Awarded Funds: \$470,000  
CSFA Catalog Number: 71.045

---

This agreement is entered into by and between the Department of Law Enforcement (herein referred to as "FDLE" or Department) and City of Jacksonville (herein referred to as "Recipient"); and

WHEREAS the Department has the authority pursuant to Florida law and does hereby agree to provide state financial assistance to the Recipient in accordance with the terms and conditions set forth in this agreement and

WHEREAS the Department has available funds resulting from a single, non-recurring appropriation in The General Appropriations Act, 2020 Legislature, General Appropriation 1261, (HB 3605) (Senate Form 1667), Grants and Aids-Special Projects, intended to be provided to the Recipient as reimbursement of eligible costs resulting from allowable activities as defined in the agreement, and

WHEREAS, the Recipient represents that it is fully qualified, possesses the requisite skills, knowledge, qualifications and experience to carry out the state project identified herein, and does offer to perform such services.

NOW THEREFORE, in consideration of the foregoing, the parties agree as follows:

The General Appropriations Act contains the following proviso language and provides information on the legislative intent for the use of these funds:

*From the funds in Specific Appropriation 1261, \$500,000 in nonrecurring general revenue funds is provided to the City of Jacksonville. However, the Fiscal year 2020-21 Annual Release Plan established by the Executive Office of the Governor only authorizes FDLE to expend 23.5% of appropriated funds each quarter. This results in a 6% reduction to all budget lines, including Specific Appropriation 1261, which funds this project.*

**This award is subject to enclosed special conditions:**

**S0001:** Prior to drawdown of funds for contractual services, the City of Jacksonville must submit a copy of any third-party subcontracts related to the agreement and must address the requirements identified in Section 215.97(7)(a) and (d), Florida Statutes.

**S0002:** The City of Jacksonville is responsible for ensuring any subrecipient complies with the Florida Single Audit Act provisions outlined in Section 215.97(8), Florida Statutes.

**S0003:** Prior to the drawdown of funds for social services, the City of Jacksonville must submit a revised budget detailing the costs and services to be provided.

**Scope of Work**

The City of Jacksonville will use funding to expand the local Cure Violence initiative to a third site. The goal of the Cure Violence program is reducing murders and shootings by approaching violence as an epidemic process that can be stopped by employing the same health strategies used to fight all other public health epidemics. This project will support the City's efforts to establish the additional site, train staff, and secure the services necessary for implementation of the Cure Violence model.

Based on the program's success locally and nationally, the proposed site will reduce murders and shootings and change community expectations. Jacksonville's two initial Cure Violence sites have experienced prolonged periods without a shooting or murder and align with the program's indicators for success.

Tasks and activities to be performed will include:

- Using data sources to identify and select a target area;
- Establishing criteria to select the best local partner, with the assistance of the Cure Violence Global;
- Conducting an application and award process to select the community partner;
- Hire and train staff using Cure Violence Global interview process and background checks;
- Respond to and provide mediation services for murders and shootings occurring within the target area;
- Conducting community engagement activities and providing services directly to high-risk individuals;
- Developing interactive dashboards and conducting data analysis;
- Providing professional services for trauma-informed support, including mental health and financial wellness services; and
- Providing additional social services, including but not limited to job preparation and housing support for the target community.

The provisions herein do not limit the Department's right to remedies at law or in equity. The validity of this agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Recipient in this agreement, in any subsequent submission or response to Department request, or in any submission or response to fulfill the requirements of this agreement, and such information, representations, and materials are incorporated by reference. Any power of approval or disapproval granted to the Department under the terms of this agreement shall survive the terms and life of this agreement as a whole.
