Bill Type and Number: Ordinance 2021-716

Sponsor: Council President at the request of the Mayor

Date of Introduction: September 28, 2021

Committee(s) of Reference: F, JWC, NCSPHS

Date of Analysis: September 28, 2021

Type of Action: Appropriation

Bill Summary: The bill appropriates grant funding from the Florida Wildlife Conservation Commission (FWC) to offset the City's costs for removal of three derelict vessels located in public waterways within the city.

Background Information: The FWC will reimburse the city up to \$27,500.00 for the removal of one 21-foot white vessel in the state waters of Julington Creek, northeast of Clark's Fish Camp, and one 21-foot green vessel at Mandarin Point in the St. Johns River, south of the Buckman Bridge. The removal of these vessels must occur prior to expiration of Contract #20399 on October 22, 2021.

In addition, pursuant to that certain State of Florida Fish and Wildlife Conservation Commission Agreement No. 21034 ("Contract #21034"), the FWC has agreed to reimburse the City up to \$20,000.00 for removal of one 38-foot white Bayliner Cabin Cruiser in the Broward River behind 1223 Cedar Bay Road. The removal of this vessel must be completed prior to expiration of Contract #21034 on October 15, 2021.

Policy Impact Area: Removal of three derelict vessels

Fiscal Impact: \$47,500 appropriation
