If a person decides to appeal any decision made by the Council with respect to any matter considered at such meeting, such person will need a record of the proceedings, and for such purposes, such person may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

You may attend the meeting in-person at the physical location- City Council Chambers, but CDC guidelines will be adhered to due to COVID-19. Concurrent with the expiration of Mayor Curry's Emergency Executive Proclamation 2020-005, any member of the public entering City-owned public buildings may choose to wear a mask inside the building. Council strongly encourages the use of masks for all employees and visitors, especially when social distancing at 6 feet (or more) is not possible. Council will make masks available for visitors and the public.

Meeting Convened: 9:32 AM

Meeting Adjourned: 10:45 AM

Council President Newby thanked the members for being willing to undertake the duties of the Neighborhoods, Community Services, Public Health and Safety Committee and talked about how important the committee is to him.

Presentation by Public Works Department - Solid Waste Update

John Pappas, Public Works, gave a PowerPoint presentation updating solid waste pickup and the complaints that have been received over the past 6 months. The complaints were broken down by garbage, yard waste, bulky waste and recycling. Mr. Pappas said the biggest challenge has been yard waste which has had 19,533 complaints. Mr. Pappas went over the service contracts and bid process. CM Salem asked for a definition of bulky waste. Mr. Pappas said it is things such as tables, chairs and furniture. CM Morgan asked if the fines are used to pay for the collection work. Mr. Pappas said that it is used for that work. CM Bowman talked issues he has heard from his constituents regarding multiple weeks of missed pickups a lack of response from the 630-CITY number.

Presentation fro the Florida Department of Health - Duval

Tawanda Washington, Assistant Nursing Director and Chowdhury Bari, Head of Epidemiology Program, gave an update on the COVID-19 cases in Duval County. In early June there were about 100 cases a week and then an up tick started in the case numbers. With the new delta variant the current numbers have ranged between 500 and 700 cases a day with a percent positive of 21%. The Health Department said there main focus is promoting vaccinations. CM Bowman asked about the vaccination rates in Duval County. Dr. Bari said that 49% of the population age 12 and up is fully vaccinated. CM Bowman asked about the impact of the delta variant on the vaccinated population. Dr. Bari said that 98% of the cases in the hospitals are made up of unvaccinated people and the age range of those infected is younger then previously. CM Salem asked for the total number of weekly vaccinated people. Dr. Bari said they will work to get that for the Committee at the next meeting. CM White asked about the need for a booster shot. Dr. Bari said at this time there is no need for a booster shot. CM Morgan asked where the spread is currently happening. Ms. Washington said it is being found in offices and summer camps. CM Priestly Jackson asked about the spread of the delta variant. Dr. Bari said the variant is very transmissible and has a much higher viral load.
