RE: Planning Commission Advisory Report

Ordinance No.: 2019-317

Application for: NWQ JTB – Hodges PUD

Dear Honorable Council President Bowman, Honorable Council Member and LUZ Chairperson Schellenberg and Honorable Members of the City Council:

Pursuant to the provisions of Section 656.129 *Advisory recommendation on amendment to Zoning Code or rezoning of land* of the Zoning Code, the Planning Commission voted to recommend **deferral** pending submittal of an application, a revised application, re-advertising or additional information.

- PC Vote: 4-2 to DENY
There must be at least 5 votes in the affirmative to move the ordinance of out of the Commission. Therefore the Ordinance is deferred.
- PC Commentary: There were several speakers in opposition. Their concerns were traffic congestion, impacts to the serenity of their homes, safety concerns for children walking to school, lack of access in emergency situations and protected species.
The Commissioners felt the project may be too intense for the area. The density of the multi-family in addition to the existing traffic issues will make the situation worse.
