Trista Carraher, Auditor's Office, explained the NCSPHS amendment #1. Approved unanimously.

Ms. Carraher explained the NCSPHS amendment #2. Approved unanimously.

CM Peluso spoke on behalf of the bill. There was discussion about the purpose of creating a Five Points Special District and process by which consent was garnered from the property owners and businesses.

CM Salem expressed opposition to the bill, noting that there are some who do not wish to participate in the assessment and that affected parties who did not respond to the mailed notifications should not be considered as consent. CM Gay also spoke in opposition because of some business owners who indicated they do not support the assessment. Carla Lopera, OGC, explained that the notification of affected owners for this special district was modeled after the process used for traffic calming/speed humps in neighborhoods, wherein non-responses are considered affirmation.
