Bill Type and Number: Ordinance 2024-747

Introducer/Sponsor(s): Council President at the request of the Mayor

Date of Introduction: September 10, 2024

Committee(s) of Reference: NCSPHS, F, TEU

Date of Analysis: September 12, 2024

Type of Action: Appropriation; CIP amendment; designation of oversight agency

Bill Summary: The bill appropriates \$455,000 from the Underdrain Replacements Project to the Brookshire Court Underdrain Rehabilitation Project for the construction and installation of approximately 835 feet of existing underdrain on Brookshire Court. The 2024-28 Capital Improvement Plan is amended to reflect the appropriation of additional funds to the project and attach a revised CIP project sheet. The Traffic Engineering Division of the Department of Public Works is designated as the City's oversight agency for the project.

Background Information: The appropriation moves money from a countywide underdrain replacements account to supplement a specific project account on Brookshire Court near Baymeadows and Old Kings Roads. The project will reduce driveway flooding along Brookshire Court and improve drainage at surrounding ponds. It will also contribute to the completion of the San Mateo Elementary School sidewalk project.

Policy Impact Area: Drainage improvement

Fiscal Impact: The bill appropriates \$455,000 from an existing countywide projects account to a specific project.
