Department identifying all then existing and proposed uses within the Property, and showing the general layout of the overall Property.

VI. STATEMENTS

A. How does the proposed PUD differ from the usual application of the Zoning Code?

The site plan allows for a slight increase in recreation area.

B. Describe the intent for the continued operation and maintenance of those areas and functions described herein and facilities which are not to be provided, operated or maintained by the City.

All areas will be maintained by the owner. Specifically, the internal roads will be private and maintained by a homeowners association.

VII. JUSTIFICATION FOR PLANNED UNIT DEVELOPMENT CLASSIFICATION FOR THIS PROJECT

The proposed project is consistent with the general purpose and intent of the City of Jacksonville 2045 Comprehensive Plan and Land Use Regulations. The proposed project will be beneficial to the surrounding neighborhood and community.

- A. Is more efficient than would be possible through strict application of the Zoning Code;
- B. Is compatible with surrounding land uses and will improve the characteristics of the surrounding area;
- C. Will promote the purposes of the City of Jacksonville 2045 Comprehensive Plan.
- D. Allows for alternate use to meet market demands.
