Trinity Rescue Mission, Inc. - Transportation Assistance Program

FY 2024-2025 City Grant Proposal Term Sheet

Grant Recipient: Trinity Rescue Mission, Inc. ("Recipient" or "TRM")

Program Name: Transportation Assistance Program (the "Program")

City Funding Request: \$114,272

Contract/Grant Term: January 1, 2025 – December 31, 2025

Any substantial change to this FY 2024-2025 City Grant Proposal Term Sheet (the "Term Sheet") or a budget change not within 10% of the attached Program budget line-items will require City Council approval.

PROGRAM OVERVIEW:

Trinity Rescue Mission's Transportation Assistance Program provides reliable transportation for individuals who have entered TRM's Lifeline Program(s) to obtain and sustain employment. Additionally, it provides transportation to pick up and drop off food for the homeless. Lack of transportation is a major barrier to economic stability, often preventing individuals from accessing interviews, consistent employment, and nutritional food. This Program ensures that residents in TRM's Lifeline Programs have access to safe, scheduled transportation to workplaces, and access to food. The Program aims to increase employment access by providing transportation for at least 50 individuals in TRM Lifeline Programs annually to acquire ID's, driver's license, appointments, job interviews and/or work, helping them to secure and maintain stable employment.

PROGRAM SCOPE OF WORK AND DELIVERABLES:

The Program will provide reliable transportation for Lifeline individuals to acquire ID's, driver's license, appointments, attend job interviews, helping them overcome transportation barriers and increasing their chances of securing employment. Additionally, ongoing transportation will be offered for clients to commute to and from their workplaces, ensuring stable employment by addressing the challenge of a lack of transportation. Transportation is also used to pick up food supplies for the homeless.

PROGRAM COSTS/PAYMENT TERMS:

The total operating cost for the Transportation Assistance Program in 2025 is \$130,109 which includes \$61,209 for vehicle expenses, covering the costs of maintaining and operating vehicles such as fuel, insurance, and maintenance, and \$68,900 for coordinator and driver salaries, covering the wages of drivers providing transportation to job interviews, work locations, appointments, access to ID's and Driver's License, and food.

City funds shall be expended in accordance with the approved budget for the sole benefit of Duval County residents. City funds will be disbursed on a reimbursement basis upon the City's receipt and approval of required documentation including but not limited to paid invoices, cleared checks and bank statements. The City will provide \$51,372 for vehicle expenses and \$62,900 for driver and coordinator salaries.

PROGRAM IMPACT & REPORTING:

The Transportation Assistance Program will achieve its goals by providing transportation to at least 50 individuals and perform 6,500 trips annually, ensuring they have reliable access to employment opportunities, sustained employment, ability to be transported to appointments, obtain ID and/or driver's license, and allow TRM to drop off and pick up essential food for homeless individuals. The Program's success will be measured by the number of clients starting new employment, obtaining ID or Driver's License, arriving at an appointment, and attending a job interview. Additionally, the Program will help improve job retention by offering ongoing transportation for clients to commute to and from work. The Program will be tracked through TRM's data systems. By reducing transportation barriers, the Program will improve participants' economic stability, decreasing their reliance on social services and contributing to a reduction in recidivism. Ultimately, the Program aims to help individuals transition from homelessness to self-sufficiency, benefiting both the residents and the community as a whole.

ADDITIONAL GRANT REQUIREMENTS AND CONDITIONS:

Recipient's expenditure of City funds for the Program and the provision of services shall be subject to Chapter 118, Parts 1-5 of the *Jacksonville Ordinance Code*, and the terms and conditions of any contract entered into between the City and Recipient. Recipient shall use the City funds for the Program in accordance with the City Council approved Term Sheet and Program budget. The City's Grant Administrator may amend this Term Sheet or the approved Program budget consistent with the Program's needs, provided that any substantial change to this Term Sheet or a budget change not within 10% of the attached Program budget line-items will require City Council approval.
