Bill Type and Number: Ordinance 2024-207

Introducer/Sponsor(s): Council President at the request of the Mayor

Date of Introduction: March 12, 2024

Committee(s) of Reference: NCSPHS, F, Waterways Commission

Date of Analysis: March 14, 2024

Type of Action: Appropriation; CIP amendment; designation of oversight agency

Bill Summary: The bill appropriates a \$250,000 grant from the Florida Department of Natural Resources and a \$250,000 City match from the Resiliency Infrastructure Improvement Projects fund to perform a feasibility study for a shoreline enhancement project in Huguenot Park. It amends the 2024-28 Capital Improvement Plan to add a project listing for this project. The Parks, Recreation and Community Services Department is designated as the oversight agency for the project.

Background Information: Huguenot Park experiences severe shoreline erosion which compromises the park's campground and roadway. A team of consultants will be hired to compile and analyze relevant data, including topographic and bathymetric data, geotechnical data and aerial photographs, to produce a final pre-design or feasibility study report that will detail the scope of the problem, outline design options, and identify tasks required to complete a resolution to the problem.

Policy Impact Area: Recreational assets

Fiscal Impact: The bill appropriates a \$250,000 state grant and a \$250,000 local match.

Analyst: Clements
