21 preservation of natural resources by saving a tree or trees;

22 (3) The proposed deviation will not substantially diminish
23 property values in, nor alter the essential character of, the area

25 injure the rights of others whose property would be affected by the
26 deviation;

27 (4) The proposed deviation will not be detrimental to the public
28 health, safety or welfare, result in additional public expense, the
29 creation of nuisances, or conflict with any other applicable law;
