Bill Type and Number: Resolution 2021-891

Sponsor: Council Member Ferraro

Date of Introduction: December 14, 2021

Committee(s) of Reference: NCSPHS, F, JWC

Date of Analysis: December 16, 2021

Type of Action: Amendment

Bill Summary: Amends section 117.110, regarding the Florida Inland Navigation District (FIND) matching funds.

If the annual budget for the fiscal year exceeds the FIND match funds, then this fact shall be disclosed by the mayor to the Council in writing within 14 days from the receipt of communication of the final annual award from FIND. The Council President shall then file legislation appropriating the excess funding from the FIND matching funds account to a special council contingency account to be spent within the current fiscal year on construction/improvement, maintenance or repair projects that benefit access to public waterways within the city (such as docks (including repairs), boat launches, ramps, and bulkheads). The Administration shall submit a resolution to Council, for Council approval, with a list of proposed projects that will be completed with the excess funding.

Background Information: This will allow for any excess FIND funds to be designated to waterways projects.

Policy Impact Area: Waterways improvements

Fiscal Impact: Appropriation of the excess FIND funds towards waterways projects
