

Farm Share, Inc. – Operations Center and Warehouse

FY 2021-2022 City Grant Proposal Term Sheet

Grant Recipient: Farm Share, Inc. (“Recipient”)

Program Name: Operations Center and Warehouse (the “Program”)

City Funding Request: \$1,100,000.00

Contract/Grant Term: October 1, 2021 – September 30, 2022

Any substantial change to this FY 2021-2022 City Grant Proposal Term Sheet (the “Term Sheet”) or the attached Program budget will require City Council approval.

PROGRAM OVERVIEW:

Farm Share needs an approximately 40,000 square foot warehouse that contains approximately 1,500 square feet of freezer space and 3,000 square feet of cooler space with a minimum of 2,000 square feet of office space. During our search for warehouses that meet the above requirements we have discovered the supply to be very low, demand high and resulting pricing also very high. This has resulted in very few options at this time both for short term rentals and purchase options. This is very similar to the market conditions faced last year.

PROGRAM SCOPE OF WORK AND DELIVERABLES:

The landlord at our current warehouse has offered to re-lease the property to us for with a slight increase in annual rent. The proposed annual rental rate is \$253,382.

The proposal under this option would be to maintain the current partnership that the City of Jacksonville has with Farm Share and continue to provide funding to pay the annual rent payments. This proposal may be necessary as a means of buying more time to find a permanent warehouse for Farm Share.

The lease option is a short-term solution that will provide time to develop a build-to-suit long-term solution. This will require due diligence and potentially design/build efforts.

PROGRAM COSTS/PAYMENT TERMS:

The City will reimburse up to \$1,100,000 of the following expenditures with this grant.

\$250,000 – One year lease of building at the current location

\$850,000 – Due diligence and acquisition costs and design/build costs for a new permanent, long-term warehouse

PROGRAM IMPACT & REPORTING:

Recipient will provide information on Program progress as well as sufficient expenditure detail as required by the City in order to receive reimbursement.

Last fiscal year Farm Share distributed nearly 12 million pounds of food into Duval County, or the equivalent of 9,926,157 meals. This food had a fair market value of over 20 million dollars. It also represented a year over year increase of nearly 2 million pounds of food, showing Farm Share continues to grow and expand the impact it is making in Duval County.

Farm Share, Inc. – Operations Center and Warehouse

FY 2021-2022 City Grant Proposal Term Sheet

During the COVID-19 pandemic from March 1st through September 30th, Farm Share has distributed nearly 9 million pounds in just 7 months.

To enable Farm Share to continue to make an impact and feed Duval County's most vulnerable residents, Farm Share needs a long term and permanent home in Jacksonville. A permanent or long-term warehouse will allow Farm Share to invest in growth opportunities and the infrastructure needed to acquire and distribute more food to Duval County residents.

ADDITIONAL GRANT REQUIREMENTS AND CONDITIONS:

Recipient's expenditure of City funds for the Program and the provision of any services shall be subject to Chapter 118, Parts 1 – 5 of the *Jacksonville Ordinance Code*, and the terms and conditions of any contract entered into between the City and Recipient. Recipient shall use the City funds for the Program in accordance with the City Council approved Term Sheet and Program budget. The City's Office of Economic Development may amend this Term Sheet or the approved Program budget consistent with the Program's needs, provided that any substantial change to this Term Sheet or the approved Program budget will require City Council approval.
