified Party's defense unless the Indemnified Party has reasonable cause to believe such counsel is not capable of providing independent advice and representation in which case the Indemnifying Party or its insurer, after due notice may select independent counsel at the sole cost and expense of the Indemnifying Party. The Indemnifying Party shall not be liable for any fees or costs incurred by Indemnified Party prior to receipt of a demand for defense and indemnity from the Indemnified Party.

In the event that any portion of the scope or terms of this indemnity is in derogation of Section 725.06 or 725.08 of the Florida Statutes, all other terms of this indemnity shall remain in full force and effect. Further, any term which offends Section 725.06 or 725.08 of the Florida Statutes will be modified to comply with said statutes.

After execution of this Ground Lease and during the Term of this Lease, Landlord shall not agree to any new leases or other possessory interests, easements, covenants, restrictions or other agreements encumbering the Leased Premises, or any modifications to the Permitted Exceptions, without the prior written consent of Tenant, which may be withheld in Tenant's sole discretion. Tenant agrees and acknowledges that the limitation in the preceding sentence constitutes the Landlord's agreement solely as the fee owner of the Leased Premises and is not a limitation on Landlord acting in any other capacity, including, without limitation, its regulatory capacity. Tenant further agrees that any easements entered into in connection with the Redevelopment Agreement or otherwise consented to by Tenant shall constitute Permitted Exceptions. Upon execution of this Ground Lease, Landlord will execute and deliver to Tenant (a) an owner's affidavit sufficient to delete the "gap", parties in possession and mechanics lien exceptions from the Tenant's leasehold title policy, and (b) a FIRPTA Affidavit. Base Rent shall be due and payable commencing with the Effective Date of this Ground Lease. Tenant shall pay, during the Term as Additional Rent when due, all taxes which may hereafter be imposed or assessed upon the Leased Premises and the Office Building Improvements and any additional improvements made thereon as authorized by this Lease or any part thereof. For purposes of this Ground Lease, the term "taxes" shall mean all ad valorem and non-ad valorem real estate taxes and assessments,

general and special assessments, of any kind or nature imposed upon fixtures, equipment, or property installed or brought onto the Leased Premises by or for the Tenant, plus applicable sales tax. Tenant will be responsible for all taxes associated with Tenant's personal property on the Leased Premises. All such taxes and assessments shall be paid by Tenant before any fine, penalty, interest or costs may be added thereto for the nonpayment thereof, and shall be apportioned between Tenant and Landlord for the tax year in which the Term of this Ground Lease shall begin, as well as for the tax year in which this Ground Lease shall end. Taxes shall not include any inheritance, estate, succession, transfer, gift, franchise, corporation, income or profit tax, personal property, gross receipts, margin or transfer tax levied or assessed against Landlord.

In the event any such contest is made by Tenant, Tenant shall promptly, upon final determination thereof, pay and discharge the amount involved or affected by any such contest, together with any penalties, fines, interest, costs and expenses that may have accrued thereon. Any recovery of taxes as a result of Tenant's action hereunder shall belong solely to Tenant, except to the extent such recovery relates to the period after expiration of the Term of this Ground Lease for which Landlord paid such taxes.

(b) Tenant shall also have the right, at Tenant's sole cost and expense, to endeavor to obtain a lowering of the assessed valuation upon the Leased Premises for the purpose of reducing taxes thereon or an exemption from taxation relative to the Leased Premises or the rentals hereunder. Any recovery of taxes as a result of such proceeding hereunder shall belong solely to Tenant, except to the extent such recovery relates to the period after expiration of the Term of this Ground Lease for which Landlord paid such taxes.

Section 4.3 Refund of Taxes and Assessments. Landlord further covenants and agrees that if there shall be any refunds or rebates on account of any taxes, governmental imposition, levy or special or general assessments paid by Tenant under the provisions of this Ground Lease, such refund or rebate shall belong to Tenant, except to the extent such recovery relates to the period after expiration of the Term of this Ground Lease for which Landlord paid such taxes. Any such refunds or rebates owed to Tenant which are received by Landlord shall be trust funds and shall be forthwith paid to Tenant so long as this Ground Lease shall not be in default. Landlord shall, at Tenant's request, sign any receipt which may be necessary to secure the payment of any such refund or rebate owed to Tenant and shall pay over to Tenant such refund or rebate as received by Landlord.

ARTICLE 5
DEVELOPMENT OF THE LEASED PREMISES; CONSTRUCTION; ALTERATIONS

Section 5.1 Development of the Leased Premises. The Tenant shall develop the Office Building Improvements on the Leased Premises in accordance with (i) the terms and conditions of the Redevelopment Agreement, (ii) the approved plans and specifications referenced in **Exhibit D** (the “Plans and Specifications”), (iii) the site plan attached hereto as **Exhibit E** (the “Site Plan”), and (iv) all permits and approvals applicable to the construction of the Office Building Improvements. Landlord agrees to use commercially reasonable efforts, at no cost to Landlord, to assist Tenant in obtaining the necessary permits and approvals for the Office Building Improvements as provided in the Redevelopment Agreement.

Section 5.2 Construction Liens. Pursuant to Section 713.10, Florida Statutes, it is the intent of the parties hereto that Landlord’s interest in the Leased Premises shall not be subject to any construction liens, or other liens arising from Tenant’s or its contractor’s or subcontractors’ failure to make payments in connection with any buildings or improvements installed or constructed on the Leased Premises. Nothing contained in this Ground Lease shall be construed to confer upon any party, including without limitation, material suppliers and contractors, the right to file a construction lien or other lien or any claim related thereto, nor to perform any labor or to furnish any materials for the account of Landlord in respect to the construction of any improvements, alterations or repairs to the Leased Premises by Tenant, its employees, agents or contractors. Any person furnishing labor or materials to or for the benefit of the Leased Premises on account of Tenant or its subtenants shall look only to the estate of their immediate landlord for the satisfaction of any construction or other lien. If any construction or other liens shall be filed against the Landlord’s fee interest in the Leased Premises by reason of or arising out of any labor or materials furnished or alleged to have been furnished to or for the Tenant at the Leased Premises, the Tenant shall, within thirty (30) days of the date tenant receives notice thereof, either pay or bond the same or procure the discharge thereof in such manner as may be provided by law. The Tenant shall also defend on behalf of the Landlord at the Tenant’s sole cost and expense any action, suit or proceeding which may be brought thereon or for the enforcement of such liens or orders, and the Tenant shall pay any damage and discharge any judgment entered therein and indemnify and hold Landlord harmless from any claim, costs, including reasonable attorney fees, or damage resulting therefrom or arising in connection therewith. During the entire term of this Ground Lease, Tenant shall pay for all labor performed and material furnished at Tenant’s request for the excavation, erection, repair, alterations and improvements of the buildings and improvements to be constructed and erected by Tenant on the Leased Premises pursuant to the terms of this Ground Lease and the Redevelopment Agreement.

Tenant shall include in its direct contracts for construction on the Leased Premises the following requirements: (i) Landlord be included as an indemnified party in all indemnifications from contractor; (ii) Landlord be included as an additional insured on contractors commercial general liability policy and be provided with an endorsement evidencing same; (iii) Landlord be

included in all waivers of subrogation for claims related general liability and/or builder's risk coverage.

Section 5.3 Landlord's Rights to Terminate Ground Lease for Failure to Construct.

(a) Tenant shall "Commence Construction" (as defined in the Redevelopment Agreement) of the Office Building Improvements by no later than June 1, 2022. In the event the Tenant does not Commence Construction of the Office Building Improvements by no later than June 1, 2022 as such date may be extended pursuant to the terms of the Redevelopment Agreement (including as a result of a Force Majeure Event thereunder), the Landlord shall have the remedies as set forth in the Redevelopment Agreement, which shall include the right to terminate this Ground Lease at any time prior to the date Tenant Commences Construction, upon not less than thirty (30) days prior written notice to Tenant, with opportunity to cure as set forth in the Redevelopment Agreement.

(b) In the event the Tenant has not achieved Substantial Completion (as defined in the Redevelopment Agreement) of the Office Building Improvements on or before December 31, 2025, as the same may be extended pursuant to the Redevelopment Agreement (including as a result of a Force Majeure Event thereunder) (the "Outside Completion Date"), the Landlord shall have the remedies as set forth in the Redevelopment Agreement.

Section 5.4 Ownership of Office Building Improvements. Tenant shall, during the entire term of this Ground Lease, own the Office Building Improvements (including fixtures and personal property) constructed or placed upon the Leased Premises. The Tenant covenants and agrees, at the termination of this Ground Lease, whether by limitation, forfeiture or otherwise, to quit, surrender and deliver to the Landlord possession of the Leased Premises with the Office Building Improvements thereon, if any (excluding any Personal Property), free from any payment therefor and free and clear of any liens or encumbrances arising through Tenant or any subtenant, in good condition and repair, ordinary wear and tear and damage by casualty excepted, all of which, if any, shall become and remain the property of the Landlord from and after such termination.

Section 5.5 Trade Fixtures. Any trade fixtures installed in the Leased Premises at the expense of Tenant or its subtenants, shall remain Tenant's or such subtenant's personal property and Tenant or such subtenant shall have the right at any time during the Term of this Lease to remove such trade fixtures. Upon removal of any trade fixtures, Tenant shall immediately restore the Leased Premises to substantially the same condition that existed upon installation of such fixtures, ordinary wear excepted. Any trade fixtures not removed by Tenant at the expiration or an earlier termination of the Lease shall become the property of Landlord, in which event Landlord shall be entitled to handle and dispose of same in any manner Landlord deems fit without any liability or obligation to Tenant or any other third party with respect thereto. Without limiting the generality of the foregoing, the following property shall in no event be deemed to be "trade fixtures" and Tenant shall not remove any such property from the Leased Premises under any circumstances, regardless of whether installed by Landlord or Tenant: (a) any air conditioning, air ventilating or heating fixtures or equipment; (b) any lighting fixtures or equipment; (c) any dock levelers; (d) any carpeting or other permanent floor coverings; (e) any

paneling or other wall coverings; (f) plumbing fixtures and equipment; (g) permanent shelving; (h) above ground vehicle lifts; (i) elevators; or (j) communication closets with dedicated wiring.

Tenant, at its own cost and expense, shall apply for and prosecute with reasonable diligence, all necessary permits and licenses required for any maintenance, construction or repair by Tenant. Landlord, without cost or expense to itself, and without incurring any liability or waiving any rights, shall cooperate with Tenant in securing building and other permits and authorizations necessary from time to time for any construction, alteration(s) or other work permitted to be done by Tenant under this Ground Lease.

Section 5.7 Alterations: Tenant shall have the right, from time to time, after Substantial Completion of the Office Building Improvements, to make, at Tenant's sole cost, additions, alterations, renovations and changes in or to the Leased Premises (herein sometimes collectively called "Alterations"), subject to the following covenants and conditions:

(a) If any liens for labor and material supplied or claimed to have been supplied to the Leased Premises shall be filed, Tenant shall pay or obtain bonds against such liens or otherwise obtain the release or discharge thereof within thirty (30) days of the date of filing.

(b) Unless approved in advance in writing by Landlord (which approval may be withheld in Landlord's sole discretion) or otherwise permitted pursuant to the express terms of this Ground Lease, no Alterations of any kind shall be made which would tend to: (i) impair the structural soundness or reduce the value of the Improvements, (ii) decrease the total leasable square footage of the Improvements, (iii) give to any owner, Tenant or occupant of any other property or to any other person or corporation any easement, right-of-way or any other right over or senior to Landlord's interest in the Leased Premises, (iv) involve the demolition or removal of any material portion of the existing Office Building Improvements, or (v) alter the "Minimum Requirements" for the ground floor of the Office Building as set forth in Exhibit H attached hereto, as the same may be amended pursuant to the Redevelopment Agreement.

(c) No Alterations shall be undertaken until Tenant shall have procured and paid for, so far as the same may be required from time to time, all permits and authorizations of all municipal and other governmental authorities having jurisdiction. Landlord shall join, but without liability or expense to Landlord, in the application for such permits and authorizations whenever such action is necessary and is required by Tenant and such Alterations shall comply with the terms of this Ground Lease.

(d) The approval of any Leasehold Mortgagee, if necessary, shall be first obtained in writing and a copy of same provided to Landlord.

(e) Any and all Alterations shall be made within a reasonable time, subject to any extensions for Force Majeure Events, and in a first-class, good and workmanlike manner and in compliance with all Permitted Exceptions to which the Leased Premises may, from time to time, be subject, with all applicable permits and authorizations and building and zoning laws and with all other laws, ordinances, orders, rules regulations and requirements of all federal, state, county and municipal governments, departments, commissions, boards and officers (including but not limited to Downtown Development Review Board approval for any exterior improvements), and

in accordance with the orders, rules and regulations of the National Board of Fire Underwriters or any other body or bodies hereafter exercising similar functions.

Section 5.8 Environmental Issues. Tenant shall not use or permit the use of the Leased Premises for the generation, cultivation, storage, treatment, use, transportation or disposal of any chemical, material, vegetation, or other substance which is regulated as toxic or hazardous or exposure to which is prohibited, limited, or regulated by any federal, state, county, regional, local, or other governmental authority. The previous provision to the contrary notwithstanding, Landlord agrees that the use of household cleaners and other chemicals in standard retail containers as are commonly and lawfully sold by supermarkets, discount stores, and/or drugstores shall be permitted. Additionally, Landlord agrees that Tenant or its subtenants may use such household cleaners and chemicals to maintain the Leased Premises, provided that in doing so, Tenant complies with all applicable environmental laws. In the event of any generation, deposit, use or release of any toxic or hazardous material during the Term of this Ground Lease on, at, upon, under or from the Leased Premises by Tenant or any contractor, agent, employee, or invitee of Tenant or its subtenants, Tenant will remove, or cause to be removed, such hazardous material at its own expense and will indemnify Landlord for any damage, liabilities, claims or expense, including reasonable attorney fees, Landlord suffers as a result.

ARTICLE 6 LEASEHOLD MORTGAGES

Section 6.1 Definitions.

(a) “Leasehold Mortgage” shall mean a mortgage of Tenant’s leasehold interest hereunder, as the same may be amended, modified, renewed or extended from time to time, unless and until paid, satisfied and discharged or record. All rights acquired under any Leasehold Mortgage shall be subject to the provisions in this Lease and to all rights and interests of the Landlord herein.

(b) “Leasehold Mortgagee” shall mean the holder of a Leasehold Mortgage that (i) is a bank, trust company, savings and loan association, pension fund or endowment, or insurance company or any other third party lender otherwise approved by the Landlord in advance, which approval shall not be unreasonably withheld, conditioned or delayed, and (ii) has delivered a Leasehold Mortgage Notice to Landlord.

Section 6.2 Notice Requirements: In the event that Tenant, during the Term of this Ground Lease, should mortgage its leasehold estate or interest in the Office Building Improvements and/or other improvements now existing or hereafter situated upon the Leased Premises through a Leasehold Mortgage, Tenant or the applicable Leasehold Mortgagee shall give Landlord written notice of the same and the name and address of any such Leasehold Mortgagee, together with the pertinent recording data with respect to such Leasehold Mortgage (a “Leasehold Mortgage Notice”). Thereafter, while any such Leasehold Mortgage is in force, Landlord shall give such Leasehold Mortgagee a duplicate copy of any and all notices of default or other notices in writing which Landlord is required to give or serve upon Tenant pursuant to the terms of Article 23 of this Ground Lease (a “Landlord Notice”) at such address as was set

forth in the Leasehold Mortgagee Notice, provided that, different addresses may be designated by such Permitted Leasehold Mortgagee by written notice delivered to Landlord from time to time.

Section 6.3 Performance by Leasehold Mortgagee in lieu of Tenant. Any Leasehold Mortgagee may, at its option pay any of the Base Rent to be paid by Tenant or do any other act or thing required of the Tenant by the provisions of this Ground Lease, and in such event the Leasehold Mortgagee shall not be deemed to have assumed the liabilities of Tenant hereunder; and all payments so made and all things so done or performed by any such Leasehold Mortgagee shall be as effective as the same would have been if done and performed by Tenant instead of by any such Leasehold Mortgagee; provided, however, that no entry by the Leasehold Mortgagee upon the Leased Premises for such purposes shall constitute or be deemed to be an eviction of Tenant and shall not waive or release Tenant from any obligation or default hereunder (except such obligation or default which shall have been fully performed or corrected by such payment or performance by the Leasehold Mortgagee within the cure periods set forth in Section 6.4 below).

Section 6.4 Leasehold Mortgagee's Rights with Tenant's Default: Landlord agrees to allow the Leasehold Mortgagee the same period after sending the Landlord Notice as is given to Tenant under this Ground Lease, plus (a) ten (10) days to cure any default by Tenant to maintain any required insurance, (b) ten (10) days to cure a monetary default, or (c) thirty (30) days to cure a non-monetary default (other than the failure to maintain required insurance). Landlord acknowledges that, to the extent that the curing of any non-monetary default reasonably requires that the Leasehold Mortgagee be in possession of the Leased Premises, Landlord shall have such longer period as is reasonably necessary to cure a non-monetary default provided that the Leasehold Mortgagee has commenced a cure of such default and is pursuing the cure to completion with reasonable diligence, and provided further that during the period permitted to cure a non-monetary default the Leasehold Mortgagee maintains or causes to be maintained all required insurance and timely pays or causes to be timely paid all required Base Rent under this Ground Lease. Further, Landlord agrees that any obligation to construct the Office Building Improvements shall be tolled so long as the Leasehold Mortgagee has commenced and is diligently pursuing to conclusion an action to foreclose its Leasehold Mortgage, and that the Leasehold Mortgagee shall be entitled to the period provided in this Ground Lease (as extended for such tolling) to complete construction of the Office Building Improvements if the Leasehold Mortgagee is successful in obtaining possession of the Leased Premises and such construction obligation has not then been fully performed.

Section 6.5 Attornment: If the Leasehold Mortgagee or any other third party shall acquire title to the Tenant's leasehold estate under this Ground Lease by foreclosure of the Leasehold Mortgage, assignment in lieu of foreclosure, or other enforcement of the Leasehold Mortgage, then the Landlord will recognize the Leasehold Mortgagee or other third party (a "Mortgagee Tenant") as the successor tenant to the Tenant under this Ground Lease. In such

event, the Mortgagee Tenant shall assume and succeed to all of the obligations, rights and privileges granted Tenant under this Ground Lease and the Mortgagee Tenant shall be bound at all times by the terms and conditions of this Ground Lease and shall attorn to the Landlord under the Ground Lease and shall diligently prosecute completion of the Office Building Improvements as set forth in the Redevelopment Agreement; provided, however, that any deadline for the completion or substantial completion of construction of the Office Building Improvements as set forth in the Redevelopment Agreement, to the extent not previously performed, shall be subject to possible further extensions pursuant to the terms of the Redevelopment Agreement, and shall be further extended, if required by the Mortgagee Tenant, to a date up to one (1) year after the date the Mortgagee Tenant acquires title to Tenant's leasehold estate under this Ground Lease (subject to any extension for a Force Majeure Event (as defined in this Ground Lease)); and further provided, however, that if the Leasehold Mortgagee is the Mortgagee Tenant, the Leasehold Mortgagee (a) shall have the right to assign its interest in this Ground Lease to a third party in accordance with the terms and conditions of this Ground Lease, and (b) upon any such assignment, except for the obligations that have accrued through the effective date of such assignment, the Leasehold Mortgagee shall have no further liability or obligation under this Ground Lease and Landlord shall look to the assignee for the performance of Tenant's obligations thereafter accruing under this Ground Lease.

Section 6.6 New Ground Lease: Upon termination of this Ground Lease for any Event of Default or if this Ground Lease is rejected or treated as terminated pursuant to Section 365 of the United States Bankruptcy Code (11 U.S.C. §365) or any substitute for such Section 365 in a case under the United States Bankruptcy Code in which Tenant is the debtor, the Leasehold Mortgagee shall have the option, upon written notice to Landlord delivered within thirty (30) days after receipt of written notice of such termination, to elect to receive from Landlord in its own name, a new lease agreement (the "New Ground Lease") covering the Leased Premises for the unexpired balance of the Term of this Ground Lease and Landlord agrees to execute such New Ground Lease provided the following shall occur: (a) any monetary default of the Tenant (except, however, any damage or loss claimed against Tenant for breach of non-monetary covenant or other action, or failure to act, by Tenant) and any non-monetary default of Tenant, excluding any non-monetary default which by its very nature is incapable of cure by any other party, shall be cured or a cure shall have been undertaken and shall be diligently being pursued to completion; (b) all covenants and conditions to this Ground Lease on the part of Tenant to be observed and performed shall thereafter be observed and performed by the Leasehold Mortgagee under the New Ground Lease; and (c) and shall diligently prosecute completion of the Office Building Improvements as set forth in the Redevelopment Agreement to the extent not previously performed, provided, however, that any deadline for the completion or substantial completion of construction of the Office Building Improvements as set forth in the Redevelopment Agreement, to the extent not previously performed, shall be subject to extension pursuant to the terms of the Redevelopment Agreement, and shall be further extended, if required by the Leasehold Mortgagee, to a date up to one (1) year after the date Landlord signs the New Ground Lease (subject to any extension for a Force Majeure Event (as defined in this Ground Lease)). In the event the Leasehold Mortgagee becomes the tenant under a New Ground Lease as herein provided, the Leasehold Mortgagee (i) shall have the right to assign its interest in the New Ground Lease to a third party in accordance with the terms and conditions of this Ground Lease, and (ii) upon any such assignment, except for the obligations that have accrued through the effective date of such assignment, the Leasehold Mortgagee shall have no further liability or

Without the consent of all Leasehold Mortgagees, neither Landlord nor Tenant can permit the fee title to the Lease Premises and the leasehold estate created by this Ground Lease to merge but the same shall remain separate and distinct notwithstanding the acquisition of the Leased Premises and said leasehold estate by Landlord or by Tenant or by a third party, by purchase or otherwise. No acceptance by Landlord of a voluntary surrender of this Ground Lease, nor any voluntary modification of this Ground Lease, shall be binding upon any Leasehold Mortgagee without its consent. Nothing contained in this Section 6.7 shall prohibit, prevent or otherwise affect any expiration or termination of this Ground Lease (or any rights of Landlord or Tenant to effect the termination of this Ground Lease) in accordance with the provisions hereof.

Section 6.8 Leasehold Mortgage Provisions. All Leasehold Mortgages shall require the Leasehold Mortgagee to give Landlord notice of any default by Tenant under the Leasehold Mortgage.

Tenant shall have the right to notice of and to participate in all eminent domain proceedings, together with the Landlord and any Leasehold Mortgagee (as hereinafter defined). Section 11.6 Substitution of Guarantor. If Tenant assigns this Lease in compliance with this Ground Lease, then Tenant may deliver to Landlord a replacement for the Guaranty (in the same form as the Guaranty) issued by any person or entity that has a net worth equal to at least _____ as evidenced by financial statements delivered to Landlord. If Tenant delivers any replacement Guaranty as this paragraph contemplates, then the previous Guaranty shall be cancelled and of no force or effect as it relates to this Ground Lease, except as to any then-existing obligations under such Guaranty. When no such obligations then exist, then Landlord shall upon request deliver such evidence of such cancellation as Tenant reasonably requests, including the original Guaranty marked "Cancelled" or a lost instrument affidavit and indemnity in customary form.

Section 11.7 Transfers by Landlord.

(a) Landlord's Right to Convey. Landlord may Transfer its fee interest in the Leased Premises at any time without the consent of Tenant.

(b) Release of Landlord. Upon any Transfer of the entire Fee Estate in compliance with this Lease, the grantor shall be automatically freed and relieved from all liability (excluding liability previously accrued) for performance of any covenants or obligations to be performed by Landlord after the Transfer, provided that: such successor Landlord assumes Landlord's obligations under this Lease arising after such date of Transfer. This Lease shall bind

Landlord only while Landlord owns the Fee Estate, except as to any liabilities and obligations accrued before the date of Transfer of the Fee Estate.

ARTICLE 12 INDEMNITY

Tenant covenants and agrees, and will require any Subtenant to covenant and agree, that Landlord shall not be liable for any injuries or damages to persons or property from any cause whatsoever by reason of the use, occupation, control or enjoyment of the Leased Premises by Tenant or such subtenant, or its agents or employees or any person entering thereon for any reason, or invited, suffered or permitted by Tenant or such subtenant to go or be thereon, or holding under Tenant or such subtenant at any time during the term of this Ground Lease, including, without limitation, any subtenant or assignee. Tenant will indemnify and hold Landlord harmless from and against any and all damages, liabilities, claims or expenses, including reasonable attorney's fees, whatsoever on account of such injuries or damages ("Claims") to the extent caused by Tenant or the use of the Leased Premises pursuant to the terms of this Ground Lease. Tenant and any such subtenant will, jointly and severally, indemnify and hold Landlord harmless from and against any and all damages, liabilities, claims or expenses, including reasonable attorney's fees, whatsoever on account of such injuries or damages caused by a subtenant or caused by subtenant's breach of this Lease. The injuries and damages referred to herein shall include, without limiting the generality of the preceding provisions, injuries, damages and construction liens arising directly or indirectly out of any demolition, disposal of debris, repairs, restoration, reconstruction, changes, alterations and construction which Tenant or any subtenant may make or cause to be made upon the Leased Premises or any portion thereof. Tenant, at Tenant's expense, agrees to employ legal counsel reasonably acceptable to Landlord to defend any action against Landlord for which any claim shall be made for injuries or damages commenced against Landlord by reason of the foregoing.

ARTICLE 13 UTILITY EASEMENTS

Tenant shall be responsible, at Tenant's sole expense, for negotiating, subject to Landlord's approval, not to be unreasonably withheld, conditioned or delayed, (i) any easements on the Leased Premises as the Tenant may deem reasonably necessary to install, provide and maintain all utilities to and serving only the Leased Premises, including easements to utility companies and/or the municipal authorities having jurisdiction thereof, and (ii) any necessary modifications of existing utility easements as Tenant may reasonably request so as to remove, terminate or relocate certain easements from their present locations to the perimeter or boundaries of the Leased Premises in order to avoid or reduce interference with the erection of the Office Building Improvements and the continued use thereof. Landlord shall, promptly upon request, execute in recordable form such instruments granting such easements or modifications to existing easements as may be requested by Tenant, as prepared and obtained by Tenant, in all cases in forms satisfactory to Landlord, in Landlord's reasonable discretion.

ARTICLE 14 DEFAULT

Section 14.1 Events of Default By Tenant. The following shall be deemed “Events of Default” by Tenant under this Ground Lease:

(a) If the Tenant shall default in payment of Rent or in the payment of other charges as such shall become due on the date(s) provided for in this Ground Lease, and if such default shall continue for a period of ten (10) days after receipt by Tenant of written notice of said nonpayment specifying in reasonable detail the amounts not paid and the nature and calculation of such amount; or

(b) If Tenant shall default or fail in the performance of a material covenant or agreement on its part to be performed in this Ground Lease, and such default shall not have been cured for a period of thirty (30) days after receipt by Tenant of written notice of said default from Landlord; provided, however, that if such default cannot, with due diligence, be cured within thirty (30) days, and Tenant shall not have commenced the remedying thereof within such period or shall not be proceeding with due diligence to remedy same (it being intended in connection with a default not susceptible of being cured by Tenant with due diligence within thirty (30) days, that the time within which to remedy same shall be extended for such period as may be necessary to complete same with due diligence provided Tenant continuously proceeds with due diligence to complete such cure); or

(c) If Tenant has not Commenced Construction on or before June 1, 2022 as such date may be extended pursuant to the Redevelopment Agreement;

(d) If Tenant shall default under the Redevelopment Agreement after the expiration of any applicable grace period or notice and cure period prior to Tenant having Commenced Construction;

(e) If the Tenant shall make an assignment for the benefit of creditors or shall file a voluntary petition under the state or federal bankruptcy laws or be adjudicated a bankrupt or shall make application for the appointment of a receiver; or

(f) If the filing of a petition against Tenant seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future federal, state or other law or regulation relating to bankruptcy, insolvency or other relief for debtors, or the appointment of any trustee, receiver or liquidator of Tenant, unless the petition shall be dismissed within ninety (90) days after the filing, but in any event prior to the entry of a final order, judgment or decree approving such petition; or

(g) If any execution or attachment shall be issued against the Tenant or any of the Tenant’s property, whereby the Leased Premises or any building or buildings or any improvements thereon shall be taken or occupied by someone other than the Tenant, except as may be herein permitted or such adjudication, appointment, assignment, petition, execution or attachment shall not be set aside, vacated, discharged or bonded within ninety (90) days after the issuance of same.

(h) If Tenant shall fail to (1) commence the repair and restoration required pursuant to Section 8.4(a) of this Ground Lease on or before the Outside Casualty Repair

Commencement Date, or (2) proceed diligently and continuously to complete the construction of such repair or restoration required pursuant to Section 8.4(a) of this Ground Lease.

(i) If Tenant shall fail to (1) commence the repair and restoration required pursuant to Section 8.7(b) of this Ground Lease on or before the Outside Condemnation Repair Commencement Date, or (2) proceed diligently and continuously to complete the construction of such repair or restoration as required pursuant to Section 8.7(b) of this Ground Lease.

Section 14.2 Remedies for Tenant Default. If an Event of Default occurs hereunder beyond all applicable notice and cure periods set forth under this Ground Lease, Landlord may, at any time and from time to time thereafter pursue any one or more of the following remedies:

(a) The Base Rent amount shall increase to one hundred fourteen thousand and no/100 dollars (\$114,000.00) annually for the remaining term of this Ground Lease; provided, however that the foregoing remedy shall not be available for a default under Section 14.1(c) of this Ground Lease.

(b) Subject to the provisions of Article 6 with respect to the rights of any Leasehold Mortgagee, terminate this Ground Lease by giving Tenant written notice of termination (with a copy of said notice to any Leasehold Mortgagee as provided in Article 6), in which event this Ground Lease and the leasehold estate created hereby and all interest of Tenant and all parties claiming by, through or under Tenant shall automatically terminate upon the effective date of such termination notice with the same force and effect and to the same extent as if the effective date of such notice were the day originally fixed for the expiration of the Term of this Ground Lease, and Tenant shall immediately surrender the Leased Premises to Landlord, failing which Landlord, its agents or representatives, shall have the right, without further demand or notice, to reenter and take possession of the Leased Premises (including all Improvements comprising part thereof) and remove all persons and property therefrom with or without process of law, without being deemed guilty of any manner of trespass and without prejudice to any remedies of Landlord for past due Base Rent due under the provisions of this Ground Lease. In the event that Landlord elects to declare this Ground Lease canceled and terminated as herein provided, all Improvements then situated upon the Leased Premises shall be and become the absolute and unconditional property of Landlord, free and clear of any mortgage, lien or other encumbrance created by or through Tenant, and any claim of any person or corporation claiming under or through Tenant.

(c) Subject to the provisions of Article 6 with respect to the rights of any Leasehold Mortgagee, without terminating this Ground Lease or the leasehold estate created hereby, reenter and take possession of the Leased Premises (including all Improvements comprising part thereof) and remove all persons and property therefrom, pursuant to process of law, without being deemed guilty of any manner of trespass and without prejudice to any remedies for any breaches of covenants (including the payment of Base Rent as increased under this Article 14), then existing or thereafter occurring, and sublease, manage and operate the Leased Premises and collect the rents, issues and profits therefrom, all for the account of Tenant, and credit to the satisfaction of Tenant's obligations hereunder the Base Rent thus received (after deducting therefrom all reasonable costs and expenses of repossessing, leasing, managing and operating the Leased Premises), and Tenant agrees to pay to Landlord on demand any deficiency that may arise, or if the Base Rent so received by Landlord exceeds the amounts necessary to satisfy all of Tenant's obligations under this Ground Lease, Landlord shall credit any excess to Tenant's future obligations under this Ground Lease in the inverse

order of maturity. In the event Landlord retakes possession of the Leased Premises under the foregoing provisions hereof, Landlord shall not be liable for any damages or injuries arising from its management and operation of the Leased Premises unless caused by the gross negligence or willful misconduct of Landlord, its agents, contractors or employees. No such retaking of possession or any other action taken under the foregoing provisions of this Subsection shall be construed as an acceptance of Tenant's surrender of the Leased Premises or as an election by Landlord to terminate this Ground Lease unless written notice of such acceptance or termination is given by Landlord to Tenant.

(d) Enter the Leased Premises and fulfill Tenant's obligations under this Ground Lease; and Tenant agrees to reimburse Landlord within ten (10) business days after written demand for any expenses which Landlord may incur in effecting compliance with any of Tenant's obligations under this Ground Lease and agrees that Landlord shall not be liable for any damages resulting to Tenant from such action, except to the extent caused by the gross negligence or misconduct of Landlord or its agents, contractors or employees, but not otherwise.

(e) Exercise such other rights and remedies as are available at law or in equity.

Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any Base Rent or charges due to Landlord hereunder, or of any damages accruing to Landlord by reason of the violation of any of the terms, provisions, and covenants herein contained.

Upon the exercise of Landlord's remedies pursuant to this Section 14.2, Tenant shall execute such commercially reasonable releases, deeds and other instruments in recordable form as Landlord shall reasonably request to accurately set forth of record the status of the leasehold estate and Tenant's rights hereunder.

Notwithstanding anything contained herein to the contrary, Landlord shall use commercially reasonable efforts to mitigate all damages which may accrue as a result of any Event of Default by Tenant hereunder.

Section 14.3 Events of Default By Landlord; Remedies for Landlord Default. If Landlord is ever in default under the terms of this Lease, or if Landlord commits a breach of any one or more of the covenants, terms and conditions herein set forth, then Tenant shall deliver Landlord a written notice that states the alleged default or breach (the "Landlord Default Notice"). If Landlord does not cure the alleged default or breach within sixty (60) days after it receives the Landlord Default Notice (provided however, that if the breach or failure to perform cannot be reasonably cured within the 60-day period, then a Landlord default shall only be deemed to occur if Landlord does not in good faith commence the cure within the 60-day period and thereafter fails to diligently pursue the cure to completion within one-hundred twenty (120) days after receiving the Landlord Default Notice as such period shall be extended for such period as may be necessary to complete the same with diligence), then, Tenant shall have all remedies for legal relief provided by law or in equity.

Section 14.4 Waiver of Consequential Damages. Whenever either party may seek or claim damages against the other party (whether by reason of a breach of this Ground Lease by

such party, in enforcement of any indemnity obligation, for misrepresentation or breach of warranty, or otherwise), neither Landlord nor Tenant shall seek, nor shall there be awarded or granted by any court, arbitrator, or other adjudicator, any speculative, consequential, collateral, special, punitive, or indirect damages, whether such breach shall be willful, knowing, intentional, deliberate, or otherwise. The parties intend that any damages awarded to either party shall be limited to actual, direct damages sustained by the aggrieved party. Neither party shall be liable for any loss of profits suffered or claimed to have been suffered by the other.

ARTICLE 15 FORCE MAJEURE

No party to this Agreement shall be deemed in default hereunder where such a default, other than Tenant's obligation to pay Rent or other monetary payments under this Ground Lease, is based on a delay in performance as a result of war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, casualty, acts of God, acts of public enemy, epidemic, pandemic, quarantine restrictions, freight embargo, shortage of labor or materials, interruption of utilities service, lack of transportation, permitting delays, severe weather and other acts or failures beyond the control or without the control of any party (collectively, a "Force Majeure Event"); provided, however, that the extension of time granted for any delay caused by any of the foregoing shall not exceed the actual period of such delay and shall be proximately caused by such Force Majeure Event. In the event of any delay or nonperformance resulting from such causes, the party affected shall notify the other in writing within thirty (30) calendar days of the Force Majeure Event. Such written notice shall describe the nature, cause, date of commencement, and the anticipated impact of such delay or nonperformance, shall indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be thereby affected, and shall describe the actions reasonably taken to minimize the impact thereof. Notwithstanding anything in this Lease to the contrary, and for the avoidance of doubt, when a Force Majeure Event under this Lease also constitutes a Force Majeure Event under the Redevelopment Agreement, such periods of delay shall run concurrently rather than consecutively.

ARTICLE 16 ESTOPPEL CERTIFICATES

Either Landlord or Tenant, without charge, at any time and from time to time (but no more frequently than twice per year), upon twenty (20) days written request by the other, shall certify, by written instrument, duly executed and acknowledged, to the other party, any third party mortgagees selected, or any purchaser, or any proposed mortgagee or proposed purchaser, or any proposed subtenant of the Tenant, or any other independent, unrelated, third party person, firm or corporation specified by the other party:

(a) that this Ground Lease is unmodified and in full force and effect, or, if there has been a modification, that the same is in full force and effect as modified, and stating the date and nature of such modification;

(b) the dates, if any, to which the Rent and other impositions and other charges hereunder have been paid in advance;

(c) to the certifying party's knowledge, whether either party is or is not in default in the performance of any covenant, condition or agreement on its part to be performed, and the nature of such default, if any; and

(d) to the certifying party's knowledge, whether any event has occurred which, with the passage of time, would constitute an event of default under this Ground Lease.

In the event any party requests more than two (2) estoppel certificates in any single calendar year, the non-requesting party shall be permitted to charge One Thousand and No/100 Dollars (\$1,000.00) for every such additional estoppel certificate requested during any calendar year. The foregoing estoppel certificate may be relied upon only by the designated recipient of such certification and not by either Landlord or Tenant against the certifying party unless the estoppel certificate is specifically addressed to the Landlord or Tenant.

ARTICLE 17 SIGNS

Tenant may, without cost or expense to Landlord, at any time and from time to time, place or permit to be placed signs and advertising matter in, on or about the Leased Premises and any buildings now or hereafter erected thereon, including the roof of any such buildings, and to remove them or permit them to be removed, provided same is done in full compliance with the all applicable governmental laws, rules, regulations and codes, as may be amended from time to time, including but not limited to the City of Jacksonville sign ordinance. Tenant covenants and agrees to indemnify, defend and hold Landlord harmless from any damages, liabilities, claims or expenses, including reasonable attorney fees, that may be sustained by anyone by reason thereof.

ARTICLE 18 REPRESENTATIONS AND WARRANTIES OF LANDLORD

Landlord warrants and represents to Landlord's actual knowledge as follows as of the Effective Date of this Ground Lease and where indicated covenants and agrees as follows:

(a) Title. Landlord is the owner in fee simple of all of the Leased Premises.

(b) Bankruptcy. Landlord is not bankrupt or insolvent under any applicable Federal or state standard, has not filed for protection or relief under any applicable bankruptcy or creditor protection statute and has not been threatened by creditors with an involuntary application of any applicable bankruptcy or creditor protection statute. Landlord is not entering into this Ground Lease with an intent to defraud any creditor or to prefer the rights of one creditor over any other. Landlord and Tenant have negotiated this Ground Lease at arms-length and the consideration paid represents fair value for the assets to be transferred.

(c) Litigation. Landlord is not a party to any litigation, condemnation, quasi-judicial, administrative or other proceedings or court order, affecting the Leased Premises.

(d) Other Agreements. Landlord has not made any commitment or representation to any other government authority, or any adjoining or surrounding property owner, which would materially and adversely impact Tenant's development of the Leased Premises for

the Office Building Improvements, and Landlord covenants and agrees it will not make any such commitment or representation after the Effective Date without the Tenant's prior written consent.

(e) No Leases or Agreements. Landlord has not entered into any, and to Landlord's knowledge there are no unrecorded leases, rights of first refusal, options or other contracts affecting the Leased Premises which are not referred to in this Ground Lease and, after the Effective Date of this Ground Lease, Landlord shall not enter into any new lease, right of first refusal, option or other contract affecting the Leased Premises.

It is the belief and intent of Landlord and Tenant that neither the Leased Premises, nor any portion thereof, shall be the subject of any imposition, levy or payment of ad valorem real property tax. If any such tax is payable, it shall be the sole obligation of Tenant.

ARTICLE 21 HOLDOVER

If the Tenant shall hold over as a Tenant after the expiration of the Term, then such tenancy shall be deemed to be on a month-to-month basis upon the same terms and conditions as are contained herein except that Rent shall equal one hundred fifty percent (150%) of the Rent paid over the twelve (12) months immediately prior to the end of the Term.

ARTICLE 22 PARTIAL INVALIDITY

If any term, covenant, condition or provision of this Ground Lease or the application thereof to any person or circumstances shall, at any time or to any extent, be invalid or unenforceable, the remainder of this Ground Lease, or the application of such term or provision to persons or circumstances other than those as to which this Ground Lease is held invalid or unenforceable, shall not be affected thereby, and each term, covenant, condition and provision of this Ground Lease shall be valid and be enforced to the fullest extent permitted by law.

ARTICLE 23 NOTICES

Subject to compliance by Developer with the terms and conditions of this Agreement in all material respects, the City shall make one (1) lump sum Disbursement to Developer for the Verified Direct Costs of the Improvements, up to the Maximum Public Infrastructure Disbursement Amount. The City will have no obligation to make the Disbursement (a) unless City is satisfied, in its reasonable discretion, that the conditions precedent to the making of such Disbursement have been satisfied and the Disbursement is otherwise in accordance with the requirements of this Agreement; or (b) if an Event of Default or an event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing.

City shall have the right to review the bid analysis and award procedures and subject to such bid and award procedures being in compliance with Florida law. All planning, design and construction services shall be conducted by design professionals, construction companies and/or equipment and material suppliers licensed or certified to conduct business in the State of Florida and the City. Nothing herein shall be deemed to (1) confer any rights on third parties, including any bidders, prospective bidders, contractors or subcontractors, or (2) impose any obligations or liability on the City. Notwithstanding anything to the contrary herein, the bidding and contract award procedures must comply with the procurement requirements of Florida law for public construction projects, including but not limited to Section 287.055, Florida Statutes.

7.6.2 After awarding a Construction Contract for any portion of the Improvements, Developer shall in a timely manner notify the General Contractor to proceed with the Work of constructing such portion of the Improvements. No notice to proceed shall be given until, and the parties' obligations hereunder shall be conditioned upon, satisfaction of the following conditions:

(a) The City shall have received evidence reasonably satisfactory to it that the Improvements Costs of the Improvements will not exceed the amount set forth in the Budget, and that such Improvements will be completed by the Completion Date;

The City shall be entitled to review the General Contractor's (or construction manager's) draw requests (to be submitted in a format reasonably acceptable to the City).

7.7 Prosecution of Work. Developer, the Design Professionals and General Contractor, in consideration of the fees set forth in the Budget, shall perform construction contract management, including obtaining of required testing, inspecting the Work and rendering monthly reports to City on the progress of the Improvements if requested by City. Developer shall work diligently to complete construction of the Improvements in a timely and reasonable manner.

7.8 Liens and Lien Waivers. Developer shall take all action necessary to have any mechanic's and materialmen's liens, judgment liens or other liens or encumbrances related to the Improvements released or transferred to bond within twenty (20) days of the date Developer receives notice of the filing of such lines or encumbrances. City shall not be responsible for any lien or encumbrance related to the Improvements but City shall work cooperatively with Developer for Developer to bond over or remove any such lien or encumbrance. Developer shall be responsible for assuring compliance in all respects whatsoever with the applicable mechanic's and materialmen's lien laws related to construction of the Improvements.

7.9 As-Built and Other Surveys. Developer shall deliver to City, in compliance with City's survey requirements, an as-built survey of the Improvements within sixty (60) after Substantial Completion of construction thereof.

As security for the obligations of Developer under this Agreement, Developer hereby grants, transfers and assigns to City all of Developer' right, title, interest (free of any security interests of third parties) and benefits in or under the Construction Documents, including any copyrights thereto or a license to use the same in connection with the right to construct the Improvements; provided, however, that so long as no Event of Default exists, Developer may continue to exercise and enjoy all of its right, title, interest and benefits in or under the Construction Documents. Developer represents and warrants that is has permission and authority to convey ownership of the Construction Documents as set forth herein.

7.12 Authority of City to Monitor Compliance. During all periods of design and construction, Developer shall permit the City's Director of Public Works or his respective designated personnel, to monitor compliance by Developer with the provisions of this Agreement, the Construction Documents and the Improvements Documents. During the period of

construction and with prior notice to Developer, representatives of City shall have the right of access to Developer' records and employees, as they relate to Improvements, during normal business hours upon reasonable prior notice, provided, however, that Developer shall have the right to have a representative of Developer present during any such inspection.

7.13 Completion of the Improvements. Subject to the terms of this Agreement and to the Force Majeure provisions of Section 11.2, Developer shall Complete Construction of the Improvements by no later than the Completion Date. For purposes of this Agreement, completion of the Improvements shall be deemed to have occurred only when the following conditions (the "Improvements Completion Conditions") shall have been satisfied:

7.13.1 Upon Completion of the Improvements, Developer shall submit to City a proper contractor's final affidavit and releases of liens from each contractor, subcontractor and supplier, or other proof satisfactory to City, confirming that payment has been made for all materials supplied and labor furnished in connection with such Improvements through the date of Substantial Completion reflected in the Disbursement Request;

7.13.2 The Improvements shall have been finally completed in all material respects in substantial accordance with the applicable Plans and Specifications, as verified by a final inspection report reasonably satisfactory to City from the Construction Inspector, certifying, that the Improvements have been constructed in a good and workmanlike manner and are in satisfactory condition and are ready for immediate use;

7.13.3 The City shall have issued the Substantial Completion Letter as to the Improvements stating that the Improvements are Substantially Complete and may be used for their intended purpose; and

7.13.4 Developer shall cause the General Contractor to provide a one-year warranty on the Improvements, with said warranty commencing on Substantial Completion and acceptance by the City of the Improvements.

7.14 Change Orders. In connection with any portion of the Improvements, no material amendment shall be made to the Plans and Specifications, the Design Professional's Contract(s) or the Construction Contract, nor shall any change orders be made thereunder, without the prior written consent of the City in its reasonable discretion. Developer shall notify the City in writing of any requested changed condition/change order, which shall describe the changed scope of work, all related costs, and any necessary delay in the Completion Date ("Developer Change Order Request"). Within five (5) business days after receipt of a Developer Change Order Request, the City will determine if the Developer Change Order Request is justified and will respond to Developer in writing as to whether or not the City approves the Developer Change Order Request and whether the City is willing to authorize any associated delay in the Completion Date set forth therein. If the City does not approve the Developer Change Order Request, the City will have an additional ten (10) business days to evaluate and respond to Developer in writing. Once a Developer Change Order Request has been agreed upon by Developer and the City, a formal Change Order, describing the agreed scope of work, and applicable extension of the Completion Date, will be executed by both parties within ten (10) business days ("Approved Change Order"). The parties acknowledge that the Work that is the subject of a Developer Change

Order Request will not proceed during the City change order response period, but other Work that will not affect or be affected by the Work that is the subject of a Developer Change Order Request will not be stopped during the City change order response period. Notwithstanding anything herein, any increased costs in excess of the Maximum Improvements Disbursement Amount resulting from any and all Approved Change Orders during the construction of the Improvements shall be the responsibility of Developer. For the purposes of this Section 7.14, “material” amendment to the Plans and Specifications, the Design Professional’s Contract(s) or the Construction Contract and a “material” change order is defined as an amendment or change order with related costs in excess of \$50,000 as to any single amendment, \$100,000 to any cumulative changes to a single line item, or \$500,000 in the aggregate and/or that materially change the scope of the Improvements or are anticipated to cause associated delays in the Completion Date. Notwithstanding the foregoing, at the time the final budget, plans and specifications are approved, the City will identify specific line items and/or design features in the budget that shall be deemed material and may not be amended without the City’s approval in its reasonable discretion. Exterior, visible components of the Improvements (inclusive of landscaping) are deemed material.

7.15 Subcontractors. Developer agrees that it will not engage or permit the General Contractor to engage or continue to employ any contractor, subcontractor or materialman who may be reasonably objectionable to City. If requested by City, Developer shall deliver to City a fully executed copy of each of the agreements between Developer and such contractors and between the General Contractor and its subcontractors, each of which shall be in form and substance reasonably satisfactory to City. City's approval of a construction contract is specifically conditioned upon the following: (a) the total contract price thereof does not exceed the fair and reasonable cost of the Work to be performed thereunder, (b) the contractor or subcontractor is of recognized standing in the trade, or is otherwise reasonably acceptable to City, and (c) approval of the City's Procurement Department based on its standard prequalification criteria for construction work on City property, provided such contractors or subcontractors are determined by Developer to be qualified and experienced in the design and construction of the Improvements.

7.16 Discrimination. Developer shall not discriminate against any person, or group of persons on account of race, color, creed, sex, age, religion, national origin, marital status, handicap, having children or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of all or any part of the Improvements nor shall Developer or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with the reference to the selection, location, number, use of occupancy of tenants, lessees, subtenants, sublessees or vendees thereof.

7.17 Indemnification.

Except for Damages (as hereinafter defined) arising out of the gross negligence or willful misconduct of any of the Indemnified Parties (as hereinafter defined), Developer shall indemnify the City, and its respective employees, agents, representatives, successors, assigns, contractors and subcontractors (collectively “Indemnified Parties”) against and from all liabilities, damages, losses, costs, and expenses of whatsoever kind or nature, including, but not limited to, reasonable attorney’s fees, reasonable expert witness fees and court costs (all of which are collectively referred to as “Damages”), arising out of or in connection with any negligent act or omission or

willful misconduct of Developer, the General Contractor or any of their respective employees, contractors, agents or representatives (collectively, the “Developer Parties”) in connection with the Developer Parties’ construction of the Improvements, which Damages are not paid or reimbursed by or through the Payment and Performance Bond or Insurance as required under this Agreement. This indemnification shall survive the expiration or termination of this Agreement for a period of four (4) years. The term “Indemnified Parties” as used in this Section shall include the City, and all officers, board members, City Board members, City Council members, employees, representatives, agents, successors and assigns of the City. This Section 7.17 shall survive the expiration, earlier termination or completion of this Agreement for a period of four (4) years.

7.18 Insurance and Bond Requirements. See Exhibit G attached hereto and incorporated herein by this reference for the insurance and bond requirements of the General Contractor.

7.19 Materials and Workmanship. All workmanship, equipment, materials and articles incorporated in the Work are to be new and in accordance with City’s Standards, Specification and Details to be provided by City. Developer shall furnish Construction Inspector certified copies of test results made of the materials or articles which are to be incorporated in the Work for approval. When so requested, samples of materials shall be submitted for approval. Machinery, equipment, materials and articles installed or used without such approval shall be at the risk of subsequent rejection, removal and replacement at Developer’ expense. If not otherwise provided, material or Work called for in this Agreement shall be furnished and performed in accordance with the manufacturer’s instructions and established practice and standards recognized by architects, engineers and the trade.

7.20 Warranty and Guarantee of Work.

7.20.1 For a period of one year after the Completion Date, Developer warrants to the City that all Work will be of good quality, and substantially in compliance with this Agreement and in accordance with the provisions of Section 7.19. All Work not in conformance to the requirements of this Agreement, including substitutions not properly approved and authorized, may be considered defective during such one-year period. If required by City, Developer shall provide satisfactory evidence as to the quality, type and kind of equipment and materials furnished. This warranty is not limited by, nor limits any other warranty-related provision in this Agreement.

7.20.2 If, within one year of acceptance of the Improvements by City, or within such longer period of time prescribed by law or by the terms of any special warranty provision of this Agreement, any of the Work is found to be defective or not in conformance with this Agreement, Developer shall cause the General Contractor to correct it promptly after notice of such defect or nonconformance. Corrective Work during the warranty period shall also be warranted for a period of one year, with each corrective effort in turn being warranted for a period of one year of satisfactory performance. This obligation shall survive termination, expiration or completion of the Agreement. City shall give notice to Developer promptly after discovery of the condition.

7.20.3 During the one year warranty period, including any additional warranty period for corrective work, Developer shall bear the cost of correcting or removing all defective or nonconforming Work, including the cost for correcting any damage caused to equipment, materials or other Work by such defect or the correcting thereof.

7.20.4 During the one year warranty period, including any additional warranty period for corrective work, Developer shall correct any defective or nonconforming Work to the reasonable satisfaction of City, and any of the Work, equipment or materials damaged as a result of such condition or the correcting of such condition, within thirty (30) calendar days of notice of such condition. Should Developer fail to timely correct defective or non-conforming Work under warranty, City, or a third-party contractor on behalf of City, may correct such Work itself and Developer shall reimburse City for the costs of such corrective Work promptly and no later than thirty (30) days after receipt of an invoice from City pertaining to such corrective Work undertaken by City. If Developer fails to correct the nonconforming or defective Work, Developer will be in default hereunder.

7.20.5 Nothing contained herein shall be construed to establish a period of limitation with respect to any other obligation which Developer may have under this Agreement. The establishment of the time period of one year after the date of Substantial Completion, or such longer period of time as may be prescribed by law or by the items of any warranty required by this Agreement, relates only to the specific obligation of Developer to correct the Work and has no relationship to the time within which its obligation to comply with this Agreement may be sought to be enforced, nor the time within which proceedings may be commenced to establish Developer's liability with respect to its obligations other than specifically to correct the Work.

7.20.6 Upon Substantial Completion and payment to Developer of the Disbursement, Developer may assign to the City all of Developer's right, title and interest in and to any and all warranties and guaranties related to the Work provided by any General Contractor or supplier of materials, provided such warranties and guaranties are consistent with Sections 7.20.1 through 7.20.05 above, and thereafter Developer shall have no obligations under this Section. Except as specifically set forth in this Section, Developer hereby disclaims any implied warranty or representation concerning the Improvements.

7.21 Payment and Performance Bonds.

7.21.1 Prior to commencing any work on the Improvements, Developer shall cause all primary contractors to furnish Performance and Payment Bonds for the Improvements in compliance with Section 255.05, Florida Statutes, as security for its faithful performance under this Agreement. The Bonds shall be in an amount at least equal to the amount of the Direct Costs for the construction of the Improvements. The Bonds shall be in a form in compliance with applicable law and reasonably acceptable to the City, and with a surety that is reasonably acceptable to the City's Division of Insurance and Risk Management. The cost thereof shall be included in the applicable Budget for the Improvements and reimbursed by the City as part of the Disbursement. The Payment and Performance Bonds for the Improvements shall be recorded in connection with the recording of the notice of commencement for the Improvements and delivered to the CEO of the Downtown Investment Authority prior to Commencement of Construction.

7.21.2 The Performance and Payment Bonds for the Improvements shall accompany the Budget and Plans and Specifications submitted to the City for approval and shall be compliant with the requirements of Section 255.05, Florida Statutes, with such approval as to the payment and performance bonds not to be unreasonably withheld, conditioned or delayed. The duly executed, recorded Performance and Payment Bonds shall be delivered prior to Commencement of Construction.

7.21.3 If any surety upon any bond furnished in connection with this Agreement becomes unacceptable to the City in the City's reasonable, good faith determination, or if any such surety fails to furnish reports as to its financial condition from time to time as reasonably requested by the City, Developer shall, at its own expense, promptly provide a substitute surety or promptly furnish such additional security as may be reasonably required from time to time to protect the interests of the City and of persons supplying labor or materials in the prosecution of the Work contemplated by this Agreement and as permitted in the Budget.

7.22 Jacksonville Small and Emerging Businesses (JSEB) Program.

Developer, in further recognition of and consideration for the public funds provided to assist Developer pursuant to this Agreement, hereby acknowledges the importance of affording to small and emerging vendors and contractors the full and reasonable opportunity to provide materials and services ("Opportunity"). Therefore, Developer hereby agrees as follows:

7.22.1 Developer shall obtain from City's Procurement Division the list of certified Jacksonville Small and Emerging Businesses ("JSEB"), and shall, in accordance with Jacksonville Ordinance Code ("Code") Sections 126.601 et seq., and shall use good faith efforts to enter into contracts with City certified JSEBs to provide materials or services in an aggregate amount of twenty percent (20%) of the total Verified Direct Costs of the construction of the Improvements or the City's maximum contribution to the Improvements, whichever is less, provided such JSEBs are determined by Developer to be qualified and experienced in the design and construction of the Improvements.

7.22.2 Developer shall submit a JSEB report regarding Developer's actual use of City certified JSEBs for design, engineering, permitting, and construction of the Improvements. A JSEB report shall be submitted on a quarterly basis until Substantial Completion of Construction of the Improvements. The form of the report to be used for the purposes of this Section is attached hereto as **Exhibit H** (the "JSEB Reporting Form").

7.23 Indemnification by Contractors.

Developer agrees to include the indemnification provisions substantially in the form set forth in **Exhibit I**, attached hereto and incorporated herein, in all contracts with contractors, subcontractors, consultants, and subconsultants who perform work in connection with this Agreement.

**ARTICLE 8
NO ASSIGNMENT OR CONVEYANCE;
RESTRICTIONS ON ENCUMBRANCE**

8.1 Assignment; Limitation on Conveyance. Developer agrees that it shall not, without the prior written consent of City in its sole discretion (except for assignment to affiliates of Developer of which Developer has a managing interest) assign, transfer or convey this Agreement or the Improvements Documents or any provision hereof or thereof. The provisions of this section shall not apply to any assignment, transfer or conveyance as collateral or to the sale or conveyance to the holder of any mortgage encumbering all or any portion of Developer's property. Any such sale, assignment or conveyance in violation of this section shall constitute a default hereunder, and City may continue to look to Developer to enforce all of the terms and conditions of this Agreement as if such purported sale, assignment or conveyance had not occurred. Any authorized assignment hereunder shall be pursuant to an assignment and assumption agreement in form and content acceptable to the City in its reasonable discretion.

**ARTICLE 9
EVENTS OF DEFAULT AND REMEDIES**

9.1 Event of Default. The following shall constitute an event of default (each, an "Event of Default") hereunder:

9.1.1 A breach by any party of any term, covenant, condition, obligation or agreement under this Agreement, and the continuance of such breach for a period of thirty (30) days after written notice thereof shall have been given to such party, provided, however, that if such breach is not reasonably susceptible to cure within thirty (30) days, then the time to cure such breach shall be extended to one hundred twenty (120) days so long as the defaulting party is diligently and in good faith pursuing such cure;

9.1.2 Any representation or warranty made by any party to this Agreement shall prove to be false, incorrect or misleading in any material respect as of the Effective Date, which is not cured as provided in Section 9.1.1;

9.1.3 A continuing default by Developer after the expiration of all applicable notice and cure periods under the Improvements Documents;

9.1.4 The termination of, or default under (after the expiration of all applicable notice and/or cure periods contained therein), the Construction Contract by Developer, provided, however, that in the event the Construction Contract is terminated, Developer shall have up to ninety (90) days in which to enter into a replacement Construction Contract, on such terms and with such other General Contractor as shall be reasonably acceptable to City;

9.1.5 Failure of Developer to complete the Improvements in accordance with the Plans and Specifications which, in the reasonable judgment of the City Director of Public Works, results in Improvements which will not adequately serve the City;

9.1.6 Failure of Developer to Complete Construction of the Improvements, or abandonment of or cessation of Work on any portion of the Improvements at any time prior to

completion for a period of more than thirty (30) consecutive business days, except on account of Force Majeure, in which case such period shall be the actual period of delay;

9.1.7 The entry of a decree or order by a court having jurisdiction in the premises adjudging any party to this Agreement bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the such party under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of such party or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuation of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days; or

9.1.8 The institution by any party to this Agreement of proceedings to be adjudicated bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it to the institution of bankruptcy or insolvency proceedings against it, or the filing of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of such party of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

9.2 Disbursements. Upon or at any time after the occurrence of an Event of Default attributable to Developer, subject to the notice and cure requirements set forth in Section 9.1.1, the City may refuse to make the Disbursement and terminate City's commitment to make any portion of the Disbursement hereunder, except for Verified Direct Costs for Work actually performed prior to the date giving rise to the Event of Default.

9.2.1 In the event Developer's action giving rise to an Event of Default pertains to any failure by Developer to Commence Construction or achieve Substantial Completion of the Improvements within the time periods required herein, subject to Force Majeure, the other terms and conditions contained herein and any extensions granted pursuant to Section 4.1 of the RDA, the City shall be entitled (but not obligated) to (i) complete the Improvements, and/or (ii) terminate the City's obligation to pay for any other Improvements Costs hereunder, subject to the following the sentence. In the event the City elects to complete the Improvements, the City shall pay Developer for Verified Direct Costs for Work actually performed prior to the occurrence of the date of termination after the Event of Default, but only to the extent funding is available as calculated by the Maximum Improvements Disbursement Amount, less the actual costs to the City in substantially completing the Improvements.

(a) Provided however, if the Event of Default and failure of Developer to cure described above is caused by unforeseen events, Force Majeure (as set forth in Section 11.2) or third-party actions which are outside the reasonable control of Developer, then in such event the City shall meet with Developer to consider alternative resolutions and shall use reasonable efforts and reasonably cooperate with Developer to reach a mutually acceptable amendment to this Agreement.

(b) In the event that the Event of Default and failure of Developer to cure is caused by Developer's acts or omissions, then upon termination the City may use an alternative general contractor or development manager selected in its sole discretion provided however such general contractor or development manager shall complete the Improvements in accordance with the terms and conditions of this Agreement and all Exhibits hereto.

9.2.2 Notwithstanding anything herein, upon any breach by the City hereunder, Developer's maximum damages hereunder (including prejudgment interest) shall be limited to the undisbursed Direct Costs, up to the Maximum Improvements Disbursement Amount, required for the completion of the construction of the Improvements previously Commenced and then under construction in accordance with this Agreement. Any such damages amount will be used by Developer only for the construction of the Improvements then under construction in accordance with the costs in the Budget and pursuant to the Plans and Specifications, and shall be disbursed lump sum upon Substantial Completion of the Improvements in accordance with this Agreement and the terms of the RDA. In the event the City fails to timely pay to Developer the Disbursement subject to and in accordance with the terms and conditions of this Agreement, or upon any other Event of Default attributable to the City beyond the applicable notice and cure periods, Developer shall have the remedies as set forth in this Agreement. Any amounts due to Developer under this Agreement and unpaid after thirty (30) days when due shall bear interest at the rate of ten percent (10%) per annum.

Neither party to this Agreement shall be liable to the other for any punitive, speculative, or consequential damages of any kind.

ARTICLE 10 ENVIRONMENTAL MATTERS

Description of Improvements

There currently exists a completed segment of the Riverwalk on the Riverwalk Parcel adjacent to the Hotel Parcel and Marina Support Building Parcel. Developer shall have the option to design and construct on behalf of COJ, subject to COJ approval of the plans and construction budget therefor, a new more resilient Riverwalk. The Riverwalk Parcel may include the node/art/tower element contemplated by the SWA Riverwalk Design Guidelines. Public access shall be maintained in the entire fifty (50') foot wide strip retained by COJ.

Consistent with the above criteria, the Riverwalk multi-use hard surface shall be a minimum of 15 feet in width and all landscape materials, lighting, street furniture, wayfinding, etc. shall be outside the 15' required clear travel path. EXHIBIT D

Improvements Budget Estimate

The Riverwalk construction budget estimate of \$3,900,000 was provided by the Developer and confirmed by Public Works as reasonable for a project inclusive of site work, hardscape, landscape, lighting, street furniture and any other desired elements. A current upland Riverwalk section is costing approximately 3000 per linear foot and this segment is approximately 900+ feet in length. In this design, the Riverwalk will encompass the entire 50' strip between the bulkhead and the upland parcels making it double the width of the Riverwalk in traditional sections. The existing Riverwalk foundation will lower costs, but the new Riverwalk will elevate for resiliency and increased width will increase costs.

The final line item budget will be attached and incorporated herein when final Plans and Specifications are approved by COJ Public Works and Parks and Recreation.

Notwithstanding the foregoing, such restrictions and conditions shall expire immediately upon Grantor’s recording of the Reverter Deed.

These covenants shall be deemed to run with the land as covenants at law and equitable servitude, and extend to and are binding on Grantor and Grantee, and their respective heirs, administrators, devisees, successors, and assigns. The words "Grantor" and "Grantee" shall include all such persons, agencies, entities, and the like. The successful party shall be entitled to recover all costs or expenses incurred in connection with such a suit, including all court costs and attorney's fees.

The failure of Grantor or its successors and assigns to exercise any right or remedy granted under this instrument with respect to any particular violation of these covenants shall not have the effect of waiving or limiting the exercise of such right or remedy with respect to the identical (or similar) type of violation at any subsequent time or the effect of waiving or limiting the exercise of any other right or remedy.

The invalidity or unenforceability of any provision of this instrument shall not affect the validity or enforceability of any other provision of this instrument or any ancillary or supplementary agreement relating to the subject matter hereof.

NON-EXCLUSIVE PEDESTRIAN AND NON-AUTOMOBILE ACCESS AND EASEMENT AGREEMENT

This NON-EXCLUSIVE PEDESTRIAN AND NON-AUTOMOBILE ACCESS AND EASEMENT AGREEMENT (“Easement Agreement”) is made as of the ____ day of _____, 2021, by and between **CITY OF JACKSONVILLE**, a body politic and municipal corporation existing under the laws of the State of Florida (“**Grantor**”), whose mailing address is c/o Downtown Investment Authority, 117 W. Duval Street, Suite 310, Jacksonville, Florida 32202, and [**IGUANA INVESTMENTS FLORIDA, LLC**, a Delaware limited liability company], (“**Grantee**”), whose address is 1 TIAA Bank Field Drive, Jacksonville, Florida 32202.

RECITALS:

A. Grantor owns certain property described on **Exhibit A** attached hereto and made a part hereof (the “Easement Area”).

B. Grantee owns the approximately 4.77-acre parcel located adjacent to the Easement Area and as more particularly set forth on **Exhibit B** (the “Benefited Parcel”), upon which Grantee has agreed to construct certain improvements consisting in part of a luxury Four Seasons hotel with no fewer than 170 rooms and approximately 25 Class A condominium units, all as more particularly described as the Hotel Improvements in the Redevelopment Agreement between Grantor and Grantee dated _____, 2021 (the “Agreement”).

C. Grantee has requested, and Grantor has agreed to provide, a non-exclusive easement for certain ingress, egress and passage over and across the Easement Area and for the maintenance of the Easement Area according to the terms and conditions more particularly set forth herein.

NOW, THEREFORE, in consideration of Ten and no/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Multi-Use Path.** Grantee will construct a multi-use path within the Easement Area with a minimum width of eight feet (8’) that runs from Gator Bowl

Boulevard to the Northbank Riverwalk in accordance with the terms of the Agreement (the “Multi-Use Path”). Prior to the commencement of any construction of the Multi-Use Path and subject to the design approval, permitting and other provisions of the Agreement, the parties will execute and record an amendment to this Easement Agreement which sets forth the more precise location of the Multi-Use Path (the “Path Easement Area”).

2. **Grant of Easement Rights.** Grantor hereby bargains, sells, grants and conveys unto Grantee a perpetual, non-exclusive easement on, over and across the Path Easement Area for the purpose of pedestrian, bicycle, and motorized access, ingress, egress and passage for vehicles such as scooters, golf carts and electric bicycles (but not street licensed automobiles, trucks, etc.) by Grantor and its officers, employees, agents, contractors, and invitees. The easement rights granted herein are for the benefit of and appurtenant to the Benefited Parcel. In addition, Grantor hereby grants, bargains, sells and conveys unto Grantee, its successors and assigns, a perpetual right of way and easement for the construction (pursuant to the terms of the Agreement), maintenance, replacement, and repair of the Multi-Use Path and related improvements, either or all, on, along over, through, across, or under the Easement Area, with the right of ingress and egress to and over the Easement Area for such purposes. Grantor may elect to impose limitations on uses that are reasonably determined by Grantor to be unsafe or inappropriate, such as no skateboarding, excessive noise or smoking; provided, however, that Grantee shall have no obligation to enforce limitations imposed by Grantor. Without limiting the foregoing, Grantee agrees that any improvements, including landscaping and fill material, installed on the Easement Area shall not obstruct the view and access corridor to the St. Johns River from Gator Bowl Boulevard for the width of the Easement Area, except as may be expressly authorized by the City of Jacksonville in its regulatory capacity.

3. **Maintenance.** The Easement Area, including all landscaping located thereon, and all improvements constructed or installed thereon by Grantee, including, without limitation, the Multi-Use Path, lighting and equipment, shall be maintained, repaired and replaced so the same remains in good condition and repair by Grantee at Grantee’s expense in accordance with all applicable laws, ordinances, codes, rules, and regulations. Grantee shall be responsible to keep the Path Easement Area fully illuminated each day from dusk until dawn at Grantee’s expense in accordance the City Riverwalk standards. Grantee shall provide not less than five (5) business days’ written notice to Grantor prior to performing any capital maintenance or repairs except in the case of an emergency in which case no written notice shall be required. Notwithstanding anything contained in this Easement Agreement, any damage to the improvements installed in the Easement Area by Grantee caused by Grantor, its officers, agents, servants, employees or contractors shall be repaired by Grantor at its sole cost and expense. If Grantee shall default in the performance of its maintenance obligations hereunder, and shall not commence to cure such default within thirty (30) days after notice in writing delivered by Grantor specifying the default and continuously proceed with reasonable due diligence to cure such default, then Grantor may at any time thereafter cure such default. In such event, Grantor shall provide an invoice to Grantee

for such costs and Grantee shall pay the invoice amount to Grantor within 30 days after receipt of such invoice. If the Grantee fails to timely pay such invoice amount, interest will accrue on the unpaid amount at the lesser of (i) eighteen percent (18%) per annum, or (ii) the highest lawful rate from the invoice date until the date paid. Grantor shall be entitled to pre-judgment interest on all amounts owed to Grantor hereunder.

4. **Reserved Rights.** Notwithstanding anything in this Agreement to the contrary or the foregoing grant of easement rights, Grantor, for itself and its successors and assigns, hereby reserves and retains the right (provided that such reserved rights shall not be exercised in any manner that would diminish or materially interfere with Grantee's rights under this Easement Agreement) to (a) use, and to grant to others the right to use the Easement Area for any lawful purpose or use, (b) grant additional easements and licenses to others over, across, and under the Easement Area. Grantee acknowledges and agrees that the Path Easement Area is a public area and Grantee's rights granted herein are co-equal to the rights of the public to use the Path Easement Area as a public walkway.

5. **Restrictions on Use of Easement Area.** This Easement Agreement, and Grantee's rights hereunder, are expressly subject to the terms and conditions of that certain Grant of Easement between the City of Jacksonville and JEA, dated May 15, 2003 and recorded in the Official Records of Duval County, Florida at Book 11109, Page 1942. Any property of Grantor damaged by the Grantee in the exercise of the rights granted herein will be restored as soon as reasonably practical following such activity to its previously existing condition by the Grantee, at its sole cost and expense. Grantee further acknowledges that there are existing utility lines within the Easement Area which cannot be adversely impacted by the use of the Easement Area, including without limitation the construction the Multi-Use Path and any related improvements. Notwithstanding the foregoing, any electrical utilities installed within the Easement Area shall be restricted to subsurface installations and shall not be located on or above the surface of the Easement Area. Notwithstanding anything in this Easement Agreement to the contrary, Grantee's rights hereunder shall be subject to all applicable laws, ordinances, codes, rules, and regulations. Without limiting the foregoing, Grantee expressly acknowledges and agrees that the Easement Area has been designated as a River View and Access Corridor as defined in Chapter 656, Part 3, Subpart H of the Jacksonville Ordinance Code.

6. **Relocation.** Notwithstanding the foregoing, Grantor shall have the right to reconfigure and/or relocate the Multi-Use Path and Path Easement Area, or any part or parts thereof, at Grantor's sole cost and expense, and to substitute the legal description for the Path Easement Area on **Exhibit C** to this Agreement; provided, however, that the Path Easement Area shall continue to provide reasonably equivalent pedestrian ingress, egress, and access as provided by the prior Path Easement Area location. Grantor shall provide Grantee with at least thirty (30) days' prior written notice of its intent to relocate Multi-Use Path and Path Easement Area, and the opportunity to provide input as to the new location of the Multi-Use Path and Path Easement Area.

7. **Indemnification.** Grantee shall indemnify, defend and hold harmless Grantor, its members, officers, agents, servants, employees, successors and assigns (the “**Indemnified Parties**”) against any claim, action, loss, damage, injury, liability, cost and expense of whatsoever kind or nature (including, but not by way of limitation, attorney’s fees and court costs) arising out of injury (whether mental or corporeal) to persons, including death, or damage to property, arising out of or incidental to the rights granted herein, except to the extent such claim, action, loss, damage, injury, liability, cost or expense shall have been caused by the gross negligence or intentional misconduct of the Indemnified Parties. This indemnity does not alter, amend or expend the parameters of Section 768.28, Florida Statutes. If Grantee contracts with contractors or subcontractors in any way related to the Easement, Grantee shall require said contractors and subcontractors to comply with the indemnity requirements attached hereto as **Exhibit D.** This paragraph shall survive the expiration or earlier termination of this Easement Agreement.

8. **Insurance.** During the term of this Agreement, Grantee shall comply with the insurance requirements attached hereto as **Exhibit E.** If Grantee contracts with contractors or subcontractors in any way related to this Agreement, Grantee shall require said contractors and subcontractors to comply with the insurance requirements attached hereto as **Exhibit E.**

9. **Notices.** Any notice required or permitted to be given pursuant to the terms of this Easement Agreement shall be in writing and personally delivered or sent by registered or certified mail, return receipt requested, or delivered by an air courier service utilizing return receipts, only to the parties at the following addresses (or to such other or further addresses as the parties may designate by like notice similarly sent) and such notices shall be deemed given and received for all purposes under this instrument and shall be effective only upon receipt or when delivery is attempted and refused.

NON-EXCLUSIVE PEDESTRIAN AND VEHICULAR ACCESS EASEMENT AGREEMENT

This NON-EXCLUSIVE PEDESTRIAN AND VEHICULAR ACCESS EASEMENT AGREEMENT (“Easement Agreement”) is made as of the ____ day of _____, 2021, by and between **CITY OF JACKSONVILLE**, a body politic and municipal corporation existing under the laws of the State of Florida (“**Grantor**”), whose mailing address is c/o Downtown Investment Authority, 117 W. Duval Street, Suite 310, Jacksonville, Florida 32202, and [**IGUANA INVESTMENTS FLORIDA, LLC**, a Delaware limited liability company], (“**Grantee**”), whose address is 1 TIAA Bank Field Drive, Jacksonville, Florida 32202.

RECITALS:

A. Grantor owns certain property described on **Exhibit A** attached hereto and made a part hereof (the “Easement Area”).

B. Grantee owns the approximately 4.77-acre parcel located adjacent to the Easement Area and as more particularly set forth on **Exhibit B** (the “Benefited Parcel”), upon which Grantee has agreed to construct certain improvements consisting in part of a luxury Four Seasons hotel with no fewer than 170 rooms and approximately 25 Class A condominium units, all as more particularly described as the Hotel Improvements in the Redevelopment Agreement between Grantor and Grantee dated _____, 2021 (the “Agreement”).

C. Grantee has requested, and Grantor has agreed to provide, a non-exclusive easement for pedestrian and vehicular ingress, egress and passage over and across the driveways, pathways and related improvements to be constructed by Grantee and in the location generally depicted on **Exhibit C** attached hereto (the “Access Easement Area”) to provide pedestrian and vehicular ingress and egress to the Benefited Property from Gator Bowl Boulevard to the Benefited Property, and for the maintenance of the Easement Area according to the terms and conditions more particularly set forth herein.

NOW, THEREFORE, in consideration of Ten and no/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Access Easement Area.** Prior to the commencement of any construction of the driveways, pathways and related improvements to be constructed by Grantee and subject to the design approval, permitting and other provisions of the Agreement, the parties will execute and record an amendment to this Easement Agreement which sets forth the more precise location of the Access Easement Area.

2. **Grant of Easement Rights.** Grantor hereby bargains, sells, grants and conveys unto Grantee a perpetual, non-exclusive easement on, over and across the Access Easement Area for the purpose of pedestrian and vehicular ingress and egress between the Benefited Property and Gator Bowl Boulevard. The easement rights granted herein are for the benefit of and appurtenant to the Benefited Parcel. In addition, Grantor hereby grants, bargains, sells and conveys unto Grantee, its successors and assigns, a perpetual right of way and easement for the construction (pursuant to the terms of the Agreement), maintenance, replacement, and/or repair, of the improvements constructed by Grantee from time to time in the Access Easement Area, with the right of ingress and egress to and over the Easement Area for such purposes. Without limiting the foregoing, Grantee agrees that any improvements, including landscaping and fill material, installed on the Easement Area shall not obstruct the view and access corridor to the St. Johns River from Gator Bowl Boulevard for the width of the Easement Area, except as may be expressly authorized by the City of Jacksonville in its regulatory capacity.

3. **Maintenance.** The paving, curbing, lighting, landscaping and other improvements located in the Easement Area will be maintained, repaired and replaced so it remains in good condition and repair by Grantee at Grantee's expense in accordance with all applicable laws, ordinances, codes, rules, and regulations. Notwithstanding anything contained in this Easement Agreement, any damage to the improvements installed in the Easement Area by Grantee caused by Grantor, its officers, agents, servants, employees or contractors shall be repaired by Grantor at its sole cost and expense. If Grantee shall default in the performance of its maintenance obligations hereunder, and shall not commence to cure such default within thirty (30) days after notice in writing delivered by Grantor specifying the default and continuously proceed with reasonable due diligence to cure such default, then Grantor may at any time thereafter cure such default. In such event, Grantor shall provide an invoice to Grantee for such costs and Grantee shall pay the invoice amount to Grantor within 30 days after receipt of such invoice. If the Grantee fails to timely pay such invoice amount, interest will accrue on the unpaid amount at the lesser of (i) eighteen percent (18%) per annum, or (ii) the highest lawful rate from the invoice date until the date paid. Grantor shall be entitled to pre-judgment interest on all amounts owed to Grantor hereunder.

4. **Reserved Rights.** Notwithstanding anything in this Agreement to the contrary or the foregoing grant of easement rights, Grantor, for itself and its successors and assigns, hereby reserves and retains the right (provided that such reserved rights shall not be exercised in any manner that would diminish or in any way interfere with Grantee's rights under this Easement Agreement) to (a) use, and to grant to others the right to use the Easement Area for any lawful purpose or use, and (b) grant additional

easements and licenses to others over, across, and under the Easement Area. Grantee acknowledges and agrees that the Access Easement Area is a public area and Grantee's rights granted herein are co-equal to the rights of the public to use the Access Easement Area as public driveways, pathways and related improvements.

5. **Restrictions on Use of Easement Area.** This Easement Agreement, and Grantee's rights hereunder, are expressly subject to the terms and conditions of that certain Grant of Easement between the City of Jacksonville and JEA, dated May 15, 2003 and recorded in the Official Records of Duval County, Florida at Book 11109, Page 1942. Any property of Grantor damaged by the Grantee in the exercise of the rights granted herein will be restored as soon as reasonably practical following such activity to its previously existing condition by the Grantee, at its sole cost and expense. Grantee further acknowledges that there are existing utility lines within the Easement Area which cannot be adversely impacted by the construction and use of the improvements constructed by Grantee in the Easement Area. Notwithstanding the foregoing, other than lighting, any electrical utilities installed within the Easement Area shall be restricted to subsurface installations and shall not be located on or above the surface of the Easement Area. Notwithstanding anything in this Easement Agreement to the contrary, Grantee's rights hereunder shall be subject to all applicable laws, ordinances, codes, rules, and regulations. Without limiting the foregoing, Grantee expressly acknowledges and agrees that the Easement Area has been designated as a River View and Access Corridor as defined in Chapter 656, Part 3, Subpart H of the Jacksonville Ordinance Code.

6. **Indemnification.** Grantee shall indemnify, defend and hold harmless Grantor, its members, officers, agents, servants, employees, successors and assigns (the "**Indemnified Parties**") against any claim, action, loss, damage, injury, liability, cost and expense of whatsoever kind or nature (including, but not by way of limitation, attorney's fees and court costs) arising out of injury (whether mental or corporeal) to persons, including death, or damage to property, arising out of or incidental to the rights granted herein, except to the extent such claim, action, loss, damage, injury, liability, cost or expense shall have been caused by the gross negligence or intentional misconduct of the Indemnified Parties. This indemnity does not alter, amend or expend the parameters of Section 768.28, Florida Statutes. If Grantee contracts with contractors or subcontractors in any way related to the Easement, Grantee shall require said contractors and subcontractors to comply with the indemnity requirements attached hereto as **Exhibit D.** This paragraph shall survive the expiration or earlier termination of this Easement Agreement.

7. **Insurance.** During the term of this Agreement, Grantee shall comply with the insurance requirements attached hereto as **Exhibit E.** If Grantee contracts with contractors or subcontractors in any way related to this Agreement, Grantee shall require said contractors and subcontractors to comply with the insurance requirements attached hereto as **Exhibit E.**

8. **Notices.** Any notice required or permitted to be given pursuant to the terms of this Easement Agreement shall be in writing and personally delivered or sent by

registered or certified mail, return receipt requested, or delivered by an air courier service utilizing return receipts, only to the parties at the following addresses (or to such other or further addresses as the parties may designate by like notice similarly sent) and such notices shall be deemed given and received for all purposes under this instrument and shall be effective only upon receipt or when delivery is attempted and refused.

This NON-EXCLUSIVE PEDESTRIAN ACCESS EASEMENT AGREEMENT (“Easement Agreement”) is made as of the ____ day of _____, 2021, by and between **CITY OF JACKSONVILLE**, a body politic and municipal corporation existing under the laws of the State of Florida (“**Grantor**”), whose mailing address is c/o Downtown Investment Authority, 117 W. Duval Street, Suite 310, Jacksonville, Florida 32202, hereinafter called the Grantor and [**IGUANA INVESTMENTS FLORIDA, LLC**, a Delaware limited liability company], (“**Grantee**”), whose address is 1 TIAA Bank Field Drive, Jacksonville, Florida 32202.

RECITALS:

A. Grantor owns certain property known as the Northbank Riverwalk and a portion of such property is described on **Exhibit A** attached hereto and made a part hereof (the “**Riverwalk Parcel**”).

B. Concurrent with this Easement Agreement, Grantor has sold and conveyed to Grantee the land described in **Exhibit B** attached hereto and made a part hereof (the “**Benefited Parcel**”), which lies adjacent to the Riverwalk Parcel.

C. Grantee has requested, and Grantor has agreed to provide, a non-exclusive easement for pedestrian ingress, egress and passage over and across the Riverwalk Parcel, to benefit only the Benefited Parcel, according to the terms and conditions more particularly set forth herein.

NOW, THEREFORE, in consideration of Ten and no/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Grant of Easement Rights.** Grantor hereby bargains, sells, grants and conveys unto Grantee its successors and assigns, a perpetual non-exclusive easement over and across the Riverwalk Parcel for the purpose of pedestrian ingress, egress and passage only, by its officers, employees, agents, contractors, and invitees. The easement rights granted herein are only for the benefit of and appurtenant to the Benefited Parcel.

2. **Reserved Rights.** Notwithstanding anything in this Easement Agreement to the contrary or the foregoing grant of easement rights, Grantor, for itself and its successors and assigns, hereby reserves and retains the right to (a) use, and to grant to others the right to use the Riverwalk Parcel for any lawful purpose or use not inconsistent with the grants made herein, (b) grant additional easements and licenses to others over, across, and under the Riverwalk Parcel, (c) alter, modify or replace all or part of the sidewalks and other improvements located within the Riverwalk Parcel in such a manner which does not materially diminish or prevent the access and use provided by the sidewalks as of the date of this Easement Agreement, and (d) construct and install additional or substitute improvements within the Riverwalk Parcel at any location and in any configuration that Grantor determines. Grantee acknowledges and agrees that the Riverwalk Parcel is a public walkway and Grantee's rights granted herein are co-equal to the rights of the public to use the Riverwalk Parcel as a public walkway. Without limiting the foregoing, (i) Grantor reserves the right to gate or otherwise block Grantee's access to the Riverwalk Parcel during times of high pedestrian activity when recommended by the Jacksonville Sheriff's Office, and (ii) Grantor and the JEA may exclusively use the Riverwalk Parcel to place piping, pumps and other equipment used in connection with the maintenance or repair of any utilities, during such times as the JEA or Grantor deems necessary for undertaking any such utilities maintenance or repair.

Any property of Grantor damaged by the Grantee in the exercise of the rights granted herein will be restored as soon as reasonably practical following such activity to its previously existing condition by the Grantee, at its sole cost and expense. Grantee shall not place or allow the placement of any items or structures on the Riverwalk Parcel (including without limitation portable toilets) at any time without prior written permission from the Grantor, which permission may be denied in the Grantor's sole discretion. not be required, at any time thereafter cure such default, and Grantee shall reimburse Grantor for any reasonable amount actually paid by Grantor to cure such default. During any period of time that Grantor is curing such default by Grantee, Grantor shall have the right to close or restrict access to the Riverwalk Parcel to the extent reasonably necessary to protect the public from harm due to Grantor's cure activities on the Riverwalk Parcel. If the Grantee fails to timely pay such invoice amount, interest will accrue on the unpaid amount at the lesser of (i) eighteen percent (18%) per annum, or (ii) the highest lawful rate from the invoice date until the date paid. Grantor shall be entitled to pre-judgment interest on all amounts owed to Grantor hereunder. No default by Grantee shall limit or affect the rights of the public to access and use the Riverwalk Parcel as described herein.

6. **Indemnification.** Grantee shall indemnify, defend and hold harmless Grantor, its officers, agents, servants, employees, successors and assigns (the "**Indemnified Parties**") against any claim, action, loss, damage, injury, liability, cost and expense of whatsoever kind or nature (including, but not by way of limitation, attorney's fees and court costs) arising out of injury (whether mental or corporeal) to persons, including death, or damage to property, arising out of or incidental to the rights granted herein, except to the extent such claim, action, loss, damage, injury, liability, cost or expense shall have been caused by the gross negligence of the Indemnified Parties. This indemnity does not alter, amend or expend the parameters of Section 768.28, Florida Statutes. If Grantee contracts with contractors or subcontractors to conduct work on the Riverwalk Parcel, Grantee shall require said contractors and subcontractors to comply with the indemnity requirements attached hereto as **Exhibit C**. This paragraph shall survive the expiration or earlier termination of this Easement Agreement.
