PROGRAM OVERVIEW:

With over 150 non-profit organizations that provide service to young men in the Jacksonville community, Knots 4 Kids, Inc. (also referred as “K4K”), is positioning itself to be one of the leading organizations that focus on underprivileged, at risk and disadvantaged young men. Knot 4 Kids, Inc., is a private non-profit organization that supports the needs of youth in the areas of education, health and personal development. Knots 4 Kids believes that all children should have the opportunity for a successful education, as well as live a healthy lifestyle despite their circumstances. Established in 2007, the focus of the organization is to promote healthy development in youth by increasing awareness about health and educational issues, as well as through our personal development program called “Tailored”.

PROGRAM SCOPE OF WORK:

The scope of Knots 4 Kids, Inc.’s Tailored Program is to identify and collaboratively work with organizations and groups that support the needs of young boys and girls as it relates to health, education and personal development.

Our Tailored Program consists of various modules:

Tailor Your Attitude “Attitude is Everything!”:

Participants learn how to identify and practice effective interpersonal behaviors that lead to better decision-making and personal outcomes.

Tailor Your Health:

The benefits of living a healthy lifestyle by exploring making healthier choices in food, nutrition and exercise. Our health module highlights the implications of obesity.

Tailor Your Money “Financial Literacy”:

The “Tailor Your Money” module creates an opportunity for participants to discover the benefits and consequences associated with managing personal finances.

Tailor Your Dressing:

Participants learn how to tie a bow tie and necktie. Participants also learn other aspects of dressing professionally.

Tailor Your Choices “Crime Prevention”:

Participants are given tactics and resources to avoid crime.

Tailor Your Social Etiquette Skills & Manners - Personal Development:

This module teaches social networking, courtesy and communication skills. Participants will also learn life-long values such as integrity, respect for others, confidence, and so much more.

Tailor Your Dining “Dining Dynamics and Chivalry”: Teaches dining etiquette.

PROGRAM IMPACT & REPORTING:

Knots 4 Kids has been providing programming for young men for 16 years. Just recently, we added the responsibility of offering our Tailored Program to young women. Over the last 16 years we have served over 2,000 participants through our Tailored Program.
