# Program Management

*The LOGT Program  
will be managed  
through a  
combination of  
internal staff &  
external consultant  
support*

**MOBILITYWORKS**

The JTA will implement a program management approach to deliver the MobilityWorks II projects.

- Jacobs Project Management, with offices in Jacksonville, FL, will serve as program manager for the JTA.
  - Initial Efforts include: Program Management Plan; DBE Availability & Capacity Study; Comprehensive Scheduling, Project Prioritization and Funding Phasing Plan.
- JTA recruited Director of Capital Programs and Quality Assurance Manager to oversee MobilityWorks II Program

# Program Management

*The JTA established  
**LSBE Program** to  
support the  
development and  
sustainability of  
small and very small  
(micro) businesses in  
NE FL.*

**MOBILITYWORKS**

- Diversity/Equity/Inclusion Efforts
  - Initiated a JTA Workforce Development and Training Academy Plan
    - Plan to support the creation of 7,000 jobs from the UNF Report
    - Strategic Advisory Group members range from government, business and civic leaders
- Maximize DBE/LSBE/JSEB Outreach and Engagement
  - Targeted Prime Opportunities
  - Identify \$250M in contracts as legislatively mandated
  - DBE Availability & Capacity Study to support

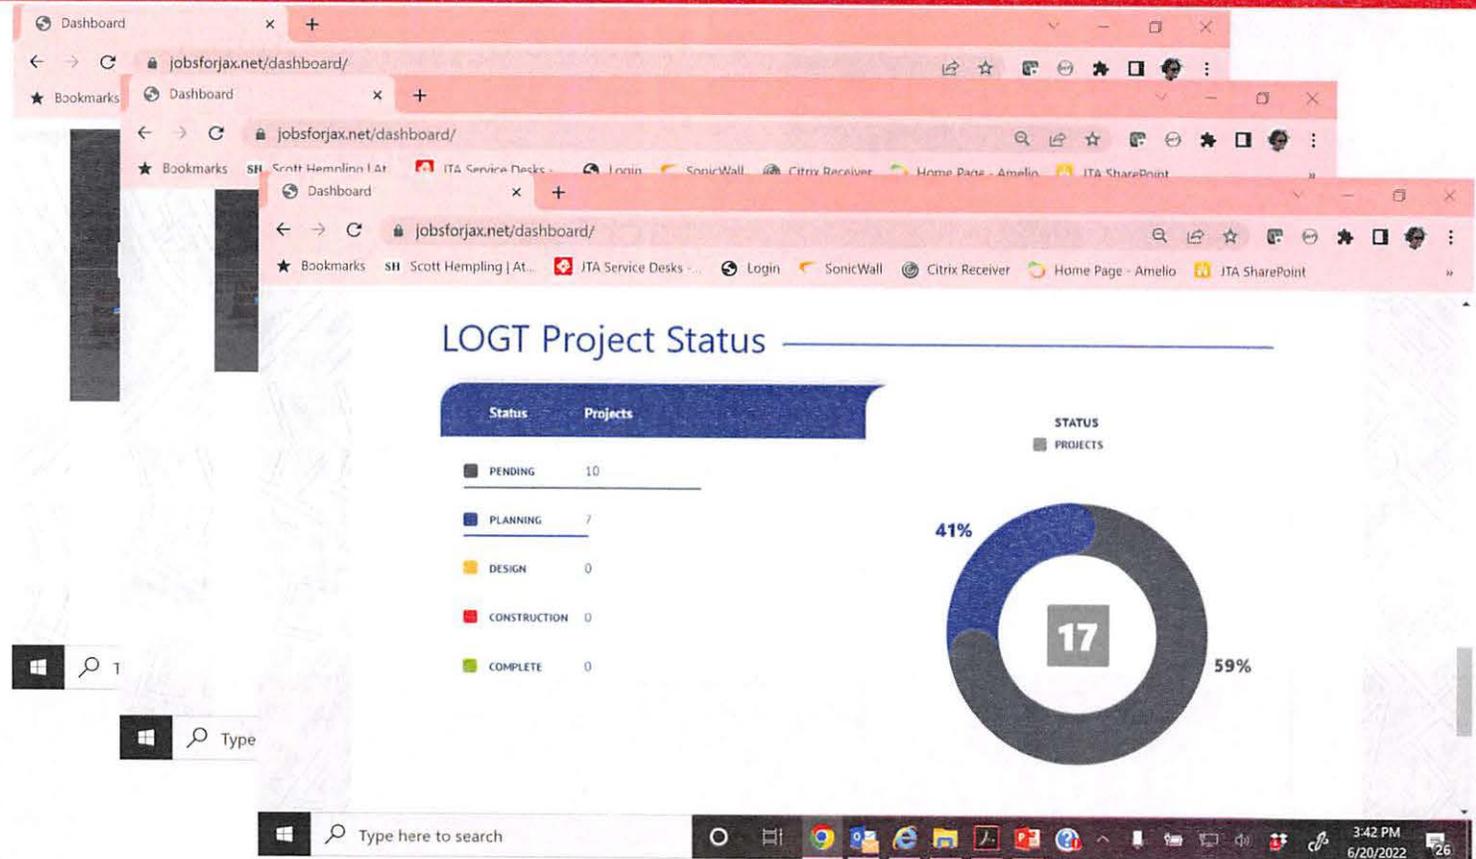

# Transparency and Accountability

*JTA and the City of Jacksonville will coordinate on the public facing dashboard*

# Transparency and Accountability

*JTA has participated  
in FACPAC Meetings  
since 2015*

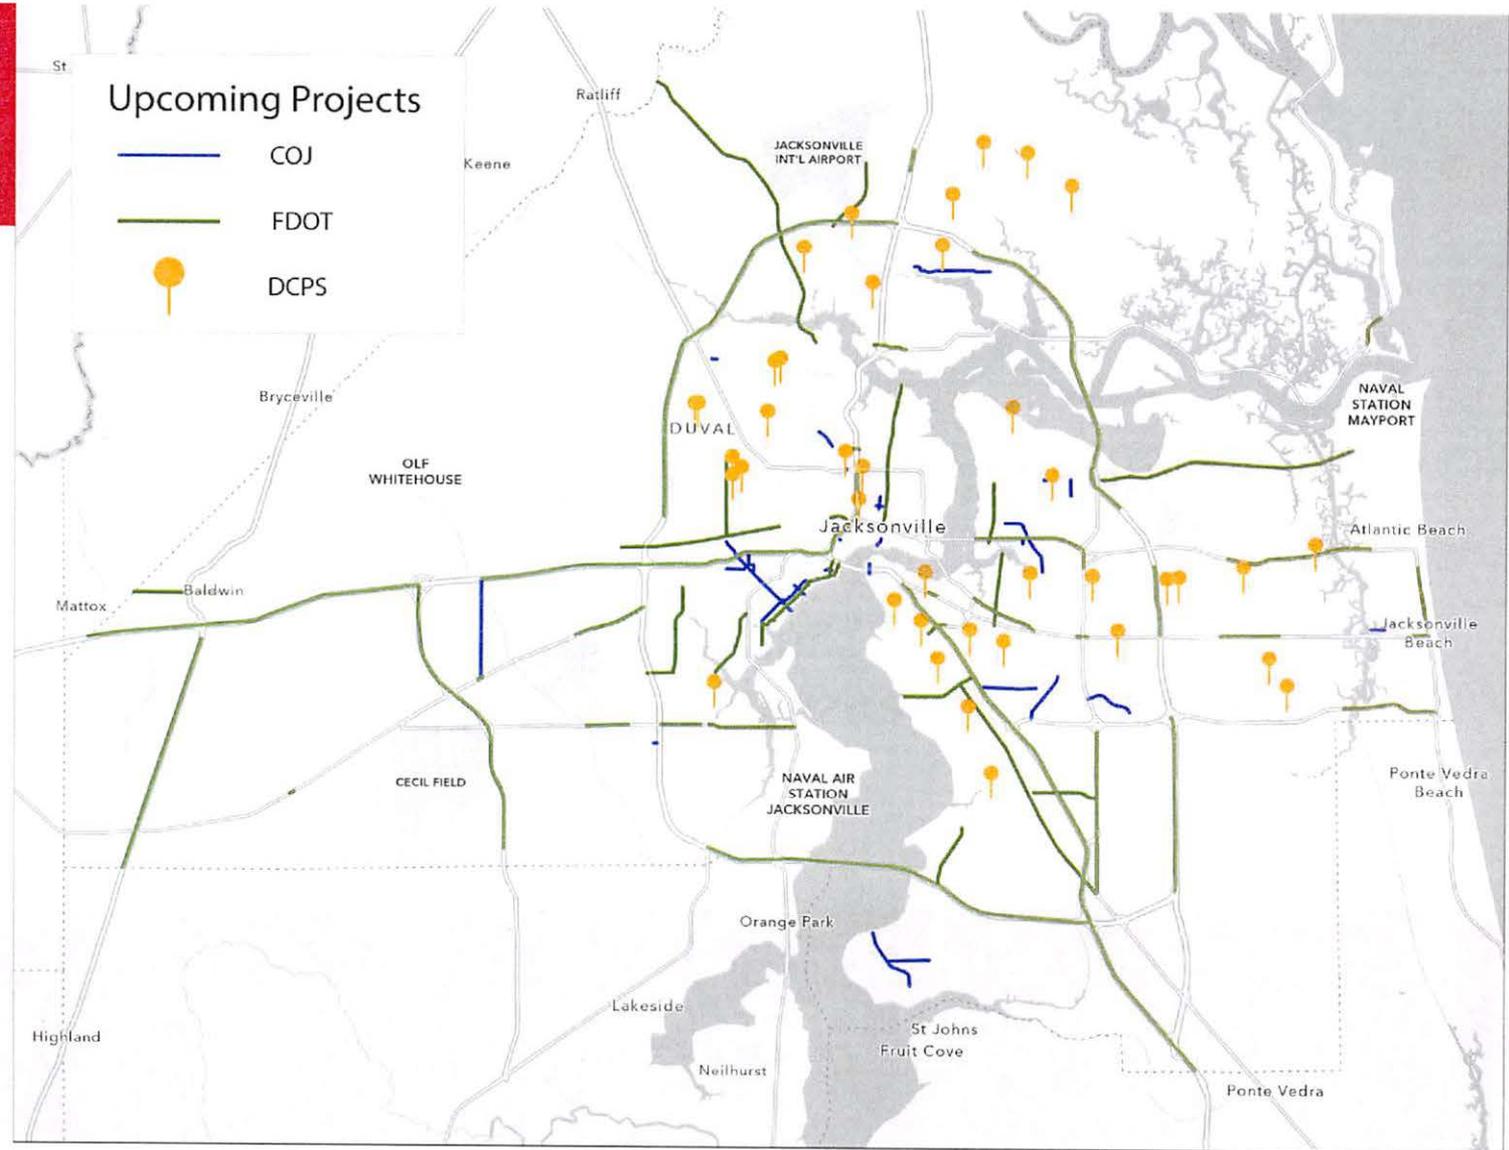

**MOBILITYWORKS**

- External
  - Finance and Project Administration Committees (FACPAC) Quarterly Meetings
- Internal
  - Monthly Capital Projects Review Committee

There are many upcoming roadway, drainage and facilities projects scheduled:

- COJ – 34
- FDOT – 107
- JAA – 17
- DCPS – 45

# Overcoming Challenges

*JTA, COJ, JEA and  
FDOT District 2 to  
collaborate on  
upcoming  
procurement  
opportunities*

**MOBILITYWORKS**

- Collaborative Partnerships
  - Quarterly Jax Capital Works Meetings with City of Jacksonville, FDOT, JEA to discuss construction procurements timelines
  - Meetings with City of Jacksonville to discuss procurement opportunities
  - Partner with Industry Organizations to host industry and procurement forums
- Project Phasing and Prioritization
  - Prioritize time for careful design, utility coordination, permitting and ROW acquisition
  - Schedule procurements to not conflict with regional projects of significance
  - Combine multiple procurements together to make attractive to contractors
- Construction Market Assessment
  - Conduct quarterly assessments of construction industry to inform procurement decisions

THANK YOU

A group of diverse hands of various skin tones and wearing different colored sleeves (blue, yellow, red, grey) are holding up large, colorful letters that spell out 'THANK YOU'. The letters are in a bold, sans-serif font with a white outline. The background is a solid light blue. The hands are positioned at the bottom of each letter, suggesting a collective effort to express gratitude.
