(c) Explanation of Appropriation:

The funding above represents an appropriation of \$5,750,000 in Social Impact Partnerships to Pay for Results Act ("SIPPRA") grant funds from the United State Department of the Treasury ("Treasury Department") to allow the Kids Hope Alliance ("KHA") to launch a suite of investments, including a universal nurse home visit for new parents and a universal early literacy initiative through which health care providers coach parents on reading to their children (the "Program"). The grant period begins on December 6, 2024 and ends December 31, 2029.

Section 2. Purpose. The purpose of the appropriation in Section 1 is to provide funding for the Program, and to procure the professional services of Institute for Child Success, as project manager for the Program, and the Riley Institute as the independent evaluator of the Program. This award is subject to the terms and conditions outlined in the United State Department of the Treasury

1 Notice of Award which has been placed **On File** with the Legislative
