**Bill Type and Number:** Ordinance 2023-92

**Introducer/Sponsor(s):** Council Member Boylan

**Date of Introduction:** February 14, 2023

**Committee(s) of Reference:** F, TEU

**Date of Analysis:** February 16, 2023

**Type of Action:** Authorization to execute dredging project funding agreement; appropriation; designation of oversight agency

**Bill Summary:** The bill authorizes the execution of a dredging project funding agreement between the City and Deep Bottom Creep Dependent Special District for costs associated with the initial planning process of dredging of Deep Bottom Creek. It appropriates \$15,000 from the General Fund GSD Fund Balance to the District for the preliminary dredging preparation work. The Public Works Department is designated as the City's oversight agency for the project.

**Background Information:** The Deep Bottom Creep Dependent Special District was created by Ordinance 2022-489-E. The district is in the planning and engineering phase of a project to dredge the creek and the City is contributing up to \$15,000, on a reimbursable basis, toward the costs of surveying, permits, applications, and other activity associated with the initial dredging of Deep Bottom Creek, which is located in the Mandarin area.

**Policy Impact Area:** Water body dredging

**Fiscal Impact:** The bill appropriates \$15,000 from General Fund GSD Fund Balance to the dredging planning process.
