13 **WHEREAS**, the Planning and Development Department has considered

15 advisory recommendation; and

16 **WHEREAS**, the Land Use and Zoning Committee, after due notice
17 held a public hearing and having duly considered both the testimonial

19 its recommendation to the Council; now, therefore

20 **BE IT ORDAINED** by the Council of the City of Jacksonville:

21 **Section 1. Adoption of Findings and Conclusions.** The
22 Council has considered the recommendation of the Land Use and Zoning
23 Committee and reviewed the Staff Report of the Planning and
24 Development Department concerning administrative deviation
25 Application AD-22-65, which requests to decrease the minimum number
26 of loading spaces from five to zero for five lots. Based upon the
27 competent, substantial evidence contained in the record, the Council
28 hereby determines that the requested administrative deviation meets
29 each of the following criteria required to grant the request pursuant
30 to Section 656.109(h), *Ordinance Code*, as specifically identified in
31 the Staff Report of the Planning and Development Department:

1 (1) There are practical or economic difficulties in carrying out
2 the strict letter of the regulation;

3 (2) The request is not based exclusively upon a desire to reduce
4 the cost of developing the site, but would accomplish some result
5 that is in the public interest, such as, for example, furthering the
6 preservation of natural resources by saving a tree or trees;

7 (3) The proposed deviation will not substantially diminish
8 property values in, nor alter the essential character of, the area
9 surrounding the site and will not substantially interfere with or
10 injure the rights of others whose property would be affected by the
11 deviation;

12 (4) The proposed deviation will not be detrimental to the public
13 health, safety or welfare, result in additional public expense, the
14 creation of nuisances, or conflict with any other applicable law;

15 (5) The proposed deviation has been recommended by a City
16 landscape architect, if the deviation is to reduce required
17 landscaping; and

18 (6) The effect of the proposed deviation is in harmony with the
19 spirit and intent of the Zoning Code.

20 Therefore, administrative deviation Application AD-22-65 is
21 hereby approved.
