|-------------|----------------------------------|
| REV Amount: | \$1,556,000 maximum ¹ |

| REV Term: | 10 Years |

- 1- The Supplemental REV Grant is based on a calculation that equates to \$120 per square foot of Retail Space.
- 2- The Applicant shall be eligible for Supplemental REV Grant funding only in tax years (Eligible Year) where more than 50% of the Total Space is either leased or made available for lease to bona fide retail businesses as defined further below, and under the terms provided herein.

Supplemental REV Grant funding will be based on the incremental ad valorem property taxes and Tangible Personal Property paid by the Applicant attributable only to municipal and county ad valorem taxes above the established Base year level and does not include taxes paid for the benefit of the Duval County School Board, the St. Johns River Water Management District, Florida Inland Waterways or any other such entity or agency.

Loans: No other loans, grants, or other funding from the City of Jacksonville are contemplated for this project beyond the \$9,000,000 REV Grant with an Effective Date of May 15, 2017.

Minimum Capital Contribution:

- 1) The minimum total capital contribution through completion to remain eligible for the Supplemental REV Grant is \$80,000,000.

Additional Requirements: As the Supplemental REV Grant is designed to facilitate leasing activity within the designated first floor retail spaces of the project, the following requirements apply:

- 1) Supplemental REV Grant shall be available for actual square footage up to 12,969 square feet of Total Space leased to Retail Tenants who occupy such space. Retail Tenants for these purposes are identified as businesses that sell products on a transactional basis to end consumers, food and beverage establishments, or providers of services targeted towards the general public (other than healthcare, advising, or counseling). Locations should be ground floor, street facing, and designed to attract the general public onto the property. Businesses operating primarily or exclusively on a membership basis, conducting business with customers under term arrangements, or providing goods and services targeted principally to other businesses shall not generally meet this definition, unless approved on a case-by-case basis.
- 2) Of the 12,969 square feet of Total Space to be made available for lease, the Developer may lease up to 50% (6,484 square feet) to commercial users that do not meet the definition for Retail Tenant above but meet the broader definition for commercial/retail to allow for professional services (such as financial, healthcare, advising, or counseling), businesses operating primarily or exclusively on a membership basis, conducting business with customers under term arrangements, or providing goods and services targeted principally to other businesses, (Non-Retail Space). Windows and doors in such space shall exhibit visible light transmittance of a minimum of 60 percent in compliance with Subpart H. - Downtown Overlay Zone and Downtown District Use and Form Regulations, and to allow pedestrians to see into the space. Further, such Non-Retail Space must have an entrance facing the street and allow access by the public that may come onto the property to conduct business. However, Non-Retail Space will not qualify for the Supplemental REV Grant, as defined herein. In the event that Non-Retail Space is leased in the project, the Supplemental REV Grant shall be applicable only to the proportion of the Total Space available or occupied as qualifying Retail Space.
- 3) Payments of the Supplemental REV Grant are applicable only in the first ten (10) Eligible Years following Substantial Completion. To be eligible for payment, the Retail Space shall demonstrate average occupancy of not less than 60% during the applicable Tax Year as supported by monthly rent rolls provided to the DIA.
- 4) To the extent that the Applicant is eligible for a REV Grant payment under 3) above, the calculation for REV Grant payments in any Eligible Year will be determined by multiplying 12.5% by the Annual Project Revenues, consistent with the definition found 2017 RDA, multiplied further by

the proportion of Retail Space to Total Space on an annual basis as supported by monthly rent rolls provided to the DIA.

- 5) All available Retail Space shall be actively promoted for lease under prevailing market terms, using commercially reasonable efforts, at all times. For purposes of this calculation, all space is considered Retail Space unless it is classified as Non-Retail Space as provided under Paragraph 2 above (i.e., all vacant or unoccupied space shall be considered Retail Space for this calculation).
- 6) Property owner shall offer any combination of funding for Tenant Improvement and/or Concessions for bona fide retail users in Retail Space of not less than \$100 per square foot.
- 7) All Leased Space is required to be designed, built out, and maintained at Class A standards, including signage, ceilings, millwork, restrooms, floor coverings, etc.

Performance Schedule:

- 1) The 2017 RDA will be amended to include this Supplemental REV Grant and clarify that the 2017 RDA permits any use as allowed by the Supplemental REV grant in the Retail Space without jeopardizing the REV Grant.
- 2) The Performance Schedule and all other terms and conditions remain unchanged from the 2017 RDA.

This Term Sheet proposal is limited by the following conditions:

There will be additional terms, conditions, rights, responsibilities, warranties, and obligations for both parties which shall be determined in a later negotiated mutually agreeable written contract (or multiple written contracts as is deemed necessary).

For the purposes of this Agreement, “Annual Project Revenues” means the amount of all municipal and county ad valorem taxes, exclusive of any amount from any debt service millage or Business Improvement District (“BID”) millage, actually paid by any taxpayer for that tax year (net of any discount pursuant to Section 197.162, Florida Statutes, or any successor provision, actually taken by the taxpayer) during such period with respect to all real property and tangible personal property, comprising the Project, less the amount of all municipal and county ad valorem taxes that would have been levied or imposed on the Project using the assessed value for the Base Year which for

the purpose of this Agreement shall be \$1,125,150 exclusive of any debt service millage. The foregoing references to ad valorem taxes shall be deemed to include any other municipal or county taxes, or other municipal or county fees or charges in the nature of or in lieu of taxes, that may hereafter be levied or imposed on the Company with respect to real property or tangible personal property comprising the Project, in lieu of or in substitution for the aforesaid taxes and which are levied or imposed for general municipal or county purposes or shall be available for the City's general fund, but not including stormwater or garbage fees or assessments.

By April 1 of each calendar year, commencing April 1, Initial Year and ending April 1, Final Year, Company shall give written notice to the City of the amount of county ad valorem taxes paid during the preceding twelve (12) month period ending April 1, quantified by real property and tangible personal property amounts. If, by April 1 of any year, the Company has failed to give notice of taxes paid during the preceding twelve (12) month period, the Company shall not be eligible for a Supplemental REV Grant payment for that year. Provided, however, that if the Company provides timely notice in future years, the Company shall be eligible for a Supplemental REV Grant payment based on the Annual Projected Revenues in such future year's notice. Notwithstanding the foregoing, in the event the Company has paid its ad valorem taxes in a given year, but failed to provide its written notice to the City by April 1, the Company shall have an additional ninety (90) days, until June 30, to provide its written notice and documentation to the City as required hereby, and in such event shall remain eligible for a Supplemental REV Grant for that applicable year as otherwise authorized by this Agreement.

Except as provided below, within thirty (30) days of receipt of said notice, City shall provide Company with a calculation as to the annual Supplemental REV Grant. If the Company does not give written notice to the City of its objection to the City's calculation within thirty (30) days after its receipt thereof, the City's calculation shall be considered acceptable. Except as provided below, the City shall make payment of the Supplemental REV Grant by the later of May 15th of each calendar year or thirty (30) days after City's receipt of notification by the Company that it is in agreement with the City's annual calculation. In the event of a disagreement as to the calculation, the City shall make payment of the amount not in dispute and the parties shall negotiate in good faith any disputed amount.

The foregoing dates for the City to provide the Supplemental REV Grant calculation and make the Supplemental REV Grant payment shall be extended if on either of such dates the Company has a pending proceeding before the City Value Adjustment Board, Circuit Court, or otherwise that could change the amount of the Annual Project Revenues that Company was obligated to pay for that tax year and upon which the Supplemental REV Grant payment would be based. In that event, the date that the City is required to provide the Supplemental REV Grant calculation to Company shall be extended until 30 days after the date that Company notifies the City that any such proceeding has been finally resolved (including any appeals) and any adjustment to the Annual Project Revenues for that tax year has been made and paid. Such notice shall include (i) a copy of any final order or final judgment or other evidence of the resolution of such proceeding that sets forth any change to the assessed value of the Property upon which the Annual Project Revenues are based for that tax year, and (ii) the amount of the adjusted Annual Project Revenues paid by the Company.

4.4 **Conditions Precedent to Supplemental REV Grant.**

As condition precedents to the City's obligation to pay Company the Supplemental REV Grant installment in any Eligible Year, Company shall satisfy the following conditions with respect to each Eligible Year:

- (c) The Retail Space shall have an average occupancy of at least 60% by tenants that are using and occupying such space for a Retail Use during the applicable Eligible Year, and Company shall provide supporting or other satisfactory evidence of such use and occupancy as reasonably requested and approved by the DIA, including the delivery of rent rolls by the 15th of each month;
- (d) Company shall provide a calculation of the Retail Space Proportionate Share for the applicable Eligible Year, along with supporting or other satisfactory evidence of such calculation as reasonably requested and approved by the DIA, including monthly rent rolls;

- (g) All of the leased Relevant Space has been designed, built out and maintained at Class A standards, including, without limitation, signage, ceilings, millwork, restrooms and floor coverings; and
- (h) Company shall have paid all ad valorem taxes on the Project Parcel, and submitted satisfactory evidence of such payment to the DIA.

4.5 **Further disclaimer.**

The Supplemental REV Grant shall not be deemed to constitute a debt, liability, or obligation of the City or of the State of Florida or any political subdivision thereof within the

meaning of any constitutional or statutory limitation, or a pledge of the faith and credit or taxing power of the City or of the State of Florida or any political subdivision thereof, but shall be payable solely from the funds provided therefor in this Article 4. The City shall not be obligated to pay the Supplemental REV Grant or any installment thereof except from the non-ad valorem revenues or other legally available funds provided for that purpose, and neither the faith and credit nor the taxing power of the City or of the State of Florida or any political subdivision thereof is pledged to the payment of the Supplemental REV Grant or any installment thereof. The Company, or any person, firm or entity claiming by, through or under the Company, or any other person whomsoever, shall never have any right, directly or indirectly, to compel the exercise of the ad valorem taxing power of the City or of the State of Florida or any political subdivision thereof for the payment of the Supplemental REV Grant or any installment of either.

Article 5. DEFAULTS AND REMEDIES

5.1 General.

A default shall consist of the breach of any covenant, agreement, representation, provision, or warranty contained in (i) this Agreement (including, but not limited to, any failure to meet the reporting requirements described herein), (ii) the documents executed in connection with this Agreement and any other agreement between the City and the Company related to the Project, (iii) any document provided to the City relating to the Project, or (iv) the 2017 RDA, as amended from time to time, (collectively, the “Project Documents”). A default shall also exist if any event occurs or information becomes known which, in the reasonable judgment of the City, makes untrue, incorrect or misleading in any material respect any statement or information contained in any of the documents described in clauses (i) – (iii) above or causes such document to contain an untrue, incorrect or misleading statement of material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

If any such default or breach occurs under this Agreement, the City may refuse to pay any portion of the Supplemental REV Grant, and additionally, may at any time or from time to time proceed to protect and enforce all rights available to the City under this Agreement by suit in equity, action at law or by any other appropriate proceeding whether for specific performance of any covenant or agreement contained in this Agreement, or damages, or other relief, or proceed to take any action authorized or permitted under applicable laws or regulations, including, but not limited to, terminating this Agreement. The City shall not act upon a default until it has given the Company written notice of the default and 20 business days within which to cure the default; provided, however, that the City may withhold any portion of the Supplemental REV Grant immediately upon the occurrence of a default and throughout any notice or cure period. However, if any default cannot reasonably be cured within the initial 20 business days, Company shall have an additional 30 days in which to cure such default, so long as Company has commenced and is diligently proceeding to cure such default within the initial 20-day period. Notwithstanding the foregoing, prior to completion of the Project Improvements, Company shall immediately and automatically be in default, and the City shall not be required to give Company any notice or opportunity to cure such default (and thus the City shall immediately be entitled to act upon such default), upon the occurrence of any of the following:

- (a) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Company or any guarantor (“Guarantor”) of Company’s obligations hereunder or under the Project Documents, a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or Guarantor under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Company or Guarantor or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; and
- (b) The institution by Company or Guarantor of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Company or Guarantor or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

5.2 Specific Defaults.

Additionally, for any of the specific events of default described in this Section 5.2 below, the parties agree that the City’s damages recoverable from the Company shall include, but not be limited to, the following:

- (a) If the Company fails to invest at least \$80,000,000.00 of private funding in the Project, the City shall not be obligated to pay any portion of the Supplemental REV Grant to Company.

5.3 Performance Schedule Default.

In the event the Company fails to complete the Project in accordance with the Performance Schedule set forth in the 2017 RDA, the City shall not be obligated to pay any portion of the Supplemental REV Grant to Company.

**Article 6.
ANTI-SPECULATION AND ASSIGNMENT PROVISIONS**

6.1 Purpose.

The Company represents and agrees that its undertakings pursuant to this Agreement are for the purpose of developing the Project Parcel pursuant to this Agreement, and not for speculation in land holding. The Company further recognizes, in view of the importance of the development of the Project Parcel to the general health and welfare of the City and that the qualifications,

financial strength and identity of the principal shareholders and executive officers of the Company are of particular concern to the City.

6.2 Assignment; Limitation on Conveyance.

The Company agrees that, until the substantial completion of the Project, it shall not, without the prior written consent of the CEO of the DIA, in his or her reasonable discretion, assign, transfer or convey (i) the Project or any portion thereof, (ii) the Project Parcel or any portion thereof (iii) this Agreement or any provision hereof, or (iv) a controlling interest in the Company. If any such prohibited assignment, transfer or conveyance is made, the obligation of the City to pay any further amounts under the Supplemental REV Grant shall immediately terminate. Company shall provide written notice to the CEO of the DIA of any assignment of the Project, Project Parcel or this Agreement. Company shall provide a draft of the Assignment and Assumption agreement to the City for its review and approval, not to be unreasonably withheld, conditioned or delayed, and such agreement shall provide that the assignee agrees to be bound by, assume and perform all of the covenants, terms and conditions of the Company in connection with this Agreement. Assignment of this Agreement is subject to the review and approval of the CEO of the DIA, not to be unreasonably withheld, conditioned or delayed.

6.3 Lender Authorized Assignment.

Notwithstanding any other provision in this Agreement to the contrary, the City agrees that in the event that the lender for the Project (including HUD, if applicable) ("Lender") approves the Company, or any subsequently approved purchaser as described below, to transfer the Project and the rights under Agreement to a transferee who assumes the loan for the Project, the assignment of the Agreement shall be deemed approved by the City upon receipt of written notice from Lender advising the City of the approved transfer, provided that it is expressly understood and agreed that in order for City's approval to be effective, the approved transferee must expressly assume, by written instrument signed by such transferee, all of the Company's duties and obligations under the Agreement to the extent the same arise and pertain to periods from and after the approved transferee's acquisition of the Project. Upon receipt of said notice and written assumption, the transferee shall succeed to the rights of the Company under the Agreement.

The City further agrees that in the event that a default occurs under the Loan and the Lender forecloses its lien on the Project and a purchaser at such foreclosure sale acquires the Project, so long as such purchaser expressly assumes, by written instrument signed by such transferee, all duties and obligations of the Company under the Agreement, to the extent the same arise and pertain to periods from and after the purchaser's acquisition of the Project, then the assignment of the Agreement to such foreclosure purchaser shall be deemed consummated and approved by the City upon receipt of a written notice of the name of such foreclosure purchaser. Upon receipt of said notice and written assumption, the foreclosure purchaser shall succeed to the rights of the Company under the Agreement.

The City further agrees that in the event that a default occurs under the Loan and the Lender forecloses its lien on the Project and the Lender acquires the Project at the foreclosure sale, then Lender may transfer the Project and so long as the purchaser expressly assumes, by written instrument signed by such purchaser, all duties and obligations of the Company under the

Agreement, to the extent the same arise and pertain to periods from and after the purchaser's acquisition of the Project, the assignment of the Agreement to such purchaser shall be deemed consummated and approved by the City upon receipt of a written notice of the name of such purchaser. Upon receipt of said notice and written assumption, the purchaser shall succeed to the rights of the Company under the Agreement.

If any event of default under the terms of the Agreement shall occur, then and in any such event, the City shall, give written notice of such default(s) ("Notice of Default") to Lender at its address set forth in Section 7.3 hereof, specifying the event of default and the methods of cure, or declaring that a event of default is incurable. During the period of 180 days commencing upon the date the Notice of Default was given to Lender, Lender may: (a) cure any event of default; and/or (b) commence foreclosure proceedings or institute other state or federal procedures to enforce Lender's rights. If the Lender reasonably undertakes to cure any event of default during the applicable cure period and diligently pursues such cure, the City shall grant such further reasonable time as is necessary to complete such cure. If Lender commences foreclosure within such 180 days, then its cure period shall be extended during the period of the foreclosure or other action and for 90 days after the ownership of the Project is assigned to Lender or a purchaser at any foreclosure sale.

Notwithstanding the foregoing, the term of the Supplemental REV Grant shall not extend beyond the Final Year.

Article 7. GENERAL PROVISIONS

7.1 Non-liability of City Officials.

No member, official or employee of the City shall be personally liable to the Company or to any Person with whom the Company shall have entered into any contract, or to any other Person, in the event of any default or breach by the City, or for any amount which may become due to the Company or any other Person under the terms of this Agreement.

7.2 Force Majeure.

Whenever any action is required to be taken pursuant to the provisions contained in this Agreement within a specified period of time, no party to this Agreement shall be deemed in default hereunder where such a default is based on a delay in performance as a result of war, acts of terrorism, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, casualty, acts of God, acts of public enemy, epidemic, quarantine restrictions, freight embargo, shortage of labor or materials, interruption of utilities service, lack of transportation, severe weather and other acts or failures beyond the control or without the control of any party, ("Force Majeure Event"). In no event shall any of the foregoing excuse any financial

liability of a party; provided, however, if resumption of the Project is not commercially reasonable, then upon receipt of Company's written notice to the City of the same, the City shall not be obligated to pay any portion of the Supplemental REV Grant.

7.3 **Notices.**

All notices to be given hereunder shall be in writing and personally delivered or sent by registered or certified mail, return receipt requested, or delivered by an air courier service utilizing return receipts to the parties at the following addresses (or to such other or further addresses as the parties may designate by like notice similarly sent) and such notices shall be deemed given and received for all purposes under this Agreement three (3) business days after the date same are deposited in the United States mail if sent by registered or certified mail, or the date actually received if sent by personal delivery or air courier service, except that notice of a change in address shall be effective only upon receipt.

Except as otherwise provided herein, all waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by any party in insisting upon strict performance of the provisions hereof or asserting any of its rights and remedies as to any default shall not constitute a waiver of any other default or of any such rights or remedies.
