DEFER

Council Member Peluso made a motion to overturn the Chair's decision of deferral. It was seconded. Council Member Clark- Murray supported deferral and asked JEA representative Kurt Wilson to clarify the rationale for deferral. Mr. Wilson stated the bill required further education and been deferred in previous meetings due to outstanding questions. He also stated he was unaware of any amendment beyond minor technical corrections.

Chair Lahnen sought clarification on whether the Chair's ruling could be overturned. Carla Lopera, Office of General Counsel, confirmed it was allowable under Council Rule 4.203 but debate was not permitted.

The motion failed via hand vote.

Council Member Carlucci emphasized the importance of passing the bill ahead of the budget deadline to allow the mayor to include the contribution in the proposed budget. He supported the deferral to allow for Council Member outreach and discouraged setting a precedent of overturning committee chairs.

Council Member Clark-Murray inquired about the nighttime parking voucher program, its revenue and cost implications, and potential meter removal expenses.

Lori Boyer, DIA CEO, explained that the bill formalizes a nighttime parking voucher program piloted at the Ed Ball garage for downtown event venues and restaurants. She stated that it also updates outdated meter language and adds a fee for removing meter posts during construction.
