REPORT OF THE PLANNING AND DEVELOPMENT DEPARTMENT

The Planning and Development Department hereby forwards to the Planning Commission, Land Use and Zoning Committee, and City Council its comments and recommendations on:

ORDINANCE 2022-464

AN ORDINANCE REGARDING ADULT ARCADE AMUSEMENT CENTERS; PROVIDING FOR SEVERABILITY; PROVIDING AN EFFECTIVE DATE.

I. GENERAL INFORMATION

The bill amends multiple chapters of the Ordinance Code to allow for the reintroduction of adult arcade amusement centers which are prohibited under Ordinance 2019-209-E.

II. EVALUATION

A. The need and justification for the change

Staff has not identified a need or justification for the change.

B. The relationship of the proposed amendment to the Comprehensive Plan and the work of the Department with appropriate consideration as to whether the proposed amendment will further the purposes of the Zoning Code and Comprehensive Plan.

This bill conflicts with the spirit and intent of the Comprehensive Plan, particularly the following:

FLUE Objective 3.2: Continue to promote and sustain the viability of existing and emerging commercial and industrial areas in order to achieve an integrated land use fabric which will offer a full range of employment, shopping, and leisure opportunities to support the City's residential areas.

FLUE Objective 3.2.10: The City shall encourage redevelopment and revitalization of rundown strip commercial areas through incentives such as the use of residential density credits for infill and mixed use development.

III. RECOMMENDATION

17 (a) Desiring to protect individual rights, while at the same time
18 affording opportunity for the fullest development of the individual, and
19 promoting the health, safety, education, and welfare of the people, the
20 City of Jacksonville has a compelling interest in protecting its citizens
21 from certain activities and influences which can result in irreparable
22 harm if left unregulated. The Council is also charged with the
23 responsibility of protecting and assisting its citizens who suffer from
24 compulsive or problem gambling behavior.

25 (b) The Council has a legitimate interest in protecting its
26 citizens from unethical business practices, ensuring operators of
27 regulated establishments are of good moral character, providing safe
28 locations for people to congregate, and protecting the quality and well-
29 being of its neighborhoods.

30 (c) It necessary and in the public interest to ensure that
31 businesses portray themselves in a manner not likely to mislead the

1 public.

2 (d) The imposition of a regulatory scheme for activities conducted
3 pursuant to sections 849.0935, and 849.094, Florida Statutes, bears a
4 rational relationship to its interests.

5 (e) Adult arcade amusement machines should be confined to
6 facilities that meet strict standards.

7 (f) The Council is authorized to license and regulate the operation
8 of adult arcade amusement centers for the enjoyment, entertainment and
9 protection of the public.

10 (g) No adult arcade amusement machine should be allowed unless it
11 is located upon the premises of a licensed adult arcade amusement center
12 in accordance with the operational requirements set forth in this
13 Ordinance.

14 (h) That the State of Florida has authorized slot machines and
15 other gaming at licensed facilities, and the State of Florida authorizes
16 drawings by chance and game promotions or sweepstakes. The Council
17 further recognizes that establishments that utilize electronic equipment
18 to display the results of drawings by chance and game promotions or
19 sweepstakes by simulating a game or games ordinarily played on a slot
20 machine or other casino-type of machine can deceive members of the public
21 into believing that they are engaging in a licensed gambling activity if
22 left unregulated.

23 (i) That the Council has an obligation and responsibility to
24 protect its citizens from the use of deceptive practices.

25 (j) In order to ensure the uniform enforcement of existing laws,
26 to preserve the public peace and good order, and to safeguard the health,
27 safety, morals and welfare of the community and citizens thereof, it is
28 necessary and advisable to provide greater regulation of the use of
29 electronic equipment to display the results of drawings by chance and
30 game promotions.
