Justification for Waiver

At the Jacksonville Environmental Protection Board (JEPB) hearing on January 17, 2023, board members discussed the necessity of exceptions to ordinance code provisions, and determined that the use of the funds for this project was a worthwhile and beneficial use of trust fund monies. A waiver of Section 110.112 Ordinance Code is needed as the initial payment is contemplated before the project completion. A waiver of Sections 111.755 and 360.602 are needed in order to continue provision of funds. In addition, an exception to Section 126.107(g), Ordinance Code (supplies or services to be provided by those specifically prescribed within authorizing legislation that appropriates the same), is needed as Jacksonville University will be named in the legislation. The proposal was favorably approved by unanimous decision of the Board.

Justification for / Description of Transfer:

To appropriate fund balance from the Environmental Protection Trust Fund to continue a project with Jacksonville University to produce an annual report regarding the health of the St Johns River.

Net Amount Appropriated and/or Transferred: \$107,693.00

* This element of the account string is titled project but it houses both projects and grants.
