This BT is necessary to transfer funding from the Countywide Intersection Improvements - Bridges project to the Art Museum Drive Bridge project. This transfer will allow for the project to be awarded to the lowest bidder and will upgrade the guardrail to current FDOT standards, raise the approach slabs to original design profile, and repair the damaged sidewalks in the vicinity of the bridge. Deferral of this amendment until the next CIP would be detrimental to the City because it could result in delaying the completion of the project.
