

Project Title: Medical Examiner Facility 04 **Council District(s):** 7
Project Location: 881 Golfair Blvd **Project Number:** 006237
Department: Public Works **Program Area:** Public Facilities
Ordinance No.: BT No.: 30 Years **Project Completion Date:** FY25

Project Description:

The District 4 Medical Examiner's Office building was originally constructed in 1968 as a single story building. There was a one story addition to the original building. Subsequently, in 1994 the City of Jacksonville accomplished a renovation of the existing building together with a secondary story addition and a build of the decomposition autopsy building.

Justification:

The District 4 MEO has outgrown the space. As the population within the jurisdiction of the MEO continues to grow, the need for autopsy services increases proportionally. The current space allocation is very restrictive in providing both services and staff workspace. Jacksonville is ranked in the top 10 fastest growing metro areas in the nation according to the latest Census information. The existing medical examiner's operating facility was not designed to accommodate a mass fatality situation. The maximum number of bodies that can be accommodated is 45. During the past six months, the MEO has been at capacity several times for normal/workload/processing space.
